COUNCIL   21st September 2016

NOTICE OF MOTION – WCC HIGHWAYS AUTHORITY

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor L. C. R. Mallett:

"Council continues to be concerned about the support and guidance provided to this Council and the District as a whole from Worcestershire County Council, as the Highways Authority, in relation to strategic matters, long term planning and major projects.

Council calls for the immediate reinstatement of the highways forum as an opportunity to raise local concerns and identify input into highways planning.

Council authorises that planning officers may seek independent highways advice to test, confirm and potentially challenge highways authority opinions on major applications and strategic highways matters, where Members/officers feel this is required and that the costs of this advice be met from existing planning funding.

Council calls on the Leader, Planning Portfolio Holder and opposition leaders to continue their dialogue with Worcestershire County Council to seek to strengthen Member confidence in the service received".
