**NEW HOMES BONUS CROSS PARTY WORKING GROUP**

**Update for Website**

The New Homes Bonus Cross Party Group would like to thank all those residents (and parish councils) who have taken the time to attend the recent forum and provide written responses following that Forum.

The Group would like to assure those residents that their comments have been taken on board and will be considered in greater detail during its forthcoming meetings. Various options will be considered and the Group's recommendations will be put before full Council in due course for discussion and debate, when a final decision will be made as part of the 2015/16 budget planning process.
