LOCAL GOVERNMENT RE-ORGANISATION - INTERIM PLAN
PROPOSALS FOR WORCESTERSHIRE - BROMSGROVE

The Leader of the Council presented a report concerning Local Government Reorganisation and Devolution in terms of the Interim Plan Proposals for Worcestershire.

Members were informed that on the 5th February 2025, Jim McMahon MP, the Minister for Local Government and English Devolution, wrote to the Leaders of the six District Councils and the County Council in Worcestershire setting out the Government's vision for local government and the transfer of power out of Westminster through devolution. The letter invited the Worcestershire authorities to work together to formulate and submit an interim plan for a single tier of local government, in line with the guidance appended to the letter, on or before 21st March 2025, with an expectation that a full proposal would be submitted by 28th November 2025.

The Leader expressed regret that the Council was having to consider this matter. However, the Leader recognised that there was a need for the Council to positively engage with the process to ensure the very best outcomes for the residents of Bromsgrove District.

With this in mind, discussions had been taking place between the Leader and the other Worcestershire Council Leaders, supported by the Chief Executives from all seven Worcestershire Councils through the Worcestershire Leaders Board. The focus had been to prepare the draft interim plan that had been provided for Members' consideration at the Council meeting in Appendix 5 to the report, which set out draft proposals covering the County as a whole. This was in line with the Government's expectation that this draft interim plan would then be subject to agreement by each of the Councils in Worcestershire and form the basis of the Worcestershire interim submission.

Council was asked to note that at this stage, the authority did not have enough information to make a determination on the most appropriate structure one way or the other. This was reinforced by the District S151 Officers' Statement in Appendix 5 to the report. However, it was clear that in order to make a final proposal, there was a plethora of information and data that the Council would need to consider and validate before a final submission could be considered and determined in November 2025. It was for this reason, that the interim proposal did not favour one model above another.

In this context, the Leader proposed that, having considered the information provided in the report, the third option listed at

recommendation 2 of the report should be endorsed, alongside recommendation 3 and a fourth recommendation that had been proposed for Members' consideration in an addendum to the report that had been published in a supplementary pack for the meeting.

These recommendations were proposed by Councillor K. May and seconded by Councillor S. Baxter.

In considering this matter, Members noted that there were three options available:

- Option 1 – One Unitary Authority for the whole of Worcestershire.
- Option 2 – Two Unitary Authorities, one for North Worcestershire, covering Bromsgrove District, Redditch Borough and Wyre Forest District and one for South Worcestershire, covering Malvern Hills District, Worcester City and Wychavon District.
- Option 3 – A response that continued to work up Options 1 and 2 to ensure that both could be fully examined prior to the final submission to Government in November 2025.

Clarification was provided that the Interim Plan, that had been prepared by the seven Chief Executives in Worcestershire and considered at a recent meeting of Worcestershire Leaders' Board, was proposing that Option 3 should be taken forward at this stage. The Leader was similarly proposing that Option 3 should be endorsed, alongside the Interim Plan, at this stage.

During consideration of this item, Councillor C. Hotham proposed an amendment to the proposals. The amendment was worded as follows:

“Council notes that:-

Whilst the Council has had late sight of the PwC report commissioned by Worcestershire County Council, it has not had sight of the underlying assumptions upon which it is based. It is not therefore possible at this stage to identify the most favourable option for Bromsgrove District Council. This is contrary to the Minister's request in his letter of the 5th February that Councils work collaboratively.

Council therefore resolves that:-

Based on the information currently available, the Council's preferred option at this stage would be for a North Worcestershire Unitary Council and a South Worcestershire Unitary Council.

In light of the Government's requirement for a collaborative approach the Council will endorse the Interim Plan as set out in Appendix 5.”

The amendment was proposed by Councillor C. Hotham and seconded by Councillor R. Bailes.

In proposing the amendment, Councillor Hotham commented that he felt that on balance a North Worcestershire Unitary Authority would be the best option for the people of Bromsgrove moving forward. Councillor Hotham expressed disappointment that Worcestershire County Council had not shared the report it had commissioned from PricewaterhouseCoopers (PwC) until earlier in the week, resulting in the paper having only been issued to Bromsgrove Members in a Background Papers pack the day before the Extraordinary Council meeting. Members were asked to note that the amendment still proposed that the interim plan that had been prepared by Worcestershire Leaders Board should be endorsed, so did not commit the Council to a particular option. However, the amendment provided an opportunity for Members to articulate a preferred option at this stage, based on information available to date. The amendment highlighted concerns about the extent to which Worcestershire County Council was collaborating with other Councils in Worcestershire, as required in the Government's guidance. Councillor Hotham suggested that the amendment also clearly articulated a position that demonstrated that the Council was not in agreement with Worcestershire County Council in terms of submitting the PwC's report to Government.

In seconding the amendment, Councillor R. Bailes commented that she felt that the report that had been presented for Members' consideration was biased towards a single Unitary Authority. It was suggested that this bias, although not explicitly stated, could be detected as unconscious bias. Members were advised that Councillor Bailes had spoken to her residents about Local Government Reorganisation and they had all preferred a North Worcestershire Unitary Authority, due to the local focus corresponding with local geography and economic activity. Councillor Bailes commented that this was a once in a lifetime opportunity to work with other Councils, however, she expressed disappointment that in her view this did not appear to be happening. In particular, Councillor Bailes cited concerns in respect of the report from PwC which, as it had been commissioned by Worcestershire County Council unilaterally, she suggested demonstrated that the County Council was not working with the other Councils in Worcestershire. Councillor Bailes also expressed concerns about some of the matters that had been left out of the PwC's report. Based on this, and the information currently available, the amendment had been brought forward to enable Members to express a preference at this time.

Following the presentation of the amendment, Members discussed the matter in detail and in doing so noted that this was an important Extraordinary Council meeting, as the focus was on the future of local government in Worcestershire. The suggestion was made that Members needed to ensure that any final decisions on a preferred option, in terms of future Unitary Authority structure in Worcestershire, should be based on clear evidence and data. Some Members commented that there had been insufficient time since Leaders received a letter from the Government on 5th February 2025 to gather the full range of data necessary to enable a final decision to be taken at this

stage. Indeed, it was noted that no final decision was needed until November 2025, when it was anticipated that Members would be in a position to make more informed decisions on this subject.

Consideration was given to the inclusion of reference to a preferred option in the amendment, of a North Worcestershire Unitary Authority. Whilst it was acknowledged that the amendment still proposed that Option 3 should be endorsed, some Members expressed concerns that this could be viewed as predetermination which could influence the work of any external organisation(s) that might be commissioned to undertake review work in respect of this matter on behalf of the Council and / or all Councils in Worcestershire. However, in response to this point, some Councillors highlighted that Malvern Hills District, Worcester City and Wyre Forest District Councils had all expressed a preference at recent Council meetings, although this was before the interim plan had been published, and Worcestershire County Council had highlighted a clear favoured option for that authority in their report on this subject, due to be considered at their Cabinet meeting on 20th March 2025. In this context, some Members questioned why Bromsgrove District Council should not also express a preference at this stage.

Members subsequently discussed the different approaches to considering this matter that had been adopted at each of the Councils in Worcestershire. Clarification was provided that as sovereign authorities, each Council had determined how they would approach consideration of this matter. Malvern Hills District, Redditch Borough, Worcester City and Wychavon District were all due to consider their interim responses at Council meetings scheduled to take place in March. Worcestershire County Council would consider an interim response at a Cabinet meeting, which would be pre-scrutinised at a meeting of their Overview and Scrutiny Performance Board. Wyre Forest District Council had already determined its position at a Council meeting held in February 2025, through discussion of a Motion on Notice.

Option 3 was discussed in some detail. Members noted that this option would enable the Council to best achieve value for money, by assessing the evidence that would be gathered and then enabling Members to make an informed decision on that basis. The suggestion was made that the Council needed to be able to demonstrate to residents and other local stakeholders, when a final decision was taken, that this had been made based on all the data available. It was noted that the amendment still incorporated this option, however, some Members expressed concerns that the inclusion of a preference in the amendment detracted from that option. Furthermore, some Members suggested that there was a need to remain open minded and to continue to contribute to discussions around both options of unitary authority, in order to ensure that the final unitary authority structure in Worcestershire, whatever that might be, best met the interests of Bromsgrove residents.

During consideration of this item, concerns were raised that there was a lot of misinformation at present circulating in the community in respect of

the implications of Local Government Reorganisation and Devolution for Bromsgrove District. Members highlighted that this appeared to have been exacerbated by preparation for the forthcoming County Council elections in which some communications had been issued suggesting that there was a risk that Bromsgrove would become part of a greater Birmingham combined authority if a single Unitary Authority was not introduced for Worcestershire. Members commented that this was disinformation, with it being noted that there were no plans for the boundaries of the existing West Midlands Combined Authority (WMCA) to be expanded. Concerns were also raised that this form of disinformation was creating anxiety within the local community regarding Local Government Reorganisation and devolution.

Many Members noted that they were keen for the final Unitary Authority structure to have a local focus. Concerns were raised that a Unitary Authority representing a larger geographical boundary might struggle to achieve this local focus. In addition, concerns were raised that many Councillors in the north of the County had limited knowledge of or involvement with the south of the county and vice versa and some Members suggested that Bromsgrove would lose influence in a Unitary Authority serving the whole of the county.

Reference was made to research that had already been undertaken with respect to the size of local authorities by the District Councils Network (DCN). This had reached a number of favourable conclusions in relation to smaller local authorities. The point was also made that some existing Unitary Authorities representing smaller populations than 500,000 were operating successfully. However, it was also noted that the Government's English Devolution White Paper had highlighted an expectation that Unitary Authorities would generally represent a population of circa 500,000, although a smaller population would be considered in certain circumstances.

Concerns were raised about the extent to which it would be appropriate to identify a preferred option at this stage in the process when no formal public consultation had been undertaken to ascertain the views of local residents and other stakeholders. In response, some Members noted that they had already been holding informal discussions with their residents and that they were finding that a North Worcestershire Unitary Authority tended to be the preferred option.

The report that had been commissioned from PwC by Worcestershire County Council was discussed in detail. Members expressed disappointment that Worcestershire County Council had not chosen to share the report at an earlier stage. Furthermore, concerns were raised that, despite multiple requests for the information, Worcestershire County Council had not shared the assumptions or the terms of reference underpinning the PwC report. It was suggested that this made it difficult for Members to assess the value of this document.

Reference was made to the pay back period that had been recorded in the PwC's report and Members questioned the accuracy of this information. In the report, Members noted that it had been assumed that pay back applied over a period of 11 years. However, in other research papers reviewing pay back for unitarisation in other parts of the country, pay back had been assumed over a standard period of three to five years.

Concerns were raised that this report from the PwC would be submitted by Worcestershire County Council to the Government at the interim plan stage and that this might be viewed as representative of the views of all Councils in Worcestershire. However, Members were informed that this would only form part of Worcestershire County Council's response and would not be submitted as part of Bromsgrove District Council's response at this stage in the process.

Reference was made to the differences of opinion that existed across the county in respect of future Local Government Reorganisation. The suggestion was made that if the Council identified a preference at this stage in the process, it would undermine criticisms of bias in the PwC report, as Bromsgrove District Council would also then be favouring a particular option. Whilst Members might have personal preferences, the suggestion was made that all options should continued to be considered for now and that at the end of the process, in November, decisions would need to be made based on facts. It was further noted that whilst all seven Councils would be submitting their final proposals in November 2025, ultimately the Government would be making the decision about the future structure of local government in Worcestershire.

The population statistics that had been provided in the report were also considered. Members expressed concerns that these figures appeared to have not taken into account all the factors that could potentially influence population growth. The suggestion was made that more accurate figures, based on a range of sources of information, should be obtained in the following stage of the process and these might provide a different picture in terms of estimating the potential size of the populations that would be served by North and South Worcestershire Unitary Authorities.

Questions were raised as to why the amendment was still proposing endorsing Option 3 in the report when the preference stated in the amendment seemed to align more closely with Option 2. Clarification was provided by Councillor Hotham that a preference of a North Worcestershire Unitary Authority was being included based on information available to date. However, the proposal to endorse Option 3 would enable the Council to keep its options open by investigating both scenarios further. This would ensure that the Council would not be committing to any particular path at this stage.

In accordance with Procedure Rule 18.3 a recorded vote was taken on this amendment.

BROMSGROVE DISTRICT COUNCIL

RECORD OF DECISION TAKEN UNDER URGENCY PROCEDURES

Subject: Approval of on-going use of third-party vehicle maintenance and hire arrangements to support Refuse Collection Operations

Brief Statement of Subject Matter:

This Urgent Decision is linked to previous reports regarding the state of the Waste Collection Fleet and Maintenance arrangements approved in reports approved 24 July 2024, and 7 January 2025.

Environmental Services has been reliant on third party providers to support maintenance of our existing aging fleet, as well as funding to support the use of hire vehicles that allow Redditch based Refuse Vehicles to be used in Bromsgrove due to the unique diamond lift equipment required to service our wheeled bins.

New vehicles have been ordered, and arrangements are being made to allow us to transition to the new fleet in December as per the previous reports, but it has been identified that the delay since the original report approved in July 2024 has resulted in the amount of additional expenditure being incurred through two of our contractors on vehicle hire and third-party maintenance will now exceed the approved values and will require approval as a Key Decision to continue and ensure compliance with our responsibilities regarding use of public funds.

The Finance team have confirmed that funding is in place to offset this additional cost using grant funding received from Extended Packaging Responsibilities (EPR) for 2025/26. There is no impact on the Medium-Term Financial Plan, but procedurally this will require additional authority to support the use of this funding to maintain services until the new fleet arrives and removes the current reliance on hire vehicles to maintain services.

Existing compliant contract arrangements are in place to support the continued use of the third-party providers to support these requirements, and a review of the financial regulations has confirmed that IFRS16¹ does not apply to the extended period of hire, as the individual vehicles on hire have changed during the hire period.

The expected spend associated with this urgent decision is approximately £220,000 on Hire costs, and up to £300,000 on Repairs and Maintenance support, but the latter has potential to increase subject to the level of repairs required and potential market inflation arising from current Tariff changes.

Decision:

This urgent decision is requested to grant delegated authority to relevant officers to enable them to continue with existing arrangements whereby refuse vehicles will continue to be hired, and external vehicle maintenance arrangements sourced, in line with previous approvals linked to replacement of the existing fleet.

Date: April 2025

¹ International Financial Reporting Standards are a global accounting standard that allow for transparent comparison of financial accounts from public companies around the world. IFRS16 relates to how leases are managed, and potential liability related to longer term leases.

RESOLVED that:

Authority be granted to the Assistant Director of Environmental and Housing Property Services to use grant funding received from Extended Packaging Responsibilities (EPR) for 2025/26 to continue the existing expenditure on hire vehicles and refuse vehicle maintenance support.

Grounds for Urgency:

The hire sector does not offer “diamond lift” equipment, due to its rarity in the waste sector, which means that the only vehicles available to support domestic waste collection in Bromsgrove when there is a vehicle failure are the six refuse vehicles operating from the Redditch Depot, as they have been fitted with a reversible lifting system that allows them to empty Bromsgrove Bins as well as the standard Comb Bins, as part of the shared services arrangement.

These vehicles can only be provided if an equivalent vehicle is provided to maintain services to Redditch Borough Council residents, and current services to Bromsgrove residents are reliant on these additional vehicles from Redditch and will experience significant service failure without them.

Current staffing within the in-house workshops that support maintenance of Environmental Services operational vehicles is at 50%, and has been further impacted by on-going absence relating to family health issues for one of our HGV qualified mechanics.

As a result of this, we are unable to carry out the level of repairs and maintenance required to maintain operational services without the use of the third-party maintenance providers currently supporting our fleet.

3. OPERATIONAL ISSUES

Scheme of Delegations

- 3.1 The Council's Constitution currently requires that the Officer Scheme of Delegations be approved by Members at the Annual Meeting of the Council.
- 3.2 The Officer Scheme of Delegations is the part of the Constitution that gives authority for certain decisions to be delegated from Council, the Executive (Cabinet) or other committees to certain specified officers. It sets out the decisions which are delegated by Council to officers and the decisions which are delegated by the Executive / Leader to officers. In relation to certain regulatory decisions, the delegation is from Council to the relevant Committee, namely Planning Committee or Licensing Committee.
- 3.3 The Scheme of Delegations is regularly altered and updated to reflect changes in the operation of the Council and changes to legislation. Changes have been made by the Monitoring Officer in accordance with the delegation that currently exists to amend the scheme to reflect changes in legislation, job titles and the reallocation of functions. They do not extend the delegations.

Membership of the Licensing Committee

- 3.4 During the meeting of the CRWG held on 29th January 2025, Members discussed the various Committees that the Chairman of the Council can serve on during a municipal year.

Annual Council 2025

14th May

- 3.5 There are already some restrictions in terms of Committees that the Chairman of the Council cannot be appointed to. Some of these restrictions reflect legal requirements, such as a restriction preventing the Chairman of the Council from serving on the Cabinet.
- 3.6 Currently, the Chairman of the Council is permitted to serve as a member on the Licensing Committee at Bromsgrove District Council.
- 3.7 However, during the CRWG meeting, Members raised concerns that this could create a conflict for the Chairman of the Council. For example, it was noted that the Chairman of the Council might be invited to attend civic events hosted by licensed premises.
- 3.8 To reduce the potential for a conflict of interest to occur, the CRWG recommended that the terms of reference for the Licensing Committee should be updated to restrict the Chairman of the Council from serving as a member of the Committee. It should be noted that if the Chairman of the Council is not permitted to serve on the Licensing Committee, then they will also be unable to serve on any of the Licensing Sub-Committee hearings.
- 3.9 The proposed updated terms of reference for the Licensing Committee and Licensing Sub-Committees are attached at Appendix 2 to the report.

Council Procedure Rules – Public Speaking

- 3.10 Members of the public are permitted to register to speak at ordinary meetings of Council. The rules in respect of public speaking at Council meetings are detailed at paragraph 8 of the Council Procedure Rules in the Council's constitution.
- 3.11 The public speaking arrangements provide local residents with an opportunity to contribute their views on local issues of interest for the consideration of elected Members. This is recognised as a valuable part of the local democratic process.
- 3.12 However, the CRWG is keen to ensure that public speaking arrangements are not used by political parties to make political points, which can instead be raised by elected Members during Council debates. For this reason, the CRWG is recommending that clarification should be provided at paragraph 8.5 in the Council Procedure Rules that members of the public do not include political parties or people asking questions on behalf of political parties.

Trial Restrictions on Motions and Questions on Notice

- 3.13 Questions on Notice can be submitted by both Councillors and members of the public for consideration at ordinary Council meetings. In addition, elected Members can also submit Motions on Notice for consideration at ordinary Council meetings. The current rules in respect of considering Questions on Notice from the public, Questions on Notice from Members and Motions on Notice can be viewed at paragraphs 8, 9 and 10 of the Council Procedure Rules in the Council's constitution.
- 3.14 There are already some restrictions, as detailed in the Council Procedure Rules, in respect of Questions and Motions on Notice that the Monitoring Officer may reject. However, at the meeting of the CRWG held on 10th April 2025, Members raised concerns that some of these restrictions could be viewed as subjective and therefore open to interpretation. The suggestion was therefore made by Members at this meeting that the rules needed to be strengthened in order to ensure that Questions and Motions on Notice considered at ordinary Council meetings focus on issues that the authority can influence and thereby make best use of Council resources.
- 3.15 In this context, the CRWG proposed amending the Council Procedure Rules to clarify that Questions and Motions on Notice would not be regarded as affecting the District of Bromsgrove if they:
- (a) Relate to national issues and would have no more effect on the District of Bromsgrove than on any other area; or
 - (b) Relate to actions or statements made by a body or individual connected with the District of Bromsgrove, but those actions or statements are not specifically related to the District.
- 3.16 It should be noted that amendment 3.15 (a) in particular did not receive unanimous support, although the majority of Members in attendance at the CRWG meeting were in support of the proposed change.
- 3.17 As part of the considerations in relation to 3.15 (a) it is expected that those issues that local government is responding to nationally will be picked up as appropriate by the District Council as business as usual and reported through the normal democratic processes for Members to engage with where relevant.

Annual Council 2025

14th May

- 3.18 In recognition of the fact that unanimity had not been reached in considering this proposed change, the CRWG agreed that these amendments should be implemented for a trial period. Subject to Council's agreement, this trial period will be in place for three consecutive ordinary Council meetings in 2025. At the end of the trial period, the CRWG has agreed to review the outcomes of the trial. The CRWG has also asked to view all the Motions on Notice that may have been rejected during the trial period when Members review the outcomes of the trial. The discussions at this meeting of the CRWG will inform any future recommendations made by the group on this subject.

Additional Issues Discussed by the CRWG

- 3.19 During the meeting of the CRWG held on 10th April 2025 there were other issues that were discussed that did not result in any recommendations to Annual Council.
- 3.20 This included consideration of the Motion on Notice that was submitted by Councillor R. Hunter for consideration at the Council meeting held on 19th February 2025 and which was referred, at the request of group leaders, to the CRWG for consideration. The Motion focused on the process and timing of the appointment of Chairmen of Committees at the Council, with the Motion having called for these appointments to be agreed at Annual Council.

4. FINANCIAL IMPLICATIONS

- 4.1 There are no specific financial implications.

5. LEGAL IMPLICATIONS

- 5.1 Review and revision of the Constitution is governed by Article 15 of the Constitution.
- 5.2 Section 101 of the Local Government Act 1972 (as amended) gives a general power to local authorities to discharge functions through officers. Local Authorities are required by the same Act to maintain a list of these, which is referred to as the Scheme of Delegation. This

Annual Council 2025

14th May

sets out those powers of the Council which can be carried out by officers of the Council.

- 5.3 Whilst the CRWG meets throughout the year to review the Council's constitution, the group does not have the authority to make changes to the constitution. Instead, any suggested changes are recommended on to Council for determination.

6. OTHER - IMPLICATIONS

Relevant Council Priority

- 6.1 The actions proposed in this report support the organisational priority of sustainability. It is important to ensure that the Council's constitution is reviewed on a regular basis so that the content remains up to date and enables the authority to operate efficiently and effectively.

Climate Change Implications

- 6.2 There are no specific climate change implications.

Equalities and Diversity Implications

- 6.3 There are no specific equalities and diversity implications.

7. RISK MANAGEMENT

- 7.1 The main risks associated with the details included in this report are failure to comply with governance requirements which may expose the Council to the risk of challenge by way of judicial review or which may result in awards of damages and costs against the Council and loss of reputation.

1. This Scheme of Delegation will be updated regularly. However:
 - a) any reference to specific legislation or to statutory provisions shall be deemed to refer to any relevant aspects of any successive legislation or statutory provisions;
 - b) reference to post holder shall be deemed to refer to any successor post holder(s) who is/are charged with the same responsibilities following any reorganisation or reallocation of functions, save that where there is any ambiguity as to who shall exercise a particular delegation of authority, the delegation shall refer to the higher-ranking officer(s). For the avoidance of doubt, successor post holder(s) include officers placed at the disposal of the Council under secondment arrangements pursuant to s113 of the Local Government Act 1972 or any other enactment or power.

Delegations to Committees and Sub-Committees

2. This Scheme of Delegation is not an exhaustive list of matters delegated to Committees and Sub-Committees. The Scheme of Delegation must be read in conjunction with the Terms of Reference for each Committee and Sub-Committee.

Delegations to Officers

3. All powers, duties and responsibilities appropriate and necessary for day to day operational activities shall be deemed to be delegated to the relevant Assistant Director with the responsibility for the discharge of that function or the exercise of that power unless otherwise specifically prescribed and shall include authority to incur normal revenue expenditure in the discharge of day to-day operational activities in accordance with Financial Regulations and where budgetary provision has been made unless the Cabinet or Section 151 Officer has placed a conditional approval on any such item. The Scheme of Delegations is not intended to be an exhaustive and complete list of delegations to officers.
4. Notwithstanding that functions are delegated to an officer, the relevant parent committee or other member body with decision-making powers will retain concurrent powers. An officer may decide not to exercise any function in relation to a particular matter and invite the relevant committee or member body with decision-making powers to do so instead.
5. Where an officer whose post is named under this Scheme is unable to act or is absent the powers delegated to him/her may be exercised by any officer authorised by him in writing or by any more senior officer in that officer's hierarchical line of management up to and including the Chief Executive except where this is not permitted in law or is subject to other qualification. Any delegation to the Chief Executive may in his/her

absence be exercised by the Executive Directors, Deputy Chief Executive, Monitoring Officer or Section 151 Officer as may be appropriate.

6. There are further delegations of powers which can be exercised by officers under Contract Procedure Rules.

Interpretation of the Scheme of Delegations

7. The Monitoring Officer shall be the final arbiter in relation to the interpretation and application of the Scheme.

1. RECOMMENDATIONS

Council is asked to RESOLVE that:-

- 1) for the ensuring Municipal Year, the Committees set out in the table in Appendix 1 of the report be appointed and that the representation of the different political groups on the Council on those Committees be as set out in that table until the next Annual Meeting of the Council, or until the next review of political representation under Section 15 of the Local Government and Housing Act 1989, whichever is the earlier.
- 2) Members be appointed to the Committees and as substitute members in accordance with nominations to be made by Group Leaders.
- 3) the terms of reference for the Boards and Committees as set out at Appendix 2 be confirmed.

2. BACKGROUND

- 2.1 The political balance is reported for Members' consideration at Annual Council meetings.

Council
2025

14th May

- 2.2 Further reports in respect of the political balance may be presented for Council's consideration during the municipal year should there be a change to the political composition of the authority.

3. OPERATIONAL ISSUES

- 3.1 The Council is required by law and/or its own Constitution to appoint various Boards and Committees, agree their terms of reference and to agree the allocation of seats which are subject to the rules of political proportionality. It must review the political balance on an annual basis.
- 3.2 The rules of political proportionality mean that the political balance of the Council needs to be reflected in the political composition of individual Boards and Committees. In addition, the total number of seats allocated to each group must reflect the political balance of the Council.
- 3.3 The proposed allocation of seats on each Board/Committee is done on a strict mathematical basis.
- 3.4 When the Council reviewed the constitution in June 2015, it agreed the principle of substitute members on the Planning and Licensing Committees undertaking the same training as the full members of the Committees. In order that such training can be run effectively by including all Councillors for whom it is most relevant, group leaders are asked to identify who will act as substitute members for the Licensing and Planning Committees for this municipal year.
- 3.5 For all other committees, substitutes will be notified to the Democratic Services Officers, as required, on the instruction of the Group concerned.
- 3.6 The Committee Terms of Reference, from Part 5 of the constitution, are reviewed each year at the Council meeting alongside the political balance. The current Committee terms of reference are attached at Appendix 2 for Members to confirm.
- 3.7 This Appendix does not include reference to the terms of reference for the Licensing Committee or the Licensing (Miscellaneous) Sub-Committees A and B. This is because the terms of reference for the Committee and those sub-committees have been reviewed and an amendment has been proposed, as detailed in a separate report to the Annual Council meeting concerning review of the Council's constitution. Members will be invited in that separate report to endorse those terms of reference.

4. FINANCIAL IMPLICATIONS

- 4.1 There are no specific financial implications.

5. LEGAL IMPLICATIONS

- 5.1 Sections 15 -17 of the Local Government and Housing Act 1989 place a duty on Councils to allocate the seats on certain committees in proportion to the size of the political groups on the Council.
- 5.2 The definition of a Political Group for these purposes is that it has a minimum of 2 members. The current composition of the Council is 11 Conservative group members, 7 Liberal Democrat group members, 6 Labour Group members, 5 Independent 2024 group members, and 2 non-aligned members.
- 5.3 A review of the political balance must take place as soon as is reasonably possible after a change occurs to the Council's political balance. Whilst there has been no change to the political balance since the figures were last reviewed in December 2024, there is also a requirement for the political balance to be reviewed at the Annual Council meeting.

6. OTHER - IMPLICATIONS

Relevant Strategic Purpose

- 6.1 A review of the Council's political balance is required at the Annual Council meeting. The review will help to ensure that the Council remains sustainable.

Climate Change Implications

- 6.2 There are no specific climate change implications.

Equalities and Diversity Implications

- 6.3 There are no specific equalities and diversity implications.

7. RISK MANAGEMENT

- 7.1 Given there is a legal duty on Councils to allocate the seats on certain Committees in proportion to the size of the political groups on the Council, Members do need to agree the political balance.

Council
2025

14th May

- 7.2 There is a risk that if a political balance is not agreed for the Council this could cause reputational damage.

Relevant Strategic Priority

- 5.1 The action proposed in this report supports the priority of sustainability.
- 5.2 Council reviews outside body appointments on an annual basis to ensure that those bodies to which the Council puts forward nominations continue to address the needs and aspirations of the District.

Climate Change Implications

- 5.3 There are no specific climate change implications.

6. OTHER IMPLICATIONS

Equalities and Diversity Implications

- 6.1 There are no specific equalities and diversity implications.

Operational Implications

- 6.2 A number of bodies ask the Council to make appointments to them for terms of office which vary from one year upwards.
- 6.3 The Council has previously agreed that a number of such appointments, usually to national or regional bodies, should be made by office. Where there are specific requirements for appointments these are shown against the organisations in the appendix.

7. RISK MANAGEMENT

- 7.1 There would be risks arising if the Council failed to make appointments to the Outside Bodies listed in this report; the nature of the risk would vary depending on the type of body in question. The Council needs to participate in certain Outside Bodies to ensure that existing governance arrangements can be complied with. On other bodies the risk would be less severe but non-participation would detract from the Council's ability to shape and influence policies and activities which affect the residents of Bromsgrove.

1. SUMMARY OF PROPOSALS

- 1.1 The Animal Welfare (Primate Licences) (England) Regulations 2024 were made in March 2024 and are due to take effect from 6 April 2025. The regulations introduce a new licensing regime for those that keep primates in England.
- 1.2 Under these regulations, the Council will be responsible for considering and determining applications for licences as well as undertaking compliance and enforcement activities.
- 1.3 This report has been prepared to provide the Licensing Committee with information on the background and details of the licensing regime that is coming into effect.

2. RECOMMENDATIONS

2.1 Members are asked to:

- i. **Note the contents of the report and the implications of the Animal Welfare (Primate Licences) (England) Regulations 2024 on the Council.**
- ii. **Recommend to Council that the Fees applicable to Primate Keeper Licences are set.**

3. KEY ISSUES

Summary

3.1 BACKGROUND TO THE REGULATIONS

- 3.2 The RSPCA estimates that there are up to 5000 primates that are owned

privately in Britain. The most commonly kept species are believed to be common marmosets, tamarins and squirrel monkeys.

- 3.3 Primates are highly intelligent, long-lived animals who form intricate social relationships with each other and experience emotions, and suffer, in a similar way to humans. Meeting the complex physical and behavioural needs of these wild animals in captivity is incredibly difficult and even modern zoos and research facilities, with all their resources and expertise, are still trying to overcome serious welfare problems.
- 3.4 Some of the consistent areas of concern for primates kept as pets that can cause serious suffering are:
 - Social isolation
 - Early weaning
 - Cramped and inappropriate housing
 - Poor diet
- 3.5 Animal welfare organisations, including the RSPCA and Born Free have campaigned for over 20 years to end the keeping of primates as pets.
- 3.6 At the 2019 general election, the Conservative, Labour and Liberal Democrat manifestos all contained commitments to ban the keeping of primates as pets.
- 3.7 Following the Conservative victory at the 2019 general election, a call for evidence was undertaken in which 98.7% of respondents expressed support for a ban on keeping, breeding, acquiring, gifting, selling or otherwise transferring primates, apart from to persons licensed to keep primates to zoo-level standards.
- 3.8 Measures to end the keeping of primates as pets were then included in the DEFRA “Action Plan for Animal Welfare” and formed part of the Animal Welfare (Kept Animals) Bill laid before Parliament. However the government took the decision in May 2023 to drop this bill amid concerns about “scope-creep.” The government announced that they would instead bring forward measures contained in the bill individually during the remainder of the Parliament.
- 3.9 In June 2023, DEFRA consulted again on making regulations under section 13 of the Animal Welfare Act 2006 to introduce a licensing regime and high standards of care and welfare for primates kept as pets.
- 3.10 On 5 March 2024, the Animal Welfare (Primate Licences) (England) Regulations 2024 were made under section 13 of the Animal Welfare Act 2006. This is the same primary legislation under which licensing regimes have previously been implemented for those involved in:

- Selling animals as pets
- Providing or arranging for the provision of boarding for cats or dogs
- Hiring out horses
- Breeding dogs
- Keeping or training animals for exhibition

3.11 THE ANIMAL WELFARE (PRIMATE LICENCES) (ENGLAND) REGULATIONS 2024

- 3.12 The Animal Welfare (Primate Licences) (England) Regulations 2024 will come into force in two phases on 6 April 2025 and 6 April 2026.
- 3.13 It will become an offence to keep a primate in England without a licence from 6 April 2026. The only exemptions to the requirement to hold a licence will be where the primates concerned are being kept in a licensed zoo or a place specified in a licence under section 2C of the Animals (Scientific Procedures) Act 1986.
- 3.14 Applications for licences can begin to be made from 6 April 2025 onwards. The licensing authority for the purposes of the regulations is the local authority in whose area the premises at which a primate is kept or is to be kept are situated.
- 3.15 An application may not be made by an individual who is under the age of 18 or who is disqualified from keeping primates under any of the following:
- section 34(2) of the Animal Welfare Act 2006
 - section 1 of the Protection of Animals (Amendment) Act 1954
 - section 40(1) of the Animal Health and Welfare (Scotland) Act 2006
 - section 33(1) of the Welfare of Animals Act (Northern Ireland) 2011
- 3.16 On receipt of an application for a licence, the local authority will be required to arrange for a suitable person to inspect the premises specified in the application to determine whether the licence conditions are likely to be met if the application were to be granted.
- 3.17 Following that inspection, if satisfied that the licence conditions are likely to be met, the local authority must grant the applicant a primate licence with effect from such date as it may determine. If the local authority is not satisfied that the licence conditions are likely to be met, it must refuse the application. Licences will normally be granted for a period of up to three years and then expire.
- 3.18 The licence conditions that must be met are set out in Schedule 1 of the regulations and will be supported by detailed guidance that will be given by the Secretary of State in accordance with regulation 20. The conditions will set high care and welfare standards similar to those that are required to be met when primates are kept in licensed zoos.

LICENSING COMMITTEE

24 March 2025

- 3.19 The regulations also contain provisions relating to inspections and enforcement. A local authority that has granted a primate licence may, during the licence period, arrange for a suitable person to inspect the premises specified in the licence to determine whether the licence conditions are being met and must do so at least once in that period unless the licence was granted for a period of less than one year.
- 3.20 It will be an offence for a licence holder to fail to comply with a licence condition. The offence carries a penalty of an unlimited fine. Local authorities will also have the power to serve a “rectification notice” as an alternative to prosecuting a licence holder who fails to comply with a licence condition.
- 3.21 A rectification notice must:
- state that the local authority considers that the holder of the licence is failing to meet a licence condition, and why;
 - specify the steps that the local authority considers that the holder of the licence needs to take to comply with the licence condition;
 - specify a period not exceeding two years in which those steps are to be taken (“the rectification period”);
- 3.22 Where a rectification notice has been given, the local authority cannot bring proceedings for non-compliance with any of the licence conditions identified in the notice before the end of the rectification period and if the required steps are taken during the rectification period, no proceedings can be brought subsequently for that non-compliance. The local authority may extend the rectification period, and may do so more than once, so long as the rectification period as extended does not exceed two years.
- 3.23 A local authority that has granted a primate licence may also revoke or vary the licence if the local authority is satisfied that the holder of the licence has failed to:
- comply with a licence condition;
 - allow access for an inspection;
 - pay a fee charged; or
 - take the steps specified in the rectification notice.
- 3.24 This reference to varying a primate licence means varying it by:
- reducing the number of any primates of any species that is authorised
 - to be kept under the licence; or
 - removing any species of primate specified in the licence
- 3.26 **PREPARATION AND NEXT STEPS**
- 3.27 Officers are currently preparing for the implementation of the regulations. A dedicated webpage has been created on the Council's website to provide information about the new licensing requirements. This webpage will continue

LICENSING COMMITTEE

to be developed as further information becomes available. The implementation of the licensing regime will also be publicised with the help of the Council's Communications Team.

- 3.28 An application form is being developed and proposed fees have been calculated as follows:

| | |
|--|---------|
| Application for the grant of a licence | £366.00 |
| Application for renewal of a licence | £300.00 |
| Application for variation of a licence | £267.00 |
| Inspections fees | £182.00 |

- 3.29 Back-office systems are also in the process of being updated to enable applications to be logged and processed and to enable licences to be issued.

- 3.30 Officers are also working to try and gather information and intelligence from relevant professionals and the public in order to try and identify any primates that are being kept in the Council's area and whose keepers will need to apply for a licence.

3.31 CONSULTATION

- 3.32 No consultation is required.

3.33 MONITORING

- 3.34 The Secretary of State may require a local authority to provide any of the following information to the Secretary of State:

- the number of primate licences in force in the authority's area;
- the number of primates by species in the authority's area kept under primate licences;
- the level of fees charged by the authority under the regulations;
- any other information relating to the discharge of the authority's functions under the regulations that the Secretary of State may reasonably require.

- 3.35 The Secretary of State may require any relevant information is provided within such period as they may reasonably require, which must be at least a period of one month from the date on which the information was requested.

4. FINANCIAL IMPLICATIONS

- 4.1 Local authorities can charge a fee in respect of any application relating to a primate licence and can also charge a fee in respect of any inspection which it must or may arrange under the regulations. Licence fees should be calculated based on cost recovery and will be reviewed annually to ensure they are set at the right level.

5. LEGAL IMPLICATIONS

- 5.1 The Animal Welfare (Primate Licences) (England) Regulations 2024 have been made under section 13 of the Animal Welfare Act 2006 and place powers and responsibilities on the Council in respect of the licensing of those that keep primates in their area.

6. RISK MANAGEMENT

- 6.1 Failure to implement the new licensing regime correctly would leave mean that the Council is not fulfilling its statutory obligations as the licensing authority for licences issued under the Animal Welfare (Primate Licences) (England) Regulations 2024.
- 6.2 Any primate being kept in the Council's area otherwise than in accordance with the prescribed licence conditions, may experience serious suffering as a result.

PRIMATE KEEPER LICENSING

The Interim Principal Licensing Officer, Worcestershire Regulatory Services (WRS) presented a report on the Primate Keeper Licensing; and in doing so informed the Committee that the Animal Welfare (Primate Licences) (England) Regulations 2024 were made in March 2024 and were due to take effect from 6 April 2025. The regulations introduced a new licensing regime for those that kept primates in England.

The Animal Welfare (Primate Licences) (England) Regulations 2024 was due to come into force in two phases on 6 April 2025 and 6 April 2026. Giving keepers of primates 12 months to get the required licence.

Under these regulations, the Council would be responsible for considering and determining applications for licences as well as undertaking compliance and enforcement activities.

The RSPCA estimated that there were up to 5000 primates that were owned privately in Britain. The most commonly kept species were believed to be common marmosets, tamarins and squirrel monkeys.

Primates were highly intelligent, long-lived animals who formed intricate social relationships with each other and experienced emotions, and suffered in a similar way to humans. Meeting the complex physical and

behavioural needs of these wild animals in captivity was incredibly difficult and even modern zoos and research facilities, with all of their resources and expertise, were still trying to overcome serious welfare problems.

Some of the consistent areas of concern for primates kept as pets that could cause serious suffering were:

- Social isolation
- Early weaning
- Cramped and inappropriate housing
- Poor diet

Animal welfare organisations, including the RSPCA and Born Free had campaigned for over 20 years to end the keeping of primates as pets.

At the 2019 general election, the Conservative, Labour and Liberal Democrat manifestos all contained commitments to ban the keeping of primates as pets.

Following the Conservative victory at the 2019 general election, a call for evidence was undertaken in which 98.7% of respondents expressed support for a ban on keeping, breeding, acquiring, gifting, selling or otherwise transferring primates, apart from persons licensed to keep primates to zoo-level standards.

Measures to end the keeping of primates as pets was then included in the DEFRA “Action Plan for Animal Welfare” and formed part of the Animal Welfare (Kept Animals) Bill laid before Parliament. However the government took the decision in May 2023 to drop this bill amid concerns about “scope-creep.” The government announced that they would instead bring forward measures contained in the bill individually during the remainder of the Parliament.

In June 2023, DEFRA consulted again on making regulations under section 13 of the Animal Welfare Act 2006 to introduce a licensing regime and high standards of care and welfare for primates kept as pets.

On 5 March 2024, the Animal Welfare (Primate Licences) (England) Regulations 2024 were made under section 13 of the Animal Welfare Act 2006. This was the same primary legislation under which licensing regimes had previously been implemented for those involved in:

- Selling animals as pets
- Providing or arranging for the provision of boarding for cats or dogs

- Hiring out horses
- Breeding dogs
- Keeping or training animals for exhibition

It would then become an offence to keep a primate in England without a licence from 6 April 2026. The only exemptions to the requirement to hold a licence would be where the primates concerned were being kept in a licensed zoo or a place specified in a licence under section 2C of the Animals (Scientific Procedures) Act 1986.

Applications for licences could be made from 6 April 2025 onwards. The licensing authority for the purposes of the regulations was the local authority in whose area the premises at which a primate was kept or was to be kept were situated.

On receipt of an application for a licence, the local authority would be required to arrange for a suitable person to inspect the premises specified in the application to determine whether the licence conditions were likely to be met if the application were to be granted.

The licence conditions that must be met were set out in Schedule 1 of the regulations and would be supported by detailed guidance that would be given by the Secretary of State in accordance with regulation 20. The conditions would set high care and welfare standards similar to those that were required to be met when primates were kept in licensed zoos.

The regulations also contained provisions relating to inspections and enforcement. A local authority who had granted a primate licence may, during the licence period, arrange for a suitable person to inspect the premises specified in the licence to determine whether the licence conditions were being met and must do so at least once in that period unless the licence was granted for a period of less than one year.

It would be an offence for a licence holder to fail to comply with a licence condition. The offence carried a penalty of an unlimited fine. Local authorities would also have the power to serve a 'rectification notice' as an alternative to prosecuting a licence holder who failed to comply with a licence condition.

A rectification notice must:

- state that the local authority considered that the holder of the licence was failing to meet a licence condition, and why;
- specify the steps that the local authority considered that the holder of the licence needed to take to comply with the licence condition;

- specify a period not exceeding two years in which those steps were to be taken (“the rectification period”).

Where a rectification notice was given, the local authority could not bring proceedings for non-compliance with any of the licence conditions identified in the notice before the end of the rectification period and if the required steps were taken during the rectification period, no proceedings could be brought subsequently for that non-compliance. The local authority may extend the rectification period, and may do so more than once, so long as the rectification period as extended did not exceed two years.

A local authority who had granted a primate licence may also revoke or vary the licence if the local authority was satisfied that the holder of the licence had failed to:

- comply with a licence condition;
- allow access for an inspection;
- pay a fee charged; or
- take the steps specified in the rectification notice.

This reference to varying a primate licence means varying it by:

- reducing the number of any primates of any species that was authorised
- to be kept under the licence; or
- removing any species of primate specified in the licence

Officers were currently preparing for the implementation of the regulations. A dedicated webpage had been created on the Council's website to provide information about the new licensing requirements. The webpage would continue to be developed as further information became available. The implementation of the licensing regime would also be publicised with the help of the Council's Communications Team.

An application form was currently being developed and proposed fees had been calculated as follows:

| | |
|--|---------|
| Application for the grant of a licence | £366.00 |
| Application for renewal of a licence | £300.00 |
| Application for variation of a licence | £267.00 |
| Inspections fees | £182.00 |

Back-office systems were also in the process of being updated to enable applications to be logged and processed and to enable licences to be issued.

Officers were also working to try and gather information and intelligence from relevant professionals and the public in order to try and identify any primates that were being kept in the Council's area and those keepers who needed to apply for a licence.

Members' attention was drawn to the Recommendations, as detailed on page 19 of the main agenda pack.

In response to questions from Members, the Council's Legal Advisor referred to page 23 of the main agenda pack, as follows:-

'The Secretary of State may require a local authority to provide any of the following information to the Secretary of State:

- the number of primate licences in force in the authority's area;
- the number of primates by species in the authority's area kept under primate licences;
- the level of fees charged by the authority under the regulations;
- any other information relating to the discharge of the authority's functions under the regulations that the Secretary of State may reasonably require.

The Secretary of State may require any relevant information is provided within such period as they may reasonably require, which must be at least a period of one month from the date on which the information was requested.'

In response to a further query, the Interim Principal Licensing Officer clarified that dependent on whether a 1 year, 2 year or 3 year licence was applied for, that a higher level of requirement would be needed for licences issued for a period longer than one year.

The Interim Principal Licensing Officer explained that she was not aware of any National Publicity Campaign on Primate Keeper Licensing. As detailed in the report, the RSPCA estimated that there were up to 5,000 primates owned privately in Britain. The number of primates kept in Worcestershire was unknown, however, WRS officers would use information gathered and intelligence.

WRS Licensing officers were fully trained under the Animal Welfare Act 2006, however, should the Guidance give responsibility to Licensing officers, then the Interim Principal Licensing officer would

check if officers needed to undergo additional training and any potential costs involved.

Officers responded to questions on:-

- Recovery of costs via licence fees if an animal licensing specialist was required.
- How the proposed licence fees were calculated.
- Noise nuisance from primates.
- Tracking and monitoring primates being sold, especially being sold illegally.

Members were further informed that WRS officers would liaise with the Council's Communications Team with regard to getting the message out on the new licencing regime for primate keepers.

The Interim Principal Licensing Officer further explained that WRS were often asked by Central Government for data on premises, gambling and taxi licences. However, officers were unsure if data on primate licensing would be requested or shared centrally.

Furthermore, the Licensing Authority would not be responsible for removing primate, the primate if removed, would be moved to a location that met the required statutory guidance.

Officers would provide guidance and educate people seeking compliance to keep primates, by giving assistance to people to ensure that they were complaint. With regard to prosecution, as detailed in the report, a rectification notice would initially be given requiring steps to be taken to comply with a licence.

Members questioned what would happen should a licence not be issued or Revoked, who would be responsible for the removal of any primates. The Interim Principal Licensing Officer stated that until the guidance was released this question could not be answered. It could be the Local Authority working in conjunction with animal specialists or other agencies responsibility such as the RSPCA.

RESOLVED that the contents of the report and the implications of the Animal Welfare (Primate Licences) (England) Regulations 2024 on the Council, be noted.

Budget Variances

BROMSGROVE DISTRICT COUNCIL

Cabinet

26th March 2025

- 3.3 The draft position is set out in the above table. As this is expenditure at Q3 it is important to note that, at this stage in the financial year there are a number of instances where annual expenditure or accruals may distort the profiling as reflected in the Q3 actual. The above profiles have assumed support services and grant are adjusted to budgetary levels and accruals are netted out of the figures.
- 3.4 Overall, the Council is currently forecasting a full year revenue underspend of £53k at Quarter 3. This compares to an overspend figure of £344k reported at Quarter 2 – a £397k improvement of the Council's position. The underspend is mainly due to the additional grants received. This position will continue to be reviewed particularly given the impact of the increasing costs linked to inflation and further updates will be provided to Councillors throughout 2024/25. This includes service projections as follows:

Business Transformation £164k overspend

Within Business Transformation & Organisational Development, ICT salaries are overspending by £330k which is offset by savings in Equalities of £24k on salaries, savings of £83k within Business Transformation due to salaries and shared service arrangements, savings of £35k in Corporate Training and £24k within HR.

Community and Housing GF Services £366k underspend

Within Community and Housing GF Services there is a projected underspend due to additional grants received £342k and additional Lifeline shared services £244k income offset by increased expenditure on Homelessness of £139k and Social Prescribing of £81k.

Corporate Services £365k underspend

There are a number of variances within Corporate Services:

- A saving of £678k following the release of a pay award provision offset by an overspend of £33k on external audit fees within Corporate Expenses
- An underspend of £49k on professional fees and charges in Treasury Management and Bank Fees
- An overspend of £269k due to council pension costs.
- An overspend of £20k on recruitment costs for the positions of Chief Executive and Executive Director Finance and Resources
- A £40k reduction of shared service income for Redditch Partnership (LSP)

BROMSGROVE DISTRICT COUNCIL

Cabinet

26th March 2025

Environmental Services £1,064k overspend

Within Environmental Services there are a number of variances as detailed below:

- Bromsgrove Domestic Waste Collection service is forecast to overspend by £742k due to additional staff and agency costs of £173k, vehicle hire of £250k and fleet maintenance of £319k.
- Bromsgrove Place Teams is forecast to overspend by £38k due to additional staff and agency costs of £70k, insurance £9k and an income shortfall of £14k on bulky waste.
- Car Parking is forecast to have reduced income of £136k income, consultancy fees of £72k, however utilities are underspending by £17k

Financial and Customer Services £307k overspend

Within Finance and Customer Services there are overspends in Finance due to agency staff amounting to £290k (we have had issues with recruitment in finance which is a national issue, and have had to complete 4 years accounts to deliver to the Government's Backstop dates and therefore we have higher agency staff costs as a result of this) together with £17k in unachieved efficiency savings within Customer Services.

Legal, Democratic and Property Services £560k underspend

Legal, Democratic and Property Services are forecast to underspend £560k due to additional elections income of £313k and salary savings of £221k in Legal due to vacancies. Democratic Services are showing a small underspend of £14k due to staff vacancies. There is also a small underspend of £12k on utilities in the Parkside building.

Planning, Regeneration and Leisure Services £496k overspend

Within Planning, Regeneration and Leisure Services there are a number of variances:

- Development Management is forecast to overspend budget at £459k due to a shortfall in Planning Application income of £186k, (it was assumed that central Government changes to planning fees nationally would have a bigger positive impact on income. An extra £145k income was anticipated that has not been achieved) £97k on agency fees due to staffing shortage and £176k on professional fees, This £176k overspend includes unavoidable costs for running of service, for example subscriptions to online resources, archaeology/archive support from County Council. Also, Legal costs, including some legacy work

BROMSGROVE DISTRICT COUNCIL

Cabinet

involved in significant enforcement work and legal advice, as well as costs for providing enforcement function prior to July 2024. Other costs are for consultants' advice, some of which is off set via a cost recovery activity.

- Sports Development is overspending by £37k due to agency costs, however expected Income of around £27k is to be moved from Redditch to Bromsgrove to offset some of this spend.

Regulatory Client £183k overspend

Within Regulatory Client, there is an overspend due to Envirocrime and Planning Enforcement (£154k). This overspend has been rectified in Q4 by actioning virements from Planning and Environment Services which will move the overspend to those services as agreed by Council. There is also a projected shortfall in taxi licensing income (£29k).

- 3.5 The above overspends (£1.349m) are offset by additional income (£0.977m) in Corporate Financing from additional grant income together with increased investment interest receivable and lower interest payable.

3.6 Cash Management

Borrowing

- As of the 31st December 2024, there was no short-term borrowings. The Council has no long-term borrowings.

Investments

- On 31st December 2024 there were £6.0m short-term investments held.

Capital Monitoring

- 3.7 A capital programme of £7.1m was approved in the Budget for 2024/25 in April 2024. This has been fully reviewed as part of the MTFP using actual data as at the end of December 2023. The table below and detail in **Appendix A** set out the Capital Programme schemes that are approved for the MTFP time horizon.
- 3.8 Many of these schemes are already in partial delivery in the 2024/25 financial year. By approving this list, the Council also agreed sums not spent in 2023/24 (and 2022/23 by default if schemes originated earlier than 2023/24 as sums have been carried forward through to the 2023/24 MTFS Report) to be carried forward into 2024/25. The table also splits amounts by funding source, Council or third party.

| Year | Total Programme | Council Funded | Grant Funded |
|--------|-----------------|----------------|--------------|
| 2024/5 | 7,069,671 | 4,334,500 | 2,735,171 |
| 2025/6 | 4,516,377 | 3,716,377 | 800,000 |

| 2027/8 | 6,658,000 | 5,858,000 | 800,000 |
| 2028/9 | 1,879,000 | 1,079,000 | 800,000 |

3.9 Included in this funding the Council also have the following Grant Funded Schemes which are being delivered in 2024/25:

- The two Levelling Up schemes – Old Fire Station and Market Hall which are funded via £14.5m of Government Funding, and the Council is funding £1.6m of works.
 - For the Market Hall Scheme
 - Construction is progressing on site. Piling is completed and groundworks are underway. Kier have submitted an initial claim which includes work clearing ground obstructions. The Arcadis Quantity Surveyor has reviewed this and considers their claim reasonable. The costs are covered by contingency and provisional sums so there is no increase to the budget. It is expected that now Kier are almost out of the ground, some of the provisional sums can be reallocated.
 - Arcadis have been appointed as employer's agent and Quantity Surveyor for RIBA Stage 5 of the project.
 - GJS Dillon have been appointed to develop the marketing strategy for the commercial building and will manage letting enquiries
 - For the Windsor Street Scheme
 - The site has been demolished and fencing is securing the site.
 - Soilfix are on site carrying out remediation work including testing two zones for contaminated material.
 - The Site Investigation indicated Zone 2 had the highest concentrations of PFAS, and they had excavated below the depth initially identified by Brownfield as the potential contamination layer (into the underlying sands). This means there is a possibility that the resampling may produce additional failures.
 - Thomas Lister have been appointed to support with the development appraisal that will inform the options paper.
- Public Realm work will be fully completed before the end of the calendar year.

3.10 It is still expected that there will be an overspend position on the overall projects of circa £1.1m although there is scope to bring this down by £300-£500k. To mitigate this position the Council can either fund through debt financing or use other potential funding routes.

BROMSGROVE DISTRICT COUNCIL

Cabinet

26th March 2025

- 3.11 One of these is the former GBSLEP. The Council can claim up to £2.45m although this will require the final costs as a complete application process needs to be followed. Birmingham City Council have informed all Councils wanting to access money from GBSLEP fund in 2025/26 that funds will not be available until the 2026/2027 financial year. Therefore, BDC may have to use short term borrowing until the funding is available.
- 3.12 Although the Council cannot access GBSLEP funds until the 2026/27 financial year, the sum of £2.45m is ringfenced for Bromsgrove District Council subject to the development and approval of a full business case.
- 3.13 It is proposed, given the fact that the Council will cease to exist due to Local Government Reorganisation in April 2028 and that to access funds that the Council required a fully compliant business case, that a business case is submitted for the Market Hall project to cover Council side costs, including the original 10% match funding investment to ensure that the Council use these funds before it ceases to exist. This will ensure that the full £2.45m will be drawn down. It is unlikely that there will be time to deliver another scheme and associated business case within these timescales. If funding is not used in this way the Council will need to finance this spending by the use of debt.
- 3.14 UK Shared Prosperity Schemes totalling £2.8m (although it should be noted that these grants funded schemes are a mix of capital and revenue) need to be completely spend by the end of the 2024/5 financial year.
- 3.15 The outturn spend is £2.284m against a capital budget totalling £7.069m and is detailed in **Appendix A**. It should be noted that as per the budget decision carry forwards of £7.166m will be rolled forward from 2023/24 into 2024/25 to take account of slippage from 2023/24.

Earmarked Reserves

- 3.16 The updated position, taking account of the now submitted draft accounts for 2020/21, 2021/22, 2022/23 and 2023/24 are set out in **Appendix B**. As part of the MTFP all reserves were thoroughly reviewed for their requirement and additional reserves set up as per that report. At the 31st December 2028, based on the present MTFP that was approved by Council on the 19th February, the Council holds £12.873m of General Fund Reserves.
- 3.17 The application from Earmarked Reserves for the use of £40,000 on a Poverty Truth Commission (PTC) in Bromsgrove District, requested in the Q2 monitoring was rejected as part of the MTFP process. Earmarked Reserves are at £9.534m

Ward Budgets

- 3.18 This report is the second quarterly report to show what has been spent to date on Ward budgets. Each Ward Member has £2,000 to spend on Ward Initiatives subject to the

- 3.19 There has been the request from Audit Committee that the Council include Balance Sheet Monitoring as part of this report.
- 3.20 This initial balance sheet reporting is set out as the Q3 Treasury Report which is attached as **Appendix D**. This report sets out the Council's debt and borrowing position for Q3 2024/25. Included in this is how the Council is using its working capital as well as measurement of the Council's Prudential Indicators, this appendix will need to be noted and approved that Council note the position

Procurement Pipeline

- 3.21 The Procurement pipeline is shown in **Appendix E**. The Council's Procurement Pipeline includes details of contracts expected to be reprocured and new procurement projects expected to be undertaken in the future. Those happening in the next 12 months and over £200k will need to be put on the Forward Plan. The pipeline is refreshed quarterly.
- There are 17 contracts between the old threshold of £50k and the new threshold of £200k.
 - There are 10 contracts that are over the key decision threshold of £200k
 - There are 4 contracts procured by Redditch Bromsgrove on behalf of Bromsgrove.

Appendix D - Treasury Management Position

1. SUMMARY

The purpose of this report is to set out a third quarterly update on the Council's Capital and Treasury Management Strategies, including all prudential indicators.

2. RECOMMENDATIONS

Cabinet are asked to:

- Note the Council's Treasury performance for Q3 of the financial year 24/25.
- Note the position in relation to the Council's Prudential indicators.

3. BACKGROUND

Introduction

- 3.1 The Authority has adopted the Chartered Institute of Public Finance and Accountancy's *Treasury Management in the Public Services: Code of Practice* (the CIPFA Code) which requires the Authority to approve, as a minimum, treasury management semi-annual and annual outturn reports.
- 3.2 This third quarterly report provides an additional update and includes the requirement in the 2021 Code of quarterly reporting of the treasury management prudential indicators. The non-treasury prudential indicators are incorporated in the Authority's normal quarterly revenue report.

External Context

- 3.3 **Economic background:** The Chancellor of the Exchequer delivered her Autumn Budget at the end of October. Based on the plans announced, the Office for Budget Responsibility reported they would provide a short-term boost to GDP growth before weakening it further out and push inflation higher over the medium-term. This change to the economic and inflation outlook caused financial markets to readjust expectations of Bank of England (BoE) Bank Rate and gilt yields higher. The council's treasury management advisor, Arlingclose, also revised its interest rate forecast upwards in November, with Bank Rate expected to eventually fall to 3.75%.
- 3.4 UK annual Consumer Price Index (CPI) inflation remained above the Bank of England (BoE) 2% target in the later part of the period. The Office for National Statistics (ONS) reported headline consumer prices rose 2.6% in November 2024, up from 2.3% in the previous month and in line with expectations. Core CPI also rose, but by more than

Cabinet

26th March 2025

expected, and remained elevated at 3.6% in November against a forecast of 3.5% and compared to 3.3% in the previous month.

- 3.5 UK economy GDP registered no growth (0.0%) between July and September 2024 and 0.4% between April and June 2024, a further downward revision from the 0.5% rate previously reported by the ONS. Of the monthly GDP figures, the economy was estimated to have contracted by 0.1% in October, following the same size decline in September.
- 3.6 The labour market continued to loosen, but the ONS data still require treating with some caution. Recent figures reported the unemployment rate rose to 4.3% (3mth/year) in the three months to October 2024 and economic inactivity fell to 21.7%. The ONS reported pay growth over the same three-month period at 5.2% for both regular earnings (excluding bonuses) and for total earnings.
- 3.7 The BoE's Monetary Policy Committee (MPC) held Bank Rate at 4.75% at its December 2024 meeting, having reduced it to that level in November and following a previous 25bp cut from the 5.25% peak at the August MPC meeting (5-4 vote to cut). At the December meeting, six Committee members voted to maintain Bank Rate at 4.75% while three members preferred to reduce it to 4.50%. The meeting minutes suggested a reasonably dovish tilt to rates with the outlook for economic growth a concern among policymakers as the Bank downgraded its Q4 GDP forecast from 0.3% to 0.0%.
- 3.8 The November Monetary Policy Report (MPR) showed the BoE expected GDP growth to pick up to around 1.75% (four-quarter GDP) in the early period of the forecast horizon before falling back. The impact from the government's Autumn Budget pushed GDP higher in 2025 than was expected in the August MPR, before becoming weaker. The outlook for CPI inflation showed it rising above the MPC's 2% target from 2024 into 2025 and reaching around 2.75% by the middle of calendar 2025. Over the medium-term, once the near-term pressures eased, inflation was expected to stabilise around the 2% target. The unemployment rate was expected to increase modestly, rising to around 4.5%, the assumed medium-term equilibrium unemployment rate, by the end of the forecast horizon.
- 3.9 Arlingclose, the authority's treasury adviser, maintained its central view that Bank Rate would continue to fall from the 5.25% peak. From the first cut in August 2024, followed by the next in November which took Bank Rate to 4.75%, February 2025 is deemed the likely month for the next reduction, with other cuts following steadily in line with MPR months to take Bank Rate down to around 3.75% by the end of 2025.
- 3.10 The US Federal Reserve continued cutting interest rates during the period, reducing the Fed Funds Rate by 0.25% at its December 2024 monetary policy meeting to a range of 4.25%-4.50%, marking the third consecutive reduction. Further interest rate cuts are expected into 2025, but uncertainties around the potential inflationary impact of President-elect Trump's policies may muddy the waters in terms of the pace and magnitude of further

Cabinet

26th March 2025

rate reductions. Moreover, the US economy continues to expand at a decent pace, suggesting that monetary policy may need to remain more restrictive in the coming months than had previously been anticipated.

- 3.11 The European Central Bank (ECB) also continued its rate cutting cycle, reducing its three key policy rates by 0.25% in December. Euro zone inflation rose above the ECB 2% target in November 2024, hitting 2.2% as was widely expected and a further increase from 2% in the previous month. Inflation is expected to rise further in the short term, but then fall back towards the 2% target during 2025, with the ECB remaining committed to maintaining rates at levels consistent with bringing inflation to target, but without suggesting a specific path.
- 3.12 **Financial markets:** Financial market sentiment was generally positive over the period, but economic, financial and geopolitical issues meant the ongoing trend of bond yield volatility very much remained. In the last few months of the period, there was a general rising trend in yields due to upwardly revised interest rate and inflation expectations, causing gilt yields to end the period at substantially higher levels to where they began.
- 3.13 Over the period, the 10-year UK benchmark gilt yield started at 3.94% and ended at a high of 4.57%, having reached a low of 3.76% in mid-September. While the 20-year gilt started at 4.40%, ended at a high of at 5.08% and hit a low of 4.27% in mid-September. The Sterling Overnight Rate (SONIA) averaged 5.01% over the period to 31st December.
- 3.14 **Credit review:** In October, Arlingclose revised its advised recommended maximum unsecured duration limit on most banks on its counterparty list to six months. Duration advice for the remaining five institutions, including the newly added Lloyds Bank Corporate Markets, was kept to a maximum of 100 days.
- 3.15 Fitch revised the outlooks on Royal Bank of Scotland, NatWest Markets PLC, and National Westminster Bank to positive from stable, while affirming their long-term ratings at A+.
- 3.16 Moody's upgraded the ratings on National Bank of Canada to Aa2 from Aa3, having previously had the entity on Rating Watch for a possible upgrade. Moody's also upgraded the ratings on The Co-operative Bank to A3 (from Baa3) and downgraded the ratings on Coventry Building Society to A3 (from A2) and Canada's Toronto-Dominion Bank to Aa2 (from Aa1).
- 3.17 S&P also downgraded Toronto-Dominion Bank, to A+ from AA-, but kept the outlook at stable.
- 3.18 Credit default swap prices were generally lower at the end of the period compared to the beginning for the vast majority of the names on UK and non-UK lists. Price volatility over the period also remained generally more muted compared to previous periods.

Cabinet

26th March 2025

- 3.19 Financial market volatility is expected to remain a feature, at least in the near term and, credit default swap levels will be monitored for signs of ongoing credit stress. As ever, the institutions and durations on the Authority's counterparty list recommended by Arlingclose remain under constant review.

Local Context

- 3.20 On 31st March 2024, the Authority had net borrowing of £10.67m arising from its revenue and capital income and expenditure. The underlying need to borrow for capital purposes is measured by the Capital Financing Requirement (CFR), while balance sheet resources are the underlying resources available for investment. These factors are summarised in Table 1 below.

Borrowing Strategy and Activity

- 3.22 As outlined in the treasury strategy, the Authority's chief objective when borrowing has been to strike an appropriate risk balance between securing lower interest costs and achieving cost certainty over the period for which funds are required, with flexibility to renegotiate loans should the Authority's long-term plans change being a secondary objective. The Authority's borrowing strategy continues to address the key issue of affordability without compromising the longer-term stability of the debt portfolio. During the period short term interest rates have been higher than long term interest rates.
- 3.23 After substantial rises in interest rates since 2021 many central banks have now begun to reduce their policy rates, albeit slowly. Gilt yields were volatile but have increased overall during the period. Much of the increase has been in response to market concerns that policies introduced by the Labour government will be inflationary and lead to higher levels of government borrowing. The election of Donald Trump in the US in November is also expected to lead to inflationary trade policies.
- 3.24 The PWLB certainty rate for 10-year maturity loans was 4.80% at the beginning of the period and 5.40% at the end. The lowest available 10-year maturity rate was 4.52% and

BROMSGROVE DISTRICT COUNCIL

Cabinet

26th March 2025

the highest was 5.44%. Rates for 20-year maturity loans ranged from 5.01% to 5.87% during the period, and 50-year maturity loans from 4.88% to 5.69%.

- 3.25 Whilst the cost of short-term borrowing from other local authorities spiked to around 7% in late March 2024, primarily due a dearth of LA-LA lending/borrowing activity during that month, as expected shorter-term rates reverted to a more market-consistent range and were generally around 5.00% - 5.5%. Rising rates were seen towards the end of the period in the LA-LA market.
- 3.26 CIPFA's 2021 Prudential Code is clear that local authorities must not borrow to invest primarily for financial return and that it is not prudent for local authorities to make any investment or spending decision that will increase the capital financing requirement and so may lead to new borrowing, unless directly and primarily related to the functions of the Authority. PWLB loans are no longer available to local authorities planning to buy investment assets primarily for yield unless these loans are for refinancing purposes. The Authority has no new plans to borrow to invest primarily for financial return.
- 3.27 **Loans Portfolio:** At 30th December the Authority held no loans.

Treasury Investment Activity

- 3.28 The CIPFA Treasury Management in the Public Services Code of Practice and Cross-Sectoral Guidance Notes (revised in 2021) defines treasury management investments as investments that arise from the organisation's cash flows or treasury risk management activity that ultimately represents balances that need to be invested until the cash is required for use in the course of business.

Agenda Item 16a

BROMSGROVE DISTRICT COUNCIL

Cabinet

26th March 2025

- 3.29 The Authority does not hold any invested funds, representing income received in advance of expenditure plus balances and reserves held. During the period, the Authority's investment balances ranged between £1.0 and £10.5 million due to timing differences between income and expenditure. The investment position is shown in table 4 below.

Table 4: Treasury Investment Position

| | 31.3.24 Balance £m | Net Movement £m | 31.12.24 Balance £m | 31.12.24 Income Return % | 31.12.24 Weighted Average Maturity days |
|-------------------|--------------------------|-----------------------|---------------------------|-----------------------------------|---|
| Total investments | 0.0 | 6.0 | 6.0 | | |

- 3.30 Both the CIPFA Code and government guidance require the Authority to invest its funds prudently, and to have regard to the security and liquidity of its treasury investments before seeking the optimum rate of return, or yield. The Authority's objective when investing money is to strike an appropriate balance between risk and return, minimising the risk of incurring losses from defaults and the risk of receiving unsuitably low investment income.
- 3.31 As demonstrated by the liability benchmark in this report, the Authority expects to be a long-term investor and treasury investments therefore include both short-term low risk instruments to manage day-to-day cash flows and longer-term instruments where limited additional risk is accepted in return for higher investment income to support local public services.
- 3.32 Bank Rate reduced from 5.25% to 5.00% in August 2024 and again to 4.75% in November 2024 with short term interest rates largely being around these levels. The rates on DMADF deposits and money market rates ranged between 4.94% and 4.70%.

Non-Treasury Investments

- 3.33 The definition of investments in the Treasury Management Code now covers all the financial assets of the Authority as well as other non-financial assets which the Authority holds primarily for financial return. Investments that do not meet the definition of treasury management investments (i.e. management of surplus cash) are categorised as either for service purposes (made explicitly to further service objectives) and or for commercial purposes (made primarily for financial return).

Cabinet

26th March 2025

- 3.34 Investment Guidance issued by the Department for Levelling Up Housing and Communities (DLUHC) and Welsh Government also includes within the definition of investments all such assets held partially or wholly for financial return.

Treasury Performance

- 3.35 The Authority measures the financial performance of its treasury management activities both in terms of its impact on the revenue budget and its relationship to benchmark interest rates, as shown in table 5 below.

Table 5: Performance

| | Actual £m | Budget £m | Over/ under | Actual % | Benchmark % | Over/ under |

| | | | | n/a | n/a | n/a |

MRP Regulations

- 3.36 On 10th April 2024 amended legislation and revised statutory guidance were published on Minimum Revenue Provision (MRP). The majority of the changes take effect from the 2025/26 financial year, although there is a requirement that for capital loans given on or after 7th May 2024 sufficient MRP must be charged so that the outstanding Capital Financing Requirement (CFR) in respect of the loan is no higher than the principal outstanding less the Expected Credit Loss (ECL) charge for that loan.
- 3.37 The regulations also require that local authorities cannot exclude any amount of their CFR from their MRP calculation unless by an exception set out in law. Capital receipts cannot be used to directly replace, in whole or part, the prudent charge to revenue for MRP (there are specific exceptions for capital loans and leased assets).

Compliance

- 3.38 The Director of Resources and Section 151 officer reports that all treasury management activities undertaken during the period complied fully with the principles in the Treasury Management Code and the Authority's approved Treasury Management Strategy. Compliance with specific investment limits is demonstrated in table 6 below.

- 3.39 Compliance with the Authorised Limit and Operational Boundary for external debt is demonstrated in table 7 below.

- 3.40 Since the operational boundary is a management tool for in-year monitoring it is not significant if the operational boundary is breached on occasions due to variations in cash flow, and this is not counted as a compliance failure

Treasury Management Prudential Indicators

- 3.41 As required by the 2021 CIPFA Treasury Management Code, the Authority monitors and measures the following treasury management prudential indicators.

Cabinet

26th March 2025

Liability Benchmark

- 3.42 This indicator compares the Authority's actual existing borrowing against a liability benchmark that has been calculated to show the lowest risk level of borrowing. The liability benchmark is an important tool to help establish whether the Council is likely to be a long-term borrower or long-term investor in the future, and so shape its strategic focus and decision making. It represents an estimate of the cumulative amount of external borrowing the Council must hold to fund its current capital and revenue plans while keeping treasury investments at the minimum level of £2m required to manage day-to-day cash flow.

| | 31.3.24 Actual | 31.3.25 Forecast | 31.3.26 Forecast | 31.3.27 Forecast |
|-------------------------------|-------------------|---------------------|---------------------|---------------------|
| Loans CFR | 38.6 | 42.7 | 45.4 | 47.7 |
| Less: Balance sheet resources | -20.5 | -20.3 | -20.2 | -20.2 |
| Net loans requirement | 18.1 | 22.4 | 25.2 | 27.5 |
| Plus: Liquidity allowance | 0.2 | 0.2 | 0.2 | 0.2 |
| Liability benchmark | 18.3 | 22.6 | 25.4 | 27.7 |
| Existing borrowing | 0 | 0 | 0 | 0 |

- 3.43 Following on from the medium-term forecast above, the long-term liability benchmark assumes capital expenditure funded by borrowing of £0m, minimum revenue provision on new capital expenditure based on a 40 year asset life and income, expenditure and reserves all increasing by inflation of 2.0% p.a. This is shown in the chart below together with the maturity profile of the Authority's existing borrowing. Presently borrowing has been delivered through the use of internal resources and the Council has no long term borrowing.

Maturity Structure of Borrowing

- 3.44 This indicator is set to control the Authority's exposure to refinancing risk. The upper and lower limits on the maturity structure of all borrowing were:

BROMSGROVE DISTRICT COUNCIL

Cabinet

| | Upper Limit | Lower Limit | 31.12.24 Actual | Complied? |
|--------------------------------|-------------|-------------|-----------------|-----------|
| Under 12 months | 50% | 0% | 0% | Yes |

| 5 years and within 10 years | 50% | 0% | 0% | Yes |
| 10 years and above | 100% | 0% | 0% | Yes |

- 3.45 Time periods start on the first day of each financial year. The maturity date of borrowing is the earliest date on which the lender can demand repayment.

Long-term Treasury Management Investments

- 3.46 The purpose of this indicator is to control the Authority's exposure to the risk of incurring losses by seeking early repayment of its investments. The prudential limits on the long-term treasury management limits are:

| | 2024/25 | 2025/26 | 2026/27 | No fixed date |
|---|---------|---------|---------|---------------|
| Limit on principal invested beyond year end | £0.5m | £0.5m | £0.5m | £0.5m |
| Actual principal invested beyond year end | Nil | Nil | Nil | Nil |
| Complied? | Yes | Yes | Yes | Yes |

- 3.47 Long-term investments with no fixed maturity date include strategic pooled funds, real estate investment trusts and directly held equity but exclude money market funds and bank accounts with no fixed maturity date as these are considered short-term.

Additional indicators

Security:

- 3.48 The Authority has adopted a voluntary measure of its exposure to credit risk by monitoring the value-weighted average credit rating of its investment portfolio. This is calculated by applying a score to each investment (AAA=1, AA+=2, etc.) and taking the arithmetic

BROMSGROVE DISTRICT COUNCIL

Cabinet

average, weighted by the size of each investment. Unrated investments are assigned a score based on their perceived risk.

| | 2024/25 Target | 31.12.24 Actual | Complied? |
|---------------------------------|-------------------|--------------------|-----------|
| Portfolio average credit rating | A | UK Govt | Yes |

Liquidity:

- 3.49 The Authority has adopted a voluntary measure of its exposure to liquidity risk by monitoring the amount of cash available to meet unexpected payments within a rolling three-month period, without additional borrowing.

| | 31.12.24 Actual | 2024/25 Target | Complied? |
|--|--------------------|-------------------|-----------|
| Total cash available within 3 months | £6.0m | Nil | Yes |
| Total sum borrowed in past 3 months without prior notice | Nil | Nil | Yes |

Interest Rate Exposures:

- 3.50 This indicator is set to control the Authority's exposure to interest rate risk.

4. IMPLICATIONS

Legal Implications

- 4.1 A number of statutes governing the provision of services covered by this report contain express powers or duties to charge for services. Where an express power to charge does not exist the Council has the power under Section 111 of the Local Government Act 1972 to charge where the activity is incidental or conducive to or calculated to facilitate the Councils statutory function.

Service / Operational Implications

- 4.2 Monitoring is undertaken to ensure that income targets are achieved, with Treasury Management activities taking place on a daily basis.

Customer / Equalities and Diversity Implications

- 4.3 The only impact of treasury transactions is in respect of ethical investment linked to the Councils investment counterparties. Presently the Council has a limited counterparty list based on financial risk to the Authority.

5. RISK MANAGEMENT

- 5.1 There is always significant risk in relation to treasury transactions, this is why Councils appoint Treasury advisors, which in the case of Bromsgrove is Arlingclose. In addition, there is the requirement in this area to provide an Annual Strategy report containing indicators/limits that must be met, a quarterly update and closure report all of which must be reported to full Council.

1. Introduction

We are committed to reviewing performance reporting and key measures; as this is part of continuous improvement to ensure accountability, transparency, and effectiveness in delivering services to the community.

The Council Plan 2024-27 has been adopted, which identifies priorities and key projects, and contains a suite of measures to assess delivery of against these, which be the foundation for performance reporting going forward. These measures and the associated data collection requirements are currently under development; where appropriate, they have been included in this report.

| Comment: | <p>Since June 2024 WRS have taken over the enforcement side of Fly-tipping. The process of dove-tailing the clean-up works carried out by BDC Place teams with the investigation side led by WRS has taken a few months to bed in. This was primarily because of the wide rural nature of Bromsgrove District and the volume and nature of some of the fly-tips encountered in these areas.</p> <p>The good news is that most fly-tips of interest are now assessed by WRS and then released for collection by Bromsgrove Place team within 48 Hours. WRS are moving forward with several cases in the Bromsgrove area that should eventually lead to prosecution that will then be utilised in communications to try and vastly reduce the incidents across the District.</p> | | | | | | | | | | | | | | | | | | | | | | | | | | |

| Comment: | Act On Energy's activity for Q3 highlights the continued impact of the service on residents in Bromsgrove. In October, November and December, AOE received 320 calls for help, significantly higher than the same period in the previous year. These calls resulted in numerous residents accessing support and funding help with their energy bills, including those funded by the Household Support Fund, ECO4, and Shared Prosperity Funding. Notably, the Household Support Fund remains the primary source of project funding in Bromsgrove with 1 in 5 calls resulting in residents being referred onto the HSF. |

| Comment: | There has been a change in how the rolling period is calculated. This was previously assessed over the preceding 2 years, however in December 2024 this changed to being assessed over the preceding 12-month period. This means that the numbers of applications involved is reduced and thus when an application goes out of time it has more statistical impact. The Government target remains the same at 70%. Performance for the rolling 1 year period has marginally improved, as more applications determined in the last 12 months have been determined in time or with an extension of time, as a result performance is now 88.05%. | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

| Comment: | <p>Our speed of processing figures for new claims and change of circumstances stay at a consistent level, on average 17 days for new claims and 8 days for change of circumstances. DWP averages across the country for Q2 were New Claims 21 and Change of Circumstances 8 (there is always a delay in published figures) we are therefore performing at a high level. The quarterly calls that we undertake with DWP are always of a complimentary nature and they express no concerns in any areas of our work.</p> |

| Comment: | <p>The LA error levels are projected up to the end of the year, the levels for 24/25 are expected to be the lowest they have been over recent years. This is due to two main factors, increased quality checking on Housing Benefit claims, thus ensuring the correct benefit gets to the resident the first time. And the continuation of the DWP Housing Benefit Accuracy Award scheme (HBAA) where LA's are required to review percentages of their caseload each year, therefore cleansing the data and the caseload.</p> |

| Measure: | % of media enquiries responded to within agreed timescales |
| Performance: | 100% (new measure) |
| Comment: | <p>The team has a media mailbox feature on Outlook which means that all enquiries from the media come to all officers. The query is then allocated by the manager if not picked up by member of the team who would alert colleagues in the Teams chat that it is in hand. Once completed, if necessary, the comment is shared with the team, again in the Teams chat in case a similar query is made. This ensures all media queries are dealt with. We further bolster with by regularly reminding media contacts to use the media mailbox address, so queries are not sent to individuals increasing the potential to be missed due to leave, meetings or a busy work schedule.</p> |

BROMSGROVE DISTRICT COUNCIL

MEETING OF THE CABINET

WEDNESDAY 19TH FEBRUARY 2025, AT 1.00 P.M.

PRESENT: Councillors K.J. May (Leader), S. J. Baxter (Deputy Leader),
B. McEldowney, K. Taylor, S. A. Webb and P. J. Whittaker

Observers: Councillor P. M. McDonald – Chairman of the
Overview and Scrutiny Board

Officers: Mrs. S. Hanley, Mr P. Carpenter, Mr. G. Revans,
Mrs. R. Bamford, Mr. M. Dunphy and Mrs J. Gresham

72/24 **TO RECEIVE APOLOGIES FOR ABSENCE**

Apologies for absence were received from Councillor S. Colella.

73/24 **DECLARATIONS OF INTEREST**

There were no Declarations of Interest.

74/24 **TO CONSIDER A VERBAL UPDATE ON THE MEETINGS OF THE
OVERVIEW AND SCRUTINY BOARD DUE TO TAKE PLACE ON 17TH
FEBRUARY 2025 AND FINANCE AND BUDGET WORKING GROUP
DUE TO TAKE PLACE ON 18TH FEBRUARY 2025.**

The Leader invited Councillor P. McDonald in his capacity as Chairman of the Overview and Scrutiny Board to provide a verbal update following the meetings of the Overview and Scrutiny Board held on 17th February 2025 and Finance and Budget Working Group held on 18th February 2025.

In doing so, Cabinet was informed the Board had pre-scrutinised the Local Development Scheme report due to be considered at this meeting, however there had been no recommendations made as a result of this pre-scrutiny.

It was confirmed however, that following detailed scrutiny of the Poverty Truth Commission (PTC) at several Finance and Budget Working Group meetings, Members felt that funding for the PTC should not be allocated as part of the Medium-Term Financial Plan 2025 – 2026 to 2027 – 2028. It was discussed that some of the areas which the PTC covered such as

working with young people, were also dealt with by other organisations, that provided a similar service. Therefore, to allocate £40,000 to the project would not provide value for money for the residents of Bromsgrove. It was also stated that as a new Local Government structure was currently in the process of being decided upon, providing funding at this time would not be appropriate.

Cabinet were in agreement with this opinion and a recommendation to Council would be included in the Medium-Term Financial Plan when the report was considered later at this meeting at Minute No 77/24. Members noted that Officers and The Bromsgrove Partnership, who were to provide non-financial support for this project, would be notified of this decision by the relevant Cabinet Members.

The Leader thanked Councillor McDonald and the Board for the robust pre-scrutiny carried out in this area over the previous meetings of both the Board and the Finance and Budget Working Group.

75/24

LOCAL DEVELOPMENT SCHEME

The Cabinet Member for Planning, Licensing and Worcestershire Regulatory Services (WRS) presented the Local Development Scheme report for Members' consideration.

Members were informed that this report dealt with the new timetable for the development of the Local Plan as a result of the new National Planning Policy Framework (NPPF) published in December 2024. It was noted that it had been necessary to implement the timetable within a specific deadline as communications had been received from Central Government which stated, *'areas must commit to timetables for new plans within 12 weeks of the updated NPPF or ministers will not hesitate to use their existing suite of intervention powers to ensure plans are put in place'*.

The timetable included the consultation process which, it was noted, was due to take place in Summer 2025. Members would also be consulted on this process during Strategic Planning Steering Group meetings scheduled to take place throughout the year.

It was explained the overall process would take thirty months in total and result in the adoption of the Local Plan in 2028.

Members queried what the land supply currently was in Bromsgrove. Officers stated that it was 1.92 years, however, they would confirm this figure for Members following the meeting.

In proposing the recommendations, it was noted that there had been a slight amendment to those published in the main agenda. These updated recommendations appeared in the supplementary papers one pack and reflected that '*authority be delegated to the Assistant Director of Planning and Leisure Services, following consultation with the Cabinet Member for Planning, Licensing and WRS, to approve updates to the Local Development Scheme as required*'. It was explained that this was in line with Bromsgrove District Council's Constitution in that decisions were made as a collective rather than by individual Members. These updated recommendations would be considered at the Council meeting due to take place later that day.

Therefore, it was

RECOMMENDED that

- 1) Bromsgrove District Council Local Development Scheme 2025 be approved as the Council's programme for plan-making, effective as of 19th February 2025;
- 2) Delegated authority be granted to the Assistant Director for Planning and Leisure Services, following consultation with the Cabinet Member for Planning, Licensing and WRS, to approve updates to the Local Development Scheme as required.

COUNCIL TAX RESOLUTIONS (REPORT TO FOLLOW)

The Deputy Chief Executive and Section 151 officer presented the Council Tax Resolutions 2025 – 2026 for the consideration of Cabinet. It was explained that the report authorised the collection of Council Tax from Bromsgrove residents at the correct amount. Prior to the consideration of the report, it was noted that updated version of Schedules One and Two contained within the report had been re-issued for Members consideration. This was due to a rounding error which had been identified in the previous version.

It was stated that Council Tax included elements from the following:

- Worcestershire County Council
- Bromsgrove District Council

- Police and Crime Commissioner for West Mercia
- Hereford and Worcester Fire Authority
- Precepts from nineteen Parish Councils

Members were informed that Hereford and Worcester Fire Authority had met earlier on that day to agree their precept for 2025 – 2026 and it was confirmed that this had been agreed as detailed within the report.

Therefore, it was stated that the precepts for 2025 2026 were as follows:

| | £ |
|---|----------------------|
| Worcestershire County Council | 61,978,474.00 |
| Police and Crime Commissioner for West Mercia | 11,181,910.85 |
| Hereford and Worcester Fire Authority | 3,921,149.04 |
| Bromsgrove District Council | 9,876,907.05 |
| Parish Precepts | 1,373,801.44 |
| Total | 88,332,242.38 |

It was highlighted that all precepting authorities had increased their charges by the maximum amount for the year 2025 – 2026 as follows:

- Worcestershire County Council – an increase of 4.99 per cent
- Bromsgrove District Council – an increase of 2.99 per cent
- Police and Crime Commissioner for West Mercia – an increase of 5.05 per cent
- Hereford and Worcester Fire Authority – an increase of 5.14 per cent
- Parish Councils - an average increase of 11.18 per cent.

It was noted that the Parish Council precepts were determined at a local level and were dependent on the services provided and numbers of residents within that Parish. Members noted that Parish Councils were subject to scrutiny of their accounts and annual Statement of Accounts were published on the website or independently audited depending on income and turnover.

The total amount generated from the collection of Council Tax was £11,250,708.49 which was the combined total of Bromsgrove District Council's amount of precept of £9,876,907.05 and parish precepts of £1,373,801.44.

Members attention was drawn to the following areas contained within the report:

- 1) For the year 2025 - 2026, Worcestershire County Council, Police and Crime Commissioner for West Mercia, and Hereford and Worcester Fire Authority had issued precepts to the Council in accordance with Section 40 of the Local Government Finance Act for each category of dwelling in the Council's area as indicated below:

MEDIUM TERM FINANCIAL PLAN - TRANCHE 2 BUDGET INCLUDING FEES AND CHARGES (FOLLOWING CONSULTATION)

The Deputy Chief Executive and Section 151 Officer presented the Medium-Term Financial Plan (MTFP) - Tranche 2 Budget including Fees and Charges (following consultation) report for the consideration of Cabinet.

In doing so, Members were reminded that an updated MTFP had been issued for this meeting as a result of discussions that had taken place at the Overview and Scrutiny Board meeting held on 11th February 2025 and Cabinet meeting held on 12th February 2025. There had been some amendments made to the recommendations contained within the Strategic Parking Review report which had resulted in the following:

- a) An additional £85,000 be added to parking budgets, allocated as follows:
 - i) Additional funding of £70,000 for increased numbers of Civil Enforcement Officers (CEOs)
 - ii) £15,000 for maintenance of an Automatic Number Plate Recognition (ANPR) system
- b) £100,000 added to the Capital Budget in 2025/26 for ANPR systems to Recreation Road South, St Johns and Windsor Street car parks

Further amendments to the previous report also reported to members included:

- 1) Paragraph 3.19 of the MTFP report was discussed in detail and the wording amended to ensure:

- District infrastructure schemes were prioritised
 - That General Fund balances did not reduce below £5million.
- 2) A risk added to the Risk Section within the report following correspondence from Birmingham City Council regarding access to Greater Birmingham and Solihull Local Enterprise Partnership (GBSLEP) funding during the 2025/26 financial year.
 - 3) Inclusion of Appendix A to the report which contained draft Departmental Budgets.
 - 4) Revenue bottom line changed from a £167k deficit to a £252k deficit for 2025 - 2026.
 - 5) Revenue bottom line changed from a £1,030k deficit to a £1,115k deficit for 2026 – 2027.
 - 6) Revenue bottom line changed from a £399k deficit to a £484k deficit for 2027 – 2028.
 - 7) Support from Reserves rose from £1,596k to £1,851k.
 - 8) General fund balances reduced from £12,781m to £12.526m.
 - 9) Capital spending in 2025/26 increased from £8.017m to £8.117m.

This updated MTFP report had also been considered at the Finance and Budget Working Group (FBWG) meeting held on 18th February 2025. The Leader invited Councillor P. McDonald, in his role as Chairman of the FBWG, to inform Members what discussions had taken place during consideration of this report. It was noted that the FBWG Members felt that £1000,000 for an ANPR system was a significant cost. It was also noted that legal work needed to be carried out in respect of installation of ANPR in order to comply with any regulations involved in implementing such a system.

The Chairman of the FBWG also reported that there had been some discussion regarding Electric Vehicle (EV) chargers within the District at this meeting. It was noted that the current contract provider and the Council were in a profit share agreement and that profits would not be likely for approximately eight to ten years. Councillor McDonald expressed that after some research he had discovered that there were more beneficial models available when working with EV contractors and that this be looked at by the Council. Members queried the amount of time left on the contract with the current provider and Officers undertook to provide this information and to ascertain whether there were any 'break' clauses contained within the current contract.

As this seemed to be an area of interest for Members it was suggested that the Overview and Scrutiny Board scrutinise EV chargers in further

detail. The Chairman of the Board agreed and undertook to make the necessary arrangements in order for the Board to consider this at a future meeting.

As discussed earlier at this meeting, Members recommended that the £40,000 funding allocated to the Poverty Truth Commission be removed from the MTFP.

Therefore, it was

RESOLVED that

- 1) Members understand and accept the implications set out in the Section 151 Officer's Robustness (Section 25) Statement of this 2025/26 to 2027/28 Medium Term Financial Plan in moving the Council to financial sustainability.
- 2) The need for accelerated business cases to be worked up to enable upgrades of infrastructure to the District for consideration in line with work set out in paragraph 3.19 of the Appendix for completion prior to vesting day.

RECOMMENDED that

- 1) The updated MTFP following discussions at Overview and Scrutiny Committee on 11th February and amendments agreed at Cabinet on 12th February, as detailed in the Cabinet minute 69/24, is approved.
- 2) Subject to incorporating the changes detailed in recommendation 1 above, the MTFP Recommendations made in the report to Cabinet on 12th February are approved.
- 3) The funding of £40,000 from Reserves allocated to the Poverty Truth Commission project be removed from the Medium-Term Financial Plan.

83/24 **DATA STRATEGY (INCL DATA STANDARDS POLICY)**

The Business Improvement Manager – Business Transformation, presented the Data Strategy (including Data Standards Policy) report for Members' consideration.

During the presentation of the report, it was highlighted that this Policy provided the foundation and guidance for effective data governance to help safeguard the Council's data assets. It would ensure that data was high quality, accurate and consistent across the organisation. It also provided guidance in respect of legal and regulatory requirements to ensure compliance with the relevant legislation such as UK General Data Protection Regulation (UKGDPR). The following areas were also included in the policy to help provide a robust framework in the future:

1. Data Security
2. Efficiency
3. Interoperability
4. Trust and Transparency

The Governance structure of this Policy consisted of the System and Data (SAD) Governance Group, which met on a regular basis. This Group reported back to the SAD Governance Board, led by the Deputy Chief Executive and Section 151 Officer, who met on a quarterly basis. There were also regular updates provided to the Senior Leadership and Corporate Leadership Teams.

An assessment had been carried out using the Local Government Association (LGA) assessment tool in respect of Data Maturity. This was undertaken by a group of fourth tier managers across the organisation. The results of this assessment indicated a Data Maturity score of 2.7, which meant that the Council was currently working at Level Three and were 'developing their capacity and capabilities in terms of their data'. Ideally, the Council would be at least at Level Four. This Policy would provide the framework in order to attain this level.

There were three projects currently underway that would increase the Data Maturity level the Council was working at. These were as follows:

1. **Data Standards** – there were five systems across the Organisation that held ninety percent of the Council's data. These systems needed to be reviewed, and organisational rules implemented on how to input consistent and accurate data. A Data Dictionary would also be developed as part of this project. In order for this project to progress successfully, there would need to be £50,000 allocated to look at the systems more closely by system providers. This allocation equated to £10,000 per system.
2. **Data Stewards** – Data Stewards would have an in-depth knowledge and understanding of data collected and contained

within the systems. They would be responsible for the quality of the data and undertake regular audits in order to ensure that the data contained within the systems remained accurate and of a high quality.

3. **Systems Procurement** – This project would ensure regulation around the procurement of new systems and due diligence in respect of the numbers of system procured.

These were long term projects and would be carried out over two years.

Following the presentation of the Data Strategy (including Data Standards Policy), the Deputy Chief Executive and Section 151 Officer explained that this Policy provided useful preparatory work prior to the Local Government Reorganisation, currently taking place. It would result in standardisation of the data contained within the Council's data systems and, just as importantly, 'kept clean' going forward. Members welcomed this Policy, as it had been reported that some Local Authorities who had undergone recent reorganisation had not undertaken this type of process. This had resulted in significant issues in respect of the non-alignment of data.

Members queried whether the financial allocation of £50,000 requested within the report had been included in the Medium-Term Financial Plan 2025/2026 to 2027/2028 (following consultation). Members were advised that it had not been included as this part of the approval process needed to be undertaken first. The allocation would be monitored in the Outturn reports going forward.

It was also queried whether there were any shared systems across both Redditch and Bromsgrove Councils. It was confirmed that this was the case. It had been agreed at the Executive Committee meeting that took place at Redditch Borough Council on 11th March 2025 that the funding allocation of £60,000 be approved in order to look at the systems. It was explained that the extra £10,000 allocated in Redditch was as a result of the Housing Revenue Account (HRA) system which was not used at Bromsgrove.

In addition to this, Cabinet was advised that Worcestershire County Council (WCC) were also due to implement the TechOne finance system in December 2025. This was the same finance system used by Bromsgrove District Council.

Members queried the control of information and what this meant in terms of cyber security in the future. It was noted that a report would be

considered early in the next municipal year regarding the use of Artificial Intelligence (AI) across the Council.

Following consideration of this report, Members extended their best wishes and thanks to the Assistant Director Business Transformation, Organisational Development and Digital Services who was due to retire at the end of March 2025.

RESOLVED that the proposed Data Standards Policy be agreed and implement guidance policy for all employees and Members.

UK SHARED PROSPERITY FUND 2025 - 2026

The UK Shared Prosperity Fund Manager presented the UK Shared Prosperity Fund (UKSPF) 2025 – 2026 report for the consideration of Cabinet.

In doing so, the background to the UKSPF was explained to Members and that previously the funding had been for three years from 2022 to 2025. The scheme had been extended for one year (2025 to 2026) and the funding allocated to the Council for this period was £917,878.

The UKSPF would continue to focus on three investment priorities of Communities and Place, Supporting Local Businesses and People and Skills. Previously there had been more than fifty interventions which described the intention of the investment priorities. These interventions had been replaced with five themes and twelve sub-themes. Any scheme that had previously been eligible for funding would remain so under the new guidelines.

Potential areas of investment had been discussed by Members at the Cabinet Advisory Group (CAG) meeting held in December 2024. The Investment Plan was then developed with these discussions in mind. It was also reported that the Investment Plan aligned with the Council's priorities as detailed within the Bromsgrove District Council Plan approved in July 2024. The results of the recent Community Survey had also been considered when shaping the Investment Plan.

The areas included within the Investment Plan included infrastructure, buildings, open spaces, cost of living (including fuel poverty) and local centres. There was also support for local businesses and for the upskilling of young people and provision of support in order for them to enter the workforce.

The Bromsgrove Partnership, in its role as Local Partnership Group, for the UKSPF had been consulted on the strategic fit and deliverability of the Investment Plan. For the most part, the Partnership was supportive of the Plan, however there had been some recommendations made following discussions at a meeting held on 12th March 2025.

The Partnership expressed some concern in respect of the allocation of funding for the subtheme 'bringing communities together'. They recommended that the funding should be a forty to fifty per cent revenue allocation rather than a capital allocation. However, it was noted by Officers that there was some flexibility for revenue funding to be used as capital funding under the grant conditions, however capital must be spent on capital expenditure. This meant that the funding as detailed within the Investment Plan for this sub theme could be varied depending on demand and who was likely to need it.

A further recommendation was suggested by the Partnership that capital funding for high streets and town centre improvements should not include Bromsgrove Town Centre as there was already funding available for this location. Officers were not supportive of this recommendation.

The third recommendation was in respect of the funding of County wide projects to avoid a 'postcode lottery' of support. It was confirmed that this was already the approach taken as part of the Investment Plan. However, Members were assured that in taking this approach value for money for Bromsgrove residents had been considered and that all funding allocations benefitted Bromsgrove residents only.

The final recommendation from the Partnership had been in relation to organisations that delivered support across a common theme, such as skills, be encouraged to work in a joined-up way in order to avoid duplication of services. This was already the approach taken when the Investment Plan was developed to ensure cohesion.

Finally, the UK Prosperity Fund Manager advised Members that the second Officer recommendation contained within the report was in order to ensure greater flexibility to re-allocate any outstanding funding that had not been spent towards the end of the scheme.

Members considered the recommendations made by the Bromsgrove Partnership and felt that with the potential exception of the recommendation made in respect of the public realm funding, the Investment Plan as presented captured priority areas of investment effectively and appropriately.

There were some discussions in respect of Economic Development following the Local Government Reorganisation. At this stage there was a significant number of unknowns in this area and that it would need to be considered when decisions were made as part of the Local Government Reorganisation process going forward.

Members queried access to the support for local businesses. It was felt that the Worcestershire Growth Hub website was difficult to navigate and that businesses might not be able to ascertain where to find information on support that was available. The UK Shared Prosperity Fund Manager explained that this had been raised previously. There was an advisor, with specific local knowledge, available who could consult with businesses to provide advice on this matter. Businesses could either contact the advisor directly or contact the UK Shared Prosperity Fund Manager for further information.

RESOLVED that

- 1) The Investment Plan be approved.
- 2) Authority to vary the Investment Plan, in order to maximise the use of the grant, be delegated to the Assistant Director Regeneration & Property following consultation with the Portfolio Holder for Economic Development and Regeneration.

FINANCE RECOVERY PROGRAMME REPORT

The Deputy Chief Executive and Section 151 Officer presented the Finance Recovery report for the consideration of Members.

It was explained that this report was presented to Members on a regular basis, following the issuing of the Section 24 Notice in November 2023. A version of this report was also considered at the Audit, Standards and Governance Committee meetings throughout the municipal year.

The report included any Key Deliverables, Treasury Indicators and updates on the VAT returns.

Members were informed that the Statement of Accounts for the financial years 2020 – 2021, 2021 – 2022, 2022 – 2023 had been completed and Disclaimer Opinions received and approved. The draft accounts for financial year 2023 – 2024 were out for consultation with some public consultation comments being received, which was positive. It was

reported that there were potential difficulties likely to arise in terms of the Disclaimer Options that had been issued to Councils nationally and the effect these would have on external audits in the future. It was felt that there was a disconnect between the understanding of Disclaimer Opinions between Central Government and auditors and whether time should be spent on 'old' accounts. It was suggested that as long as the opening balances, amount of reserves and grant funding were known this was hopefully sufficient to provide accurate accounts in future years. Furthermore, there was a level of assurance around these balances in that returns were checked and submitted on a yearly basis.

Ernst & Young had been confirmed as the Council's External Auditors. The Deputy Chief Executive and Section 151 Officer thanked Members for their speedy return of the disclosure information that had been provided to the auditors. This was usually a process that might take six to eight months. However, the Council had completed their disclosure information within four months. Due diligence was currently being undertaken by Ernst & Young including looking at Council press releases. It was thought that this process would be completed within four weeks from the time of the meeting. Members were interested to learn that this was part of the due diligence process, and it highlighted the necessity and importance to continue to make decisions in a robust manner following complete analysis.

The Key Deliverables included within the report were as follows:

1. The Accounting Policies report was now considered at each Audit, Standards and Governance Committee.
2. The TechOne system had been upgraded to version 24B in February 2025
3. The approval of the Medium-Term Financial Plan 2025 – 2026 to 2027 – 2028 on 19th February 2025
4. The consultation on the Medium-Term Financial Plan 2025 – 2026 to 2027 – 2028
5. Changes implemented to the Procurement processes
6. Updated Prudential Indicators had been completed.

It was reported that Central Government had announced that capital receipts could be used to fund redundancies as part of the Local Government Reorganisation. Information in respect of this would be circulated to Members following the meeting.

Members queried what the allocation would be from Central Government in order to carry out the Local Government Reorganisation. It was

reported that information had been received that £6.7million had been allocated across Worcestershire for this purpose. At the time of the meeting, it was unknown as to how these funds would be distributed and whether this would be equally or be dependent on the size and complexity of the Council.

Although the Local Government Reorganisation was inevitably at the forefront of Members' and Officers' minds it was imperative that 'business as usual' continued within the Council and that services still needed to be delivered. As highlighted earlier in the meeting there were processes underway in terms of data and other areas in order to leverage improvements during and following the Local Government Reorganisation. Several models of Local Government could be considered as part of the reorganisation. There had been recent examples of Local Government Reorganisation such as at Peterborough City Council and Cambridgeshire County Council. The Deputy Chief Executive and Section 151 Officer undertook to provide Members with the public documentation available in respect of this matter following the meeting.

It was noted that there would be pressures in terms of pensions, and this would need to be considered in detail as part of the reorganisation process.

Although the Local Government Reorganisation was due to be implemented by April 2028, it was thought that the process would take significantly longer to embed and consolidate following vesting day.

Following consideration of the report, Members thanked and stated that the Deputy Chief Executive and Section 151 Officer had breathed 'fresh air' into the Finance Recovery reports. It was noted that they would be included in a Forward Plan currently being developed in the future to ensure transparency.

RESOLVED that the following be **NOTED**

- 1) Progress made on the financial recovery including:
 - a) Delivery of the Statutory Accounts
 - b) Delivery of Statutory Financial Returns
 - c) Improvements in the Control Environment

- 2) The work still under way to move back to a best practice operation and the associated timetable for completion of this work, as contained in this report.

86/24

QUARTER 3 REVENUE AND PERFORMANCE MONITORING 24-25

The Deputy Chief Executive and Section 151 Officer presented the Quarter Three Revenue and Performance Monitoring 24-25 for Members' consideration.

It was noted that this report along with the Finance Recovery report, also considered at this Cabinet meeting, had been pre-scrutinised by the Finance and Budget Working Group (FBWG) at its meeting that took place on 21st March 2025.

During consideration of this report, Members were informed of the following:

- Currently the Council was forecasting an underspend of £53,000 at Quarter Three which was an improvement of £397,000 reported at Quarter Two. Details of variations of any underspend and overspends were provided and the reasons for these variations were highlighted for Members.
- As of 31st December 2024, the Council had no long-term borrowing and £6million worth of investments.
- The spend on the Capital Programme was currently £2.284million versus a budget of £7million. There was no debt as a result of the Capital Programme as it was funded solely by the Council.
- The Greater Birmingham and Solihull Local Enterprise Partnership (GBSLEP) funding could not be accessed until the 2026 – 2027 financial year. These funds would be utilised for the Market Hall project.
- There had been an increase in costs at the Windsor Street site due to further remediation works being identified. This increase had been covered within the contingency budget. It was noted that this site would be ready for development very soon.
- There were £12.8million in General Fund Reserves and £9.534million in earmarked Reserves (this included the £40,000 which had previously been allocated to the Poverty Truth Commission).
- Members Wards Budget allocations continued to be monitored and currently there had been £46,700 spent of this budget which meant that £15,300 was still to be allocated prior to the end of the financial year.

- The impact of the Local Government Reorganisation and the impact this increase of workload would have on the workload of Senior Officers within the Council.
- The Procurement Pipeline which included details of contracts expected to be reprocured and procured in the future. It was noted that there were currently seventeen contracts between the old key decision threshold of £50,000 and the new key threshold of £200,000, ten contracts over the key decision threshold of £200,000 and four contracts procured by Redditch Borough Council on behalf of Bromsgrove. Any contracts over the new key decision threshold would be included in the Forward Plan.

The Policy Manager presented the performance monitoring information contained within the Quarter Three Revenue and Performance Monitoring 2024 – 2025. It was reported that the suite of measures were aligned with the Council Plan. The information looked different to previous reports as there had been a change to the format following requests received from Members. There were some measures still to be included such as Freedom of Information and Subject Access Request data. This was a result of projects currently being carried out in these areas. They would however appear in future versions of these reports.

Members access to these measures would increase over the coming months due to the introduction of the Power BI system, which would provide up to date and more dynamic data. This software also allowed greater interrogation of the data included in the system and a summary sheet would also be available in order to see where there were any trends in particular areas. This would ensure that any areas of positive or negative change could be identified more easily and quickly.

The performance measures not only aligned with the Council Plan they were linked to the Service Business Planning process which had recently been undertaken by Officers. It was hoped that this approach would provide greater clarity on how the Council was performing versus the Council Plan.

The Deputy Chief Executive and Section 151 Officer explained that at the meeting of the FBWG on 21st March 2025, Members had some queries and areas to look at further in future reports. These included:

- Information on the direction of travel from Quarter to Quarter in order to better understand what the issues were prior to them becoming more serious.

- The timeline of the inclusion of all measures in future reports. This was identified as being in September 2025.
- Workforce Strategy was identified as an area of significant concern particularly the high 10 days of lost time per Full Time Equivalent (FTE)
- More information to be provided on Enforcement including action taken by Environmental Services and Worcestershire Regulatory Services (WRS).
- A full reconciliation of the Market Hall project.

Members expressed that this was a really good report, and the data was presented was much improved and more transparent way.

Concerns were raised regarding the increased number of new houses that needed to be built within the District per annum in line with the new National Planning Policy Framework.

Members requested that further information be provided in future reports such as:

1. Disability Facilities Grants – the average length of the process from the first enquiry to the delivery of the project.
2. Enforcement – how long enforcement cases had taken and the outcomes of any enforcement, whether there had been no further action or if the enforcement had resulted in a prosecution.
3. Number of lost telephone calls to the Council because of long waiting times.

Members were interested in the process regarding the GBSLEP monies and whether Birmingham City Council had the authority to withhold monies in this way until the 2026 – 2027 financial year. It was stated that there had been a bid submitted to access these funds, and the outcome of the submission would be known over the coming months.

Following the presentation of the report Members thanked the Deputy Chief Executive and Section 151 Officer for all his hard work over his time with the Council and wished him every success in the future.

RESOLVED that

- 1) The current Revenue underspend position of £53k and actions the Council were taking to mitigate this position be noted.

- 2) The current Capital spending of £2.284m against a budget of £7.070m be noted.
- 3) The Ward Budget allocation position to date is 23 approved allocations at £33,137.
- 4) The updated procurements position, with any new items over £200,000 to be included on the forward plan.
- 5) The Quarter Three Performance data for the period October to December 2024 be noted. This is in the new format.
- 6) The Council submit a bid for £2.425m to Birmingham City Council for funding allocated to Bromsgrove by the former Greater Birmingham & Solihull Local Enterprise Partnership (GBSLEP) to support the completion of the Market Hall regeneration initiative.

RECOMMENDED that

- 7) That the Balance Sheet Monitoring Position for Quarter Three be noted – which is the Treasury Monitoring Report and required to be reported to Council.
- 8) In the event that the bid be successful, the budget be amended to reflect that the GBSLEP funding was being applied to the Market Hall development.
