1. SUMMARY OF PROPOSALS

- 1.1 Members are asked to approve the appointment and composition of the Council's Boards and Committees for the 2016 - 17 Municipal Year.

2. RECOMMENDATIONS

- 2.1 That for the ensuing Municipal Year, the Committees set out in the table in Appendix 1 of the report be appointed and that the representation of the different political groups on the Council on those Committees be as set out in that table until the next Annual Meeting of the Council, or until the next review of political representation under Section 15 of the Local Government and Housing Act 1989, whichever is the earlier.
- 2.3 That Members be appointed to the Committees and as substitute members in accordance with nominations to be made by Group Leaders.
- 2.4 That the terms of reference for the Boards and Committees as set out at appendix 2 be confirmed.

Financial Implications

- 3.1 There are no direct financial implications arising from this report.

Legal Implications

- 3.2 Sections 15 -17 of the Local Government and Housing Act 1989 place a duty on Councils to allocate the seats on certain committees in proportion to the size of the political groups on the Council.

ANNUAL COUNCIL

18th May 2016

Service / Operational Implications

- 3.3 The Council is required by law and/or its own Constitution to appoint various Boards and Committees, agree their terms of reference and to agree the allocation of seats which are subject to the rules of political proportionality. It must review the political balance on an annual basis.
- 3.4 The rules of political proportionality mean that the political balance of the Council needs to be reflected in the political composition of individual Boards and Committees. In addition, the total number of seats allocated to each group must reflect the political balance of the Council.
- 3.5 The proposed allocation of seats on each Board/Committee is done on a strict mathematical basis. There have been no changes to the size of the political groups or of the Committees since the balance was agreed at the Council in June 2015.
- 3.6 When the Council reviewed the constitution in June 2015, it agreed the principle of substitute members on the Planning and Licensing Committees undertaking the same training as the full members of the Committees. In order that such training can be run effectively by including all Councillors for whom it is most relevant, group leaders area asked to identify who will act as substitute members for the Licensing and Planning Committees for this municipal year.

Customer / Equalities and Diversity Implications

- 3.6 No implications have been identified.

4. RISK MANAGEMENT

- 4.1 There are no significant risks associated with this item.

1. SUMMARY OF PROPOSALS

- 1.1 The Council makes appointments and nominations to a number of Outside Bodies each year. This report sets out the details of the appointments which are made by the Council.

2. RECOMMENDATIONS

It is recommended that that the Council nominates to the bodies listed in the appendix to the report.

3. KEY ISSUES

Financial Implications

- 3.1 There are no financial implications arising directly from this report.

Legal Implications

- 3.2 No specific legislation governs the appointment or nomination of members to outside bodies by the Council. Depending on the nature of the relationship the Council has with the organisation, the legal status of the organisation, its corporate, charity or other status and its constitution, there are differing legal implications for the members sitting on these bodies.
- 3.3 The Local Authorities (Indemnities for Members and Officers) Order 2004 governs the Council's ability to indemnify members sitting on outside bodies.

Service / Operational Implications

- 3.4 A number of bodies ask the Council to make appointments to them for terms of office which vary from one year upwards.
- 3.5 The Council has previously agreed that a number of such appointments, usually to national or regional bodies, should be made by office. Where there are specific requirements for appointments these are shown against the organisations in the appendix.

Customer / Equalities and Diversity Implications

3.6 There are no specific customer or equalities implications arising from this report.

4. RISK MANAGEMENT

4.1 There would be risks arising if the Council failed to make appointments to the Outside Bodies listed in this report; the nature of the risk would vary depending on the type of body in question. The Council needs to participate in certain Outside Bodies to ensure that existing governance arrangements can be complied with. On other bodies the risk would be less severe but non-participation would detract from the Councils ability to shape and influence policies and activities which affect the residents of Bromsgrove.

5. APPENDICES

1. SUMMARY OF PROPOSALS

- 1.1 The Council is required to review its scheme of delegations on an annual basis. This report presents the scheme for noting.

2. RECOMMENDATIONS

It is recommended that

- 2.1 The current version of the Officer scheme of Delegations is noted, as set out at Appendix 1.

3. KEY ISSUES

Financial Implications

- 3.1 There are no financial implications arising directly from this report.

Legal Implications

- 3.2 Review and revision of the Constitution is governed by Article 15 of the Constitution.
- 3.3 Section 101 of the Local Government Act 1972 (as amended) gives a general power to local authorities to discharge functions through officers. Local authorities are required by the same Act to maintain a list of these, which is referred to as the Scheme of Delegation. This sets out those powers of the Council which can be carried out by officers of the Council.

Service / Operational Implications

- 3.4 The Council's Constitution currently requires that the Officer Scheme of Delegations be approved by Members at the Annual Meeting of the Council.
- 3.5 The Officer Scheme of Delegations is the part of the Constitution that gives authority for certain decisions to be delegated from Council, the executive (Cabinet) or other committees to certain specified officers. It sets out

the decisions which are delegated by Council to officers and the decisions which are delegated by the Executive/ Leader to officers. In relation to certain regulatory decisions, the delegation is from Council to the relevant committee, namely Planning Committee or Licensing Committee.

3.6 The Scheme of Delegations is regularly altered and updated to reflect changes in the operation of the Council and changes to legislation. Changes have been made by the Monitoring Officer in accordance with the delegation that currently exists to amend the scheme to reflect changes in legislation, job titles and reallocation of functions. They do not extend the delegations.

3.7 The only changes made are:

- to the delegations relating to the processes for dealing with RIPA requirements (the Regulation of Investigatory Powers Act); changes in the law around this function required these to be updated. The changes do not extend any officer powers. The responsibilities for this were set out in two parts of the delegations, so the opportunity has been taken to bring them together in the corporate delegations.

The processes were inspected by the Surveillance Commissioner in March 2016 and found to be compliant;

- updating reference to the Council House and Spadesbourne suite under Resources (property services) following the move to Parkside. Again, the scope of the delegations has not been extended.

Customer / Equalities and Diversity Implications

3.8 There are no specific customer or equalities implications arising from this report.

4. RISK MANAGEMENT

4.1 The main risks associated with the details included in this report are failure to comply with governance requirements which may expose the Council to the risk of challenge by way of judicial review or appeal which may result in awards of damages and costs against the Council and loss of reputation.

5. APPENDICES

Appendix 1 - scheme of delegations to officers revised May 2016.

Scheme of Delegation: Introduction

1. This Scheme of Delegation will be updated regularly. However:
 - a) any reference to specific legislation or to statutory provisions shall be deemed to refer to any relevant aspects of any successive legislation or statutory provisions;
 - b) reference to post holder shall be deemed to refer to any successor post holder(s) who is/are charged with the same responsibilities following any reorganisation or reallocation of functions, save that where there is any ambiguity as to who shall exercise a particular delegation of authority, the delegation shall refer to the higher-ranking officer(s). For the avoidance of doubt, successor post holder(s) include officers placed at the disposal of the Council under secondment arrangements pursuant to s113 of the Local Government Act 1972 or any other enactment or power.

Delegations to Committees and Sub-Committees

2. This Scheme of Delegation is not an exhaustive list of matters delegated to Committees and Sub-Committees. The Scheme of Delegation must be read in conjunction with the Terms of Reference for each Committee and Sub-Committee.

Delegations to Officers

3. All powers, duties and responsibilities appropriate and necessary for day to day operational activities shall be deemed to be delegated to the relevant Head of Service with the responsibility for the discharge of that function or the exercise of that power unless otherwise specifically prescribed and shall include authority to incur normal revenue expenditure in the discharge of day to-day operational activities in accordance with Financial Regulations and where budgetary provision has been made unless the Cabinet or Section 151 Officer has placed a conditional approval on any such item. The Scheme of Delegations is not intended to be an exhaustive and complete list of delegations to officers.
4. Notwithstanding that functions are delegated to an officer, the relevant parent committee or other member body with decision-making powers will retain concurrent powers. An officer may decide not to exercise any function in relation to a particular matter and invite the relevant committee or member body with decision-making powers to do so instead.
5. Where an officer whose post is named under this Scheme is unable to act or is absent the powers delegated to him/her may be exercised by

any officer authorised by him in writing or by any more senior officer in that officer's hierarchical line of management up to and including the Chief Executive except where this is not permitted in law or is subject to other qualification. Any delegation to the Chief Executive may in his/her absence be exercised by the Executive Directors, Deputy Chief Executive, Monitoring Officer or Section 151 Officer as may be appropriate.

6. There are further delegations of powers which can be exercised by officers under Contract Procedure Rules.

Calling-In Procedure for Ward Members for Planning Committee

7. When a ward member wishes to call in an application to Planning Committee for consideration, they will, within 21 days of receipt of the notification of that application, contact the case officer and set out their reasons for wanting the application to be considered at committee rather than by officer delegation. The case officer will, in writing, record the request and reasons and send a written record to the Portfolio Holder, Chairman of the Planning Committee and any other ward member(s) for the area in which the application site is situated, of the request and reasons.
8. If a request is made after the deadline set out in paragraph 7 above, the Chairman of the Planning Committee shall make the final decision, taking into account all relevant matters, as to whether the application is considered by the Planning Committee, and will inform the case officer of his decision within 2 working days of receiving the request from the case officer. The ward member who made the request will also be informed of the Chairman's decision.

Interpretation of the Scheme of Delegations
