Councillor Luke Mallett
Email received 13 February 2020

- Please can you add the attached photograph of regular deliveries to the Select and Save shop (Rock Hill) to the record with reference to the Whitford Planning matter for discussion at tonight's meeting.

- It highlights the safety issues here and the impact of the loss of the layby and the desire for such vehicles to reverse into and off the suggested roundabout.

- It is hard to see how the loss of the layby will safely allow deliveries or indeed not wreck the passing trade on which this shop relies.

- So both an issue of highways safety but also the vital economic benefit and community value this business provides.
