71/16 **BROMSGROVE DISTRICT PLAN 2011 - 2030 ADOPTION**

The Cabinet considered a report on the adoption of the Bromsgrove District Plan 2011 – 2030.

Members were reminded of the lengthy Local Plan process which had taken place over a number of years. This had included an Examination in Public which had closed with the issue of the Inspector's report on 16th December 2016. The Inspector's report recommended that subject

to the making of a series of modifications the Bromsgrove District Plan satisfied the requirements of Section 20(5) of the Planning and Compulsory Purchase Act 2004 and the criteria for soundness in the National Planning Policy Framework and was therefore sound.

Members referred to the importance of having a clear planning framework in place to deliver the vision and development for the future of the area encompassing housing (including affordable housing) and employment sites. It was recognised that without an adopted plan the District would be vulnerable to ad hoc planning applications and “planning by appeal”.

In addition it was acknowledged that the clarity of the planning framework set out in an adopted Plan would assist the Authority in working with government and other funding agencies to access infrastructure funding for example in respect of new transport infrastructure. An adopted Plan would also enable work to progress on the preparation of a Community Infrastructure Levy which would also enable required infrastructure to be provided.

It was recognised that any planning applications in respect of particular sites were a matter for the Planning Committee.

It was noted that any Cabinet recommendations would be considered by the Council at its meeting on 25th January 2017.

Members expressed thanks to Strategic Planning officers for their hard work on the Plan to date.

(Councillor P. J. Whittaker requested that it be recorded that he had abstained from voting on the matter as whilst he was broadly in agreement with the Plan he did not agree with the location of the proposed cross border housing growth.)

**RECOMMENDED:**

- (a) that the content of the Bromsgrove District Plan Planning Inspectorate’s Report (Appendix 1) and the associated Schedule of Main Modifications (Appendix 2) be noted;
- (b) that the Bromsgrove District Plan 2011-2030 as submitted and subsequently amended by the modifications set out in Appendix 2 and Appendix 3 to the report be approved;
- (c) that the Policies Map which accompanied the submission version of the Bromsgrove District Plan and remains unchanged as a result of the examination process be approved;
- (d) that the Bromsgrove District Plan Adoption Statement and Strategic Environmental Assessment and Sustainability Appraisal Adoption Statement which form Appendix 4 and 5 of the report be noted; and
- (e) that authority be delegated to the Head of Planning and Regeneration to undertake further minor editorial changes deemed necessary in preparing the adopted District Plan for

publication, following consultation with the Portfolio Holder for Planning.

72/16

## **STAFF SURVEY REPORT AND ACTIONS**

The Cabinet considered a report on the Staff Survey which had recently been undertaken.

It was noted that the survey had highlighted areas for further work and also areas of good practice for the Authority to build on.

It was reported that in order to take forward the results of the survey a Programme Board had been established chaired by the Chief Executive and supported by the Head of Business Transformation and representatives from Human Resources, Organisational Development and Trade Unions.

Three corporate work streams had been had been established and these were being led by key officers

- People Management;
- Meeting our Customers' Needs;
- Organisational Culture

In addition all Heads of Service had analysed data from their own area and had developed Action Plans to specifically address the three areas of greatest improvement and decline compared to the previous survey, whilst also focusing on other areas which they felt needed addressing within their services. The Action Plans would be reviewed by Corporate Management Team on a regular basis.

Members queried the level of response to the survey which was 25% compared to the response to the previous survey undertaken in 2013 of 33%. It was recognised that whilst officers were satisfied that the response level was statistically valid, it was important to try to increase the response rate in future. In this regard the length of the survey and structure of the questions would be revised for future surveys.

Members recognised the importance of ensuring staff had the opportunity to undertake appropriate training to develop their skills and that any issues in relation to bullying and harassment were addressed effectively.

**RESOLVED** that the report on the Staff Survey results and the subsequent actions be noted.

**MEDIUM TERM FINANCIAL PLAN AND CAPITAL PROGRAMME  
2017/18 - 2020/21 UPDATES**

The Executive Director Finance and Resources reminded Members that a full report on the Medium Term Financial Plan 2017/18 – 2020/21 would be submitted to the Cabinet at its meeting on 1st February 2017. The Cabinet would then make recommendations to the Council meeting on 28th February 2017. Work was also being undertaken by the Overview and Scrutiny Finance and Budget Working Group.

The Executive Director Finance and Resources gave a brief presentation on the potential impact of government proposals on the Council's Medium Term Financial Plan 2017/18 – 2020/21.

The following points were highlighted:

There was no further information as yet on the Localisation of Business Rates – it was hoped this would be clearer by June/July 2017;

- New Homes Bonus - there had been a number of changes to the legislation which overall would decrease the funding available to the Council significantly (potentially by around £2.8m over four years);
- Efficiency Plan – officers had been working to identify additional income/savings/growth and to map these to the Efficiency Plan; in addition aspirational income and savings continued to be developed through alternative models of service delivery;
- Commercialisation Forum – had taken place with all Heads of Service and Managers to consider ways of generating additional income and growth through services the Council could offer;
