Hello Richard

Assuming the amendments are made and the conditions are added to the licence at Lisensing Sub Committee, EH will withdraw their representation.

Kind regards

Louise

Hi Louise			
Thank you for your updated representation sent today at 14:52 hours below.			
I have received confirmation from the applicants that the wording proposed by EH is acceptable and that the applicants are content to make the proposed alterations to the premises licence application and that any that require conditioning may be added to the licence should this application be granted by the Licensing sub committee.			
May I respectfully request that on the assumption the concerns of the EH department are now satisfied with the amendments agreed that EH will withdraw their representation on the basis of this agreement.			
May I thank you for your time and patience.			
Kind regards			
Richard

Hello

As discussed - the copy I found was from Birmingham City Council's website

You mentioned that you are likely to include practical measures (possibly previously discussed with Toby Hardman-Dodd) such as

- Directing loudspeakers away from the most noise-sensitive buildings;
- · Use of directional speakers,
- Location of stages ie as far away as practical from and facing away from noise sensitive properties;
- Publicising events so that neighbours are aware of when they are going to happen and include a number for local residents to contact you during events if there are any problems – make sure it is answered
- · Monitoring each event The Music Noise Levels expressed as an LAeq should not exceed the background noise level by more than 15dB(A) over a 15 minute period ( see attached)
- · Making sure you can reduce the volume if necessary to ensure you stay within limits
- · You may need to consider low frequency noise depending on the nature of the event
- · You may need to take into account weather including wind direction for some events
- · Finish on time make artists aware of your finish time, plan to finish a little earlier so that you are not having to cut them off mid song.
- · The above relates to entertainment but you may wish to consider other noise that may be on site , eg from generators etc

This would form the basis of any noise management plan which WRS would want to see beforehand. My colleagues Toby and Janine Burton (copied in ) would be available to meet on site to discuss this further.

Hope you have a good holiday

Kind regards

Louise.

Appendix D - Offered Licensing conditions, further proposed conditions & agreed conditions with Environmental Health.

Thornborough Events, Thornborough Farm, Redhill Road, B38 9EH –

Premises licence application (25/0508/PREMLI)

#### Originally offered conditions in the Application:

- 1. The Premises Licence Holder shall ensure that all staff employed at the premises whose duties include the sale or supply of alcohol shall undertake and complete a relevant programme of internal training prior to them being authorised to sell or supply alcohol.
- 2. The premises licence guidance manual will be the basis of alcohol sales training.
- 3. Records of the training programme shall be maintained and made available to Authorised Officers upon request.
- 4. The Premises Licence holder shall provide a "refresher" training session to all relevant staff members as and when deemed necessary on a case-by-case evaluation, but as a minimum requirement the refresher training session shall be provided to all staff on at least one occasion every twelve months.
- 5. The CCTV policy shall incorporate the following basic requirements:
  - Be switched on and fully operational when the licensable activities are being carried out.
  - Record for a minimum rolling period of 31 days
  - Have a means of copying any footage to another medium as evidence if requested by the Police.
- 6. CCTV cameras will be located in consultation with the Police or crime prevention officer prior to the event but as a minimum, cameras will be located within the bar lorry, and on the music lorry, the marquee and on an appropriate external toilet location all aimed towards the seated and standing areas around the bar and music lorries. The CCTV monitor and hard drive will be located within the bar lorry.
- 7. Warning notices advising visitors that CCTV cameras will be recording around the event field.
- 8. All members of staff at the premises shall seek "credible photographic proof of age evidence" from any person who appears to be under the age of 25 years and is seeking to purchase alcohol for consumption on/off the premises. Such credible evidence will include a passport, photographic driving licence, or a Proof of Age card carrying a "PASS" logo.
- 9. A refusal log will be kept at the bar and be maintained to record the refusal of alcohol beverages to underage or intoxicated persons. The details collated will include a description of the individual refused, the date and time, the details of the product refused, the reason for refusal and the name of the staff member.
- 10. Prominent, clear notices shall be displayed at all exit points to advise customers to respect the needs of local residents and of acceptable behaviour in public spaces and when leaving the premises field and area to do so quietly.

# Appendix D - Offered Licensing conditions, further proposed conditions & agreed conditions with Environmental Health. Thornborough Events, Thornborough Farm, Redhill Road, B38 9EH – Premises licence application (25/0508/PREMLI)

- 11. An appropriate number of SIA registered Door supervisors shall be on duty for the length of the event and until the dispersal policy is completed for any event that a risk assessment deems it to be necessary and appropriate.
- 12. Local taxi firm information is to be available at the premises.
- 13. There will a half hour drinking up time following each days stated terminal hour for the provision/sale of alcohol to permit the consumption of alcohol on the premises field. This half hour is included within the one hour winding down time prior to the closure of the premises.
- 14. Live and recorded music will cease by 23:00 hours on a Friday or a Saturday and by 22.00 hours on a Sunday.
- 15. Where regulated entertainment is provided, the premises licence holder (PLH) or designated premises supervisor (DPS) or a responsible person (RP) nominated in writing will regularly monitor noise recorded or live music emanating from the premises to ensure that noise levels are reasonable and unlikely to become a nuisance and will make necessary adjustments to reduce volumes or bass where necessary.
- 16. A written record shall be kept on the premises detailing the name of the person carrying out the monitoring, the monitoring locations, the date and time of the monitoring and the result obtained. The records shall be made available without delay to an officer of a responsible authority or the Police.
- 17. A noise limiter will operate at an agreed set volume at all times music is being played and in addition the PLH or DPS or RP shall immediately comply with a request to adjust noise levels/frequency spectra by an Officer of a responsible authority or the Police.
- 18. All alcohol to be consumed on the premises will be provided from a bar area. There will be no self-service of any alcohol. Visitors will not be permitted to bring their own alcohol into the events field for consumption on the premises.
- 19. Appropriately sized signage stating no consumption of alcohol not purchased on site is permitted. These notices will be displayed prominently on the Event field site, at the entrance to the site from the highway (Redhill Road) and at the alcohol point of sale as well as the overspill field (when used).
- 20. A risk assessment otherwise known as an Event Management Plan (EMP) will be made prior to an event to identify measures required for the safety of staff and patrons. This will include emergency medical care, sufficient toilets to cater for anticipated event attendance, lost child facilities, traffic wardens, security staff, marked visitor parking with parking staff to guide visitors, separate disabled parking area, litter patrol, dedicated refuse storage area & visitor help desk. The risk assessment will be provided at least 3 months before the event to the Bromsgrove

# Appendix D - Offered Licensing conditions, further proposed conditions & agreed conditions with Environmental Health. Thornborough Events, Thornborough Farm, Redhill Road, B38 9EH – Premises licence application (25/0508/PREMLI)

safety advisory group (Police, EH & Licensing) or if the event is arranged at shorter notice no later than 4 weeks before the event.

- 21. A dispersal policy will be included with the risk assessment.
- 22. A zero tolerance to drugs policy will apply particularly to any events that include use of the overspill field for overnight stays.
- 23. A single named point of contact (PC) plus telephone number will be publicised on the event website, so that local residents can report any noise issues or other complaints directly to the organisers. All calls will be logged by time by the PC. Details of the caller will be requested by the PC to include their location/address and contact number. The log will include a note of the remedial action taken. The log will be kept on the premises and be made available upon request for inspection by an officer of a responsible authority or a Police Officer.

Between 1<sup>st</sup> May and 30<sup>th</sup> September each year there will be no more than 28 days of event activities. Events will be limited to just Friday to Sunday except for small privately booked events such as a wedding reception etc which would be limited to 200 persons. The privately booked events would still be included within the 28-day limit per annum. An appropriate risk assessment would be prepared for the provision/sale of alcohol to permit the consumption of alcohol on the premises field. This half hour is included within the one hour winding down time prior to the closure of the premises.

This condition has been withdrawn as it was superseded by EH conditions detailed below.

#### **Additional offered conditions:**

- 24. Only one event be it privately booked or publicly attended will be held on any one day on the event field.
- 25. All privately booked or publicly attended events will be held only between 1<sup>st</sup> May and the 30<sup>th</sup> September inclusive within any one calendar year.
- 26. No person other than the premises licence holder, the designated premise supervisor or an employee directly authorised by them shall organise, advertise, promote or manage any licensable activity at the premises.

#### **Conditions agreed with Environmental Health:**

27. Number of events with between 201 and 2000 attendees be limited to 18 days in total as follows, for the period requested in this application (May to September each year)

Appendix D - Offered Licensing conditions, further proposed conditions & agreed conditions with Environmental Health.

2.7 Temporary Events Notice
IMPORTANT NOTE:
INFORTANT NOTE:
Licensable activities at your event such as the sale and supply of alcohol, the provision of late
night refreshments to the public and regulated entertainment may require a temporary event

Licensable activities at your event such as the sale and supply of alcohol, the provision of late night refreshments to the public and regulated entertainment may require a temporary event notice (TEN). A temporary event notice is a notification to the licensing authority that an individual intends to carry on licensable activities for a period not exceeding 168 hours.

A temporary event notice application must be sent to the licensing authority and the police at least 10 working days in advance of a planned event. Please ensure that you have the necessary licences in place.

#### 2.8 Musical Entertainment

Please tell us what entertainment you have arranged for your event i.e. Live music with amplification and how you manage noise disturbance and potential complaints.

#### **Important notes:**

- If you have live music you may require a Temporary Events Notice.
- It is your responsibility to inform the Performing Rights Society (www.prsformusic.com) if

you are having live music at your event.

# Kenneth Moore & Sarah Moore Stater Agendathem 4 Thornborough Events, Thornborough Farm, Redhill Road, B38 9EH – Premises licence application (25/0508/PREMLI)

We are in receipt of a number of representations objecting to the above referenced application, within these representations a number of allegations are made suggesting the previous Temporary Event Notices (TEN) have not been run in accordance with the permission given and as a result any new premises licence will also be poorly controlled. We refute all these allegations.

1. Firstly, we can state that there has been no breach of any of the TEN's applications we have made since 2019. There have been a total of at least 32 TEN's grants to-date, the majority of which were till 11pm, some 12 and on one occasion 1am. It is possible these later tens are where people are wrongly assuming we have gone over our licenced hours. We have never gone over any licencing hours.

We do accept there was one unfortunately incident where a DJ who was to be doing the music on the Saturday, came on the Friday night after work and camped with some friends. They did plug in their equipment and played some music which we were told about straight away by a local residents and we called the person in question and demanded it to be turn off immediately which it was and we apologise for this and we have not use this said DJ since.

2. We can also confirm that we are aware of the recent regular visits by the responsible authorities (Environmental Health, The Police or Licensing Officers) who visit our premises late in the evening when a TEN's is in force – normally around 23.00 hours to check that licensable activities are still not in progress. Sometimes we speak to them sometimes we do not. On the first instance, that we were aware of their presence, they were met by a member of our staff locking up the main gates as the event was completely finished and they commented that they had no concerns and said they had been parked outside Hazeldene (3rd property down on the left) for over an hour. For information the 1st 2 houses on the left are actually supporters.

The following night, we were told from one of our attendees of the event that they were parked by his house on Bell Green Lane as he went to speak to them to find out what they were doing.

The same happened again at the one of the next events where they turned up at approx 11.30 and the main gates were being shut.

They also came on Friday 29th August and asked to speak to us and just advised they were there for addition monitoring in light of the application and once again confirmed they had no cause for concern. They told us they would come again on the

# Kenneth Moore & Sarah Moore Staten Agendar tem 4 Thornborough Events, Thornborough Farm, Redhill Road, B38 9EH – Premises licence application (25/0508/PREMLI)

Saturday and we did invite them to use the car park for their monitoring but we are unaware of whether they did or didn't.

In 2024 we had a letter, email and phone calls from Environmental health, the last communication being with Toby Hardman-Dodd who stated he was going to be monitoring the noise levels and we welcomed this test and requested the results and were told we'd receive them but never did nor hear from him since which we felt was rude after he confirmed on the phone that he would definitely sent us the results.

- 3. We can confirm we have ample litter receptacles to take any visitor or business generated trash. These waste bins are sited in convenient locations and are then deposited into skips. The skips are collected when full after the event. The waste collected is inside black bin bags before being deposited into a skip. The skip then has close mesh netting fixed to stop birds opening bags and also prevents litter from being affected by windy conditions. In addition, we have a team of litter pickers to ensure there is no rubbish left on the field. The Hi-Viz jacketed litter pickers operate on all the day(s) of the event.
- 4. We have submitted a draft outline of a risk assessment/Event management plan (EMP) which is to be submitted no less than three months for events of over 200 persons and no less than four weeks for privately booked events of under 200 visitors to the Local authorities Bromsgrove safety advisory group which consists of the Police, Licensing and Environmental Health officers amongst others. The EMP includes amongst many other considerations a traffic management plan to ensure there are no issues regarding the public highway.

This statement is true to the best of our knowledge & belief.
