Cabinet Meeting – 26th October 2022

Item 4: Recommendations from the Overview and Scrutiny Board

The following recommendations were agreed at the Overview and Scrutiny Board meeting held on 24th October 2022. The recommendations relate to the Climate Change Strategy / Carbon Reduction Implementation Plan, due to be considered at Item 8 on the Cabinet agenda.

RECOMMENDED that

1. The latest figure, quantifying Bromsgrove District Council's reduction in carbon emissions (in tonnes) between 2019 and the present, be provided;
2. Birmingham City Council be asked to engage in partnership working on carbon reduction with Bromsgrove District Council and other Worcestershire Councils, especially given that Lickey Hills Country Park, located mainly in Worcestershire, is owned and maintained by Birmingham City Council;
3. An easily accessible, infographic version of the Bromsgrove District Council Carbon Reduction Strategy & Action Plan be produced for the benefit of councillors and members of the public; and
4. The Parish Councils be included as stakeholders in the Bromsgrove District Council Carbon Reduction Strategy & Action Plan and its ongoing development.
