The Board considered the progress report for the financial year 2013/2014 from Grant Thornton.

Mr. P. Jones introduced the report and in doing so informed the Board that Grant Thornton were required to issue a detailed accounts audit plan to the Council setting out their proposed approach in order to provide an opinion on the Council's 2013/2014 financial statements. The report included a summary of emerging national issues and developments that could be relevant as a District Council. The Executive Director, Finance and Corporate Resources had agreed to prepare an action plan that addressed the issues raised in the report. The action plan to be presented to the next meeting of the Audit Board for Members to consider.

Mr. P. Jones drew Members' attention to pages 27 - 29 of the report: Emerging issues and developments, local government guidance and Potential for procurement fraud. Highlighting that the Council needed to be vigilant in their processes against fraud.

In response to Councillor P. M. McDonald, Mr. P. Jones explained that the reduction in fees, compared to the previous years, was a cost reduction due to the restructure and reduction in overheads of the Audit Commission. It was not due to a reduction in audit days. Audit procedures had evolved with audit work being streamlined in order to be more efficient. This would not affect audit standards, audits would be carried out to the same high standards. There were inherent risks in any auditing process or methodology. Working in a more focussed and efficient way would lower risks.

RESOLVED that the Audit Board note the progress report for the financial year 2013/2014 and emerging issues as presented by Grant Thornton.
