## Declaration of Interests - Explained

### Definition of Interests

A Member has a **PERSONAL INTEREST** if the issue being discussed at a meeting affects the well-being or finances of the Member, the Member's family or a close associate more than most other people who live in the ward affected by the issue.

Personal interests are also things relating to an interest the Member must register, such as any outside bodies to which the Member has been appointed by the Council or membership of certain public bodies.

A personal interest is also a **PREJUDICIAL INTEREST** if it affects:

- The finances, or
- A regulatory function (such as licensing or planning)

Of the Member, the Member's family or a close associate **AND** which a reasonable member of the public with knowledge of the facts would believe likely to harm or impair the Member's ability to judge the public interest.

### Declaring Interests

If a Member has an interest they must normally declare it at the start of the meeting or as soon as they realise they have the interest.

#### **EXCEPTION:**

If a Member has a **PERSONAL INTEREST** which arises because of membership of another public body the Member only needs to declare it if and when they speak on the matter.

If a Member has both a **PERSONAL AND PREJUDICIAL INTEREST** they must not debate or vote on the matter and must leave the room.

#### **EXCEPTION:**

If a Member has a prejudicial interest in a matter being discussed at a meeting at which members of the public are allowed to make representations, give evidence or answer questions about the matter, the Member has the same rights as the public and can also attend the meeting to make representations, give evidence or answer questions **BUT THE MEMBER MUST LEAVE THE ROOM ONCE THEY HAVE FINISHED AND CANNOT DEBATE OR VOTE.**

However, the Member must not use these rights to seek to improperly influence a decision in which they have a prejudicial interest.
