INTRODUCTION TO THE CONSTITUTION

District Council

INTRODUCTION

- 1.1 Under the Local Government Act 2000 the Council is required to adopt a formal Constitution when operating executive arrangements. A number of Regulations have also been made under the Act which prescribe in considerable detail how the Council should draw up the content of its Constitution, how it allocates functions and how it conducts its business. The Constitution, therefore, has to contain a large number of provisions and in this respect it reflects, generally, the legislation, Government Guidance and model documents.
- 1.2 Because it has to be comprehensive and meet legal requirements and address technical concepts, the Constitution is both long and complex. It is not a user-friendly document!
- 1.3 The purpose of this Guide is not to summarise all the provisions of the Constitution. This Guide seeks to assist Members and Officers by outlining how the Constitution works, and to focus on some of the practical consequences, both in relation to the role of Members of the Council, and that of employees.
- 1.4 The guide describes the component parts of the Constitution, outlining the main features of each and addressing some working or practical consequences of the Constitution.
- 1.5 Of necessity, the Guide has to simplify the complexities of the Constitution and in some instances what it says will be a general rule rather than explain all the exceptions to the rule. So if the reader is in any doubt, reference must be made to the Constitution itself or advice taken from Legal and Democratic Services. Cross-references are provided to help.

2. THE FRAMEWORK OF THE CONSTITUTION

2.1 The Council

- 2.1.1 The structure diagram inside the front cover shows the formal relationships between the Council, the Executive (the Cabinet), the other Committees and Boards (Non -executive) and the officer structure.
- 2.1.2 A fundamental point is that the legislation provides that the Leader and Cabinet are responsible for what are called 'executive functions' (which cover most of the day to day political decisions), and the Council and committees are responsible for 'non-executive' functions.

2.2 Officer Structure and Shared Services

- 2.2.1 The Council has agreed to the appointment of a shared Chief Executive with Redditch Borough Council and a shared management team. Under this arrangement services are to be shared and delivered by one single team across both Councils.
- 2.2.2 Further details of the shared management team are set out at para 9 of this document and at Part 18. The shared management team has been in place since April 2010. The co-operation between the two Councils on sharing services is reflected by a legal agreement (Overarching Framework Agreement). Proposals for shared services between Redditch and Bromsgrove are considered in the first instance by a panel of members from both Councils who make up the Shared Services Board. The Board has no decision making powers on behalf of the two Councils, and any new arrangements for delivery of services require the approval of Full Council.
- 2.2.3 Notwithstanding the move to delivery of services jointly across both Councils, each Council retains its sovereignty and ability to make decisions for its own constituents independently. Therefore in terms of decision making and the Constitution, each Council continues to be politically independent and to make its own decisions in accordance with the provisions of its own Constitution. There is no intention at this juncture for decision making to be passed to a “joint Council” for the two districts.
- 2.2.4 Further details of the arrangements for shared services with Redditch Borough Council are set out in Part 7 of the Constitution.

2.3 Other arrangements for joint working

- 2.3.1 In addition to the shared arrangements with Redditch Borough Council, the Council is involved in other joint arrangements for provision of services with other Councils in Worcestershire. Since June 2010 Bromsgrove District Council has been the host authority for Worcestershire Regulatory Services. This service was created to carry out the Environmental Health and Licensing functions of the six District Councils, together with the Trading Standards function of the County Council. The staff for the service is employed by BDC and it is governed by a Joint Committee made up of two members from each of the 7 authorities involved.
- 2.3.2 In relation to other service areas, Internal Audit Services are now delivered for BDC as part of a shared services hosted by Worcester City Council. The Council has entered into an arrangement with Worcestershire County Council for the County Council to provide an Assets Management Service for the Council. The Council has entered into an arrangement with Redditch Borough Council and Wyre Forest District Council for there to be one shared service for economic

development and regeneration hosted by Wyre Forest District Council. The Council has entered into a similar arrangements with Redditch and Wyre Forest in relation to Building Control Shared service which is hosted by Bromsgrove. The Council has agreed to an arrangement with Wyre Forest District Council and Redditch Borough Council under which Wyre Forest is hosing a shared service for Land Drainage. Finally, the three authorities are collaborating on a shared service for Emergency Planning which is hosted by Wyre Forest Distrct Council.

3. THE FULL COUNCIL

3.1 Composition and Role

- 3.1.1 The Council comprises 31 elected members.
- 3.1.2 The job of the full Council is to approve the Council's main policies (the policy framework as set out in Part 2 the Articles of the Constitution) and the Annual Budget (both revenue and capital). There are other matters reserved to the full Council to decide. These are set out in the Articles at 4.2 and include the appointment of the Leader of the Council.
- 3.1.3 The Council receives minutes from the Cabinet, which may include recommendations to the Council and also record the business it has considered. In most cases the Cabinet, because of its decision-making role, and the breadth of, its responsibilities will be reporting to the Council on matters where it has already made a decision under its delegated powers.
- 3.1.4 The Council may also receive reports/recommendations from its other Committees.
- 3.1.5 The dates of the Council meetings will be published well in advance. Its annual meeting will be in May and it will decide its budget in February to allow Council Tax calculations for the new financial year from April.
- 3.1.6 Members of the Council have the ability to requisition an extraordinary meeting of the Council under paragraph 3 of part 8 of the Constitution (Council Procedure Rules).
- 3.1.7 The Chief Executive, the Monitoring Officer and the section 151 officer have the right to submit reports directly to the full Council.
- 3.1.8 It should be noted that unless the matter is one which:-
- is for the full Council or its Committees to determine (as set out in Parts 3 - 7 - Responsibility for functions)
 - is contrary to the policy framework or not wholly in accordance with the Council's budget

- cannot in law be the responsibility of the Cabinet

then the Council or its other Committees cannot take a decision about that matter (or overturn a decision of Cabinet). That responsibility rests with the Cabinet. Similarly, the Cabinet cannot take a decision which the responsibility of the Council or its Committees.

3.2 Meetings of the Council

3.2.1 Meetings of the Council are relatively formal. The Council's Procedure Rules (Part 8 of the Constitution) govern how a meeting of the Council is conducted. The same rules also apply to certain committee meetings; other committees have their own procedure rules including Cabinet, Overview and Scrutiny Board, Planning Committee and Audit Board.

3.2.2 At Council Meetings the agenda will include presentation of recommendations from Cabinet to Council and reports on any issues to be decided by the Council. Individual Members can ask questions of the Leader or propose motions for debate.

4. THE CABINET

4.1 Composition and Role

4.1.1 The Council is required by law to have an 'Executive', and has chosen the "Leader and Cabinet" model. The Leader is responsible for making arrangements to discharge functions which fall to the executive, whether through the leader personally, individual Cabinet members, or officers.

4.1.2 The Cabinet is not a Committee and is not required to be politically balanced. Meetings are held in public but the Cabinet must comply with the Access to Information Rules as set out in Part 9.

4.1.3 The Council appoints (and can subsequently remove) the Leader at the first Annual Meeting of the Council after elections for the life of the Council. All members of the Council are re-elected every 4 years.

4.1.4 The Cabinet comprises the Leader of the Council and a minimum of 2 and maximum of 8 Members of the Council.

4.1.5 The Leader presides at meetings of the Cabinet. A Deputy Leader presides in the Leader's absence. In the absence of both, a member nominated by those present at the meeting will preside.

4.1.6 The Leader determines the number of areas of political responsibility or "portfolios" and their allocation to members of the Cabinet (Portfolio Holders).

4.1.7 The Leader has determined that Cabinet will take decisions collectively. No individual members of the Cabinet have delegated powers to take decisions on behalf of the Cabinet.

4.1.8 The Cabinet takes decisions on all matters relating to the functions of the Council except those which –

- are reserved to the full Council (e.g. Budget and Policy Framework, Members' Allowances and Code of Conduct)
- are ones which by law the Cabinet cannot take (e.g. deciding Planning applications and Standards matters)
- by choice may not and have not been allocated to the Cabinet.

4.1.9 In general terms, it is therefore the Cabinet who will take the main political decisions in relation to services.

4.1.10 Many decision-making powers continue to be delegated to officers to allow the day to day operation of services to continue. Officers will not be taking 'Key Decisions' (see below). Part 6 contains the scheme of delegation to committees and officers.

4.1.11 Collectively and individually the Cabinet are subject to the overview and scrutiny arrangements which the Council has established (Section 5 below).

4.2 Key Decisions

4.2.1 Certain types of decision which are the responsibility of the Leader and Cabinet are called 'Key Decisions'. It is important to know what they are because only the Cabinet will be taking Key Decisions; and (generally) advance notice has to be given of Key Decisions to be taken through the procedure known as the Forward Plan (4.3 below).

4.2.2 Key Decisions are ones which are likely:-

- (i) To result in the Council incurring expenditure, foregoing income or the making of savings in excess of £50,000 or which are otherwise significant having regard to the Council's budget for the service or function to which the decision relates; or
- (ii) be significant in terms of its effect on communities living or working in an area comprising two or more wards in the district.

4.3 The Forward Plan

4.3.1 The Leader of the Council has to publish the Forward Plan each month, which contains a list of what Key Decisions the Cabinet are likely to

take in the following months; when the decision is likely to be taken by the Cabinet; a list of the documents which the Cabinet will consider including any background documents; and the steps to be taken by any person who wants to make representations to the Cabinet about the matter. For transparency, the Forward Plan also includes non-Key Decisions going to Cabinet.

- 4.3.2 The purpose of the Forward Plan is to alert the public and members to when Key Decisions are to be taken by the Cabinet so that they can raise matters of concern with the local Councillor or members of the Cabinet or attend.
- 4.3.3 The Forward Plan has to be updated monthly so that as more details become available, more information can be included in the Plan.
- 4.3.4 The detailed requirements in relation to the Forward Plan are set out in Part 9 (Access to Information Rules).
- 4.3.5 There are detailed procedures in Part 9 of the Constitution about taking Key Decisions which for some reason have not been included in a Forward Plan (paragraph 16) or which are very urgent (paragraph 17). The Overview and Scrutiny Board also has a right to require the Cabinet to report to the Council on Key Decisions which they believe to have been taken otherwise than in accordance with the required procedures – and the Leader has to report to the full Council quarterly on all special urgency decisions (paragraph 18).

4.4 Meetings of the Cabinet

- 4.4.1 The Cabinet will normally meet monthly in public, unless the matter to be discussed is confidential or exempt.
- 4.4.2 The Cabinet may also meet privately (with no public or local members present) when the business will only be the discussion of matters with officers and not the taking of decisions. They may also meet for informal briefings.
- 4.4.3 The Constitution allows certain members to speak at Cabinet meetings (but not to vote) e.g. the Chairman or Vice-Chairman of the Overview and Scrutiny Board or the lead Member of a Scrutiny Task Group.
- 4.4.4 The Cabinet will consider reports from Cabinet Members or more usually from Chief Officers, making recommendations for Cabinet to consider.
- 4.4.5 Decisions taken by the Cabinet are subject to the call-in procedures referred to in Section 5 below. Save in the limited circumstances referred to, they will not take effect until the fifth working day after publication of the Minutes of the relevant meeting of the Cabinet to members of the Council. Due allowance must be made for this in the

preparation of any reports to the Cabinet which require a prompt decision as the minutes must say whether implementation is so urgent that it cannot await the outcome of possible call-in – and why (see paragraph 4.4.8 below). Urgency of implementation may need to be specifically addressed in reports.

- 4.4.6 The Chief Officers (or their representatives) will be entitled to be present at all meetings of the Cabinet.
- 4.4.7 All meetings of the Cabinet will be minuted and every member will receive a copy. These Minutes are the formal record of decisions and also the “trigger” for the call-in procedure. They will also indicate which items (if any) are urgent so that they are not subject to ‘call-in’ but fall to be dealt with under the urgency procedures of paragraph 17.17 of Appendix 8 of the Constitution, summarised in 4.4.8 below.
- 4.4.8 Urgent cases will be those where delay likely to be caused by the call-in process could seriously prejudice either the interest of the Council or the public, and the Chairman (or in his absence Vice-Chairman) of the Overview and Scrutiny Board agrees that the decision is urgent and cannot reasonably be deferred. If those members referred to are unable to act, then the agreement of the Chief Executive or his/her nominee will suffice. These provisions allow a ‘check and balance’ allowing a person outside the Cabinet to decide whether or not there should be implementation without the risk of call-in suspending the decision.
- 4.4.9 The Cabinet’s own procedures are governed by Appendix 7 of the Constitution. The Cabinet is not a Committee of the Council and can largely govern its own procedure.

5. OVERVIEW AND SCRUTINY ARRANGEMENTS

5.1 Composition and Role

- 5.1.1 The Council is required by law to have arrangements for Overview and Scrutiny by which recommendations on the development of policies can be made and the Cabinet be held to account for their actions.
- 5.1.2 Any bodies established to carry out Overview and Scrutiny have no delegated powers to take decisions on behalf of the Council.
- 5.1.3 The Council operates a single Overview and Scrutiny Board. From time to time the Board will establish Scrutiny Task Groups to carry out scrutiny exercises.
- 5.1.4 The Overview and Scrutiny Board comprises a Chairman and such other members as the Council appoints. The Board is politically balanced.

- 5.1.5 The size of any Scrutiny Task Group will vary according to the purpose for which it is established. The places on each Task Group need not be allocated strictly in accordance with the political balance of the Council so as to allow Members with a particular knowledge or interest or commitment to take part.
- 5.1.6 Cabinet Members cannot serve on the Overview and Scrutiny Board, or any Scrutiny Task Group.
- 5.1.7 The general terms of reference of the Overview and Scrutiny Board are to perform all overview and scrutiny functions on behalf of the Council in relation to any matter affecting the District and its inhabitants

The specific terms of reference include:-

- a. To receive and consider Councillor Calls for Action
 - b. To perform the functions relating to Crime and Disorder Scrutiny (in accordance with the Police and Justice Act 2006)
 - c. To receive and consider Petitions
 - d. To monitor performance improvement
 - e. To scrutinise the Budget
 - f. To identify unsatisfactory progress or performance and make recommendations on remedial action to the Cabinet;
 - g. To monitor the following Council documents/strategies
 - h. Council Plan
 - i. Council Annual Report
 - j. Sustainable Community Strategy
 - k. Sustainable Community Strategy Annual Report
 - l. Improvement Plan (full document once a year)
 - m. Performance Management Strategy/Data Quality Strategy
 - n. Quarterly Finance & Performance Monitoring report
- 5.1.8 The Overview and Scrutiny Bodies have extensive powers to conduct research, carry out consultations, hold investigations, undertake visits, encourage community participation, liaise with other organisations, gather evidence, invite advisers and experts to assist them and question members of the Cabinet and (in some circumstances) Chief and senior officers about their decisions and performance.
- 5.1.9 Particular action taken by a Chief or senior officer under delegated powers, which is taken in furtherance of the day to day administration of the service for which the officer is responsible, cannot be called-in or scrutinised. This does not however prevent a questioning of a Chief or senior officer as part of a wider scrutiny exercise.
- 5.1.10 Scrutiny arrangements are governed by the Overview and Scrutiny Procedure Rules in Part 12 of the Constitution. These include an obligation to declare any party whipping arrangements.

5.2 Call-in

5.2.1 The Council recognises that the right of call-in should only be used in exceptional circumstances when there is evidence to suggest that the Cabinet has departed from the principles for decision-making. It is not there to be used just because members do not agree with the decision of Cabinet. .

5.2.2 There is a right to call-in decisions taken by the Cabinet before they are implemented. Within three working days of a meeting of the Cabinet the minutes of that meeting will be circulated to all members of the Council and will be available for inspection at the Council House. Unless it is identified as urgent in the Minutes, the decision which the Cabinet has taken will not take effect until five working days have expired after the circulation of the minutes. During the intervening period:-

- not less than three members of the Overview and Scrutiny Board; or
- The Chairman of the Overview and Scrutiny Board; or
- five members of the Council who are not members of the Cabinet;

may “call-in” (with reasons) the decision. It will then be referred to a meeting of the Overview and Scrutiny Board which will decide on the most appropriate way of dealing with the call-in.

5.2.3 The called-in Cabinet decision is then not implemented until either

- the Overview and Scrutiny Board has accepted the decision (with or without comment) or
- the Overview and Scrutiny Board has considered the matter, has proposed modifications and/or referred it back to the Cabinet for reconsideration (or in certain circumstances referred it to the full Council), and the matter has been reconsidered by Cabinet.

5.2.4 The right of call-in is important in enabling members who are not Cabinet members to challenge Cabinet decisions before they are implemented.

5.2.5 The time for call-in is very important, as any Cabinet decision can be implemented on the expiry of the fifth working day after circulation of the Cabinet’s Minutes, if it is not called-in before then. However, restrictions on call-in apply in cases of urgency which are set out in Section 4.4.7 above.

5.2.6 Reference to the full Council would only be appropriate if the decision called-in is one which the Overview and Scrutiny Board believes:-

- the Cabinet cannot in law take; or
- is reserved to the full Council; or
- is contrary or not wholly in accordance with the Budget and Policy Framework.

5.2.7 Details of the call-in procedure are included in the Overview and Scrutiny Procedure Rules (Part 12 of the Constitution).

5.2.8 The operation of call-in will be monitored annually by the Overview and Scrutiny Board.

6. OTHER BOARDS AND COMMITTEES

6.4.1 The Licensing Committee and its sub committees carry out the Licensing functions on behalf of the Council including deciding Licensing policies and considering applications in relation to licensed premises, taxis, street trading and gambling.

8.4 Budget and Policy Framework Procedure Rules

8.6.1 The Budget and Policy Framework Procedure Rules are set out in Part 10. These set out the procedure by which the Cabinet will draw up proposals for the budget and policy framework of the Council.

8.7 Member Allowances

8.7.1 Members may receive the allowances contained in the Scheme of Members Allowances (Part 19 of the Constitution and on the Council's website). These are set by Council following recommendations made by an Independent Remuneration Panel.

8.11 Member involvement in making regulatory decisions

8.11.1 Members need to ensure that they take particular care in their dealings with members of the public and businesses when they are members of either of the Council's regulatory committees, i.e. Planning Committee and Licensing Committee (and its sub committees). This is because

Members of these committees will be called upon to make decisions on applications which may be made by people they know or with whom they have had contact either personally or in their role as a Councillor.

8.12 Member use of ICT

8.13 Outside Bodies

8.13.1 The Council appoints or nominates Members to sit on a wide range of outside bodies and organisations. Further information and guidance to Members in relation to their role on any Outside Bodies is set out in the Protocol on Members Representation on Outside Bodies in Part 29 of the Constitution.

8.13 Members Roles and Responsibilities

8.13.1 A number of role descriptions have been produced setting out the duties and responsibilities of a councillor and various other positions held (such as the Leader, Chairman of Committees etc). These are included in Part 30 of the Constitution.

9. OFFICERS

9.1 Designations

9.1.1 By law the Council must designate officers to hold three statutory offices. These are –

ALLOCATION OF RESPONSIBILITY FOR FUNCTIONS: INTRODUCTION

1. Introduction
- 1.1 Part 3 of this Constitution deals with the allocation of responsibility for undertaking functions. The Council consists of a number of distinct parts, the key ones being the Executive (Leader and Cabinet) and the Council. Between them these two parts bear the primary responsibility for the function and powers of the Council. In order to operate effectively powers are delegated from the Executive and Council to Committees and officers.
- 1.2 The Council has adopted the “new-style” Leader and Cabinet executive (England) governance model from after its elections in May 2011. The Executive therefore consists of the Leader of the Council (who is appointed by full Council and may be removed by it) and 2 or more councilors appointed to the Cabinet from time to time by that Leader. The executive of Bromsgrove District Council is described as 'the Cabinet'.
- 1.3 In accordance with the law, any function of the Council which is not otherwise specified in legislation is an executive function and is the responsibility of the Leader and the Cabinet. The Leader may personally discharge functions which are the responsibility of the executive or arrange for their discharge by the Cabinet, another member of the Cabinet, a committee of the Cabinet or by an officer. The Leader may change these arrangements from time to time. Unless the Leader otherwise directs the Cabinet itself may arrange for the discharge of any of it's functions by a committee of itself, a joint committee or by an officer.
- 1.4 The Leader has decided that all Executive functions will be carried out by the Cabinet collectively.
- 1.5 Parts 3 - 7 set out the way the functions and powers are distributed at Bromsgrove District Council. They are divided into a number of sections each of which deals with different elements of the distribution of functions and exercise of powers.
- 1.6 Parts 3 – 7 of the Constitution should be read in conjunction with the rest of the Constitution, in particular Part 2 Articles of the Constitution.
- 1.7 Parts 3 - 7 of this Constitution shall be interpreted in accordance with the relevant provisions of the Local Government Act 2000, in particular Section 13 (Functions which are the responsibility of an executive) and the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended).

2. Functions

2.1 The Council's functions may be lawfully exercised by:-

- Full Council
- The Leader
- The Cabinet
- Cabinet Members
- Committees and sub-committees of the Council and Cabinet
- Joint Committees
- Officers of the Council
- Others persons so authorised where the law permits

3. Categories

The Councils function fall into four categories:-

1. those functions that are by law the responsibility of Full Council unless delegated (sole Council responsibility);
2. those functions that are by law partly the responsibility of Full Council and partly the responsibility of the Council's Executive (shared responsibility);
3. those functions where there is a local choice whether they are the responsibility of the Councils Executive (local choice functions);
4. all other functions, being by law the responsibility of the Council's Executive (default Executive functions).

Non - Executive functions include all those functions that are the responsibility of the Council under paragraphs 1, 2 and 3 above.

Executive functions include all those functions that are the responsibility of the Executive under paragraphs 2, 3 and 4 above.

4. Sole Responsibility of Full Council

- 4.1 Decisions about the Council's policy framework and budget, and other constitutional matters may only be taken by Full Council. A list of these matters is shown in Part 2 Article 4 of the Constitution. Article 4.1 lists the policies which make up the "policy framework"; Article 4.2 lists the functions which may only be exercised by Full Council. The exercise of these functions may not be delegated to a committee or officer.
- 4.2 In most cases Full Council is also responsible for the regulatory functions. Full Council has established regulatory committees such as Planning and Licensing to discharge these Full Council only functions.
- 4.3 The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) gives effect to section 13 of the Local Government Act 2000 by specifying in Schedule 1 to the regulations which functions are not to be the responsibility of the Executive. In

other words the Executive cannot by law make the decision. For reference these functions fall under the following headings:-

| | |
|---|---|
| A | Functions relating to town and country planning and development control |
| B | Functions relation to Licensing and Registration |
| C | Functions relating to health and safety at work |
| D | Functions relating to elections |
| E | Functions relating to name and status of areas and individuals |
| F | Power to make, amend, re-enact or enforce byelaws |
| G | Power to promote or oppose local or personal Bills |
| H | Functions relating to pensions |
| I | Miscellaneous functions |

5. Shared Responsibility

5.1 Some functions are partly the responsibility of the Full Council and partly the responsibility of the Executive. These are:

- (a) the budget and any plan or strategy for the control of the borrowing or capital expenditure (capital plan);
- (b) the policy framework, that is the plans and strategies which the Council approves and adopts.

5.2 The Executive will be responsible for preparing the draft budget, draft plans and strategies and proposing them to Full Council.

5.3 Full Council will be responsible for:-

- (a) adopting or approving the draft budget, plan or strategy:
- (b) asking the Executive to reconsider it: or
- (c) amending the budget, plan or strategy.

5.4 The Executive will be responsible for implementing the Councils policies and spending the budget in accordance with the Council's financial rules and regulations.

5.5 Some plans and strategies require ministerial approval after the Council has approved them. If the minister requires any amendments to those plans and/or strategies, the Executive will be responsible for making those arrangements.

5.6 A list of the shared responsibility functions as defined by Regulation 4 Schedule 3 Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) is shown in Part 2 Article 4.1.

6. Local Choice Functions

- 6.1 In some cases there is a local choice as to whether the function is to be the responsibility of the Council or the Executive and Table 1 sets out whether the function is to be the responsibility of the Council or the Executive.

7. Default Executive Functions

- 7.1 All other functions not so specified are to be the responsibility of the Executive.
- 7.2 If a decision is the responsibility of the Executive, Council cannot overrule the Executive or give instructions on how the decision should be made. However, in certain circumstances, Council can ask the Executive to reconsider decisions.

Scheme of Delegation: Introduction

1. This Scheme of Delegation will be updated regularly. However:
 - a) any reference to specific legislation or to statutory provisions shall be deemed to refer to any relevant aspects of any successive legislation or statutory provisions;
 - b) reference to post holder shall be deemed to refer to any successor post holder(s) who is/are charged with the same responsibilities following any reorganisation or reallocation of functions, save that where there is any ambiguity as to who shall exercise a particular delegation of authority, the delegation shall refer to the higher-ranking officer(s). For the avoidance of doubt, successor post holder(s) include officers placed at the disposal of the Council under secondment arrangements pursuant to s113 of the Local Government Act 1972 or any other enactment or power.

Delegations to Committees and Sub-Committees

2. This Scheme of Delegation is not an exhaustive list of matters delegated to Committees and Sub-Committees. The Scheme of Delegation must be read in conjunction with the Terms of Reference for each Committee and Sub-Committee.

Delegations to Officers

3. All powers, duties and responsibilities appropriate and necessary for day to day operational activities shall be deemed to be delegated to the relevant Head of Service with the responsibility for the discharge of that function or the exercise of that power unless otherwise specifically prescribed and shall include authority to incur normal revenue expenditure in the discharge of day to-day operational activities in accordance with Financial Regulations and where budgetary provision has been made unless the Cabinet or Section 151 Officer has placed a conditional approval on any such item. The Scheme of Delegations is not intended to be an exhaustive and complete list of delegations to officers.
4. Notwithstanding that functions are delegated to an officer, the relevant parent committee or other member body with decision-making powers will retain concurrent powers. An officer may decide not to exercise any function in relation to a particular matter and invite the relevant committee or member body with decision-making powers to do so instead.
5. Where an officer whose post is named under this Scheme is unable to act or is absent the powers delegated to him/her may be exercised by

any officer authorised by him in writing or by any more senior officer in that officer's hierarchical line of management up to and including the Chief Executive except where this is not permitted in law or is subject to other qualification. Any delegation to the Chief Executive may in his/her absence be exercised by the Executive Directors, Assistant Chief Executive, Monitoring Officer or Section 151 Officer as may be appropriate.

6. There are further delegations of powers which can be exercised by officers under Contract Procedure Rules.

Calling-In Procedure for Ward Members for Planning Committee

7. When a ward member wishes to call in an application to Planning Committee for consideration, they will, within 21 days of receipt of the notification of that application, contact the case officer and set out their reasons for wanting the application to be considered at committee rather than by officer delegation. The case officer will, in writing, record the request and reasons and send a written record to the Portfolio Holder, Chairman of the Planning Committee and any other ward member(s) for the area in which the application site is situated, of the request and reasons.
8. If a request is made after the deadline set out in paragraph 7 above, the Chairman of the Planning Committee shall make the final decision, taking into account all relevant matters, as to whether the application is considered by the Planning Committee, and will inform the case officer of his decision within 2 working days of receiving the request from the case officer. The ward member who made the request will also be informed of the Chairman's decision.

Interpretation of the Scheme of Delegations

9. The Monitoring Officer shall be the final arbiter in relation to the interpretation and application of the Scheme.

JOINT ARRANGEMENTS

This section sets out the joint arrangements the Council has entered into with other local authorities, and is divided into the following parts:-

- Joint Committees
- Shared Services with Redditch Borough Council
- Other arrangements

1. Joint Committees

a. Worcestershire Regulatory Joint Committee

A joint committee has been established of the executives of this Council, Malvern Hills District Council, Redditch Borough Council, Worcester City Council, Worcestershire County Council, Wychavon District Council, and Wyre Forest District Council.

The joint committee has provision to operate and manage Worcestershire Regulatory Services. The Council has delegated to the Joint Committee the functions set out in Table 1 below.

The Council has delegated to the Head of Worcestershire Regulatory Service the discharge of functions set out in the Officers Scheme of Delegation for Regulatory Services.

b. Greater Birmingham and Solihull Local Enterprise Partnership (GBSLEP) – Joint Scrutiny Committee

The Council appoints one member to a Joint Scrutiny Committee which reviews and/or scrutinises decisions made by the GBSLEP Supervisory Board. The Joint Committee is administered by Solihull Metropolitan Borough Council.

2. Shared Services with Redditch Borough Council

In 2009 the Council agreed to the appointment of a shared Chief Executive with Redditch Borough Council. In 2010 a shared management team for both Councils was appointed. The two councils have agreed to work together to deliver services jointly across both Councils. The co-operation between the two Councils on sharing services is reflected by a legal agreement referred to as the Overarching Framework Agreement.

As each Council continues to be independent politically, the Scheme of Delegations for Bromsgrove District Council, delegates the responsibility for making decisions from the Bromsgrove Executive and Council to the relevant Committees and officers. Under the terms of the Overarching Framework Agreement, the officers may be employed by either BDC or RBC, but this

does not affect their ability to carry out functions delegated to them under the BDC Constitution.

The specific legislation which underpins these arrangements is set out in the Local Government Act 1972 and the Local Government Act 2000.

Under section 113 of the Local Government Act 2000, a local authority may enter into an agreement with another local authority for the placing at the disposal of the latter authority the services of staff employed by the former authority. Under section 101 of the Local Government Act 2000 a local authority may arrange for the discharge of its functions by any other local authority. This principle is further expanded in sections 19 and 20 of the Local Government Act 2000 and the Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2000.

The staffing arrangements for the shared management team have been established under section 113 of the Local Government Act with each authority placing its employees at the disposal of the other. As shared services are introduced across the Council department by department, a host authority for each department will be identified. Staff will be transferred under TUPE to the host or receiving authority, and will carry out the functions of the delegating authority in accordance with section 101 of the Local Government Act.

3. Other arrangements

The Council has agreed to enter into other arrangements for sharing services with local authorities. These are summarised below:-

a. Internal Audit Services

The Council has agreed to enter into arrangements with Malvern Hills District Council, Redditch Borough Council, Worcester City Council, and Wychavon District Council for the authorities to collaborate and provide one shared Internal Audit Service for all the authorities. provide one shared service for economic development and regeneration across the three authorities. For Bromsgrove the shared service is responsible for markets and promoting economic activity in the area but the regeneration of Bromsgrove Town Centre is not included in the shared service. The shared service is hosted by Wyre Forest District Council and is regulated by a formal agreement.

12. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS

If the Chief Executive thinks fit, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 11, the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.

In some cases the Council may consider an item in public although the report it is discussing contains some exempt information. In all cases a public

summary of the item will be provided after the meeting, usually as part of the minutes of the meeting.

The Cabinet will indicate on its Work programme where it is likely to exclude the public from a meeting or part of a meeting. Members of the public can make representations to the Council if they feel that the item should be considered in public. Rule 15 below refers to this in more detail.

13. APPLICATION OF RULES TO THE CABINET

Rules 14-24 apply to the Cabinet and its committees. If the Cabinet or its committees meet to take a Key Decision then it must also comply with Rules 1-12 unless either Rule 16 (General Exception) or Rule 17 (Special Urgency) applies. A Key Decision is as defined in Article 13.3 of this Constitution.

14. PROCEDURE BEFORE TAKING KEY DECISIONS

Subject to Rule 16 (General Exception) and Rule 17 (Special Urgency), a Key Decision may not be taken unless:

- (a) a notice (called here a Work Programme) has been published in connection with the matter in question;
- (b) at least 28 days have elapsed since the publication of the Work Programme.

15. THE WORK PROGRAMME

15.1 Period of Work Programme

Work Programmes will be prepared by the Leader to cover a period of at least 28 days. They will be prepared on an approximately monthly basis and published at least 28 days before the first meeting of the Cabinet to which Key decisions on the Programme relate.

15.2 Contents of the Work Programme

The Work Programme will contain matters which the Leader has reason to believe will be subject of a Key Decision to be taken by the Cabinet, a committee of the Cabinet, individual members of the Cabinet, officers or under joint arrangements in the course of the discharge of an Cabinet function during the period covered by the Programme. It will describe the following items in so far as the information is available or might reasonably be obtained:

- (a) the matter in respect of which a key decision is to be made;

- (b) where the decision taker is an individual, his/her name and title, if any and where the decision taker is a body, its name and details of membership;
- (c) the date on which, or the period within which, the decision will be taken;
- (d) a list of the documents submitted to the decision-maker for consideration in relation to the matter in respect of which the key decision is to be made;
- (e) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;
- (f) that other documents relevant to those matters may be submitted to the decision maker; and
- (g) the procedure for requesting details of those documents (if any) as they become available..
- (h) which of the key decisions outlined may involve the consideration of exempt or confidential information, the reasons why and how the public may make representations when they consider the item should be considered in public.

The Work Programme must be published at least 28 days before the start of the period covered.

Exempt information need not be included in the Work Programme and confidential information cannot be included.

16. GENERAL EXCEPTION

If a matter which is likely to be a key decision has not been included in the Work Programme, then subject to Rule 17 (Special Urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next Work Programme;
- (b) the Chief Executive has informed the Chairman of the Overview and Scrutiny Board, or in his/her absence each member of the Board by notice, of the matter about which the decision is to be made;
- (c) the Chief Executive has made copies of that notice available to the public at the offices of the Council and published it on the Council's website; and

- (c) at least 5 clear days have elapsed since the Chief Executive complied with (a) and (b).

The notice should include reasons why it has not been possible to include the item on the Work Programme.

17. **SPECIAL URGENCY**

If the date by which a decision must be taken means that Rule 16 (General Exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the chairman of the body making the decision, obtains the agreement of the Chairman of the Overview and Scrutiny Board, or in his/her absence the Vice-Chairman, that the taking of the decision is urgent and cannot be reasonably deferred.

If the Chairman of the Overview and Scrutiny Board, or in his/her absence the Vice-Chairman, is unable to act, then the agreement of the Chairman of the Council, or in his/her absence the Vice-Chairman, will suffice.

As soon as reasonably practicable after the decision-maker has agreement that the decision is urgent and cannot reasonably be deferred, they must publish a notice on the Council's website setting out the reasons why the meeting is urgent. The notice must also be available at the Council's offices for members of the public to see.

18. **REPORT TO COUNCIL**

18.1 **When the Overview and Scrutiny Board can require a report**

If the Overview and Scrutiny Board considers that a Key Decision has been taken which was not:

- (a) included in the Work Programme; or
- (b) the subject of the general exception procedure (Rule 16); or
- (c) the subject of an agreement with the Chairman of the Overview and Scrutiny Board, or in his/her absence the Vice-Chairman, or the Chairman/Vice-Chairman of the Council under the Special Urgency procedure (Rule 17)

the Overview and Scrutiny Board may, subject to Rule 18.2, require the Cabinet to submit a report to the next available meeting of the Council. The power to require a report rests with the Overview and Scrutiny Board, but is also delegated to the Chief Executive, who shall require such a report on behalf of the Overview and Scrutiny Board when so requested by the Chairman or Vice-Chairman of the Overview and Scrutiny Board or any three members of the Overview and Scrutiny Board. Alternatively the requirement

may be raised by resolution passed at a meeting of the Overview and Scrutiny Board.

18.2 Cabinet 's report to Council

The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council falls within 7 days of receipt of the written notice or the resolution of the Overview and Scrutiny Board, then the report may be submitted to the following meeting of the Council. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a Key Decision, the reasons for that opinion.

18.3 Quarterly reports on special urgency decisions

In any event the Leader will submit quarterly reports to the Council on the Cabinet decisions taken in the circumstances set out in Rule 17 (Special Urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

19. RECORD OF DECISIONS

19.1 Meetings

After any meeting of the Cabinet or any of its committees, whether held in public or private, the Chief Executive or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record will include:

- a statement of the reasons for each decision;

- A record of the decision and the date it was made;
- The reasons for the decision;

The Decisions recorded will be those where a matter has been delegated to an officer/s at a meeting of the Cabinet or involves expenditure above £50,000.

19.3 **Publication of Decisions**

Once a decision is made under paragraphs 19.1 and 19.2 above, copies of the record of the decision will be published, as soon as reasonably practicable, on the Council's website. Copies will also be available for inspection by members of the public at the Council's offices.

20. **CABINET MEETINGS RELATING TO MATTERS WHICH ARE NOT KEY DECISIONS**

Meetings of the Cabinet relating to matters which are not Key Decisions will be held in public and must comply with Rules 1-12.

21. **ATTENDANCE AT MEETINGS OF THE CABINET**

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. Definitions

In these Rules:

"Cabinet" and "Leader" have the same meaning as "executive" and "executive leader" in Part II of the Local Government Act 2000; and "plan or strategy" and "working day" have the same meaning as in the Local Authorities (Standing Orders) (England) Regulations 2001.

2. The framework for Cabinet decisions

The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Cabinet to implement it.

3. Process for developing the Framework

The process by which the Budget and Policy Framework shall be developed is:

- (a) The Cabinet will publicise, by including in the Forward Plan, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms or will form part of the Budget and Policy Framework, and its arrangements for consultation after publication of those initial proposals. The Chairman of the Overview and Scrutiny Board will also be notified. The consultation period shall in each instance be not less than 4 weeks.
- (b) At the end of that period, the Cabinet will then draw up a draft plan or strategy having regard to the responses to that consultation. If the Overview and Scrutiny Board wishes to respond to the Cabinet in that consultation process then it may do so. As the Board has responsibility for fixing its own work programme, it is open to the Board to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Board into account in drawing up the draft plan or strategy for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
- (c) Once the Cabinet has approved the draft plan or strategy, the proper officer will refer them at the earliest opportunity to the Council for decision.
- (d) In reaching a decision, the Council may:
 - (i) adopt the Cabinet's draft plan or strategy, in which case, the Council may make a decision which has immediate effect; or

- (ii) agree minor amendments to the Cabinet's draft plan or strategy, and in which case the Council may make a decision which has immediate effect.
- (e) Where the Cabinet has submitted a draft plan or strategy to the Council for its consideration and following consideration of that draft plan or strategy, the Council has significant objections to it, the Council must take the action set out in paragraph (f).
- (f) Before the Council
 - (i) amends the draft plan or strategy; or
 - (ii) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or
 - (iii) adopts (with or without modification) the plan or strategy,

it must inform the Leader of any objections which it has to the draft plan or strategy and must give to him/her instructions requiring the Cabinet to reconsider, in the light of those objections, the draft plan or strategy submitted to it.
- (g) Where the Council gives instructions in accordance with paragraph (f), it must specify a period of at least 5 working days, beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet, within which the Leader may
 - (i) submit a revision of the draft plan or strategy as amended by the Cabinet (the "revised draft plan or strategy"), with the Cabinet's reasons for any amendments made to the draft plan or strategy, to the Council for the Council's consideration; or
 - (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.
- (h) Where the period specified by the Council, referred to in paragraph (g), has expired, the Council must when

 - (ii) approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or

(iii) adopting (with or without modification) the plan or strategy,

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet's reasons for those amendments, any disagreement that the Cabinet has with any of the authority's objections and the Cabinet's reasons for that disagreement, which the Leader has submitted to the Council, or informed the Council of, within the period specified.

- (i) Subject to Paragraph (m) below, where, before 8th February in any financial year, the Cabinet submits to the Council for consideration in relation to the following financial year:
- (i) estimates of the amounts to be aggregated in making a calculation (whether originally or by way of substitute) in accordance with any of sections 32 to 37 or 43 to 49 of the Local Government Finance Act 1992;
 - (ii) estimates of other amounts to be used for the purposes of such a calculation;
 - (iii) estimates of such a calculation; or
 - (iv) amounts required to be stated in a precept under Chapter IV of Part I of the Local Government Finance Act 1992,

and following consideration of those estimates or amounts the Council has any objections to them, it must take the action set out in paragraph (j).

- (j) Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in paragraph (i) (i), or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Leader of any objections which it has to the Cabinet's estimates or amounts and must give to him instructions requiring the Cabinet to reconsider, in the light of those objections, those estimates and amounts in accordance with the authority's requirements.
- (k) Where the Council gives instructions in accordance with paragraph (j), it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet within which the Leader may -

- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.
- (l) When the period specified by the Council, referred to in paragraph (k), has expired, the Council must, when making calculations (whether originally or by way of substitute) in accordance with the sections referred to in paragraph (i) (i), or issuing a precept under Chapter IV of Part I of the Local Government Finance Act 1992, take into account -
 - (i) any amendments to the estimates or amounts that are included in any revised estimates or amounts;
 - (ii) the Cabinet's reasons for those amendments;
 - (iii) any disagreement that the Cabinet has with any of the Council's objections; and
 - (iv) the Cabinet's reasons for that disagreement,which the Leader submitted to the Council, or informed the Council of, within the period specified.
- (m) Paragraphs (i) to (l) shall not apply in relation to -
 - (i) calculations or substitute calculations which the Council is required to make in accordance with section 52I, 52J, 52T or 52U of the Local Government Finance Act 1992; and
 - (ii) amounts stated in a precept issued to give effect to calculations or substitute calculations made in accordance with section 52J or 52U of that Act.
- (n) In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the Budget and degree of in-year changes to the Policy Framework which may be undertaken by the Cabinet, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the Budget and Policy and Framework are reserved to the Council.

4. Decisions outside the Budget or Policy Framework

- (a) Subject to the provisions of paragraph 6 (virement) the Cabinet, committees of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging Cabinet functions may only take decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget approved by full Council, then that decision may only be taken by the Council, subject to paragraph 5 below.

- (b) If the Cabinet, committees of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging Cabinet functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Section 151 Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 5 (urgent decisions outside the Budget and Policy Framework) shall apply.

5. **Urgent decisions outside the Budget or Policy Framework**

- (a) The Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging Cabinet functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the Budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - i) if it is not practical to convene a quorate meeting of the full Council; and
 - ii) if the Chairman of the Overview and Scrutiny Board agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chairman of the Overview and Scrutiny Board's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of the Overview and Scrutiny Board, the consent of the Chairman of the Council, and in the absence of both the Vice-Chairman of the Council, will be sufficient.

- (b) Following the decision, the decision-taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

6. **Virement**

- (a) In approving its revenue budget each year, the Council will decide the headings (services) into which the Budget is to be divided, and will allocate an amount for expenditure under each heading.
- (b) Steps taken by the Cabinet, a committee of the Cabinet, an individual member of the Cabinet, officers or joint arrangements discharging Cabinet functions to implement Council policy shall not exceed those amounts allocated to each budget head. However, the Cabinet shall be entitled to

vire across budget heads up to a maximum, and within a limit per individual virement specified each year by the Council under Rule 3 (n). Beyond those limits, approval to any virement across budget heads shall require the approval of the full Council.

7. **In-year changes to Policy Framework**

The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by the Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging Cabinet functions must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a Budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

8. **Call-in of decisions outside the Budget or Policy Framework**

- (a) Where the Scrutiny Board is of the opinion that a Cabinet decision is, or if made would be, contrary to the Policy Framework, or contrary to or not wholly in accordance with the Council's Budget, then it shall seek advice from the Monitoring Officer and/or Section 151 Officer.
- (b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Section 151 Officer's report shall be to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Section 151 Officer conclude that the decision was a departure, and to the Scrutiny Board if the Monitoring Officer or the Section 151 Officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Section 151 Officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, the Overview and Scrutiny Board may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter.

The Council shall meet within 10 working days of the request by the Overview and Scrutiny Board. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Section 151 Officer. The Council may either:

- i) endorse a decision or proposal of the Cabinet decision-taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- ii) amend the Council's Financial Regulations or policy concerned to encompass the decision or proposal of the body or individual responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- iii) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, and does not amend the existing Framework or Budget to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/Section 151 Officer.

APPENDIX 1 : LOCAL GOVERNMENT FINANCE ACT 1988 S.114:
Functions of responsible officer as regards reports.

APPENDIX 2 : BROMSGROVE DISTRICT COUNCIL:
Minimum period for retention of “financial” documents.

1. INTRODUCTION

- 1.1 Bromsgrove District Council’s Executive Cabinet is responsible for regulating and controlling the Council’s finances and ensuring that sound financial management policies are in place and are adhered to. Part of this process is the establishment and maintenance of financial regulations which set out the Council’s financial responsibilities, policies and procedures.
- 1.2 Financial regulations are subject to annual review. This edition of the regulations will apply from August 2006 and supersedes all previous editions.
- 1.3 Where values appear in these regulations, they are the same as the thresholds in the Council’s Contract Procedure Rules:
 - (i) Value A - up to £14,999;
 - (ii) Value B - over £15,000-£29,999;
 - (iii) Value C - £30,000- £75,000; and
 - (iv) Value D - £75,001 to £144,371.
- 1.4 Additionally, a benchmark value for write offs has been established:
 - (i) < £1,000 – Head of Financial Services;
 - (ii) £1,000 - £2,500 – Head of Financial Services & Portfolio holder; and
 - (iii) > £2,500 – Executive Cabinet.
- 1.5 Financial regulations apply to every member and officer of the Council and anyone acting on its behalf. As a modern Council, Bromsgrove encourages innovation, providing this is within the framework laid down by these regulations, and the necessary risk assessment and approval safeguards are in place.
- 1.6 The Executive Cabinet and the Senior Management Team should maintain a written record of occasions where decisions have been taken under delegated powers, in accordance with the Scheme of Delegations.
- 1.7 All members and officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of

these resources is legal, properly authorised, provides value for money and achieves best value.

- 1.8 The Senior Management Team is responsible for ensuring that all staff are aware of the content of these financial regulations and other internal regulatory documents and that they are complied with.
- 1.9 The Council's statutory finance officer ("S151 Officer") is the Corporate Director (Resources) who works closely with the Head of Paid Service (Chief Executive). To avoid repetition in this document, references to the Corporate Director (Resources) may also be taken to read "Corporate Director (Resources) in conjunction with the Chief Executive Officer" as appropriate.

2. FINANCIAL MANAGEMENT

- 2.1 Financial Management covers all financial accountabilities in relation to the running of the Council, including the policy framework and budget.
- 2.2 The full Council is responsible for approving the policy framework and budget within which the Executive Cabinet operates.
- 2.3 The Executive Cabinet is responsible for proposing the policy framework and budget to the full Council, and for discharging executive functions in accordance with the policy framework and budget. Executive Cabinet decisions can be delegated to a committee, a portfolio holder, an officer, or any combination thereof.
- 2.4 The Corporate Director (Resources) will for the purposes of Section 151 of the Local Government Act 1972 be the statutory responsible officer for the proper administration of the Council's financial affairs. Other statutory duties arise from the Local Government Finance Act 1988, the Local Government and Housing Act 1989 and the Accounts and Audit Regulations 2003.
- 2.5 The Corporate Director (Resources) will be the responsible officer for making reports under Section 114 of the Local Government Finance Act 1988, the text of which is reproduced in Appendix 1. This relates to any unlawful expenditure, unlawful action resulting in a loss, or unlawful entry in the Council's Accounts.
- 2.6 Devolved financial management arrangements exist within the Council, however it remains essential for the Corporate Director (Resources) to retain a corporate overview, especially when matters of major financial impact are being considered. In this context it will be the responsibility of the appropriate Service Business Manager to ensure that the Head of Financial Services (together with other necessary consultees) is consulted at an early stage to ensure that financial implications are fully contained in reports to any Executive Cabinet, committee or full Council meeting.
- 2.7 The Corporate Director (Resources) will be responsible for advising on the financial, organisational and accounting procedures throughout the Council. Service Business Managers will consult with the Corporate Director (Resources) before introducing any accounts, documents or procedures relating to payment of employees, cash, the keeping of stores, the collection of income or any other accounting matters. Policies on the retention and destruction of financial records will be approved by the Corporate Director (Resources).

Agenda Item 15

- 2.8 Service Business Managers will comply with the requirements of the Corporate Director (Resources) to ensure that as far as possible arrangements are made to separate internal financial checks and different officers carry out the following functions:
- (i) provide information regarding sums due to or from the Council and calculate, check, record and examine these; and
 - (ii) in the case of payments, certify documents for payment.
- 2.9 Service Business Managers will submit to the Corporate Director (Resources) as required all information which the latter considers necessary for costing and accounting purposes and will afford to the Corporate Director (Resources) access to all accounts, records and documents. The Head of Financial Services will be responsible for supplying financial information to Service Business Managers in an agreed form and frequency.
- 2.10 The Corporate Director (Resources) will submit the statutory Statement of Accounts of the Council to the Executive Cabinet for adoption by the Council as soon as possible after the end of the financial year and to comply with any statutory requirements.
- 2.11 In the context of performance management, all staff will ensure that best value is pursued in the delivery of all services and shall continuously seek improvement in the quality, efficiency and effectiveness of services.

3. FINANCIAL PLANNING AND RISK ASSESSMENT

- 3.1 The Council will establish a strategic policy framework to incorporate the main issues facing the Council and to match policies with resources. In terms of financial planning, this will involve consideration of the Council's priorities and promises, and commitments and forecasts for three years, including the annual capital and revenue budget. The annual budget may then be seen as the first year of a rolling three year programme.
- 3.2 An essential part of the planning process is the continuous operation of systems for identifying and evaluating all significant strategic and operational risks facing the Council. This must include a risk assessment of the Council's priorities and promises, budget plans, programme options and service plans involving the proactive participation of the Executive Cabinet, Service Business Managers, Middle Managers and all officers associated with the planning and delivery of services. The Corporate Director (Resources) will obtain Executive Cabinet approval of the corporate risk management strategy and will promote and coordinate risk management activity throughout the Council.
- 3.3 The Senior Management Team will submit to the Executive Cabinet annual proposals for schemes for capital and revenue developments, including an indication of the priority of the schemes. All proposals will be submitted in accordance with the Project Management Framework protocol.
- 3.4 Capital and revenue budgets will be considered jointly so that the future impact of current proposals can be assessed, including the extent to which current capital expenditure commits or frees future resources.
- 3.5 The proposals will distinguish between already approved policies and those where expenditure is foreseen but not yet approved.
- 3.6 The Corporate Director (Resources) will report to the Executive Cabinet details of the level of resources required to service these proposals, in the context of the overall financial strategy of the Council, and the accomplishment of strategic objectives.
- 3.7 The Executive Cabinet will consider the provisional programme and make a general determination of amendments to be made following detailed consideration of the estimates.

4. THE BUDGETARY SYSTEM

4.1 General

4.1.1 The Head of Financial Services will be responsible for establishing, in consultation with Service Managers, a timetable for the preparation of each year's estimates. This timetable will be agreed by the Executive Cabinet in September of each year and will be constructed to ensure that the Council will meet its statutory obligations in respect of setting its local levies. This will allow the Council to meet annually to consider its annual estimates and determine the level of its local tax.

4.1.2 The Head of Financial Services will determine, with consideration of internal and external reporting requirements, the form in which the revenue and capital estimates will be prepared.

4.2 Preparation of Revenue Budgets

4.2.1.3 The Head of Financial Services will at all times monitor the preparation of the revenue and capital estimates and will collate the resultant budgets for submission to and consideration by the Executive Cabinet.

4.2.2 Capital Expenditure

- 4.2.2.1 All capital estimates shall be prepared by Chief Officers and Heads of Service in a form laid down by the Head of Financial Services. Individual schemes shall be required to have a business case identifying the business benefits and full financial consequences of the scheme. Such business cases shall be subject to the approval of Cabinet and the Council before inclusion in the Capital programme and before any related expenditure shall be incurred. The content of the capital programme will be recommended to the Council by the Cabinet.
- 4.2.2.2 Variations to the capital programme shall take place in accordance with procedures laid down by the Cabinet, in so far as they are within the powers delegated to Cabinet, and otherwise in accordance with procedures laid down by Council or with the approval of Council.
- 4.2.2.3 For any capital scheme a report shall be made to the Cabinet setting out specific capital scheme proposals and shall give for each scheme (in accordance with the project management methodology):

This must be in line with the budget headings (a combination of both subjective and service) as set out in the budget book.
- 4.3.2 For capital budgets, authority to incur expenditure will follow various stages, from initial feasibility through to project implementation, which will ensure that all projects are considered in detail, including both capital and revenue implications. Funding for each

stage will be specifically agreed by the Executive Cabinet/Council in accordance with agreed procedures and only when the Council through its budget approval process agrees the allocation of funds will the project be included in the current funded capital programme.

4.3.3 Providing Standing Orders, Contract Procedure Rules, Financial Regulations and any Council Instructions for the time being in force have been complied with, inclusion of any items in the approved funded capital expenditure programme shall be deemed to imply:

- (i) sanction for the Service Manager concerned to spend the capital sums provided for projects included in the programme for the current financial year; and
- (ii) authority for the Service Manager concerned:
 - (a) to take steps to enable land required for the purpose of the programme to be acquired in due time, subject to the Council having approved the financing of the capital programme.

This requirement does not apply where the planned timescale of the capital project has from the outset encompassed more than one financial year.

It will be reported to the next meeting of the Executive Cabinet.

4.4 Budgetary control

4.4.1 Allocated budgets will be cash limited, with budgetary monitoring undertaken by each Portfolio holder under the overall guidance of the Executive Cabinet, such responsibility

being devolved on a day to day basis to nominated budget holders for their own areas of activity. - 4.5.2 Virement will be restricted to extensions of existing policies/ schemes and will not be used for new policies/schemes not previously considered by the Council. 11. Procurement of Consultancy Services

11.1. Introduction

- 11.2 The purpose of these guidelines is to set out the procedures to be followed within the Council for procuring consultancy services.

11.2 Definition of Consultants

- 11.2.1 In these guidelines "consultancy services" means any professional service provided by any person or organisation to the Council including but not limited to;

11.2.2 Legal services

11.2.3 Accountancy and Financial Services

11.2.4 Technical Consultancy Services

11.2.5 IT Consultancy Services

11.3. Contract Procedure Rules

- 11.3.1 Under the Contract Procedure Rules, a Head of Services is authorised to accept the lowest tender for the supply of services to the Council. Where a Head of Service wishes to accept a tender other than the lowest he/she shall first obtain the consent of the Corporate Director Resources and record the reasons for not accepting the lowest tender.

11.3.2 These guidelines take effect subject to the above provision in the Contract Procedure Rules and other guidance contained in the Council's Constitution.

11.3.4 In practice this means that before a consultant is engaged, the Head of Service must be satisfied that, inter alia, :

11.3.4.1 that budget provision is available for the costs of the consultant; and

11.3.4.2 where it is the intention to accept a tender other than the lowest, the Head of Service shall first obtain the consent of the Corporate Director Resources and record the reasons for not accepting the lowest tender.

11.4 Grounds for Engaging the Consultants

11.4.1 Consultants may be engaged by the Council in any of the following circumstances:

11.4.1.1 Where there is a lack of in-house skills available (e.g. perhaps through a shortage of staff or where the Head of Service is satisfied that the necessary expertise does not exist in-house)

11.4.1.2 There is a short timescale required for the particular piece of work and existing staff would not be able to accommodate the workload required

11.4.1.3 The nature of the work/outcome sought requires an independent view; or

11.4.1.4 The consultant can do the specific work task to a higher quality standard and more economically than if undertaken in-house.

11.5. Competitive Procurement

11.5.1 Whenever practicable a competitive process should be used in the procurement of consultancy services. This is set out in the Contract Procedure Rules. identify the procedures for procurement of services including conditions for any departure from the Contract Procedure Rules.

11.6. Alternative Procurement Procedures

11.6.1 When it is not practicable for the use of a competitive procurement procedure and it is proposed to engage a consultant without a competitive process the following applies:

Contract Value less than £75,000

11.6.1.1 Where the estimated value of the contract is less than £75,000 the written approval of the relevant Head of Services should be obtained to the appointment.

11.6.1.2 The written approval should record the reason why it was necessary to appoint a consultant without a competitive process, the reason for the selection of the consultant and the likely costs (whether a fixed fee, estimated fee or hourly rate).

Contract value between £75,000 and the Public Services Contract Regulations Threshold

11.6.1.3 Where the likely value of the contract is £75,000 or more then in addition to the Head of Service's consent the consent of the Chief Executive and Head of Financial Services should be obtained.

11.6.1.4 A Pro forma Recording the Reasons for the Decision and allowing for authorised is attached at Annexe 1 to these Guidelines. Officers may wish to use this when this is intended to procure using this method.

11.7 Preparation of brief

11.7.1 Whether it is intended to engage a consultant a brief should first be prepared in as much detail as is practicable at the time. The brief should clear the following:

11.7.1.1 Background to the project

11.7.1.2 Project aims and objectives together with clear specifications of the work to be done

11.7.1.3 Expected outcome or deliverables and quality of work required

11.7.1.4 The project timetable

11.7.1.5 the department's own contribution to the project

11.7.1.7 Relevant source documents available for inspection

11.7.1.8 Requirements and timetable for submitting proposals by the Consultant

11.7.1.9 The named project manager and telephone number for enquiries

11.8 Variations

11.8.1 During the course of consultancy arrangements they often arises a need to vary the brief of the consultant to respond to circumstances unforeseen.

11.8.2 A Variation or series of Variations up to a value of £10,000 may be authorised by the Head of Service.

11.8.3 A Variation which either on its own or when aggregated with previous variations exceed £10,000 requires the authorisation of the Head of Service together with the Chief Executive and Head of Financial Services.

11.9 EU Public Procurement Considerations

11.9.1 Most consultancy services constitute a service for the purposes of the Public Services Contract Regulations 1993. Where ever the estimated value of the contract exceeds the threshold (which is currently £144,371) the regulations apply and the contract must be let in accordance with the public procurement rules. The Head of Financial Services will advise on the procedures to be followed and in cases of doubt will decide whether a contract falls within the public procurement rules.

11.10 Procurement of Legal Services

11.10.1 All legal services (including instruction of Counsel) shall be procured on behalf of the Council by the Head of Legal and Democratic Service.

11.10.2 In view of the nature of the procedure for instructing Counsel it is not practicable for the procedures outlined at paragraphs 5 and 6 to be applied. Therefore instruction of Counsel shall be carried out in accordance with such additional procedures as may be advised by the Head of Legal and Democratic Services from time to time

- APPENDIX "C" - CURRENT CORPORATE CONTRACTS
- APPENDIX "D" - CURRENT CORPORATE FRAMEWORK CONTRACTS

1. Introduction

- 1.1 These rules are the Council's procedure rules for buying for the Council ("the Rules"). They do not apply to internal purchases or service provision, only where you need to buy something from outside the Council.
- 1.2 They are the rules by which we spend money on the supplies, services and works we need to deliver our services. The Rules are part of the Council's Constitution and have been produced as part of our approach to the way we buy things.
- 1.3 The difference between supplies, works and services is explained in the Glossary of terms at the end of the Rules.
- 1.4 The Rules apply to any contract that results in a payment being made by the Council as well as to some types of contracts where a service is being provided for the Council which results in some income being generated for the Council.
- 1.5 The Rules also apply to the disposal of surplus goods and to concession contracts.
- 1.6 The Rules do not cover grants which the Council may receive or make (unless the grant is part of a contract for services).
- 1.7 The Rules do not apply to the purchasing of property.
- 1.8 If you are in any doubt about whether the Rules apply, you must always check with the Procurement Manager/Head of Legal, Equalities and Democratic Services
- 1.9 The Council's "best value duty" is very important. It means that we must always consider how each procurement is consistent with the Council's duty to secure continuous improvement in what we do having regard to value for money. We therefore need to question whether we should be buying anything at all and if we do, whether we can do it best ourselves, or jointly, or rely on someone else to get better value.
- 1.10 Government and EU public procurement policy require that the Council must permit, and be seen to be permitting, freedom of opportunity to trade with the Council and to be open and transparent about how we do things.
- 1.11 If we fail in this duty, a supplier or contractor may have cause for a complaint against us and in the worse case may be able to claim damages.
- 1.12 The most important principles are transparency, openness and fair competition. Whenever we are buying things for the Council we must always act to promote competition.
- 1.13 Our Rules have three main purposes:**
 - 1. to comply with the obligations that govern the spending of public money such as the EU procurement regime;
 - 2. to obtain Best Value in the way we spend money, so that we may in turn offer better and more cost effective services to the public; and

3. to protect people who follow the Rules.

1.14 The Rules are:

- written in plain English; and
- reflect the fact that the great majority of our spending is carried out by front-line services so the Rules help decisions to be made by the right people at the right level in the Council.
- Reflect the focus that the Council has on providing and demonstrating Value for Money in the provision of services to our residents

This document contains rules and refers to guidance. The Rules should be read alongside the Council's Procurement Guidance and Financial Regulations.

2. Context

- 2.1 The Procurement Manager is responsible for keeping the Rules under review and the Audit Department will monitor compliance.
- 2.2 The European Union sets down (through a Treaty) what the obligations are on us at the Council when we are buying things. The key principle is to ensure "competition" and an appropriate degree of advertising to make sure that everyone in the marketplace who could provide the goods, supplies, works or services to the Council is able to do so if they wish.
- 2.3 Our Rules also need to be flexible for the future. We all now need to think about, for example, e - auctions, e - tendering, Dynamic Purchasing Systems or setting up a framework. Increasingly Councils are collaborating through joint procurements, this Council already works with other authorities in Worcestershire and the wider sector to let Contracts where synergy exists.
- 2.4 If you are buying larger or costly goods, works or services, the Rules for higher value orders and contracts are stricter than for those of lower value. This is so that the benefits of a more thorough, complex process are not outweighed by cost relative to the value of the supplies, services or works in question.
- 2.5 At the highest end of the value scale, we must follow full EU Public Procurement Directives, requiring us to observe certain additional procedures. In these cases you must consult with the Procurement Manager before you start buying what you need.

3. Before We Start

3.1 The Competitive Process

- 3.1.1 EU law and Government policy says that we must always make sure that we are offering the opportunity to provide supplies works or services to the Council to the whole market to ensure competition.

- 3.1.2 The value of a contract means the estimated total monetary value over its full duration, including any extension options **(not the annual value)**.
- 3.1.3 Where the duration of a contract is indeterminate, this should be taken to be the estimated value of the contract over a period of four years. Contracts should not be artificially split to avoid the values.
- 3.1.4 The thresholds at which the different rules apply are summarised in the Guidance.

3.2 Who can buy things

- 3.2.1 The Procurement Manager can provide you with a document which details limits within which Budget Holders and their authorised Officers may buy things for the Council. These limits must not be exceeded.
- 3.2.2 Budget Holders should ensure that procurement is undertaken by their procurement professionals or, where departments or functions have no specialist capability, by authorised Officers who can demonstrate skills and knowledge appropriate to the task supported and guided by the Procurement Manager. These Officers should already have authority under the Council's Constitution, if not, then they need to be granted authority from the relevant person or body.
- 3.2.3 Each Head of Service must keep a list of authorised Officers who can buy things on his/her behalf, specifying a maximum financial limit for each transaction against each name.
- 3.2.4 The list must be copied to the Procurement Manager
- 3.2.5 Before starting a procurement process, we need to make sure that we have carefully identified the need and fully assessed the options for satisfying it. Before you start, you **must** consider:
 - I. what is important to the Council in this procurement? Do you just need the supplies, works or services? Or are there other things you want to bring about (for example, improved environmental performance). In certain cases the procurement regime could help achieve these objectives but you must consult with the Procurement Manager;
 - II. can you buy what you need with another department or another Council? If you think you could save the Council money or achieve other advantages if you bought what you need with someone else, consider if there is an existing framework arrangement or contract which you can use. This framework or contract could be one already set up by the Council, another Council, a joint purchasing body, Consortia or run centrally by Government (examples being OGC Buying Solutions, Eastern Shires Purchasing Organisation "ESPO", Yorkshire Purchasing Organisation "YPO").
 - III. alternatively, there may be some kind of recognised purchasing consortia in place whereby members of the consortia may utilise the purchasing arrangements in order to procure goods and/or services. Note that where there is a consortia in place, you do not have to comply with these Rules, however, strictly only the goods and/or services that are the subject matter of the consortia arrangements may be procured. Where the goods

and/or services are outside the scope of the consortia arrangements you must utilise some other method of procurement in accordance with these Rules. The Procurement Manager can advise you further on this; and

- IV. will you or your partners be buying the same thing more than once? If so, it might be better to create a framework agreement so you can set up suppliers to provide you with the supplies, works or services you need when you need them. Again, could you set up a framework with other departments or Councils or is there already a joint purchasing organisation which could supply your needs?

3.2.6 If following consideration of alternative buying solutions, a joint procurement or other form of collaborative procurement is to be used with another Council, the conduct of the procurement should be on terms no less rigorous than the requirements of these Rules for any Council procurement. The Procurement Manager/Head of Legal, Equalities and Democratic Services of the lead authority must certify in writing to all participating Councils and organisations that no less rigorous a process has been undertaken, prior to the contract start date.

3.2.7 Should you decide that the goods and/or services are likely to be required in the future by the Council, it may be that the best way in which to buy the goods and/or services is by setting up a framework agreement. There are many types of contracts which will be suited to a framework arrangements and it is important that you see the Procurement Manager before commencing the procurement to ensure that the type of contract being used is most suitable.

3.3 Defining the Need

3.3.1 As a minimum, you must clearly and carefully specify the supplies, services or works to be supplied, the agreed programme for delivery and the terms for payment together with all other terms and conditions that are agreed. You also need to ensure that you will have the funds in the budget to pay for them.

3.3.2 This means you must decide in advance of the competitive process the size, scope, and specification of the supplies, service or works required. If you are buying with someone else, you must decide this scope with your partners first.

3.3.3 You should always consider the Procurement Guidance and you must refer to and abide by any other Council policies which could apply to what you want to buy. If in doubt, you must check with the Procurement Manager

3.4 Purchase Strategy

3.4.1 Once the need is determined, you must determine a contract strategy by which the supplies, works or services will be acquired. This means taking a step back from the traditional procurement process and assessing the options particularly to the provision of services.

3.4.2 Under Best Value legislation, you must consider options for the delivery of supplies, works or services. The options for supplies, works or services are:

- I. not buying the supplies, having the works done or providing the services at all;

- II. providing the goods, works or services ourselves (for example, by taking surplus supplies from another department or using their staff);
- III. getting someone else to provide the ongoing supplies, works or service (“outsourcing”/ provision by the private, voluntary, “third” sectors or another local authority or public body);
- IV. providing the supplies, works or services in partnership with someone else (with the private, voluntary, “third” sectors or another local authority or public body);
- V. by commissioning jointly with another Council; and / or
- VI. shared service delivery with another Council i.e. by delegating our functions to another Council, setting up a Joint Committee or setting up a new company to deliver the services for us or with other authorities jointly.

4. How We Buy the Things We Need

4.1 Full Tender Procedures (not over the EU thresholds)

- 4.1.1 For purchases valued at over £50,000 a full and formal tender process must be conducted in the manner outlined below and prior approval of the proposed tender process must be sought from the Procurement Manager. A full suite of standard documents to be used, including the relevant Council Terms and Conditions, is available on the Intranet under ‘Procurement’ and ‘Tender Documentation’
- 4.1.2 The procedure to be followed must be determined prior to advertising and must be one of the following:
 - I. open tender (all interested contractors submit a tender in response to an advertisement);
 - II. restricted procedure (expressions of interest from interested contractors in response to an advertisement, with a selection of those contractors being invited to submit a tender);
 - III. negotiated procedure (expressions of interest from interested contractors in response to an advertisement, with a selection of those contractors being invited to negotiate); or
 - IV. where a Framework arrangement (including approved lists) exists in respect of the subject matter, tenders shall be invited using the Framework arrangement from capable contractors having regard to the principles of Best Value.

The minimum number of Bidders to be invited will depend upon the type of contract to be let and this will be advised by the Procurement Manager

4.2 Intermediate-value transactions

- 4.2.1 For transactions valued over **£10,000 below £50,000**, at least three written quotations must be invited before a purchase order or contract is issued,

specifying the supplies, services or works and setting out prices, terms and conditions of contract and terms of payment.

4.2.2 Emailed quotations are acceptable in these cases but copies must be retained on the relevant file.

4.2.3 If only one quotation is received you **must** to seek some more quotations or obtain an **exemption** from the Rules in accordance with section 9 (Form of Waiver). Receipt of two comparable quotations will be sufficient.

4.3 Lower value transactions

4.3.1 For transactions valued at **between £5,000 and £10,000** at least three written quotations must be obtained from a supplier before a formal purchase order is issued specifying the supplies, services or works and setting out prices and terms of payment unless a framework already exists. If a framework already exists then you **must** follow the procedure set out in that framework.

4.3.2 For purchases up to the value **of £5,000** you must, unless you are purchasing from an existing Corporate Contract (**see current list at Appendix "C"**) provide evidence of competitive enquiries being undertaken with details of your final selection criteria recorded and retained on file.

4.4 In all cases

4.4.1 Your purchase order **must** contain the standard form of terms and conditions of contract between the Council and the supplier. A quotation and a purchase order will create a legally binding contract. The purchase order is used to formalise the terms of the contract.

4.4.2 Emailed quotations are acceptable for lower value purchases but copies must be retained on the relevant file.

SEE ALSO Appendix "B" - Visual Procurement Procedure's for a quick reference guide

4.5 Framework agreements

4.5.1 Framework agreements for supplies and services must be used where they exist, regardless of value. A list of current Corporate Framework Contracts is available at Appendix "D"

4.5.2 Framework agreements are agreements with suppliers for the provision of supplies, works or services on agreed terms for a specific period for estimated quantities against which orders may be placed if and when required during the contract period. They offer benefits of bulk-buying, improved service and reduced administration costs over the period of the arrangement.

4.5.3 A framework agreement may have the option for you to hold a "mini - competition" with all of the suppliers on the framework when you come to buy for the Council.

4.5.4 You must investigate whether call-off contracts or frameworks are relevant in your own case as you could get better value for the Council by using an existing framework (and if relevant the central Government agreements) and that you can properly use them.

4.5.5 If there is not a framework already in place (or if one does not exist with partners which you can use) then you **must** consider if it would be better value to set up a framework. This is likely where you are going to need to buy the same or similar things again in the future. Guidance on how to set up a framework is in the Procurement Guidance and you should liaise with the Procurement Manager

4.6 Electronic Procurement

4.6.1 An approved Purchasing Card should always be used in preference to paper purchase orders wherever appropriate.

4.6.2 Electronic procurement (or “e-procurement”) systems should always be used in preference to paper transactions.

4.7 Concession Contracts

4.7.1 A Concession Contract is used where the Council wishes to engage a party to provide a service within the Council area, consideration for which is in the form of the party (“the concessionaire”) being given a right to charge the public for the services being provided.

4.7.2 The EU procurement rules do not apply to public works concessions for which the estimated value is under the relevant EU threshold and there are a number of exemptions where a public works concession contract is proposed.

4.7.3 Where the concessionaire intends to sub-contract the performance of services the concessionaire may in certain circumstances fall within the scope of the EU procurement rules. In all cases, where the concessionaire is procuring goods and/or services as a part of the concession contract, any procurement should be carried out in accordance with these Rules.

4.7.4 Advice from the Procurement Manager must be sought before engaging in any procurement relating to a concession contract.

5. The EU Directives

5.1 Additional requirements for transactions valued over EU thresholds

Contract values (excl. VAT) above which procedures governed by the EU Directives apply are currently (applicable from 1st January 2008):

| | |
|---|------------|
| For supplies and services (including goods and consultancy services): | £139,893 |
| For works: | £3,497,313 |

(Please note that these thresholds are amended bi-annually in January and you must refer to the Procurement Manager to check the latest thresholds)

5.2 Aggregation

5.2.1 We must never deliberately split the value of contracts.

5.2.2 Wherever possible, the Council should make its purchases in the form of a single large contract in preference to a series of smaller contracts this to obtain maximum benefit in terms of prices/costs obtained

5.2.3 We must calculate the value of the separate contracts of the same type over a short period together for the purpose of determining if the value of the contract falls within the threshold. (See also 3.3 and 3.4 above).

5.3 Procedures governed by the EU Directives

5.3.1 If your contract has a value over this threshold you must consider whether you must procure under the Public Contracts Regulations 2006.

5.3.2 The Regulations contain provisions relating to submitting of notices and other documents electronically.

5.3.3 Your contract must be tendered under the Open, Restricted, Competitive Dialogue (for particularly complex contracts) or, in exceptional circumstances, the Negotiated procedure.

5.3.4 The EU Directives and UK Regulations are very long and only the principal requirements can be given here. If in doubt, refer to the Guidelines and advice should be sought from the Procurement Manager

5.3.5 For each contract, except where indicated below, a Contract Notice must be published in the Supplement to the Official Journal of the European Union (OJEU). Advertisements published additional to this:

- Must not appear in any form before a Contract Notice is transmitted to OJEU; and
- Must not contain any information additional to that contained in the Contract Notice in OJEU.

5.3.6 Minimum timescales relating to tender procedures governed by the EU Directives are shown in the Guidance and these must always be followed.

5.3.7 Where a Prior Information Notice (PIN) announcing a forthcoming Contract Notice has been sent to OJEU between 52 and 365 days before the Contract Notice is sent, reduced timescales may apply.

5.4 Use of the Competitive Dialogue Procedure governed by EU Directives

5.4.1 Advice must be sought from the Procurement Manager at the earliest opportunity before commencing a tender process governed by EU Directives particularly when using either the Competitive Dialogue or the Negotiated Procedure.

5.4.2 Under EU Directives, the Competitive Dialogue Procedure may be used for contracts valued at or over EU thresholds in certain circumstances where:

- I. we wish to award a particularly complex contract and think that the use of the open or restricted procedures will not allow the award of that contract;
or

- II. the contract is for a service and the precise nature of the service required cannot be clearly specified or accurately priced (e.g. some PFI or PPP contracts, bespoke software applications, insurance services, intellectual and artistic services).

5.4.3 The Negotiated Procedure should not now be used (except in very specific circumstances) for the procurement of particularly complex projects.

5.4.4 If in doubt, you must contact the Procurement Manager/Head of Legal, Equalities and Democratic Services

5.5 Contract Award Notice

5.5.1 For all contracts tendered under EU Directives, a ten-day 'standstill period' must be observed between the decision to award and contract conclusion. Once the decision to award a contract is made, each tenderer must be notified in writing on the outcome of the tender process. This notification must include:

- √ details of the contract award criteria;
- √ where practicable the score the tenderer obtained against those award criteria;
- √ where practicable the score the winning tenderer obtained; and
- √ the name of the winning tenderer.

5.5.2 There must be a minimum of 15 calendar days between the despatch of this notification and the conclusion of the contract. Special rules apply where a tenderer requests a de-brief on the tender process. Even if a tenderer asks for a de-brief outside of the standstill period we are still obliged to provide this.

5.5.3 In this instance, advice must be sought from the Procurement Manager at the earliest opportunity. All contracts awarded under EU Directives must be announced by means of a Contract Award Notice in OJEU transmitted no later than 48 calendar days after the date of award.

6. Integrating Equality and Diversity into Procurement

6.1 Why include equality and diversity in procurement?

6.1.1 Bromsgrove District Council wants to make Bromsgrove a cohesive, multi-cultural society in which all differences are valued and celebrated. To achieve this we have committed ourselves to the principles of fairness and valuing diversity for everyone who lives, works, studies, invests in or visits Bromsgrove. We operate an Inclusive Equality Scheme which sets out the details of this commitment. This includes:

- Our principles, values and standards
- Our strategic aims and objectives
- Our structures

- Our goals in employment

6.1.2 The public sector, in general, and local government in particular are increasingly involved in joint working with partner organisations from the public, private and voluntary sectors.

6.1.3 The Council's responsibilities for leadership within the district and for the provision of quality services which are responsive to individual and community needs underline the importance of working with partner organisations and contractors to promote the values for which we stand and bring about our vision of valuing diversity.

6.1.4 In particular we commit ourselves to:

- Working with and influencing our partner organisations to make Bromsgrove a place where diversity is valued and celebrated.
- Requiring all contractors to comply with the Council's Standing Orders / Contract Procedure Rules / Constitution relating to contracts.
- Assisting partner organisations and contractors to become organisations which understand and oppose all forms of institutional discrimination.

6.2 The Role of Procurement in Promoting Equality

6.2.1 The Council provides a wide range of services to the community and businesses in the district. In some cases these are provided directly by the Council, in other cases on our behalf by contractors and partners.

6.2.2 Each year the Council can enter into contracts worth many thousands of pounds for buying goods, works and services on behalf of the Bromsgrove community. Therefore, the services provided to the community should be geared towards their diverse needs and requirements.

6.2.3 Spending by the Council sustains and maintains a significant number of jobs within the district. The Council has a statutory duty to ensure that public money is spent in a way that ensures value for money and does not lead to unfair discrimination and social exclusion.

6.2.4 The promotion of equality in procurement will help the Council to:

- Improve the overall value for money for the Council in terms of the goods, works and services they purchase
- Improve the quality, responsiveness and appropriateness of our services.
- Ensure that public money is not spent on practices which lead to unfair discrimination to sections of the district.
- Create a diverse and integrated workforce.
- Deliver more responsive and flexible services in combating social exclusion and building stronger and cohesive communities.

- Encourage other organisations to promote and practice the Council's policies on equality.

7. Tender Procedures

7.1 Receiving and opening tenders

7.1.1 Every response to an invitation to tender for a transaction valued over £50,000 should be delivered:

- √ no later than the time specified for submission of tenders in the invitation to tender (and addressed to the person at the place specified in the invitation to tender (or e-mail address));
- √ on CD ROM, or via email (depending on your procurement approach) (or provided in hard copy as a last resort); and
- √ with no labelling or other markings on the CD ROM or packet that identifies the tenderer.

7.1.2 The Head of Service must keep the tenders secure until the time specified for their opening. Two officers must open all tenders at the same time, one of whom must work in another department, section or unit. All pages from each tender detailing prices or costs must be initialled and dated by the officers opening the tenders or bids.

The opened tenders must be recorded on the list of tenders invited.

email: Tenders/Bids must be sent to e-tenders@bromsgrove.gov.uk which is a secure facility

email: Quotations must be sent to e-quotations@bromsgrove.gov.uk which is also a secure facility

Both can only be opened at the appropriate time by nominated Officers

7.2 Evaluating tenders

7.2.1 Where written quotations are invited for contracts valued over then the bidder submitting the lowest price compliant bid must be awarded any resulting contract, unless alternative pre-determined criteria are detailed in the document used to invite bids awarded on that basis.

7.2.2 For contracts valued over £50,000 and for all contracts governed by EU Directives, a more complex Best Value tender evaluation procedure based on the identification of the Most Economically Advantageous Tender ("MEAT") should be used. There are some situations, however, where MEAT will not be an appropriate method of evaluation - usually where the only discerning factor between products and/or solutions will be that of price (e.g. where you are buying stationery or other standard items). It is unlikely that providers for Services or Works could be selected on price alone as these will often require more subjective evaluation techniques. While criteria for evaluation is at the discretion of the

Council care needs to be taken that using a lowest price method of evaluation rather than using MEAT is appropriate for the procurement.

7.2.3 This evaluation involves scoring tenders objectively by a panel of three or more officers and/or independent experts using criteria which must:

- √ be pre-determined and listed in the invitation to tender documentation in order of importance;
- √ be based on an offer made against either a performance or output based specification of the goods or services required
- √ be strictly observed at all times throughout the tender process;
- √ reflect the principles of Best Value;
- √ include price;
- √ consider whole-life costing, particularly in the case of capital equipment where the full cost of maintenance, decommissioning and disposal should be taken into account;
- √ be capable of objective assessment;
- √ be weighted according to their respective importance;
- √ include, where applicable, the quality of the tenderers' proposals to accept a transfer of staff under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE); and
- √ avoid discrimination or perceived discrimination on the basis of nationality, or other cause contrary to any of the Council's policies.

7.2.4 Where this evaluation methodology is used, any resulting contract must be awarded to the tenderer which submits the most economically advantageous tender, i.e. the tender that achieves the highest score in the objective assessment. This protects the Council from any 'challenges' which potentially could result in prosecution or fines.

7.3 Awarding contracts

7.3.1 IT IS A MANDATORY REQUIREMENT BEFORE ANY PROPOSED CONTRACT IS FINALLY SIGNED THAT IT BE PASSED TO THE LEGAL DEPARTMENT FOR CLEARANCE AND FINAL APPROVAL

7.3.2 The results of the tender evaluation process must be recorded in writing.

7.3.3 A contract must only be awarded and signed by a person authorised to do so, who must ensure that the appropriate budget holder has the funds in place to sustain the contract prior to award.

7.3.4 Budget Holders should ensure that proper records of all procurement activity are retained in electronic or hard-copy format as appropriate.

7.3.5 For all transactions valued at or over £50,000, brief details must be passed to the Procurement Manager

7.4 Contract Management

7.4.1 When preparing the specification for the contract it is important to ensure that consideration is given to what performance information will be required from the supplier. Performance information will be required in order to measure whether the supplier is meeting the service levels and targets as specified in the contract. In addition it may be necessary for the supplier to provide performance information to enable the Council to meet statutory requirements, such as the need to provide performance information to the Audit Commission each year for the National Indicator set of measures. The specification should set out not only what is required but also the frequency and timeliness on which the performance information is required. In the tender response the tenderers should be invited to demonstrate how they will ensure that performance data they supply is of adequate quality, such as information about quality processes and procedures used and quality standards achieved

7.4.2 It is essential to good contract management that a realistic set of Key Performance Indicators (KPI's) is built into the Specification upon which the contract is to be let. This allows Officers to hold regular meetings with contractors throughout the life of the contract to monitor and manage the supplier/contractor against the KPI's to ensure that they deliver what the Council has contracted for consistently in terms of quality, cost and benefit.

Letting the contract is just the first step.

8. Conditions of Contract

8.1 It is important to Contract only under the Councils relevant Conditions of Contract (unless you receive permission not to do so from the Procurement Manager or the Head of Legal, Equalities and Democratic Services Officers must use an appropriate model form of contract approved by the Procurement Manager, which is available on the Intranet under "Procurement"

8.2 For all contracts for services where the services are of an unusual or complex nature, the Head of Legal, Equalities and Democratic Services must be consulted to produce a suitable set of conditions of contract (with external advisors if necessary) before inviting tenders.

8.3 Where a contract is considered to be of a strategically important or politically sensitive nature or where the extended **limitation period** would be of value, the contract must be in writing and executed under seal.

8.4 The Procurement Manager will:

- I. keep a record or list of all model sets of terms & conditions of contract that gives details of when the conditions were last updated, who is responsible for their updating and contact references;

- II. review all current conditions of contract, at least every 12 months, or when new legislation is introduced;
- III. monitor and review conditions of contract issued by other organisations from time to time;
- IV. keep a record of all framework arrangements and joint working arrangements with other departments Councils and other organisations and update this record on a regular basis and no less than twice per year;
- V. maintain the Procurement information and documentation set out in the relevant section on the intranet;
- VI. ensure that information is circulated to and appropriate access for Heads of Service/Budget Holders are updated with any new or revised local or joint framework arrangements and/or call-off contracts

9. Parent Company Guarantees

- 9.1 The person buying for the Council must consult the Procurement Manager on all tenders where the total value exceeds £100,000 to determine if a bond, parent company guarantee or other security is required.

10. Exemptions from the Rules

- 10.1 Exemptions from these Rules must be obtained utilising a completed 'Form of Waiver' (see Appendix "A") **in advance** in accordance with the following procedure.
- 10.2 An exemption **cannot** be given for an EU procurement (for more information see section 13).
- 10.3 An exemption may be agreed by the appropriate person on receipt of a completed Form of Waiver if they are satisfied that the exemption is justified.
- 10.4 A signed copy of the Form of Waiver must be sent to the Head of Finance
- 10.5 You must follow the Procurement Guidance if you do not follow the Rules. If you do not follow the Guidance and enter into a contract on behalf of the Council this could be a disciplinary offence.

See also Appendix "A" – Example of Form of Waiver to be used to obtain exemptions

11. Transfers of Contracts

- 11.1 In appropriate circumstances the Council may agree to transfer a contract.

- 11.2 This decision must be taken by the CMT for contracts of a value in excess of £100,000 (one hundred thousand) and by the relevant Head of Service for contracts of a value up to £100,000 (one hundred thousand).
- 11.3 The Procurement Manager must hold a complete record of all exemptions and transfers and submit a quarterly report to the Head of Finance.

12. Conflicts of Interest

- 12.1 Any interest which may affect the award of a contract under these Rules must be declared. Every officer entitled to buy supplies services or works must make a written declaration of interests and update it immediately when an interest changes.
- 12.2 The Procurement Manager must either certify such interests as being acceptable or take any necessary action in respect of potential conflicts of interest and the officer should take no part in the award of a contract by the Council.
- 12.3 No gifts or hospitality should be accepted from any tenderers to any contract being let by the Council and to do so is a disciplinary offence. You must inform the Procurement Manager if you are dealing with a contract for the Council and have been offered such a gift or hospitality.

13. Variations and extensions

- 13.1 Subject to any statutory restrictions and compliance with these Rules, a Head of Service may authorise the following extensions and variations to an existing contract either:
- an extension for a particular period provided for within the terms and conditions of the contract (but subject to satisfactory outcomes of contract monitoring); or
 - a single extension of the contract by up to six months, or half the contract term (whichever is less); and
 - any other variation, and if relevant a consequent change in price, determined in accordance with the contract terms.
- 13.2 In any other circumstances the Head of Service may vary or extend a contract providing that to do so is consistent with the provisions of Financial Regulations.
- 13.3 Contracts procured under the EU Regulations must not be extended or varied without consulting the Procurement Manager.

14. Impact on other Council Policies

- 14.1 When you are buying anything for the Council you **must** consider the importance and Impact of the other policies of the Council on what you are buying (e.g. Sustainability, Environmental or Equalities & Diversities policies).
- 14.2 Details of the current Council Policies in all areas can be found on the Intranet under 'Procurement'

15. Terminology/Glossary

- 15.1 A **public supply contract** is a contract:
For the purchase of "goods"("Goods" do not include land "or the product of an activity"), or The hire of "goods" with or without the siting or installation of those "goods" .
- 15.2 A **public works contract** is a contract:
For the carrying out of a "work" or works, under which the authority engages a person to procure a work "by any means" (see below for definition).

A "**work**" is defined as including:

- Building and civil engineering work
- Construction of office blocks, hospitals or other buildings;
- Civil engineering construction of roads, bridges, railways;
- Installation work of, for example, heating and electric equipment;
- Completion work such as tiling and papering;
- Maintenance of buildings.

The following activities may also be regarded as a **works contract**:

- A contract where an authority engages a provider to act as agent for the authority in letting contracts
- An agreement where a developer constructs a building on its own land (according to an authority's needs) and undertakes to transfer the land and structure to the authority upon completion or at a later date.

- 15.3 A **public services contract** is one under which the authority "engages a person to provide services". The Services Regulation divides services into two categories: "Part A services" and "Part B services"

Part A services are listed in Part A of Schedule I to the Services Regulation. Contracts for Part A services are subject to the Regulation, including tendering procedural rules, specifications, pre-qualifications, etc.

"Part B services" are subject only to limited provisions - rules on technical specifications, contract award notices and submission of statistical reports. Part B services are all those services set out in Part B of Schedule I to the services Regulation. In addition they include all those services that fall outside of Part A.

Where a contract involves both Part A and Part B services, its classification is determined by the service that has the greatest value of the contracts. See the Guidance for detailed lists of Part A and Part B services

15.4 Open Procedure

This means an advert will be placed in OJEU and the relevant press and trade journals. The tender will be open to anyone who expresses an interest.

15.5 Restricted Procedure

This means an advert will be placed in OJEU the relevant press and trade journals.

Organisations which express an interest will be required to complete a Pre-Qualification Questionnaire (PQQ). The Council will evaluate the PQQ's and produce a shortlist of suitable organisations which will then be invited to tender (ITT).

15.6 Competitive Dialogue Procedure

This is used when the Council is unable to provide a precise specification and where there is scope to negotiate about what services they can provide. The purpose of this procedure is to negotiate on the specification of the project and not on the price.

An advert is placed in the relevant trade journals, press and where appropriate in the Official Journal of the European Union (OJEU). The advert contains details of the scheme and instructions for downloading the tender documents and Pre-Qualification Questionnaire (PQQ).

Organisations will then submit a completed tender and PQQ via the website or submit a hard copy in the envelope provided.

Regardless of whether it is submitted electronically or in paper format, the tender and PQQ must be submitted before the deadline.

15.7 Electronic Procurement

This means procurement using the internet including on line e-auctions and buying portals. You can take advantage of reduced minimum time periods when you procure your contract under the EU procurement regime and submit your documents electronically.

Guidance Notes

Formal tendering procedures may be waived by officers to whom powers have been delegated by BDC's Scheme of Delegations without reference to an Approving Officer (except in (c) to (f) below) where:

- a) the estimated expenditure or income does not, or is reasonably expected to, exceed the financial limits laid down by BDC; or
- b) where the supply is proposed under special arrangements negotiated by the OGC/OGCs in which event the said special arrangements must be complied with;

- c) the timescale genuinely precludes competitive tendering. Failure to plan the work properly is not a justification for a single tender;
- d) specialist expertise is required and is available from only one source;
- e) the task is essential to complete a project, and arises as a consequence of a recently completed assignment and engaging different consultants for the new task would be inappropriate;
- f) there is clear benefit to be gained from maintaining continuity with an earlier project . However, in such cases the benefits of such continuity must outweigh any potential financial advantage to be gained by competitive tendering;

The limited application of the single tender rules should not be used to avoid competition or for administrative convenience or to award further work to a consultant originally appointed through a competitive procedure.

Where it is decided that competitive tendering is not applicable and should be waived by virtue of (c) to (f) above the fact of the waiver and the reasons should be documented and reported by the BDC Finance Director on a monthly basis.

APPENDIX 1

The Ten General Principles of Public Life

Selflessness – members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

Honesty and integrity – members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly, and should on all occasions avoid the appearance of such behaviour.

Objectivity – members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

Accountability – members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.

Openness – members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.

Personal judgment – members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

Respect for others – members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority's statutory officers and its other employees.

Duty to uphold the law – members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

Stewardship – members should do whatever they are able to do to ensure that their authorities use their resources prudently, and in accordance with the law.

Leadership – members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.

Section 30 of the Localism Act 2011 provides that a member or co-opted member of a relevant authority as defined in section 27(6) of the Localism Act 2011, on taking office and in the circumstances set out in section 31, must notify the authority's monitoring officer of any disclosable pecuniary interest which that person has at the time of notification. These Regulations specify what is a pecuniary interest. Section 30(3) of the Act sets out the circumstances in which such an interest is a disclosable interest.

A full impact assessment has not been produced for these Regulations as no impact on the private or voluntary sectors is foreseen.

GIFTS AND HOSPITALITY

A CODE OF CONDUCT FOR COUNCILLORS

The acceptance of gifts and hospitality by Councillors is not merely an administrative issue. It reflects directly upon the perception of Councillors and of the authority as acting in the public interest or as acting for the personal advantage of friends and for what personal benefit Councillors can get out of their position.

The law on the acceptance of gifts and hospitality is set out in the Bribery Act 2010. These legal requirements are supplemented by the procedures which have been adopted by this authority, to provide a clear set of rules for the protection of both Councillors and the authority. This Code is to be read in conjunction with the Council's Code of Conduct for Members and the Council's Corporate Anti-Bribery Policy.

This Code of Conduct sets out:

- (a) the principles which you should apply whenever you have to decide whether it would be proper to accept any gift or hospitality
- (b) a procedure for obtaining consent to accept a gift or hospitality, when you consider that it would be proper to accept it
- (c) a procedure for declaring any gift or hospitality which you receive and for accounting for any gift to the authority

This Code does not apply to the acceptance of any facilities or hospitality which may be provided to you by this authority.

1 General Principles

In deciding whether it is proper to accept any gift or hospitality, you should apply the following principles. Even if the gift or hospitality comes within one of the general consents set out in Section 2, you should not accept it if to do so would be in breach of one or more of these principles:

- (a) Never accept a gift or hospitality as an inducement or reward for anything you do as a Councillor**

As a Councillor, you must act in the public interest and must not be swayed in the discharge of your duties by the offer, prospect of an offer, or the non-offer of any inducement or reward for discharging those duties in a particular manner.

The Bribery Act 2010 makes it an offence for an individual to bribe another person or to accept a bribe. The maximum penalty

for a conviction for one of these offence is up to 10 years imprisonment. There is an additional offence which applies to organisations of failing to prevent bribery. On a conviction for this offence the organisation could face an unlimited fine.

Further, the authority's Code of Conduct for Members provides that you must act in the public interest, serving the authority and the whole community, rather than acting in the interests of any particular individual or section of the community, and that you must not place yourself under any financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties.

(b) You should only accept a gift or hospitality if there is a benefit to the authority

The only proper reason for accepting any gift or hospitality is that there is a benefit for the authority which would not have been available but for the acceptance of that gift or hospitality.

Acceptance of hospitality can confer an advantage on the authority, such as an opportunity to progress the business of the authority expeditiously through working lunch, or to canvass the interests of the authority and its area at a meeting. Acceptance of a gift is much less likely to confer such an advantage. But unless the benefit to the authority is clear, and is commensurate with the value of the gift or hospitality, the presumption must be that the gift or hospitality is purely for your personal benefit.

As set out above, the authority's code provides that you must not improperly confer any advantage on anyone, including yourself. Acceptance as a Councillor of a gift or hospitality for your own benefit or advantage, rather than for the benefit to the authority, would be a breach of the Code.

(c) Never accept a gift or hospitality if acceptance might be open to misinterpretation

The appearance of impropriety can be just as damaging to the authority and to you as a Councillor as actual impropriety. The authority's ability to govern rests upon its reputation for acting fairly and in the public interest. You must therefore consider whether the acceptance of the gift or hospitality is capable of being interpreted as a sign that you or the authority favours any particular person, company or section of the community or as placing you under any improper obligation to any person or organisation. If there is any possibility that it might be so interpreted, you must either refuse the gift or hospitality or take

appropriate steps to ensure that such a misunderstanding cannot arise.

Certain occasions are particularly sensitive, and require the avoidance of any opportunity for such misunderstanding. These include:

- (i) occasions when the authority is going through a competitive procurement process, in respect of any indication of favour for a particular tenderer.
- (ii) determinations of planning applications or planning policy, in respect of any person or organisation which stands to gain or lose from the determination.
- (iii) funding decisions, when the authority is determining a grant application by any person or organisation.

(d) Never accept a gift or hospitality which puts you under an improper obligation

Recognise that some commercial organisations and private individuals see the provision of gifts and hospitality as a means of buying influence. If you accept a gift or hospitality improperly, it is possible that they may seek to use this fact to persuade you to determine an issue in their favour. Equally, if others note that you have been prepared to accept a gift or hospitality improperly, they may feel that they will no longer be able to secure impartial consideration from the authority.

(e) Never solicit a gift or hospitality

You must never solicit or invite an offer of a gift or hospitality in connection with your position as a Councillor unless the acceptance of that gift or hospitality would be permitted under this Code. You should also take care to avoid giving any indication that you might be open to such any improper offer.

2 Consent Regimes

(a) General consent provisions

For clarity, the authority has agreed that, provided the General Principles set out in Section 1 are not breached, you may accept gifts and hospitality in the following circumstances:

- (i) civic hospitality provided by another public authority

Agenda Item 21

PART 21

- (ii) modest refreshment in connection with any meeting in the ordinary course of your work, such as tea, coffee, soft drinks and biscuits
- (iii) tickets for sporting, cultural and entertainment events which are sponsored by the authority
- (iv) small gifts of low intrinsic value, branded with the name of the company or organisation making the gift, such as pens, pencils, mouse pads, calendars and diaries. However, you should take care not to display any such branded items when this might be taken as an indication of favour to a particular supplier or contractor, for example in the course of a procurement exercise
- (v) a modest alcoholic or soft drink on the occasion of an accidental social meeting, such as a pint of beer from an employee of a contractor or party with whom you have done business on behalf of the authority if you meet accidentally in a public house, cafe or bar. In such cases, you should make reasonable efforts to return the offer where this is practicable
- (vi) a modest working lunch in the course of a meeting in the offices of a party with whom the authority has an existing business connection where this is required in order to facilitate the conduct of that business.
- (vii) modest souvenir gifts with a value from another public authority given on the occasion of a visit by or to the authority
- (viii) Hospitality received in the course of an external visit or meeting which has been duly authorised by the authority. Councillors should not make such arrangements themselves, and officers are under instruction to make it clear that any such hospitality for Councillors and officers is to be no more than commensurate with the nature of the visit
- (ix) other unsolicited gifts, where it is impracticable to return them to the person or organisation making the gift, provided that the Councillor deals with the gift strictly in accordance with the following procedure: The Councillor must, as soon as practicable after the receipt of the gift, pass it to the Secretary to the Chairman of the Council together with a written statement identifying the information set out in Paragraphs 2(b) below. The Secretary will then write to the person or organisation making the gift thanking them on your behalf for the gift

and informing them that you have donated the gift to the Chairman's charity Fund, on whose behalf it will be raffled or otherwise disposed of in due course, the proceeds being devoted to a charitable cause chosen by the Chairman.

(b) Special consent provisions

If you wish to accept any gift or hospitality which is in accordance with the General Principles set out in Paragraph 1, but is not within any of the general consents set out in Paragraph 2(a), you may only do so if you have previously obtained specific consent in accordance with the following procedure:

You must make an application in writing to the Monitoring Officer, setting out:

- (i) the nature and your estimate of the market value of the gift or hospitality
- (ii) who the invitation or offer has been made by or on behalf of
- (iii) the connection which you have with the person or organisation making the offer or invitation, such as any work which you have undertaken for the authority in which they have been involved
- (iv) any work, permission, concession or facility which you are aware that the person or organisation making the offer or invitation may seek from the authority
- (v) any special circumstances which lead you to believe that acceptance of the gift or hospitality will not be improper

You must not accept the gift or hospitality until you have received the appropriate consent.

The Monitoring Officer will enter details of any approval in a register which will be available for public inspection on the occasion of the public inspection of the authority's accounts for the relevant year. But note that this does not relieve you of the obligation to register the receipt of gifts and hospitality in accordance with Paragraph 3, below.

3. **Reporting**

Where you accept any gift or hospitality, you must, as soon as possible after receipt of the gift or hospitality, make a declaration in writing to the Monitoring Officer, setting out the information set out in Paragraphs 2(b) above. A form for this purpose is attached to this Code, but you can send the same information by any convenient means. The Monitoring Officer will retain a copy of any such declaration in a register which will be available for public inspection until the approval of the authority's accounts for the year in question.

4 **Gifts to the authority**

Gifts to the authority may take the form of the provision of land, goods or services, either to keep or to test with a view to future acquisition, an offer to carry out works or sponsorship of a function which is organised or supported by the authority. You should not solicit any such gift on behalf of the authority except where the authority has formally identified the opportunity for participation by an external party and how that participation is to be secured, for example in relation to sponsorship of public musical and theatrical performances and developers' contributions under Section 106 Agreements. If you receive such an offer on behalf of the authority, you must first consider whether it is appropriate for the authority to accept the offer (in terms of whether the acceptance of the gift might be seen as putting the authority under any improper obligation, whether there is a real benefit to the authority which would outweigh any disbenefits). If you do not have delegated authority to accept the gift, you should report the offer directly to the Monitoring Officer who has such delegated authority, together with your recommendation. The Monitoring Officer will then write back to the person or organisation making the offer, to record the acceptance or non-acceptance of the gift, record the gift for audit purposes and ensure that the gift is properly applied for the benefit of the authority. If you have any concerns about the motives of the person or organisation making the offer, or whether it would be proper for the authority to accept the gift, you should consult the Monitoring Officer directly.

5 **Definitions**

- (a) "Gift or hospitality" includes:
- (i) the free gift of any goods or services.
 - (ii) the opportunity to acquire any goods or services at a discount or on terms which are more advantageous than those which are available to the general public.
 - (iii) the opportunity to obtain any goods or services which are not available to the general public.

Agenda Item 21

PART 21

- (iv) the offer of food, drink, accommodation or entertainment, or the opportunity to attend any cultural, sporting or entertainment event.
- (b) References to the "value" or "cost" of any gift or hospitality are references to the higher of:
 - (i) your estimate of the cost to the person or organisation of providing the gift or consideration
 - (ii) the open market price which a member of the public would have to pay for the gift or hospitality, if it were made available commercially to the public, less the cash sum of any contribution which you would be required to make toward that price to the person or organisation providing or offering the gift or hospitality.

MEMBER - OFFICER PROTOCOL

Introduction and Principles

- 1.1 The purpose of this Protocol is to guide Members and Officers of the Council in their relations with one another in such a way as to ensure the smooth running of the Council.
- 1.2 Given the variety and complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. Its objectives are
 - To promote trust, openness, fairness and honesty by establishing some ground rules
 - To define roles so as to clarify responsibilities (i.e. who does what), avoid conflict and prevent duplication or omission
 - To secure compliance with the law, codes of conduct and the Council's own practices
 - To lay down procedures for dealing with concerns by members or officers.

Although the protocol offers guidance on some of the issues which most commonly arise, it forms part of the Council's Constitution and as such must be followed by Members and Officers. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other circumstances. Except as specifically set out in this Protocol, questions of interpretation will be determined by the Monitoring Officer unless the particular provision requiring interpretation relates to a matter to be determined by the Chief Executive.

- 1.3 This Protocol is to a large extent a written statement of current practice and convention. It seeks to promote greater clarity and certainty. If the Protocol is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and any undue influence from Members.
- 1.4 It also seeks to reflect the principles underlying the Code of Conduct which applies to Members. These are:
 - Selflessness – serving only the public interest
 - Honesty and integrity – not allowing these to be questioned
 - Not behaving improperly
 - Objectivity – taking decisions on merit
 - Accountability – to the public; being open to scrutiny
 - Openness – giving reasons for decisions
 - Personal judgement – reaching one's own conclusions and acting accordingly
 - Respect for others – promoting equality; avoiding discrimination; respecting others (member/member as well as member/officer)

- Duty to uphold the law – not acting unlawfully
- Stewardship – ensuring the prudent use of the Council's resources
- Leadership – acting in a way which has public confidence

These principles underpin this protocol. They will also be reflected in a new national code of conduct for employees due in the near future, on which the Office of the Deputy Prime Minister began a consultation in August 2004. Until such time as the national code appears, officers are bound by the Council's own code of conduct for staff and, in some cases, by their professional associations. The purpose of this code is to enhance and maintain the integrity (real and perceived) of local government and the Code, therefore, demands very high standards of personal conduct.

- 1.5 This Protocol should be read in conjunction with the Members' Code of Local Government Conduct, the Council's Constitution and any guidance issued by the Standards Committee and/or Monitoring Officer. The protocol has been approved by the Council's Standards Committee, which will monitor its operation and which is responsible for reviewing the practical application of the Protocol, and making suggestions for its improvement and development. Breaches of the protocol by a member may result in a complaint to the Standards Board for England if it appears the Members' Code of Conduct has also been breached. Breaches by an officer may lead to disciplinary action.

The Role of Members

- 2.1 Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, Members may wish to seek the advice of senior colleagues, the relevant senior officer(s), and/or the Monitoring Officer.
- 2.2 Collectively, Members are the ultimate policy-makers determining the core values and priorities of the Council and approving the authority's policy framework, strategic plans and budget.
- 2.3 Members represent the community, act as community leaders, and promote the social, economic and environmental well-being of the community, often in partnership with other agencies.
- 2.4 Every elected Member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local outside bodies.
- 2.5 Some Members have roles relating to their position as members of the Executive, overview and scrutiny committees, or other committees of the Council.
- 2.6 Members of the Executive may have individual delegated powers, but will often work closely with officers in relevant departments in preparing policies and

decisions which are subsequently approved by the Executive. Although Executive members may, to a significant extent, determine matters within their portfolios, the implementation of their decisions is the responsibility of officers.

- 2.7 Members serving on overview and scrutiny committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor service provision by other bodies insofar as it affects the District, e.g. local health service provision.
- 2.8 Members who serve on other committees and sub-committees collectively have delegated responsibilities, e.g. deciding planning applications, licensing applications and other quasi-judicial matters, which by law are excluded from the remit of the Executive.
- 2.9 Some Members may be appointed to represent the Council on local, regional or national bodies. Guidance for Members on their participation with external bodies is contained within the protocol "Guidance for Members on Outside Bodies".
- 2.10 As politicians, Members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as members they have a duty always to act in the public interest.
- 2.11 Members are not authorised to instruct officers other than in the circumstances set out below, and should take care to ensure that their conduct is not open to misinterpretation in this regard. Instructions may legitimately be given:-
 - Through the formal decision-making process;
 - To request the provision of consumable resources provided by the Council for members' use
 - Where an Executive Member is indicating to a Senior Officer the way in which policies and decisions might be prepared, but any such instruction given must not compromise an officer's professional judgement and must not be inconsistent with the Council's established policies and procedures
 - Where staff have been specifically allocated to give support to a member or group of members; and
 - In the case of political assistants
- 2.12 Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.
- 2.13 Members must avoid taking actions which are unlawful, financially improper, or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the Chief Financial Officer.
- 2.14 Members must respect the impartiality of officers and do nothing to compromise it, e.g. by insisting that an officer change his/her professional advice.

The Role of Officers

- 3.1 Officers are responsible for giving advice to Members to enable them to fulfil their roles. In doing so, officers will take into account all available relevant factors.
- 3.2 Under the direction and control of the Council (including, as appropriate, the Executive and committees), officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.
- 3.3 Officers have a duty to implement decisions of the Council, the Executive and committees which are lawful and which have been properly approved in accordance with the requirements of the law and the Council's constitution, and duly minuted.
- 3.4 Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.
- 3.5 Officers must assist and advise all parts of the Council. They serve the Council as a whole. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
- 3.6 Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public.
- 3.7 Officers have the right not to support Members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on senior officers' involvement in political activities.

The Relationship: General Points

- 4.1 Both Councillors and Officers are servants of the public and they are indispensable to one another, but their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council's work under the direction and control of the Council, the Executive, their committees, and subcommittees.
- 4.2 At the heart of the Code, and this Protocol is the importance of mutual respect, confidence, and trust. Member/Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.

- 4.3 A key element in the relationship is a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately. Informal and collaborative two-way contact between Members and officers is encouraged, but personal familiarity can damage the relationship, as might a family or business connection. Members and officers should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles. Inappropriate relationships can be inferred from language/style. When attending formal meetings, officers and Members should use formal forms of address to each other – e.g. Members should be addressed as "Councillor XX" or "Chairman", while Officers should generally be addressed as "Mr. XX" or "Mrs. XX". A greater level of informality may be appropriate in other circumstances, e.g. a one to one between a Head of Service and their respective Cabinet Member but it is safer to err on the side of formality.
- 4.4 It is not enough to avoid actual impropriety. Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, an officer should not sit on a body or participate in any decision which directly affects the officer on a personal basis. Members are bound by the Code of Conduct which contains a similar restriction.
- 4.5 A Member should not raise matters relating to the conduct or capability of an Officer in a manner that is incompatible with the objectives of this Protocol. This is a long-standing tradition in public service because an Officer has no means of responding to such criticisms in public. If a Member feels he/she has not been treated with proper respect or, courtesy or has any concern about the conduct or capability of an Officer, and fails to resolve it through direct discussion with the Officer, he/she should raise the matter with the respective senior officer. The senior officer will then look into the facts and report back to the Member. If the Member continues to feel concern, then he/she should raise the issue with the Chief Executive who will look into the matter afresh. Any action taken against an Officer in respect of a complaint will be in accordance with the provisions of the Council's Disciplinary Rules and Procedures.
- 4.6 An Officer shall not discuss with a Member personal matters affecting himself/herself or matters relating to the conduct or capability of another Officer or to the internal management of a Section/Division. This does not prevent an officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.
- 4.7 Where an Officer feels that s/he has not been properly treated with respect and courtesy by a Member, he/she should raise the matter with his/her senior officer or the Chief Executive as appropriate, especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances the senior officer or Chief Executive will take appropriate action either by

approaching the individual Member and/or group leader or by referring the matter to the Monitoring Officer in the context of the Council's Code of Conduct.

- 4.8 With the exception of political assistants, officers work to the instructions of their senior officers, not individual Members. It follows that whilst such officers will always seek to assist a Member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, Members should normally direct their requests and concerns to a senior officer, at least in the first instance.
- 4.9 Officers will do their best to give timely responses to Members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities. Members will endeavour to give timely responses to enquiries from officers.
- 4.10 Members and officers should respect each other's free (i.e. non-Council) time.
- 4.11 Members seeking advice, information, or support from officers should as a normal rule make contact firstly with the Head of Service for the department in question, and although the Head of Service may refer the matter to another officer care should be taken to ensure that the other officer is supported in whatever manner may be required. In the event that officers receive direct contact from Members and are uncertain how to respond, they should immediately seek advice from their own Manager or Head of Paid Service. It is acceptable for a custom-and-practice arrangement to develop whereby Members approach other officers direct, but all parties should take care to ensure that the Member, the Officer, and the Head of Service are content with the arrangement.

The Relationship: Officer Support to Members: General Points

- 5.1 Certain statutory officers – the Chief Executive, the Monitoring Officer and the Chief Financial Officer – have specific roles and these are addressed in the Constitution. Their roles need to be understood and respected by all Members.
- 5.2 The following key principles reflect the way in which the Council's staffing body generally relates to Members:
- all officers are employed by and accountable to the authority as a whole;
 - support from officers is needed for all the authority's functions including Full Council, Overview and Scrutiny, the Executive, individual Members representing their constituents etc;
 - the authority will seek to avoid potential conflicts of interest for officers arising from the separation of the Executive and Overview and Scrutiny role; and
 - all officers will be provided with training and development to help them support the various Member roles effectively and to understand the Council's structures.

- 5.3 On occasion, a decision may be reached which authorises named Officers to take action between meetings following consultation with a Member or Members. It must be recognised that it is the Officer, rather than the Member or Members, who takes the action and it is the Officer who is accountable for it.

The Relationship: The Council as Employer

- 6.1 Officers are employed by the Council as a whole
- 6.2 Members' roles in employment matters are limited to
- The appointment of specified posts as defined in the Council's Officer Employment Procedure Rules and Scheme of Delegation
 - Approving human resources policies and conditions of employment; and
 - Hearing and determining appeals

Members should not act outside these roles.

- 6.3 If participating in the appointment of officers, members should
- Remember that the sole criterion is merit (other than in the case of political assistants, where political considerations may apply)
 - Never canvass support for a particular candidate
 - Not take part where one of the candidates is a close friend or relative
 - Not be influenced by personal preferences, and
 - Not favour a candidate by giving him/her information which is not available to other candidates
- 6.4 A member should not sit on an appeal hearing if the appellant is a friend, a relative or an officer with whom the Member has had a working relationship.

The Relationship: Officer Support to Members and Party Groups

- 7.1 It must be recognised by all Officers and Members that in discharging their duties and responsibilities Officers serve the Council as a whole and not any political group, combination of groups, or any individual Member of the Council.
- 7.2 There is now statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision-making body. Officers may properly be called upon to support and contribute to such deliberations by party groups but must at all times maintain political neutrality. All Officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 7.3 The support provided by Officers can take many forms. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.

- 7.4. Certain points, must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- Officer support must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted if Officers are not present at meetings or parts of meetings, when matters of party business are to be discussed;
 - Party group meetings, whilst they form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and
 - similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice when the matter in question is formally considered by the relevant part of the Council.
- 7.5 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not Members of the Council. Such persons are not bound by the Council's Code of Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons, Officers must not attend and/or give advice to such meetings and Members should not ask officers to do so.
- 7.6 Officers must respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, should not relay the content of any such discussion to another party group or to any other members. This must not prevent an officer providing feedback to other senior officers on a need-to-know basis.
- 7.7 Members must not do anything which compromises or is likely to compromise an officer's impartiality. The duration of an officer's attendance at a party group meeting will be at the discretion of the group, but an officer may leave at any time if he/she feels it is no longer appropriate to be there.
- 7.8 An officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each. An officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting. No Member will refer in public or at meetings of the Council to advice or information given by officers to a party group meeting.
- 7.9 An officer who is not a senior officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf. It is recommended that a Group wishing to invite any officer to address

it must seek the approval of the relevant Corporate Director before approaching the officer.

7.10 In relation to budget proposals:

- the Executive Cabinet shall be entitled to confidential discussions with Officers regarding options and proposals. These will remain confidential until determined by the Executive Cabinet or until published in advance of Committee/Council meetings, whichever is the earlier; and
- the opposition groups shall also be entitled to confidential discussions with Officers to enable them to formulate alternative budget proposals. These will remain confidential until determined by the respective opposition groups or until published in advance of Committee/Council meetings, whichever is the earlier.

7.11 It must not be assumed by any party group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of the policy or strategy.

7.12 Any particular cases of difficulty or uncertainty in this area of Officer advice to party groups should be raised with the Chief Executive who will discuss them with the relevant group leader(s).

The Relationship: Officer Support: The Executive

8.1 It is clearly important that there should be a close working relationship between Executive Members and the Officers who support and/or interact with them. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members and other party groups.

8.2 Executive Members will take collective decisions in accordance with the constitution and will not otherwise direct staff except in such circumstances as may be permitted by the Scheme of Delegations.. Senior officers will be responsible for instructing staff to implement the Executive's decisions.

8.3 In addition to individual members of the Executive, senior officers have the right to submit papers to the Executive as a whole or to individual Executive members for consideration. Whilst Executive Members will routinely be consulted as part of the process of drawing up proposals for consideration or the agenda for a forthcoming meeting, it must be recognised that in some situations an officer will be under a professional duty to submit a report. Similarly, a senior officer will always be fully responsible for the contents of any report submitted in his/her name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. This is to be distinguished from a situation where there is a value judgement to be made. Any issues arising between an Executive Member and a senior officer in this area should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

- 8.4 Senior officers and Executive members shall agree mutually convenient methods of regular contact. Before taking any formal decisions, the Executive will seek appropriate professional advice including that of the Monitoring Officer and Chief Financial Officer, and will not direct officers in the framing of recommendations.
- 8.5 Before any formal decisions with a financial implication are taken by the Executive, the Chief Financial Officer and the senior officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:
- are aware of the proposed decision
 - have had the opportunity to offer advice, and
 - are subsequently able properly to authorise the financial transactions needed to implement decisions.
- 8.6 An individual Executive member who is minded to write or commission a report about a matter within his/her portfolio must ensure that those other members and officers who need to know of the matter are so informed. There is a particular requirement to involve other Executive members on cross-cutting issues.
- 8.7 When making decisions, Executive members must state the reasons for those decisions. The written record of the decisions must include the reasons.
- 8.8 Where functions which are the responsibility of the Executive are delegated to Officers or other structures outside the Executive, the Executive will nevertheless remain accountable to the Council, through Overview and Scrutiny Committees, for the discharge of those functions. That is to say, the Executive will be held to account for both its decision to delegate a function and the way that the function is being carried out. Officers taking decisions under delegated powers must consider the advisability of informing the relevant Executive member(s) of their intentions in advance when the matter to which the decisions relate is likely to be sensitive or contentious, or has wider policy implications.
- 8.9 Officers will continue to work for and serve the local authority as a whole. Nevertheless, as the majority of functions will be the responsibility of the Executive, it is likely that in practice many Officers will be working to the Executive for most of their time. The Executive must respect the political neutrality of the Officers. Officers must ensure that, even when they are predominantly supporting the Executive, their political neutrality is not compromised.
- 8.10 In organising support for the Executive, there is a potential for tension between senior officers and Cabinet Members with portfolios. All Members and Officers need to be constantly aware of the possibility of such tensions arising and Officers and Members need to work together to avoid such tensions and conflicts existing or being perceived.

The Relationship: Officer Support: Overview and Scrutiny

- 9.1 Chairmen and other leading overview and scrutiny members shall maintain regular contact with the officer(s) providing the principal support to the overview and scrutiny function. In consultation with chairmen, it shall be the responsibility of those officers to ensure that those who need to know of matters being considered or for possible future consideration are so informed.
- 9.2 An overview and scrutiny committee or its chairman acting on its behalf may require officers to attend overview and scrutiny meetings. Regard must be had to the provisions of the Council's Overview and Scrutiny Procedure Rules in respect of the periods of notice which must be given about such attendance. Members should not normally expect junior officers to give evidence. All requests should be made to senior officers in the first instance.
- 9.3 It is recognised that officers required to appear before an overview and scrutiny committee may often be those who have advised the Executive or another part of the Council on the matter under investigation. In these circumstances, the officer may have a conflict of interest. Both members and officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought from external sources.
- 9.4 Subject to 9.3 above, officers should be prepared to justify advice given to the Council, the Executive, or other committees, even when the advice was not accepted. Officers must also be prepared to justify decisions they have taken under delegated powers.
- 9.5 In giving evidence, officers must not be asked to give political views.
- 9.6 Officers should respect Members in the way in which they respond to Members' questions.
- 9.7 Members should not ask questions of officers or other witnesses in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature. It is not overview and scrutiny's role to act as a disciplinary tribunal in relation to the actions of Members or officers. Neither is it the role of officers to become involved in what would amount to disciplinary investigations on a Panel's behalf. This is the Chief Executive's function alone in relation to staff, the Monitoring Officer's and the Standards Committee as regards the conduct of Members. This means:
- Whilst overview and scrutiny may seek to establish the facts about what occurred in the making of decisions or implementing of Council policies, their questioning should not be directed to the conduct of individuals in such a way that there is the implication of allocating criticism or blame;
 - In these circumstances, it is for the Chief Executive to institute a formal enquiry, and overview and scrutiny may ask (but not require) him/her to do so.
- 9.8 Overview and scrutiny proceedings must not be used to question the capability or competence of officers. Chairmen and Members need to make a distinction

between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not an overview and scrutiny function.

- 9.9 Overview and scrutiny should not act as a 'court of appeal' against decisions or to pursue complaints by individuals (Councillors, Officers, or members of the public) as other procedures exist for this. Some of these are internal, e.g. the Corporate Complaints Procedure, and others are external/statutory, e.g. Commissioner for Local Administration or appeal to the Courts. That said,
- Overview and scrutiny may investigate the manner in which decisions are made
 - They can comment on the merits of a particular policy affecting individuals.
- 9.10 It would be unfair to invite someone to appear before a Panel without telling them in general terms what they will be asked, or not giving them adequate time to prepare. Overview and scrutiny Members ought to provide written questions ('Indicative Topics') beforehand, so that the answers can form the basis of the questioning and discussion. In addition, speakers ought to be told the general line that further questioning is likely to take. Questioning should not stray outside the subject area that the Panel had previously indicated.

The Relationship: Officer Support: Regulatory Committees

- 10.1 The appropriate senior officers will offer to arrange regular informal meetings with chairmen, vice-chairmen, and spokesmen of regulatory committees and sub-committees.
- 10.2 Senior officers have the right to present reports and give advice to regulatory committees.
- 10.3 Members of a regulatory committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct officers to act.
- 10.4 At some regulatory committee or sub-committee meetings, a resolution may be passed which authorises a named officer to take action between meetings in consultation with the chairman. In these circumstances it is the officer, not the chairman, who takes the action and is responsible for it. A chairman has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

Local Members and Officers

- 11.1 To enable them to carry out their ward role effectively, Members need to be fully informed about matters affecting their ward. Senior officers must ensure that all relevant staff are aware of the requirement to keep local Members informed, thus allowing Members to contribute to the decision-making process and develop their representative role.

11.2 This requirement is particularly important:

- During the formative stages of policy development, where practicable
- In relation to significant or sensitive operational matters
- Whenever any form of public consultation exercise is undertaken, and
- During an overview and scrutiny investigation

Issues may affect a single ward but where they have a wider impact, officers should ensure that all relevant Ward Members are informed.

11.3 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the wards affected should be invited to attend the meeting as a matter of course.

11.4 If a local Member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant officer. Provided that the meeting has not been arranged on a party political basis:

- An officer may attend and
- The meeting may be held in Council-owned premises

No such meetings should be arranged or held in the immediate run-up to Council elections (i.e. from the date on which Notice of Election is issued).

11.5 Whilst support for Members' ward work is legitimate, care should be taken if staff are asked to accompany Members to ward surgeries. In such circumstances:

- The surgeries must be open to the general public, and
- Officers should not be requested to accompany Members to surgeries held in the offices or premises of political parties.

11.6 Officers must never be asked to attend ward or constituency political party meetings.

11.7 It is acknowledged that some Council staff (e.g. those providing dedicated support to Executive members) may receive and handle messages for Members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party political purposes.

11.8 In seeking to deal with constituents' queries or concerns, Members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by Members in the requested timescale, and may need to seek instructions from their managers.

Members' Access to Information and to Council Documents

- 12.1 This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's constitution. Regard should also be had to the provisions of the Freedom of Information Act, and the rights of Members described in this section of the protocol are supplementary to their rights as members of the public under that Act.
- 12.2 Members have the ability to ask for such information explanation and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
- It is in the public domain, and
 - the Data Protection Act does not prevent disclosure
- 12.3 Every member of the Executive, an overview and scrutiny committee, and/or any other committee or sub-committee, has a right to inspect documents about the business of that overview and scrutiny committee, other committee or sub-committee or the Executive. In relation to business of the Executive, by virtue of Regulation 17 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000:
- where there is a meeting (e.g. Cabinet) and there is a document which is in the possession/under the control of the Executive relating to the business to be conducted at that meeting, that document shall be available for inspection;
 - there are exceptions for exempt and confidential material and any document that contains advice provided by a political advisor or assistant.
- 12.4 A Member who is not a member of a specific overview and scrutiny committee, other committee or sub-committee, or the Executive may have access to any document of that specific part of the Council provided:
- He/she can demonstrate a reasonable need to see the documents in order to carry out his/her role as a member (the "need to know" principle), and
 - The documents do not contain "confidential" or "exempt" information as defined by law.
- 12.5 The exercise of the "need to know" principle depends upon an individual Member being able to demonstrate that he/she has the necessary 'need to know'. In this respect a Member has no right to 'a roving commission' to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the 'need to know'. This question must initially be determined by the particular senior officer whose Division holds the document in question (with advice from the Head of Legal & Democratic Services). In the event of dispute, the question falls to be determined by the Head of Paid Service

- 12.6 A member should obtain advice from the Monitoring Officer and/or Head of Legal & Democratic Services in circumstances where he/she wishes to have access to documents or information:
- Where to do so is likely to be in breach of the Data Protection Act, or
 - Where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the Members' Code of Conduct.
- 12.7 Any Council information given to a Member must only be used by the Member for the purpose for which it was requested, i.e. in connection with the proper performance
- 12.8 Whilst the term 'Council document' is very broad and includes for example, any document produced with Council resources, it is accepted by convention that a Member of one party group will not have a 'need to know' and therefore a right to inspect a document which forms part of the internal workings of another party group.
- 12.9 Members and officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so. When requested to do so, officers will keep confidential from other Members advice requested by a Member.
- 12.10 Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Head of Legal & Democratic Services.

Media Relations

- 13.1 Local authorities are accountable to their electorate. Accountability requires local understanding. This will be promoted by the Authority, explaining its objectives and policies to the electors and rate-payers. In recent years, all local authorities have increasingly used publicity to keep the public informed and to encourage public participation. Every Council needs to tell the public about the services it provides. Increasingly, local authorities see this task as an essential part of providing services. Good effective publicity aimed to improve public awareness of a Council's activities is, in the words of the Government, to be welcomed.
- 13.2 Publicity is, however, a sensitive matter in any political environment because of the impact it can have. Expenditure on publicity can be significant. It is essential, therefore, to ensure that local authority decisions on publicity are properly made in accordance with clear principles of good practice. The Government has issued a Code of Recommended Practice on Local Authority Publicity. The purpose of the Code is to set out such principles. The Code affects the conventions that should apply to all publicity at public expense and which traditionally have applied in both central and local government. The Code is issued under the provisions of the Local Government Act 1986 as amended by the Local Government Act 1988 which provides for the Secretary of State to issue Codes of Recommended Practice as regards the content,

style, distribution and cost of local authority publicity, and such other matters as he/she thinks appropriate. That section requires that all local authorities shall have regard to the provisions of any such Code in coming to any decision on publicity. The following is extracted from the Code:-

“The period between the notice of election and the election itself should preclude proactive publicity in all its forms of candidates and other politicians involved directly in the election. Publicity should not deal with controversial issues or report views, proposals or recommendations in such a way that identifies them with individual members or groups of members. However, it is acceptable for the authority to respond in appropriate circumstances to events and legitimate service enquiries provided that their answers are factual and not party political. Members holding key political or civic positions should be able to comment in an emergency or where there is a genuine need for a member level response to an important event outside the authority’s control. Proactive events arranged in this period should not involve members likely to be standing for election.”

- 13.3 All formal relations with the media therefore must be conducted in accordance with the Council’s agreed procedures, with the law on local authority publicity, and with the Government’s Code of Recommended Practice on Local Authority Publicity.
- 13.4 Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They must not be used to promote a party group.
- 13.5 Officers will keep relevant Members informed of media interest in the Council’s activities, especially regarding strategic or contentious matters. Likewise officers will inform the Council’s Press Officer of issues likely to be of media interest, since that unit is often the media’s first point of contact.
- 13.6 If any Member is contacted by, or contacts the media, on an issue, he/she should
- Indicate in what capacity he/she is speaking (e.g. as Portfolio Holder, as Ward Member, on behalf of the Council, or on behalf of a party group)
 - If necessary (and always when he/she would like a press release to be issued), seek assistance from the Council’s Press Officer and/or relevant senior officer, except in relation to a statement which is party political in nature, in which case the statement should not be issued under the Council’s name
 - Consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions or pre-determining a decision)
 - Never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter
 - Consider whether to consult other relevant Members

- Take particular care in what he/she says in the run up to local or national elections (i.e. from the date on which Notice of Election is issued) to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or as a political party activist

Correspondence

- 14.1 Correspondence between an individual Member and an Officer should not normally be copied (by the Officer) to any other Member. Where exceptionally it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of 'silent copies' should not be employed.
- 14.2 Official letters on behalf of the Council should normally be sent in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain limited circumstances (e.g. representations to a Government Minister) for a letter to appear in the name of a Cabinet Member or the Leader, but this should be the exception rather than the norm. Letters which, for example, create legal obligations or give instructions on behalf of the Council should never be sent out in the name of a Member, Executive or otherwise. The Chairman of the Council may initiate correspondence in his/her own name.
- 14.3 When writing in an individual capacity as a ward Member, a Member must make clear that fact.

Access to Premises

- 15.1 Officers have the right to enter Council land and premises to carry out their work. Some officers have the legal power to enter property in the ownership of others.
- 15.2 Members have a right of access to Council land and premises to fulfil their duties. When making visits as individual Members, Members should
- Except in the case of visiting The Council House, and wherever practicable, notify and make advance arrangements with the appropriate manager or officer in charge;
 - Comply with health and safety, security and other workplace rules;
 - Not interfere with the services or activities being provided at the time of the visit.

Use of Council Resources

- 16.1 The Council provides all Members with services such as IT,, printing and photocopying, and goods such as stationery and computer equipment, to assist them in discharging their roles as Members of the Council. These goods and

services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.

- 16.2 Members should ensure that they understand and comply with the Council's own rules about the use of such resources, particularly
- Where facilities are provided in Members' homes at the Council's expense
 - In relation to locally-agreed arrangements, e.g. payment for private photocopying; and
 - Regarding ICT security
- 16.3 Members should not put pressure on staff to provide resources or support which officers are not permitted to give. Examples include::
- Business which is solely to do with a political party
 - Work in connection with a ward or constituency party political meeting
 - Electioneering
 - Work associated with an event attended by a Member in a capacity other than as a member of the Council
 - Work in connection with another body or organisation where a Member's involvement is other than as a Member of the Council
 - Support to a Member in his her capacity as a councillor of another authority

Interpretation, complaints and allegations of breaches

- 17.1 This part of the protocol should be read in conjunction with the Council's Confidential Reporting Code.
- 17.2 Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.
- 17.3 A Member who is unhappy about the actions taken by or conduct of an officer should:
- Avoid personal attacks on or abuse of the officer at all times
 - Ensure that any criticism is well-founded and constructive
 - Never make a criticism in public, and
 - Take up the concern with the officer privately.
- 17.4 If direct discussion with the officer is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the Member should raise the issue with the officer's manager or the relevant senior officer.
- 17.5 A serious breach of this protocol by an officer may lead to an investigation under the Council's disciplinary procedure. Members may not themselves undertake investigations under the Council's disciplinary procedure and such investigations must be undertaken solely by the Head of Paid Service or other officer acting under his/her direction.

17.6 An officer who believes a Member may have acted other than in accordance with this protocol or the Members` Code of Conduct should raise his/her concerns with the Monitoring Officer, who will consider how the complaint or allegation should be handled. At a minor level, this may be no more than informally referring the matter to the leader of the relevant party group, but more serious complaints may be referred to the Standards Board for England.

Conclusion

18.1 Mutual understanding, openness on these sort of sensitive issues, and basic respect for each other are the greatest safeguard of the integrity of the Council, its Members and Officers.

18.2 This Protocol was first adopted by the Council as part of the Constitution on 5th July 2005 and revised in September 2006..

18.3 Copies of the Protocol will be issued to all Members as part of the Constitution upon election.

LOCAL PROTOCOL ON RELATIONS BETWEEN MEMBERS

1. INTRODUCTION

- 1.1 The Council will best serve the interests of local people if there are clear arrangements between the Members and Political Groups represented on the Council. The interests of local people will also be best served if the working relationship between Members of all Political Groups is characterized by mutual respect, informality and trust, whilst recognizing the need for healthy and constructive political debate within a vibrant democratic process. Such a relationship will mean that Members will speak to one another openly and honestly whilst political differences will be aired in an appropriate manner and not personalized.
- 1.2 This Protocol is intended to facilitate such a working relationship and to help Members to perform effectively. This Protocol gives guidance on Members' roles and on what to do on the occasions when things go wrong.
- 1.3 This Protocol must be read in the context of the Council's Constitution, the Members' Code of Conduct and the Officer-Member Protocol.
- 1.4 The Council will formally adopt this Protocol and a copy will be issued to all Members and Senior Officers.

2. INTERPRETATION

- 2.1 In this Protocol "Member" includes all elected Members of the Council and all non-elected Members of any Committee (including the Standards Committee and any Overview and Scrutiny Task Group) (or any Sub-Committee) irrespective of whether or not they have any voting rights.

3. GUIDING PRINCIPLES

- 3.1 In their dealings with one another, Members will:
 - (a) serve only the public interest;
 - (b) behave properly and not place themselves in situations where their honesty and integrity may be questioned;
 - (c) make decisions on merit;

- (d) be open about (and be prepared to give reasons for) their actions;
- (e) promote equality by not discriminating against any person;
- (f) treat each other with dignity and respect, accepting a strong presumption that everyone is acting in good faith, and show courtesy in all meetings and contacts, both formal and informal;
- (g) uphold the law;
- (h) seek to ensure that the Council uses its resources prudently;
- (i) promote and support all these general principles by example, and act in a way that secures or preserves public confidence in local government; and
- (j) respect the decisions and authority of the Chair and Vice-Chair of the Council.

3.2 In their dealings with one another, Members will also uphold the Members' Code of Conduct. The following provisions of the Code are particularly relevant to relations between Members:

- (a) paragraph 3(1) of the Code:
"You must treat others with respect"
- (b) paragraph 5 of the Code:
"You must not conduct yourself in a manner which could reasonably be regarded as bringing your office or authority into disrepute."

4. POLITICAL DIFFERENCES AND PERSONAL CRITICISM

4.1 This Protocol is not intended to restrict or discourage legitimate, political debate. However, it is also in the interests of local people that there is a working relationship between Political Groups. That working relationship will be assisted if it is supported by a clear set of guidelines and it is these that this Protocol is intended to provide. The relationship between the Political Groups will also be supported if all Members adhere to high standards of courtesy and mutual respect in their dealings with one another.

- 4.2 As with their relations with officers in their dealings with fellow Members, it is important that robust debate of the issues at stake does not deteriorate into personal criticism of another person who holds a different point of view. Courtesy and civility must be maintained at all times.
- 4.3 Members' integrity should not be questioned in public in any media nor should they be subject to any name-calling or abuse. Questioning a fellow Member's integrity is a particularly serious matter and must never occur unless there is very clear documentary evidence to substantiate any allegation made, and even in these circumstances it will rarely be appropriate to question a Member's integrity publicly without first pursuing other established procedures which are available for the investigation of allegations of ethical misconduct. The principles contained in this paragraph must be adhered to in meetings of the Council, the Cabinet and any Committee meeting, or any other meeting at which members of the public or third parties are present. This principle must also be observed in all dealings with the press and other media which should not under any circumstances be used to undermine or personally criticize fellow Members whether or not those Members are named or identified in any press or other media article or briefing.

5. RELATIONSHIPS BETWEEN NEIGHBOURING WARD MEMBERS

- 5.1 Members contacted by a constituent of a Fellow Member's ward should refer the constituent to the appropriate Ward Member unless:
- (a) the Ward Member is absent or otherwise unable to deal with the query. In such cases the Members should ensure that the matter is referred to the Ward Member as soon as possible; or
 - (b) the Ward Member has expressly consented.
- 5.2 Members should not hold surgeries or open sessions within the ward of a Fellow Member unless that Member has given prior express consent to the proposal. This provision shall not apply in the six weeks before a District Council election.

6. MEETINGS BETWEEN GROUP LEADERS

- 6.1 The Leader of any Group may request a meeting with the other Group Leader(s) (or Deputy Group Leader(s) in cases where the issue relates to a complaint/concern about a Group Leader) at any reasonable time to discuss issues relating to current and/or forthcoming Council business.

The Group Leaders will use all reasonable endeavours to meet as soon as is reasonably practicable thereafter.

- 6.2 Group Leaders may invite a fellow Member to be present at these meetings. Actions agreed at these meetings will be minuted or otherwise recorded (unless the Group Leaders agree otherwise). The record of the meetings may be made by an officer appointed by the Monitoring Officer who, if not present for the whole meeting, will be invited in to record the agreed outcomes and actions.
- 6.3 These provisions may all be varied by agreement between the Group Leaders.

7. MEMBERS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

- 7.1 This is covered in the Council's Constitution in the Access to Information Procedure Rules and in the Member- Officer Protocol.
- 7.2 Members may share with other Members of the Council (but not third parties) exempt information unless expressly prohibited from doing so by the person or body providing the information, but must ensure that any recipient Member is aware that the information may not be disclosed to any party outside the Council.

8. WHEN THINGS GO WRONG

- 8.1 From time to time the relationship between Members may break down or become strained. Whilst it will always be preferable to resolve matters informally through conciliation, if necessary by the Group Leaders, this is not always possible. Where this is the case, and a Member considers that another Member has acted in breach of this Protocol, the following procedure will be followed.
- 8.2 If attempts at resolving matters informally have not been successful where a Member considers that another Member has acted in breach of this Protocol, the following procedure will be followed:-
 - (a) the Member must make a written complaint to the other Member and copy that complaint to Group Leaders. This must specify all incidents that the complainant intends to raise and set out the alleged breach of this Protocol;

Agenda Item 23

PART 23

- (b) the Member who has been complained about shall (within 10 working days) respond in writing to the complainant and copy that response to Group Leaders;
 - (c) Group Leaders shall (within 10 working days (or as soon thereafter as is reasonably practicable)) meet to discuss the complaint. If they both consider that the complaint is unreasonable, frivolous, or vexatious, that shall be the end of the matter. If they both consider that the complaint is of a purely technical or minor nature, they may invite the Member who has been complained against to make a written apology, in a form (and within a timescale) agreed between the Group Leaders. Once that apology has been made that shall be the end of the matter unless the Member subsequently acts in a manner at variance with that apology;
 - (d) if either Group Leader considers the complaint is of a more serious nature than mentioned in the previous paragraph, or if the Member complained against fails to give the requisite apology, the Group Leaders shall agree a suitable course of action;
 - (e) both the Complainant and the Member complained about shall be advised in writing by the Group Leaders of their decision;
 - (f) a Complainant may at any time withdraw a complaint by notice in writing to the other Member and copy that notice to Group Leaders.
- 8.3 Exceptions may be made to the procedures outlined in paragraphs 7.2 above if to do otherwise would conflict with the Council's policy on "Whistle blowing" or potentially prejudice a criminal investigation (whether in progress or reasonably contemplated in the future).

OFFICERS' CODE OF CONDUCT

STANDARDS

- 1.1 The public is entitled to demand conduct of the highest possible standard, of a Local Government employee. Public confidence in their integrity **is paramount and it would be shaken if there were any** suspicion, that they could be influenced by improper motives. Under no circumstances should an employee use their authority or office for personal gain.
- 1.2 It is not enough to avoid actual impropriety. An employee should at all times avoid any occasion for suspicion to be raised or any appearance of improper conduct.
- 1.3 Where their duties demand it, employees should provide appropriate advice to Councillors and fellow employees with impartiality.
- 1.4 No employee should become personally involved in any transaction in which the Authority has a direct or indirect interest, except as an employee of the Authority.
- 1.5 The Council has an adopted Whistleblowing Policy to address situations where Staff may have concerns about something that is happening within the Council, including possible breaches of this Code of Conduct, perceived impropriety, breach of procedure or shortfall in delivery of service.

The Whistleblowing/Confidential Reporting Policy has been put in place to enable staff to bring attention to those concerns whilst at the same time ensuring they are protected from any victimisation or harassment.

DISCLOSURE OF INFORMATION

- 2.1 There is a general principle of open government.-The law requires that certain types of information must be available to members, auditors, government departments, service users and the public. Under no circumstances should an employee use information gained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in some way.
- 2.2 Employees must not communicate to the public or press, the proceedings of any confidential committee meeting, etc., nor the contents of any document relating to the Authority unless required by law or expressly authorised to do so. Confidentiality of information still applies when an individual is no longer employed by the Authority.

- 2.3 Authorised information given by an employee in the course of his/her duty should be true and fair and never designed to mislead.
- 2.4 Personal information relating to individual councillors or members of the public and commercially sensitive information about other organisations should not be divulged by any employee unless required or sanctioned by the law.

POLITICAL NEUTRALITY

- 3.1 Employees serve the Authority as a whole. It follows they must serve all councillors, and not just those of the controlling group, and must ensure that the individual rights of all councillors are respected equally.
- 3.2 Where political groups seek officer guidance to a group meeting, on a particular issue, the Chief Executive should always be made aware of this request. There are no restrictions as to what level of officer can attend a political group to give advice but the Chief Executive or one of the two Corporate Directors must always be present. All political groups are entitled to the same level of information about Council matters. However, officers attending a political group meeting have a responsibility to keep confidential any discussion that takes place within that group when they are present.
- 3.3 Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from the standards set in Paragraph 3.1 and 3.2.
- 3.4 The Local Government and Housing Act 1989, Part 1, contains provisions to restrict the political activity of senior employees. Local Authority employees holding politically restricted posts are disqualified from membership of any local authority, other than a parish or community council [s1(1)], from being an MP or MEP and are subject to prescribed restrictions on their political activity.

The Local Government Officers [Political Restriction] Regulations 1990 and the Local Government [Politically Restricted Posts] [No.2] Regulations 1990 covers the posts which are politically restricted. These are :

- [a] specified posts such as the Monitoring Officer. Chief Officers and their deputies are restricted without exemption or appeal;
- [b] all posts which meet the duties-related criteria for determining a “sensitive post” irrespective of remuneration level, unless the postholder appeals successfully against determination. These posts are defined as those which:

- [i] give advice on a regular basis to the employing authority, to any committee or sub-committee or another joint committee on which the authority is represented [but excluding purely factual information] or
 - [ii] speak on behalf of the authority on a regular basis to journalists and broadcasters.
- 3.6 Employees, whether or not politically restricted, must follow every lawful expressed policy of the Authority and must not allow their own personal or political opinions to interfere with their work.

RELATIONSHIPS

4.1 COUNCILLORS

Employees are responsible to the Authority, through its senior managers. For some, their role is to give advice to councillors and senior managers and all are there to carry out the Authority's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be avoided.

4.2 THE LOCAL COMMUNITY AND SERVICE USERS

Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community, as defined by the policies of the Authority.

4.3 CONTRACTORS

Employees should make known to their Line Manager any relationships of a business or private nature with external contractors, or potential contractors. Orders and contracts must be awarded on merit, by fair competition against other tenders, and no special favour should be shown to businesses by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship to their Line Manager.

APPOINTMENT OF STAFF AND OTHER EMPLOYMENT MATTERS

- 5.1 Employees involved in appointments of staff should ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with him or her.
- 5.2 Similarly, employees should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner etc.

PERSONAL INTERESTS

- 6.1 Employees should not subordinate their duty to the Authority to their private interests or place themselves in a position where duty and private interest may conflict.
- 6.2 All employees should be clear about their contractual obligations and should disclose any personal interests [either financial or non-financial] that could actually or potentially conflict with the Authority's interests or which others may deem to affect the employee's impartiality in any matter relating to their duties. Such interests might include :
- taking outside work or giving professional advice, whether paid or unpaid, which could conflict with or have an impact on the Authority's work or interests;
 - involvement with an organisation receiving grant-aid from the Authority;
 - membership of a National Health Service Trust Board;
 - involvement in any organisation or pressure group which may seek to influence the Authority's policies;
 - any pecuniary interest [whether direct or indirect] in contracts let by the Authority.
- 6.3 The Authority will not preclude employees from undertaking additional employment providing that it does not, in the view of the Authority, conflict with or react detrimentally to the Authority's interests or in any way weaken public confidence in the conduct of the Authority's business.

- 6.4 Employees on Spinal Column Point 29 and above, who wish to take outside work or give professional advice, whether paid or unpaid, in addition to their full-time employment with the Authority, must obtain the written approval of their Line Manager. A record of such work or advice should be kept in the Employee's Interests Register relating to outside work / advice provision.
- 6.5 Whilst part-time employees and those on Spinal Column Point 28 and below do not need to obtain the approval of their Line Manager, they should, nonetheless, declare any other work they undertake, whether paid or unpaid, outside their employment with the Authority and record it in the Employee's Interests Register.
- 6.6 Employees should declare to their Line Manager or Director, membership of any organisation which is not open to members of the public who are not members of that organisation and requires members to make a commitment of allegiance and secrecy about the rules, membership or conduct of the organisation.

INTELLECTUAL PROPERTY

- 7.1 All inventions, creative writings and drawings created by an employee in the course of their normal duties or duties specifically assigned to them are the property of the authority.

EQUALITY ISSUES

- 8.1 All employees should ensure that policies relating to equality issues, as agreed by the Authority in its Equal Opportunities Policy, are complied with in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated with fairness and equity.

SEPARATION OF ROLES DURING TENDERING

- 9.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Authority. Senior employees, who have both a client and contractor responsibility, must be aware of the need for accountability and openness.
- 9.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
- 9.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

- 9.4 Employees contemplating a management buy-out should, as soon as they have formed a definite intent, inform their Line Manager and withdraw from the contract awarding process.
- 9.5 Employees should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates, in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

BRIBERY AND CORRUPTION

- 10.1 Employees must be aware that it is a serious criminal offence for them to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity.

It is also a criminal offence to use a third party as a conduit to channel bribes to others.

- 10.2 **The Council has an Anti-Bribery Policy, which must be read in conjunction with this Code of Conduct.**
- 10.3 Where it is proved that a gift or other consideration has been received by, paid to or given to an employee by a person holding or seeking to obtain a contract from the Authority, then the gift or other consideration shall be deemed to have given and received **in** breach of provisions of the Bribery Act, unless the contrary is proved.
- 10.4 The law relating to the acceptance of inducements or rewards is set out in the Bribery Act 2010
- 10.5 An employee's spouse's interests count as those of the employee [if he/she is living with the employee] but a partner's, son's or daughter's interests do not.

USE OF FINANCIAL RESOURCES

- 11.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge of the Authority.

HOSPITALITY AND GIFTS

- 12.1 When offered any form of hospitality or gift, employees must be aware of the possibility of such actions affecting or being seen to affect their judgment when official dealings with the donor or potential donor takes

place **and the potential risk of falling foul of the Anti-Bribery Policy.** Employees must ensure that any hospitality or gift is not of a level or amount which would lead to any reasonable person to believe that the employee might be influenced.

- 12.2 Employees should only consider acceptance of any offer of hospitality or a gift where the employee regards it as normal and reasonable. “Normal and reasonable” is defined for this purpose as no more than the Authority would be prepared to offer in the equivalent circumstances. Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the Authority in the community.

When receiving authorised hospitality, employees should be particularly sensitive as to its timing in relation to decisions which the Authority may be taking affecting those providing the hospitality.

- 12.3 Examples of hospitality which would be considered reasonable are :-

- i. Up to three working meals;
- ii. One non-working meal;
- iii. Attending a professional function as a member of a profession;
- iv. Attending purely social or sporting functions only when these are part of the life of the community or where the Authority should be seen to be represented and they should be properly authorised and recorded.
- v. Attendance at conferences and courses where the hospitality is clearly of a corporate nature, where authority in advance has been obtained, and where no purchasing decisions are compromised.

- 12.4 When hospitality has to be declined, those making the offer should be courteously but firmly informed of the official code of conduct operating within the Authority.

Where visits to inspect equipment, etc. are required, employees should ensure that the Authority meets the costs of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

- 12.5 Gifts and favours should not be accepted, other than items of very small intrinsic value and then only if it bears the Company’s name or insignia and can thus be regarded as being in the nature of advertising matter. All offers of personal favours such as specially discounted goods or buying at trade prices must be rejected unless the offer is open to all staff employed by the Authority. Gifts considered

reasonable would be, for example, pens, notepads, calendars and diaries.

- 12.6 If when making personal purchases, a Council contractor is identified as the best source of supply, then employees must ensure that a priced V.A.T. invoice is raised and that a receipt is issued by the contractor as proof of payment.
- 12.7 If any doubt remains in the employee's mind as to whether an offer of hospitality or a gift is acceptable, the matter should be discussed immediately with their Line Manager for guidance on whether the offer is normal and reasonable.

In reaching a decision, the following will be taken into consideration:

- The value and nature of the offer
- Could you explain the gifts/hospitality to somebody else?
- Is it socially acceptable and not lavish or extravagant?
- Does it feel right?
- Will you be influenced by this gift/hospitality?
- How would others perceive it?
- Would they perceive that you might be influenced by such gifts/hospitality?
- Could you reciprocate that which is being offered? If the answer is no, then there is a risk that this could be interpreted as an attempt to influence.

- 12.8 All gifts and hospitality offered, whether accepted or not, must be entered in the Employees' Interests Register. The Register is kept by the Democratic Services Team.

SPONSORSHIP - GIVING AND RECEIVING

- 13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Local Government activity whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 13.2 Where the Authority wishes to sponsor an event or service, neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to their Line Manager of any such interest. Similarly, where the Authority through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

EMPLOYEES' INTERESTS REGISTER

- 14.1 The Employees Interests Register will be maintained by the Democratic Services Team.
- 14.2 Officers are expected to make suitable entries in the Interests Register in respect of the following :-
- i. All gifts/hospitality or inducements offered to them, whether accepted or not - see 6.2;
 - ii. Involvement with any organisation of the type described in 6.2;
 - iii. Any pecuniary interest [whether direct or indirect] in contracts led by the Authority;
 - iv. Any outside employment taken or professional advice offered, paid or unpaid, undertaken by an officer - see 6.4 and 6.5;
 - v. Membership of an organisation, as described in 6.6.
- 14.3 Failure to fully register any of the matters outlined above may result in disciplinary action.

CODE OF PRACTICE - PLANNING SERVICES

1. INTRODUCTION

- 1.1 The role of a Member serving on the Planning Committee involves balancing the representation of the needs and interests of individual constituents and the community, with the need to maintain an ethic of impartial decision-making on what can be highly controversial proposals.
- 1.2 This document has been prepared to guide Members and Officers in dealing with planning matters in a manner consistent with good practice, including the conduct of Members in its processes and procedures and should be read alongside the Council's Code of Conduct.
- 1.3 Failure to follow the recommendations set out in this Code of Practice, without good reason, may be regarded as being incompatible with good administration by the Local Government Ombudsman and affect how the Council, its Officers or Members may be perceived by others.
- 1.4 By setting out clearly what is expected of both Members and Officers, it is anticipated that this Code will engender greater mutual understanding and support between all those involved in the planning process. The Code has been produced in the spirit of looking for continuous improvements in the delivery of services, discharging duties responsibly in an open, professional and consistent way compatible with the Council's Code of Conduct and its Protocol for Members/Officer relations.
- 1.5 Both Members and Officers dealing with planning matters and advising Committees will be required to observe all the provisions of this Code.
- 1.6 The Code is set out in the form of a series of headings followed by a brief discussion of the issues involved and best practice advice.
- 1.7 In light of the Localism Act 2011 Members are advised that from 1st July 2011 the description of interests will change. Under the Localism Act Members will need to make sure they are clear whether they have a discloseable pecuniary interest or a non pecuniary interest when involving themselves in planning matters. Guidance will be issued to Members on the new categories of interest but if Members are not sure then they are advised to contact the Monitoring Officer for clarification.

2. THE ROLE OF COUNCILLORS

2.1 The role of Members is central to the planning system, which operates within a political arena. It is well recognised that planning is not an exact science and, provided that Members are properly briefed by Officers, they are well placed to make decisions.

Ward Interests

2.2 Members have a special duty to their ward constituents but their overriding responsibility is to the whole community. In terms of the planning process, this can produce a conflict of interest between Members legitimately and effectively giving vent to local, sometimes individual, concerns and the need to reflect the interests of the wider community in decisions reached on planning merits alone. Much is often at stake in this process, and opposing views are often strongly held by those involved. Whilst Members should take account of these views, they should not favour any person, company, group or locality above the wider community interest, nor put themselves in a position where they appear to do so. Members should be mindful of the need to carefully weigh up all of the arguments before deciding what view to take. Where a Member of Planning Committee takes the view that they would wish to speak in relation to an application affecting their ward they may do so as Ward Councillor under the procedure for Public Speaking at Planning Committee. However, they will have to remain in the public gallery after they have spoken and take no part in the debate or vote on the application.

2.3 Members should also be very cautious about accepting gifts and hospitality. The Code of Conduct requires any Members receiving any gift or hospitality, in his or her capacity as a Member, over the value of £25, to record that gift or hospitality in the Register of Interests which is open to inspection by the public.

Lobbying

2.4 It is a fact of public life that Members will be subject to varying degrees of lobbying. This is part of the democratic process. However, when individuals or groups seek to influence the outcome of a planning decision, which should be treated upon its individual planning merits in the wider public interest, the impartiality of the decision may be questioned. Such problems might arise if Members indicate their voting intention or support for a particular cause in advance of all the relevant information and Officer advice.

2.5 When being lobbied, Members should take care about expressing an opinion that may be taken as indicating that they have already made up their mind on the likely outcome of a planning application before they have heard all the evidence and arguments. If they do express an opinion, they should make it clear that they will only be in a position to make a final decision when all the facts are known and they have heard both sides of the argument at Committee. However, if the Member

responds to lobbying by deciding to go public in support of a particular outcome, or even campaigning actively for it, the proper course of action for such a Member would be to withdraw from the meeting while the application is being considered.

- 2.6 Members should not represent an applicant or individual objector and should not organise support or opposition. In particular, they should avoid representing applicants or objectors in discussions with Planning Officers which may take place before an application is considered by the Planning Committee. Instead they should suggest to those who are lobbying, that they should speak or write to the relevant Planning Officer, in order that their opinions can be included in the officer's report to committee. Any letters referred to and relied upon by Councillors in speaking on an application should be given to the Head of Planning and Regeneration to be placed on the respective planning file immediately after the meeting.
- 2.7 Members should not lobby other Members or put pressure on Officers to make a particular recommendation. Therefore no political group meeting must take place prior to the committee meeting to discuss the planning applications.
- 2.8 Members of the Planning Committee need to take account of the general public's expectation that a planning application will be processed and determined in an open and fair manner. There is the possibility that an aggrieved party may seek judicial review on the way in which a decision has been arrived at, or complain to the Local Government Ombudsman on the grounds of maladministration.
- 2.9 Members who are unsure as to whether an interest should be declared should seek the advice of the Council's Monitoring Officer.

3. MEMBERSHIP OF PARISH COUNCILS

- 3.1 Parish Councils are consulted and asked to comment on planning applications prior to their being considered by the District Council's Planning Committee. Sometimes, a member of the Planning Committee will also be a member of a Parish Council and such a situation could give rise to a perception that there is a conflict between these two roles.
- 3.2 Members of the Planning Committee may participate in the formulation of their Parish Council's comments on a planning application and may vote on motions put forward in connection with the making of such comments. However, in doing so, they must recognise that they have not yet received full information about the application e.g. the planning history, comments by other consultees and officer recommendation. They should therefore declare, at the Parish Council's meeting, that in assisting in the formulation of the Parish Council's comments, that they are only forming a preliminary view on the application, that they

recognise that there is further information about the application which they have not yet received, and that they reserve the right to change their preliminary view, in the light of such further information, when the application is considered by the District Council's Planning Committee.

- 3.3 In this way, members of the Planning Committee, who are also members of Parish Councils, will avoid any perception that they have fettered their judgment on an application before knowing the full facts about it.

4. PLANNING SITE VISITS PROCEDURE

- 4.1 Members of Planning Committee will have the opportunity to attend site visits for some of the planning applications which are decided by the Planning Committee.

- 4.2 The purpose of site visits is to allow Members to consider the general setting of the application site so that they will be in the best position to decision whether or not planning permission should be granted. In particular Members will be able to:-

- Observe the geography of the site including the boundaries and its relationship to adjoining properties;
- Consider the scale and impact of the proposed development in relation to the site;
- Use the visit to assess whether any planning conditions might need to be considered.

- 4.3 The normal procedure will be that site visits will be arranged for all the items listed on the Planning committee agenda..

- 4.4 The exception to 4.3 above is that site visits will not be arranged for sites that have been the subject of a site visit within the preceding 6 months.

- 4.5 The site visit does not constitute a meeting of the Planning Committee. Accordingly, Members should not form a collective view on the issue.

- 4.6 Since Members are attending a site merely to “see what is to be seen”; it is inappropriate to hear from either the applicant or his representative during the site visit. Similarly, it is inappropriate to hear from anybody else who wishes to make representations. This includes the Ward councilor for the area in which the site is located. The occasion is not a local hearing. Members should leave each site with no collective view – the occasion is simply to assist them individually to form a view.

- 4.7 When the application is next considered by the Planning Committee, the Chairman of the Committee should remind Members that the application was the subject of a site visit, and then let the debate proceed normally.

5. THE ROLE OF OFFICERS

- 5.1 Officers, as the paid employees of the Council, have the principal responsibility for carrying out the Council's work. They should provide professional and impartial advice to Members to assist them in reaching their decisions and to the public at large on all planning matters. It is very important that such advice is consistent with the provisions of the prevailing planning policies and guidance so that the planning system is seen to be fair whatever the outcome.
- 5.2 The Planning Committee has given delegated authority to the Head of Planning and Regeneration to approve certain categories of planning application as set out in the Council's Scheme of Delegation.
- 5.3 Any decisions delegated to Officers should be clearly minuted.

6. OFFICER REPORTS TO COMMITTEE

- 6.1 All reports shall provide a clear technical appraisal of the application including site location and description, planning history, consultations received and the policy contents for the recommendation, which should be justified in the Officers' written comments.
- 6.2 Reports should have a written recommendation of action; oral reporting (except to update a report) should be avoided and carefully minuted.
- 6.3 Reports should contain technical appraisals, which clearly justify a recommendation.
- 6.4 If the report's recommendation is contrary to the provisions of the development plan or Local Development Framework, the material considerations, which justify the departure, must be clearly stated.
- 6.5 Terms for Planning Obligations (Section 106 Agreements) must be clearly set out, discussed openly and recorded in the minutes.
- 6.6 The Monitoring Officer or his or her representative shall attend all Planning Committee meetings and provide advice, together with legal advice as required.

7. PRE-APPLICATION DISCUSSIONS

- 7.1 Officers are often asked informally during meetings whether planning permission is required for changes of use and/or for new development.
- 7.2 Officers will always endeavour to be as helpful as they can in this matter but can only offer an informal opinion as to whether or not planning permission is required for the development someone wishes to undertake, whether it is a new building, an extension to a home, or a

change of use of land or building. Any advice that they offer in this respect is an individual opinion based on the information the enquirer has provided at the time. It is not binding on the Council.

- 7.3 For an official decision, enquirers should be invited to apply for a Certificate of Lawfulness of Proposed Use or Development, under Section 192 of the Town and Country Planning Act 1990. A fee is payable for the processing of such an application but the enquirer will be presented with a legally binding determination, in other words, an official decision of the Council telling him/her whether or not planning permission is required.
- 7.4 The fee varies according to the type of development proposed and staff will be able to advise on the amount payable. It is in the interests of the enquirer to have an official written determination relating to development should he/she want to sell his/her land/property or should any legal challenge arise relating to the work which has been undertaken.
- 7.5 The following guidelines have been adopted to ensure that all parties involved are treated fairly and that the Planning Officers' role is clearly understood:
- Planning Officers will give informal advice in the spirit of helpfulness. It is however only informal advice which is not binding on the Local Planning Authority;
 - Planning Officers will negotiate and offer advice to overcome problems at application stage where a solution is apparent and the proposal can be determined within eight weeks as a consequence;
 - The onus to negotiate falls upon the applicant/agent to offer alternatives to the original submission;
 - Planning Officers cannot advise what a potential recommendation will be should an application be made.

8. DECISIONS CONTRARY TO THE DEVELOPMENT PLAN/ LOCAL DEVELOPMENT FRAMEWORK

- 8.1 The law requires that where the development plan/Local Development Framework is relevant, decisions should be taken in accordance with it, unless material considerations indicate otherwise.

9. DECISIONS CONTRARY TO OFFICER RECOMMENDATION

- 9.1 Members are perfectly entitled to reach different decisions to those recommended to them by Officers by attaching different weight to the various relevant planning criteria. That this happens from time to time is inevitable but it is essential that the public be left in no doubt as to how

the decision was reached. Officer reports must be well structured and the public should not be given the impression that decisions reached contrary to advice are made hastily or new conditions imposed on the spur of the moment. A full detailed minute of the Committee's reasons should be made. The Officer should also be given an opportunity to explain the implications of the contrary decision.

- 9.3 Where a Member is minded to raise new issues, information or questions, they are advised to contact the respective Planning Officer or Head of Planning and Regeneration before the meeting wherever possible.
- 9.4 Where a Member is minded to make a recommendation, which is contrary to the Officer recommendation, then:-
- (i) in the case of a refusal, the planning reasons should be clearly set out;
 - (ii) in the case of an approval, the type of conditions proposed should be indicated.
- 9.5 If an imminent decision is thought to be perverse, the Head of Planning and Regeneration or the Monitoring Officer should so advise the Committee, but it remains the role of the Chairman to decide whether or not it would be preferable to defer consideration to allow for a period of reflection on the advice given before proceeding.
- 9.6 Where an application is refused or conditions imposed contrary to an officer recommendation, it may not be in the Council's best interests for the Case Officer to give evidence at any subsequent public inquiry or hearing resulting from an appeal. In such circumstances it will be a matter for the Head of Planning and Regeneration in consultation with the Head of Legal, Equalities and Democratic Services to establish whether a suitably experienced and qualified Officer exists within his establishment who is able to concur professionally with the decision taken. If so, then they will act as the Council's professional witness. If not, then the use of planning consultants will be explored. It is rarely in the Council's best interests for individual Members to represent the Council but this may be appropriate where factual evidence is in dispute particularly in enforcement appeals.
- 9.7 All planning approvals and refusals shall be fully minuted. Unless otherwise stated, these should accord with those set out in the Agenda subject to the incorporation of any further conditions or reasons (or variations) thought to be necessary by the Head of Planning & Environment Services to give full effect to the Council's wishes about any particular application.

10. DEALING WITH APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS AND COUNCIL SERVICE AREAS

10.1 The submission of planning applications and/or development plan proposals by serving Members, Officers, or their close friends and relatives can easily give rise to suspicions of impropriety, including proposals for the Council's own development. The following points should be taken into account:

Members

10.2 Serving Members of the Council who act as agents for people pursuing planning matters shall not be Members of the Planning Committee.

10.3 Members should take no part in the processing of their own applications or those of their immediate family or close friends or anyone with whom the Member has a close personal association.

10.4 As soon as a planning application is received from a Member, the Head of Planning and Regeneration must inform the Council's Monitoring Officer, who will take such steps as are necessary to ensure that applications for dispensations from other Members of the Planning Committee are considered as soon as possible.

10.5 Members who are members of the Planning Committee should declare an interest in respect of applications prepared by them or on their behalf and leave the meeting while such applications are under consideration.

10.6 Applications of currently serving Members should not be dealt with under delegated powers and should be decided by the Planning Committee.

Officers

10.7 Serving Officers should never act as agents for people pursuing a planning matter.

10.8 Officers should take no part in the processing of their own planning applications or those of their immediate family or close friends.

10.9 Applications for Planning Consents made to Bromsgrove District Council by Officers currently working for either Bromsgrove District Council or Redditch Borough Council should not be dealt with under delegated powers and should be decided by the Planning Committee.

Developments by the Council

10.10 Planning applications made by Council Service Areas must be processed in accordance with existing policy and treated in the same way as a private application except that all such applications shall be considered by the Planning Committee and not determined under delegated powers.

Applications submitted by former Members and former employees

10.11 There has been some considerable concern about former employees setting up their own consultancies and providing planning advice in the Bromsgrove District area and about the consideration of applications by or on behalf of former Members. Both circumstances occur from time to time and the guiding principles should be that:-

- (i) applications by former Members will be treated in the same way as any other application;
- (ii) applications by former employees whether they are acting for themselves or an agent for others will be treated in exactly the same way as any other application.

Applications by Members of Political Associations

10.12 Where a planning application is made by someone who is not a Member, but is known to be a member of the same Political Association as some of the members of the Planning Committee, those Members will need to give consideration as to whether they should declare an interest when the application is considered.

10.13 In some cases, no declaration will be necessary, but in other cases the relationship between the parties may be close enough to warrant a declaration of interest. Councillors should have regard to the Council's Code of Conduct and should err on the side of safety.

Member Protocol for Involvement in Pre-Application Discussions for Proposed Developments

Contents:

1. Criteria for Member involvement in pre-application discussions.
2. Protocol for Member engagement in pre-application discussions.
3. Guidance to Members on conduct.
4. List of references.

1. Criteria For Member Involvement In Pre-Application Planning Discussions

On sites where the following criteria apply, Members of Bromsgrove District Council will be invited to be involved in pre-application discussions with Planning Officers:

Criteria for the site;

- 1) Major application;
RESIDENTIAL (i.e. 10 dwellings or more, or ½ a hectare or more)
or
NON RESIDENTIAL DEVELOPMENT (i.e. 1000 square metres or more of new floor space, or 1 hectare or more) or
- 2) Site allocated within adopted Local Plan as an ADR
- 3) Site allocated in emerging Core Strategy as a Development Site
- 4) Site known to be controversial (to Head of Planning & Regeneration or Development Control Manager) by virtue of its planning history or the nature of the development now proposed,
or
- 5) As directed by Chairman of Planning Committee or Planning Portfolio Holder, or
- 6) As directed by Head of Planning & Regeneration or Development Control Manager; or
- 7) At the request of a Member, such request to be made in writing to Head of Planning & Regeneration or Development Control Manager, and to include reasons.

In general, where proposals fall below the thresholds noted above, Members will not be invited to participate in pre-application discussions.

Criteria for Members

Members will be notified by email with an associated link to the relevant documentation and invited to participate in discussions:

- Where any of the criteria above apply, all of the ward Members for the ward in which the site lies will be notified.
- Where criteria 1, 2 or 3 apply, the Leader of the Council and the Portfolio Holder for Planning, Core Strategy and Regulatory Services will also be notified.
- Where criteria 7 applies, the Members' request should include any specific Members who they would like to be involved in discussions.

The aim is for the pre-application process is to be inclusive and encourage participation by members from wards that are affected. If the site abuts a ward boundary, or if the site encompasses more than one ward, all ward Members for the adjacent ward/s shall also be notified and invited to participate in discussions. Abuts is defined as where the red line of the application site, as drawn on the submission, touches another ward boundary.

2. Protocol For Member Engagement In Pre-Application Discussions

Either:

Officers receive pre-application enquiry and identify need for Member involvement (using criteria in Section One)

Or:

Members are approached and pass on enquiry to Development Control Manager. If they specifically wish to be involved in discussions, or wish other Members to be involved, this should be raised with the DC Manager at this stage

Then:

1. Development Control Manager allocates enquiry to an appropriate Case Officer (CO).
2. CO validates pre-application submission and identifies and notifies all those who need to be involved in the discussion, having regard to criteria set out in section 1 above.
3. CO carries out site visit (it is recommended that Members to be involved in discussions also carry out a site visit. This should be co-coordinated with the case officer where ever possible).
4. CO arranges meeting between all relevant parties and invites the ward member(s) and the Leader/ Portfolio Holder for Planning (if applicable).
5. CO chairs and records meeting, as well as coordinating relevant correspondence, responses, consultations etc.

6. Discussions continue, possibly supported by additional meetings, until the developer is advised that it seems appropriate for a planning application to be submitted

3. Guidance To Members On Conduct

Transparency and clarity in terms of process

1.1. It is important that if Members are to become more involved in the pre-application process, there is a clear framework for such involvement, so that there is accountability and fairness built in. This is necessary for all parties involved in the process, be they professionals, Officers, Members or other interested parties. The conduct of all those involved must also adhere to appropriate guidelines in order that the later stages of the process are not prejudiced.

1.2. It is intended that any protocol that is adopted would be for use by all Members, regardless of which ward they represent or on which committees they sit. It is also recommended that if a protocol is adopted, the Development Control Manager and Head of Planning and Regeneration arrange for suitable training for Members and Officers to ensure that the process is clearly understood and to answer any Member queries.

1.3. Guidance for Members engaging in pre-application discussions is available in a number of sources, and the documents noted at section 5 are useful to refer to. In particular, reference could be made to 'Positive Engagement', which includes some handy hints and tips for Councillors.

Member participation and conduct

Always have an Officer present

1.4. In terms of Member involvement, guidance is required in terms of how they may participate in the process, and what they may make comments upon. It is generally acceptable that they be party to pre-application discussions, providing that they ensure that an appropriate Planning Officer accompanies them, and that notes of the meeting are retained on the correct file. It is advisable for the Case Officer involved to chair meetings and lead discussions, allowing all parties, including Members, to participate as appropriate to the discussion.

Only make relevant, appropriate comments

1.5. When attending such discussions, Members should be careful to comment only on procedural matters, and general principles of acceptable or unacceptable development types and styles. Members should be fully acquainted with the contents of the Development Plan, in order that comments relating to broad principles of development are in accordance with the aims and objectives of the plan. It is also helpful for Members to be aware of any specific local issues and/or concerns, in order that they can be fed into the process early on. These matters can then be taken into

consideration by developers when designing development schemes, as well as all relevant policy issues raised by Members and/or Officers.

Avoid pre-disposition

1.6. Members should be careful to avoid comments relating to specific elements of a proposal, or to pass opinions on such things, especially if they are or could be Members of the Planning Committee that may subsequently determine a planning application for the proposed development.

Declare any prejudicial interests and do not participate

1.7. Members should be careful to declare at the outset of such discussions any interests that they may have, be it in relation to their capacity as ward member, or as a neighbour, or for other reasons. These should be documented on the file for future reference. Members should also be aware and take care of their comments in relation to both predisposition and pre-determination so as not to prejudice their position for the future.

Treat all discussions as confidential

1.8. Members should also have regard to the fact that pre-application planning discussions are always confidential (in order to preserve commercial confidentiality) and that information relating to proposed developments does not reach the public arena until either a planning application is submitted or the developers choose to engage the community in a consultation exercise. Therefore such matters should not be discussed openly or in public, and Officers will always take care to ensure that such records are kept in appropriate secure conditions.

Seek support from Officers if required

1.9. If in any doubt at any time regarding planning matters, Members should always contact the Head of Planning & Regeneration or the Development Control Manager to seek further advice and assistance. It is always recommended that Members enquire first, in order that constituents, developers or other parties are not misled at any stage in relation to the adopted processes and procedures adhered to by this Council. Members should also be aware that failure to comply with adopted procedures could leave them open to scrutiny if it becomes apparent later.

1 Policy Statement

Bromsgrove District Council Members require access to information that enables them to perform their duties as a councillor. Much of this information can be provided electronically via email, word processing and spread sheet files. The Council's general presumption is for electronic provision of information / transaction of business.

2 Purpose

The purpose of this policy is to ensure that Bromsgrove District Councillors can access Information and Communication Technology (ICT) facilities whilst maintaining compliance with Central Government's Public Service Network (PSN) and other related policies.

The Council holds large amounts of personal and restricted information. Information security is very important to help protect the interests and confidentiality of the Council and its customers. Information security cannot be achieved by technical means alone. Information security must also be enforced and applied by the people who use it and those who provide support for it.

3 Scope

This policy applies to any Councillor that requires access to Council information systems such as email or other documents, whether it is a temporary or permanent arrangement.

4 Definition

The Council understands that to reduce the risk of theft, fraud or inappropriate use of its information systems, anyone that is given access to Council information systems **must**:

- Be suitable for their roles.
- Fully understand their responsibilities for ensuring the security of the information.
- Only have access to the information they need.
- Request that this access be removed as soon as it is no longer required.
- Complete Data Protection training to ensure Members are clear on how information can be used when they are working on behalf of the council and when they are working on behalf of constituents, and how it should be stored.
- Ensure that no personal information that could be in breach of the Data Protection Act, is stored on their laptop or other unencrypted device.

This policy must therefore be applied prior, during and after any user's access to information or information systems used to deliver Council business.

Access to Council information systems will not be permitted until the requirements of this policy have been met.

5 Provision for ICT equipment.

The Council recognises that individual Councillors have a requirement to access electronic information.

Due to a zero tolerance approach to the PSN code of connection, this has led to implementing innovative methods of accessing ICT, whilst remaining within the budget and work with the resource limitations of the Authority. Should the limits of the budget be reached, the Leader of the Council will revisit current ICT needs for the future.

The Authority will provide an Apple iPad that is technically secure, to enable the Councillor to access corporate email, corporate calendars, Modern.Gov, Office suite and necessary documents. Additional security may be added at a future date to keep in line with new PSN policy requirements.

Broadband services are to be provided by the Councillor and expenses for these claimed through the normal expenditure claim process at £100 per year (maximum 1 per household).

Support for this Apple iPad will be provided by the authority's ICT department by telephoning 01527 881766 Mon-Fri 8:30 to 17:00.

All internet usage and emails sent and received via the corporate device, may be subject to automated scanning, monitoring and filtering to assist with ICT security and adherence to additional policies as described in section 9.

It is the Councillor's responsibility to ensure their password for accessing any Corporate Information service is not shared with any other person and that connection to such services is ended by logging off the system, as soon as work is completed or the connection is left unattended. This is to prevent unauthorised access to information.

If it suspected that someone else may know their password, or any security problem has occurred, Councillors must report this to the helpdesk immediately so it can be rectified.

The Councillor shall make reasonable arrangements for the safe-keeping of the iPad.

Insurance for the iPad is provided by the council but a £100 excess is payable for loss, theft or damage.

Ensure that an Apple iPad which is in need of repair is brought to the Council's ICT Section or for the appropriate work to be done.

The Council provides the Apple iPad together with ancillary equipment and materials required, for the Councillor's functions as a Councillor. Use of this equipment for any other reason, including personal use or use by anyone other than a Councillor is not permitted.

All ICT equipment provided by the authority remains the property of the Council and must be returned at the end of the election term.

6 Policy Compliance

If any Member is found to have breached this policy, IT provision will be withdrawn. If a criminal offence is considered to have been committed further action may be taken to assist in the prosecution of the offender(s).

If you do not understand the implications of this policy or how it may apply to you, please seek advice from Members' Services or ICT.

7 Policy Governance

The following table identifies who within the council is Accountable, Responsible, Informed or Consulted with regards to this policy. The following definitions apply:

- **Responsible** – the person(s) responsible for developing and implementing the policy.
- **Accountable** – the person who has ultimate accountability and authority for the policy.
- **Consulted** – the person(s) or groups to be consulted prior to final policy implementation or amendment.
- **Informed** – the person(s) or groups to be informed after policy implementation or amendment.

PROCEDURES FOR AUDITING OF THE COUNCIL

1. Local Authorities are subject to both internal and external audit.

- 2. Internal Audit**
 - 2.1 The requirement for an Internal Audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs”.
 - 2.2 Regulation 6 of the Accounts and Audit Regulations 2006 more specifically requires that "a relevant body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control”.
 - 2.3 Internal audit can be defined as an “independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes”.
 - 2.4 In 2010 the Council agreed to enter into arrangements with Malvern Hills District Council, Redditch Borough Council, Worcester City Council and Wychavon District Council for the authorities to collaborate and provide one shared Internal Audit Service for all the authorities. The service is hosted by Worcester City Council and is regulated by a formal agreement. The shared service is known as Worcestershire Internal Audit Shared Service. The Council retains a team of auditors based at Bromsgrove who are managed centrally by the Service Manager of the shared service.
 - 2.5 Under the current arrangements the Service Manager for Worcestershire Internal Audit Shared Service reports direct to the Council’s Section 151 Officer, the Executive Director (Finance & Corporate Resources). However, the Service Manager can also report direct to the Chief Executive, if required.

- 3. External Audit**
 - 3.1 The Audit Commission is a government body, which has the right to approve and select providers of the external audit function. Government

legislation (Audit Commission Act 1998) refers to accounts and audit, and section 2 states that all accounts:

- shall be made up each year to 31st March or such other date as the Secretary of State may generally or in any special case direct; and
- shall be audited in accordance with this Act by an auditor or auditors appointed by the Commission.

3.2 Section 4 of the Act (Code of audit practice) details that:

3.3 The Commission shall prepare, and keep under review, a code of audit practice prescribing the way in which auditors are to carry out their functions under this Act.

3.4 Section 5 of the Act (General duties of auditors) states that:

3.5 In auditing accounts required to be audited in accordance with this Act, an auditor shall by examination of the accounts and otherwise satisfy himself:

- that they are prepared in accordance with regulations under section 27;
- that they comply with the requirements of all other statutory provisions applicable to the accounts;
- that proper practices have been observed in the compilation of the accounts;
- that the body whose accounts are being audited has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources; and
- that that body, if required to publish information in pursuance of a direction under section 44 (performance information), has made such arrangements for collecting and recording the information and for publishing it as are required for the performance of its duties under that section.

3.6 The auditor shall comply with the code of audit practice applicable to the accounts being audited as that code is for the time being in force.

3.7 The auditor shall consider whether, in the public interest, he should make a report on any matter coming to his notice. An audit management letter summarising the outcome of the annual audit is submitted to the Council for consideration.

Agenda Item 28

PART 23

- 3.8 The Council's external auditors are appointed by the Audit Commission. Information and contact details regarding the Council's current external auditors can be obtained from Financial Services.

**PROTOCOL ON MEMBER REPRESENTATION ON
OUTSIDE BODIES**

1. Introduction – Two Categories of Organisation

1.1. As Members will be aware, the Council appoints or nominates Members to sit on a wide range of outside bodies and organisations. These appointments broadly fall into two categories:

(a) those where the Councillor is appointed to represent the views of this Authority and to speak on our behalf

e.g. West Midlands LGA
Joint Local Authority Committees

(b) those where he/she is appointed because they are a Councillor but once appointed, their duty is as a member of that outside organisation rather than as a representative of the Council

e.g. The Artrix

1.2 As a general rule, an appointment is likely fall into the second of the above categories if the organisation concerned is a distinct legal entity (i.e. if it can sue and be sued in its own name). Such an entity can take many forms e.g.

- Company
- Industrial & Provident Society
- Public Authority

This second category would also include charitable trusts

2. Category (a) – the Representative Role

2.1 Very little needs to be said about appointments to bodies within category (a). The Councillor is there to represent the views of the District Council, to speak up for the Council's interests, and those of the District as a whole.

2.2 As a general rule, it is unlikely that Councillors will be at risk of personal liability as a result of being appointed to any of the category (a) organisations. The nature of those organisations is not such as to be likely to give rise to additional liabilities.

2.3 However, Councillors should bear in mind to take care how they approach conflicts of interest and declarations of those interests, and if in doubt to seek guidance.

3. Category (b) – The Director/Trustee/Board Member role

3.1 It is the appointment of Councillors to positions within Category (b) organisations which potentially cause most difficulty. The most important point to bear in mind is that although the Council makes the initial nomination/appointment, after appointment the Councillor holds office according to the constitution of that other organisation. Appendix 1 sets out some further guidance notes for Members acting as Directors. In practice, various issues arise of which the following are the most common:

3.1.1 Period of appointment and removal

- a) Once appointed, the Council can only remove a person from office if the constitution of the particular organisation gives the Council that power. The situation differs from organisation to organisation and it is therefore necessary for the Councillor to check the particular constitution, (or articles of association of a company, etc) of the organisation concerned.

3.1.2 To whom is the Councillor Responsible?

- a) In the case of category (b) organisations, once a Councillor accepts an appointment as a director, board member, trustee etc of that organisation then they take on all the responsibilities of that position and their duty *when acting as a director or trustee etc* is to that organisation, not to the Council. They must act in accordance with what they consider to be the best interests of that organisation and are not there as a representative on behalf of the Council.
- b) It would, for example, be a breach of their duty to an outside organisation to disclose confidential information about that organisation to the Council, even if it were relevant to something that the Council was discussing. This point about confidentiality applies both ways and it would be equally wrong to disclose confidential information belonging to the Council to an outside body.
- c) The duty towards the outside organisation only applies when the Councillor is acting in their capacity as a director/trustee/board member of that organisation. When at Council meetings or acting in a Councillor role, he/she must act in the best interests of the Council (subject to the above point about confidentiality). It is therefore very important that Members have a clear understanding of “which hat they are wearing” at any time.
- d) It may often be the case that a Councillor has been appointed to an outside body because he/she has a particular interest in the subject matter e.g. housing. In those circumstances it would not be unusual if the Councillor’s own views and those of the particular organisation

were closely aligned. Alternatively, a Councillor may have gained particular knowledge about a subject because of their involvement on another body. It is perfectly proper that the Councillor should express those views/use that special knowledge during Council debates *because they are his/her own views*. However, a Councillor should never be seen to use their position on the Council to act as an advocate on behalf of an outside organisation during Council debates, because that would be putting the other organisations interests ahead of the Council's. This applies regardless of whether or not they were appointed by the Council.

.1.3 Conflicts of Interest

- a) Where a director, trustee or member of an outside body has a conflict of interest because they are also a Councillor, then that interest must always be disclosed at any meeting of that outside organisation (this also applies where the person has an interest because of their personal circumstances). Whether or not he/she should continue to participate in that meeting will depend on the rules of that organisation: as a general guide, if there are no rules or procedures specified then he/she should abide by the same rules as apply at Council meetings.
- b) Where a matter under discussion at a Council meeting concerns another local authority or an outside organisation to which a Councillor has been appointed as the Council's representative, the Council's Code of Conduct says that this does not have to be declared as a *Disclosable* interest unless a Member of the Public, knowing the circumstances, would reasonably regard membership of the body concerned as being likely to prejudice the Councillor's judgment of what is in the public interest.

However, there may be circumstances where the conflict of interest would be so great as to make it impossible for the person to act both as a Councillor and a member of the other organisation – for example, in the case of negotiations involving confidential information on both sides. In that situation the person should declare an interest and take no part in the matter in one or other forum i.e. decide whether to act as a Councillor or as a director/trustee in relation to the particular matter but not both. Equally, it could never be right for a Councillor to participate in the determination of a planning application made by an outside organisation of which s/he was a director or board member, even though nominated by the Council.

- c) This advice in relation to potential conflicts of interest applies to both category (a) and (b) organisations.

3.2 Personal Liability

3.2.1 A Councillor who accepts appointment to a Category b outside body takes on a responsibility to act in accordance with the particular obligations and requirements applicable to that type of organisation, and so should ensure that they are fully understood. The Council's Legal Section will provide general guidance on these matters, but the outside organisation itself (or their advisors) is likely to be better placed to advise on the specific issues concerning that organisation. Appendix A contains some notes exploring the rights, duties and responsibilities of company directors.

3.2.2 Assuming that Councillor nominees to outside organisations understand and comply with the relevant legal obligations applicable to that type of organisation, Councillors are unlikely to incur personal liability as a result of their appointment.

3.2.3 In order to guard against personal liability, Councillors should:

- Make sure they understand the obligations and responsibilities they have taken on (see above);
- Ensure that the organisation concerned is properly advised and managed;
- Ensure that the organisation has appropriate insurance cover, including Directors' Liability insurance;
- Make sure that the legal framework of the organisation is appropriate to the activities that it conducts e.g. it would be inadvisable for bare trustees to be undertaking significant trading activities;
- Be diligent – attend Board meetings and make sure they know what is happening, and do not assume that legal formalities are being attended to by other people.

3.3 Indemnity

3.3.1 The question is sometimes raised as to whether the Council should indemnify Councillors against any personal liability as a result of being appointed as a member of an outside organisation. Whilst it is theoretically possible to give an indemnity to Councillors who are acting on the Council's behalf, the law is not ideally clear and a blanket approach is not appropriate

- a) In the majority of instances, the Council's involvement ends once the nomination has been made. Although appointed by the Council, the Councillor is not acting as the Council's representative because the Councillor's responsibility is to act in the best interests of the Company rather than the Council.
- b) The Council cannot regulate how Councillors behave on outside bodies or what decisions are made by those bodies. Therefore the Council cannot accept responsibility for matters over which it has no control.

- c) There is still some uncertainty as to the extent of any indemnities which could be given. The Council could not, for example, indemnify Councillors against their own fraud or wilful misconduct. It could potentially cause greater problems and create a false sense of security to give indemnities which later proved to be invalid.
- d) In many instances the nature of the organisation's activities are low risk and an indemnity ought not to be necessary.
- e) Many of these issues are better addressed by the organisations themselves taking out appropriate insurance cover and ensuring they have proper management procedures in place.

APPENDIX A

Guidance Notes for Members acting as Directors of Outside Bodies

Duties

1. Members who are appointed as directors of outside bodies should note that when acting as a director, their prime duty is to that outside body. Members should therefore take careful note of which capacity they are acting in, at any given time.
2. A Director owes a fiduciary duty to the body to act honestly, in good faith, and in the best interests of the body as a whole. Directors are in the position of quasi-trustees who must take proper care of the assets of the body. The fiduciary duty of a director towards a body is very similar in nature to the fiduciary duty of a Councillor to Council Tax payers.
3. A Director owes a general duty of care and skill to the body, but no more than might reasonably be expected of someone of that person's particular knowledge and experience. A Director is not deemed to be an expert but is expected to use due diligence and to obtain expert advice if necessary.
4. In the same way as a Councillor in respect of Council decisions, a Director is under a duty to exercise independent judgment, although they may take account of third party interests which they represent. In such cases, a Director must disclose that position to the body and must strike a fine balance between the interests of the body and the interests of the third party (e.g. the Council). The Director cannot simply vote in accordance with a Council mandate since to do so would be a breach of duty.
5. The Director may encounter actual or potential situations where there is a conflict between the interests of the Council on the one hand, and those of the body on the other. In such circumstances the only proper manner to resolve the conflict is for the Member to resign from either the body or the Council.
6. Directors must not make a private profit from their position. They must disclose any interests they or their family have in relation to contracts entered into by the body. Whether they may vote on such matters will depend on the Articles or Constitution of that body.
7. Directors must ensure that they comply with the Companies Act in relation to keeping accounts, and making relevant returns to the Registrar of Companies. Failure to do so may incur fines and persistent default may lead to disqualification as a director.

Petitions Scheme

Bromsgrove District Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. Petitions submitted should be clearly identified as a petition and should use the petitions form available at www.bromsgrove.gov.uk/council (the pro-forma can be supplied upon request).

Petition organisers (of 'Lead Petitioners') are also requested to send, with the petition, a written statement saying what the petition is about.

If you wish to send a petition to the Council, it must be sent in writing to:

The Head of Legal, Equalities and Democratic Services (Monitoring Officer),
Bromsgrove District Council
The Council House
Burcot Lane
Bromsgrove
Worcestershire
B60 1AA

Petitions can also be created, signed and submitted online by following the link on the petitions webpage: www.bromsgrove.gov.uk/council .

Petitions which have received 1,250 signatures or more will be presented to a meeting of the Council and can be scheduled for a Council debate. If this is the case, we will let you know whether this will happen at the next meeting or a later meeting of the Council. The dates and times of Council meetings can be found at www.bromsgrove.gov.uk/council .

All petitions sent or presented to the Council will receive an acknowledgement from the Council within 10 working days of receipt. This acknowledgement will set out what we plan to do with the petition.

If you would like to present your petition to the Council, or would like your councillor or someone else to present it on your behalf, please contact 01527 881407 or 01527 881443 at least 10 working days before the meeting and they will talk you through the process.

Guidelines for Submitting a Petition

Petitions submitted to the Council must include:

- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take;
- the printed name and address and signature of any person supporting the petition.

Petitions should be accompanied by contact details, including an address, for the petition organiser (Lead Petitioner). This is the person we will contact to

explain how we will respond to the petition. The contact details of the Lead Petitioner will not be placed on the website. If the petition does not identify a Lead Petitioner, we will attempt to contact signatories to the petition to try and identify who should act as the Lead Petitioner.

Petitions can either request that the Council support a particular course of action or can request that a Member of the Council or senior officer of the Council be required to give evidence before a committee. The petition should relate to matters within the jurisdiction of the District Council. Please note that petitions which relate to a regulatory matter, such as a planning application or licensing issue will not be eligible for consideration under this Petitions Scheme. Petitions received on regulatory matters will be forwarded by the Monitoring Officer to the relevant Council department or committee and be considered as part of the regulatory application to which they relate.

In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the revised timescale which will apply. If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

What the Council Will Do

An acknowledgement will be sent to the petition organiser within 10 working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.

If the petition has enough signatures to trigger a Council debate, or calling a senior officer to give evidence, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition requires further investigation, we will tell you the steps we plan to take.

If the petition has less than 1,250 signatures, the Monitoring Officer will determine how the petition will be dealt with, for example, referral to a relevant committee or the Overview and Scrutiny Board.

We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition request.

To ensure that people know what we are doing in response to the petitions we receive, the details of all the petitions submitted to us will be published on our website, except in cases where this would be inappropriate.

Responding to Petitions

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a Council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the matter for consideration by the Cabinet
- referring the matter for consideration by the Council's Overview and Scrutiny Board¹
- writing to the petition organiser setting out our views about the request in the petition.

If your petition is about something over which the Council has no direct control (for example the local railway services or hospital/health care issues) it may consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners and, where possible, will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then we will set out the reasons for this to you. You can find more information on the services for which the Council is responsible on our website www.bromsgrove.gov.uk.

If your petition is about something that a different Council is responsible for we will give consideration to the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event we will always notify you of the action we have taken.

Full Council Debates

If a petition contains more than 1,250 signatures, it will be debated by the full Council, unless it is a petition asking for a Member of the Council or senior Council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all councillors can

¹ *The Overview and Scrutiny Board is a committee of councillors who are responsible for scrutinising the work of the Council – in other words, the Overview and Scrutiny Board has the power to hold the Council's decision makers to account.*

attend. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at a future meeting.

The Lead Petitioner will be given 5 minutes to present the petition at the meeting and the petition will then be discussed by councillors. The Council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter; for example, by a relevant committee. Where the issue is one on which the Cabinet is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The Lead Petitioner will receive written confirmation of this decision. This confirmation will also be published on our website.

Requesting Attendance Before a Public Meeting

Your petition may ask for a Member of the Council or senior Council officer to give evidence at a public meeting about something for which is responsible. For example, your petition may ask a senior Council officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.

If your petition contains at least 1,250 signatures, the relevant elected Member or senior officer will give evidence at a public meeting of the Council's Overview and Scrutiny Board. You should be aware that the Overview and Scrutiny Board may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition. The Board may also decide to call relevant councillors to attend the meeting. Board members will ask questions at this meeting, but you will be able to suggest questions to the Chairman of the Board by contacting scrutiny@bromsgrove.gov.uk up to 5 working days before the meeting.

E-Petitions

The Council welcomes e-petitions which are created and submitted through our website - www.bromsgrove.gov.uk/council E-petitions must follow the same guidelines as paper petitions.

The Lead Petitioner will need to provide us with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for six months, but you can choose a shorter or longer timeframe, up to a maximum of 12 months.

When you create an e-petition, it may take 5 working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature.

If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.

When an e-petition has closed for signature, it will automatically be submitted to the Monitoring Officer. In the same way as a paper petition, you will receive an acknowledgement within 10 working days. If it contains the qualifying number of signatures, it may be presented to full Council. If you would like to present your e-petition to a meeting of the Council, please contact petitions@bromsgrove.gov.uk within 10 working days of receipt of the acknowledgement.

'Signing' an e-Petition

You can see all the e-petitions currently available for signature via the link on the www.bromsgrove.gov.uk/council web page. When you sign an e-petition you will be asked to provide your name, your postcode and a valid email address. When you have submitted this information you will be sent an email to the email address you have provided. This email will include a link which you must click on in order to confirm the email address is valid, which also validates your 'signature'. Once this step is complete your 'signature' will be added to the petition. People visiting the e-petition will be able to see your name in the list of those who have signed it, but your contact details will not be visible and, in any event, will not be kept or used by the District Council.

What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the Lead Petitioner has the right to request that the Council's Overview and Scrutiny Board review the steps that the Council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review if the Lead Petitioner gives a short explanation of the reasons why the Council's response is not considered to be adequate.

The Overview and Scrutiny Board will endeavour to consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at a later meeting. Should the Board determine that your petition has not been dealt with adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Cabinet and / or to the full Council.

Once the appeal has been considered the Lead Petitioner will be informed of the results within 5 working days. The results of the review will also be published on our website.

Introduction

The Bribery Act 2010 came into force on 01 July 2011. The act makes it an offence for a United Kingdom citizen or resident to pay or receive a bribe, either directly or indirectly. The act applies to transactions that take place in the UK and abroad, and both in the public and private sectors.

Bromsgrove District Council through myself and the Senior Management Team is determined to maintain its reputation as an authority which will not tolerate fraud, bribery, corruption or abuse of position for personal gain, wherever it may be found in any area of Council activity.

To achieve this goal the Council will work to identify and eliminate any form of bribery through the introduction of this anti-bribery policy and through a risk assessment process and ongoing monitoring and review.

Elected Members and employees should play a key role in counter-fraud initiatives. This includes providing a corporate framework within which counter-fraud arrangements can flourish, and the promotion of an anti-fraud culture across the whole Council. This should provide a sound defence against internal and external abuse of public funds.

Under the terms of this policy all employees and elected Members are prohibited from soliciting, arranging or accepting bribes intended for the benefit of the Council, or for their personal benefit, or for the benefit of the employee's family, associates or acquaintances. This Policy extends to all the Council's business dealings, transactions and decisions.

Through the 'Whistle Blowing Policy' employees are encouraged to report any suspicion of bribery, safe in the knowledge that they are able to report concerns in confidence and without risk of reprisal

Kevin Dicks
Chief Executive
Bromsgrove District Council
November 2011

Policy Statement

Bribery is a criminal offence. The Council through its employees and elected Members does not, and will not, pay bribes or offer improper inducements to anyone for any purpose or, accept bribes or improper inducements. It is the Council's policy to conduct all business in an honest and ethical manner. The Council takes a zero-tolerance approach to bribery and corruption and is committed to acting professionally, fairly and with integrity in all business dealings and relationships. The Council will operate and enforce effective systems to counter bribery.

To use a third party as a conduit to channel bribes to others is a criminal offence. The Council does not, and will not, engage indirectly in or otherwise encourage bribery.

In this policy, **third party** means any individual or organisation we come into contact with during the course of our work. This includes actual and potential customers, suppliers, advisers, contractors, government and public bodies (including their advisers, representatives and officials), politicians and political parties. This list is not exhaustive.

This policy applies to all individuals, working at all levels and grades, including senior managers, officers, employees (whether permanent, fixed term or temporary), elected members (including independent Members), consultants, contractors, agents, trainees, seconded staff, casual and agency staff, volunteers, or any other person associated with the Council, wherever located.

This policy also applies to all of the Council's activities. For partners, joint ventures and suppliers, we will seek to promote the adoption of policies consistent with the principles set out in this document.

What is Bribery?

Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

It is unacceptable to:

- give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given
- give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to "facilitate" or expedite a routine procedure

Agenda Item 32

PART 32

- accept payment from a third party that you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by the Council in return
- retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy
- engage in activity in breach of this policy

Objective of the Policy

This policy provides a coherent and consistent framework to enable Bromsgrove Council employees and elected Members to understand and implement arrangements enabling compliance. In conjunction with related policies and key documents it will also enable employees to identify and effectively report a potential breach.

Role of Employees

Employees are governed in their work by the various policies, protocols, codes, rules and procedures, particularly regarding conduct issues and are responsible for ensuring that they follow any instructions given to them by management, particularly in relation to the safekeeping of assets.

The Council requires that all staff, including those permanently employed, temporary agency staff and contractors:

- act honestly with integrity, at all times, and to safeguard the organisations resources for which they are responsible
- comply with the spirit, as well as the letter, of the laws and regulations of all jurisdictions in which the Council operates, in respect of the lawful and responsible conduct of activities
- read, understand and comply with this policy
- avoid any activity that may lead to, or suggest, a breach of this policy

Staff must notify the Corporate Anti-Fraud Team as soon as possible if they believe or suspect that a conflict with this policy has occurred, or may occur in the future.

Any employee who breaches this policy will face disciplinary action, which could result in summary dismissal for gross misconduct. Disciplinary action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case. The Council reserves the right to terminate it's contractual relationship with other workers if they breach this policy.

Role of Elected Members

As elected representatives, all Members of the Council have a duty to the citizens of the District to protect the Council from any acts of fraud and bribery and ensure that resources are used prudently and within the law to safeguard public money, including ensuring they do not procure an advantage improperly. Elected Members are required to operate and adhere to the Council's Constitution, which incorporates a Code of Conduct for Members (Part 16 of the Constitution).

The Code includes rules regarding:

- The disclosure of relationships
- The declaration of gifts and hospitality
- Registering personal interests

Elected Members are also referred to the Code of Conduct for Councilors in relation to Gifts and Hospitality set out at Part 21 of the Constitution. This sets out the process that should be followed by elected Members when declaring gifts. See further below under "Record Keeping".

The Council's commitment to action

The Council commits to:

- setting out a clear anti-bribery policy and keeping it up to date
- making all employees aware of their responsibilities under the terms of this policy
- training all employees so that they can recognise and avoid the use of the bribery by themselves or others
- encouraging employees to be vigilant and to report any suspicions of bribery, providing suitable lines of communication with the Corporate Anti-Fraud Team
- ensuring that sensitive information is treated appropriately
- rigorously investigating allegations of bribery, taking such cases to prosecution where relevant
- assisting the Police or other authorities in more complex cases
- taking action against any individual found to be involved in bribery
- provide information to all employees to report breaches and suspected breaches of this policy
- include appropriate clauses in contracts to prevent bribery

Facilitation Payments

These are illegal, and will not be tolerated. Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions.

Gifts and Hospitality

The Council's policy on gifts and hospitality for staff has been updated and is now found within the Officers' Code of Conduct. A copy is included in the Council's Constitution and can be found on the Orb at [insert link](#) (Corporate/Policies/BDC Policies/HR).

The Officer's Code of Conduct makes it clear that:

You should not accept significant personal gifts from contractors and service providers such as food, drink, cars, clothes and jewellery.

Inexpensive calendars, diaries, blotting pads, pens etc (perhaps marked with the donor's name) are acceptable. If in any doubt about whether you should accept a gift, it is best to refuse it.

However, you are prohibited from accepting a gift, or giving a gift to a third party if the following requirements are met:

- it is made with the intention of influencing a third party to obtain or retain business or a business advantage, or to reward the provision or retention of business or a business advantage, or in explicit or implicit exchange for favours or benefits;
- it is given in the Council's name, not in your name
- it includes cash or a cash equivalent (such as gift certificates or vouchers)
- if it is inappropriate for the circumstances
- if the gift received is an inappropriate type and value, and given at an inappropriate time;
- it is given secretly and not openly
- gifts should not be offered to, or accepted from, government officials or representatives, or politicians or political parties, without the prior approval of your Head of Service.

Public Contracts and failure to prevent bribery

Under the Public Contract Regulations 2006 (which gives effect to EU law in the UK) a company is automatically and perpetually debarred from competing for public contracts where it is convicted of a corruption offence. There are no plans to amend the 2006 Regulations for this to include the crime of failure to prevent bribery. Organisations that are convicted of failing to prevent bribery are not automatically barred from participating in tenders for public contracts.

However, the Council has the discretion to exclude organisations convicted of this offence.

Record Keeping

We must keep records and have appropriate internal controls in place which will evidence the business reasons for:-

- Receiving or declining gifts and hospitality which are offered to staff or elected Members
- Providing gifts or hospitality on behalf of the Council to third parties

Staff must ensure that any gift or hospitality for employees that is accepted, offered or refused, should be recorded in the Corporate Gift and Hospitality Register. The Register is held centrally by the Information Management Team.

Any gifts or hospitality received by elected Members must be reported to the Council's Monitoring Officer in accordance with Part 21 of the Constitution (Gifts and Hospitality – Code of Conduct for Councillors).

How to raise a concern

All elected Members and employees have a responsibility to help detect, prevent and report instances of bribery. If you have a concern, **please speak up** – your information and assistance will help. The sooner you act, the sooner it can be resolved.

Please refer to the Whistle-blowing (Confidential Reporting Code) Policy for the procedure of how to make your concerns known. It can be found on the Orb at [insert link](#) - (Director of Finance and Corporate Resources/Head of Resources/Corporate Fraud/Team Documents/Corporate Fraud).

Staff who do not have access to the intranet can contact the Corporate Anti-Fraud team directly on:

Email fraud@bromsgrove.gov.uk
Telephone 01527 881221
Web www.bromsgrove.gov.uk/fraud

Preferably your disclosure will be made and resolved internally. However where this proves inappropriate and you are not happy to speak with the Corporate Anti-Fraud Team, your concerns can be raised externally. Raising concerns in these ways may be more likely to be considered reasonable than making disclosures publicly (e.g. to the media),

Concerns can be anonymous. We will act as soon as possible to evaluate the situation. We have a clearly defined Corporate Anti-Fraud and Corruption Strategy which sets out procedures for investigating fraud, bribery and corruption. It is however, easier and quicker to evaluate allegations, if they are not anonymous, as your assistance may be well be needed to clarify elements of the allegation made.

Bribery Act Offences

There are four key offences under the Act:

- bribing of another person (Section 1)
- accepting a bribe (Section 2)
- bribing a foreign official (Section 6)
- failing to prevent bribery (Section 7)

Section 7 is a corporate offence but an organisation will have a defence to this offence if it can show that it had in place 'adequate procedures' designed to prevent bribery by or of persons associated with the organisation.

Bribery Act Penalties

An individual guilty of an offence under sections 1, 2 or 6 is liable:

- on conviction in a magistrates court, to imprisonment for a maximum term of 12 months, or to a fine not exceeding £5000, or to both
- on conviction in a crown court, to imprisonment for a maximum term of ten years, or to an unlimited fine, or both.

Organisations, if found guilty of an offence under section 7 are liable to an unlimited fine.
