# Bromsgrove DC Overview and Scrutiny

11 September 2023

Overview and Effectiveness of NewStarts  
Community Supermarkets

Judith Willis, Head of Community & Housing  
Services

- History
- Stand-alone cost £67K
- Pandemic and cost of living situation
- Poverty prevention verses Environmental Project
- Bromsgrove (Sherwood Road) and New Frankley sites

# Process

- Where the community supermarket would be based? Could there be more than one?
- Where would the food come from?
- When would the supermarket take place?
- How would it/they be staffed?
- What model would NewStarts run?
- How would NewStarts monitor success?

# Is it a success

- No. of people using the supermarket
- Amount of income generated and surplus/deficit
- Food being saved from waste (see table below)
- The wider social value

Page 6

Site	No. of people	Income	Saved from waste
Bromsgrove (started 1 <sup>st</sup> June)	134	£420	750kg
New Frankley - serving Rubery (started 2 <sup>nd</sup> August)	82	£208	150kg

Agenda Item 5

# Conclusion

Expenditure	
Food	£596
Staff	£423
Sub-total	£1019
Surplus/Deficit	(£391)
