NOTICE OF MOTION – HIGHWAYS DATA

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor L. C. R. Mallett:

“Council notes that even Worcestershire County Council’s (WCC) potentially flawed highways survey data from 2017 shows large uplifts in traffic volume over the past few years over historic levels.

Council further notes that on some roads especially on the west of the town the actual observed growth is much higher than the previous projections from Worcestershire Highways’ now discredited models.

Council resolves to commission an urgent independent review of all WCC input into current development strategy and any local highways strategy, including the analysis and report around the need for a Western Distributor Road for Bromsgrove.”
