INTRODUCTION TO THE CONSTITUTION

INTRODUCTION

- 1.1 Under the Local Government Act 2000 the Council is required to adopt a formal Constitution when operating executive arrangements. A number of Regulations have also been made under the Act which prescribe in considerable detail how the Council should draw up the content of its Constitution, how it allocates functions and how it conducts its business. The Constitution, therefore, has to contain a large number of provisions and in this respect it reflects, generally, the legislation, Government Guidance and model documents.
- 1.2 Because it has to be comprehensive and meet legal requirements and address technical concepts, the Constitution is both long and complex. It is not a user-friendly document!
- 1.3 The purpose of this Guide is not to summarise all the provisions of the Constitution. This Guide seeks to assist Members and Officers by outlining how the Constitution works, and to focus on some of the practical consequences, both in relation to the role of Members of the Council, and that of employees.
- 1.4 The guide describes the component parts of the Constitution, outlining the main features of each and addressing some working or practical consequences of the Constitution.
- 1.5 Of necessity, the Guide has to simplify the complexities of the Constitution and in some instances what it says will be a general rule rather than explain all the exceptions to the rule. So if the reader is in any doubt, reference must be made to the Constitution itself or advice taken from Legal and Democratic Services. Cross-references are provided to help.

2. THE FRAMEWORK OF THE CONSTITUTION

2.1 The Council

- 2.1.1 The structure diagram inside the front cover shows the formal relationships between the Council, the Executive (the Cabinet), the other Committees and Boards (Non -executive) and the officer structure.
- 2.1.2 A fundamental point is that the legislation provides that the Leader and Cabinet are responsible for what are called 'executive functions' (which cover most of the day to day political decisions), and the Council and committees are responsible for 'non-executive' functions.

2.2 Officer Structure and Shared Services

- 2.2.1 The Council has agreed to the appointment of a shared Chief Executive with Redditch Borough Council and a shared management team. Under this arrangement services are to be shared and delivered by one single team across both Councils.
- 2.2.2 Further details of the shared management team are set out at para 9 of this document and at Part 18. The shared management team has been in place since April 2010. The co-operation between the two Councils on sharing services is reflected by a legal agreement (Overarching Framework Agreement). Proposals for shared services between Redditch and Bromsgrove are considered in the first instance by a panel of members from both Councils who make up the Shared Services Board. The Board has no decision making powers on behalf of the two Councils, and any new arrangements for delivery of services require the approval of Full Council.
- 2.2.3 Notwithstanding the move to delivery of services jointly across both Councils, each Council retains its sovereignty and ability to make decisions for its own constituents independently. Therefore in terms of decision making and the Constitution, each Council continues to be politically independent and to make its own decisions in accordance with the provisions of its own Constitution. There is no intention at this juncture for decision making to be passed to a "joint Council" for the two districts.
- 2.2.4 Further details of the arrangements for shared services with Redditch Borough Council are set out in Part 7 of the Constitution.

2.3 Other arrangements for joint working

- 2.3.1 In addition to the shared arrangements with Redditch Borough Council, the Council is involved in other joint arrangements for provision of services with other Councils in Worcestershire. Since June 2010 Bromsgrove District Council has been the host authority for Worcestershire Regulatory Services. This service was created to carry out the Environmental Health and Licensing functions of the six District Councils. The staff for the service is employed by BDC and it is governed by a Joint Committee made up of two members from each of the authorities involved.
- 2.3.2 In relation to other service areas, Internal Audit Services are now delivered for BDC as part of a shared services hosted by Worcester City Council. The Council has entered into an arrangement with Worcestershire County Council for the County Council to provide an Assets Management Service for the Council. The Council has entered into an arrangement with Redditch Borough Council and Wyre Forest District Council for there to be one shared service for economic development and regeneration hosted by Wyre Forest District Council. The Council has entered into a similar arrangement with Redditch and

Wyre Forest in relation to Building Control Shared service which is hosted by Bromsgrove. The Council has agreed to an arrangement with Wyre Forest District Council and Redditch Borough Council under which Wyre Forest is hosting a shared service for Land Drainage. Finally, the three authorities are collaborating on a shared service for Emergency Planning which is hosted by Wyre Forest District Council.

3. THE FULL COUNCIL

3.1 Composition and Role

- 3.1.1 The Council comprises 31 elected members.
- 3.1.2 The job of the full Council is to approve the Council's main policies (the policy framework as set out in Part 2 the Articles of the Constitution) and the Annual Budget (both revenue and capital). There are other matters reserved to the full Council to decide. These are set out in the Articles at 4.2 and include the appointment of the Leader of the Council.
- 3.1.3 The Council receives minutes from the Cabinet, which may include recommendations to the Council and also record the business it has considered. In most cases the Cabinet, because of its decision-making role, and the breadth of, its responsibilities will be reporting to the Council on matters where it has already made a decision under its delegated powers.
- 3.1.4 The Council may also receive reports/recommendations from its other Committees.
- 3.1.5 The dates of the Council meetings will be published well in advance. Its annual meeting will be in May and it will decide its budget in February to allow Council Tax calculations for the new financial year from April.
- 3.1.6 Members of the Council have the ability to requisition an extraordinary meeting of the Council under part 8 of the Constitution (Council Procedure Rules).
- 3.1.7 The Chief Executive, the Monitoring Officer and the section 151 officer have the right to submit reports directly to the full Council.
- 3.1.8 It should be noted that unless the matter is one which:-
- is for the full Council or its Committees to determine (as set out in Parts 3 - 7 - Responsibility for functions)
 - is contrary to the policy framework or not wholly in accordance with the Council's budget
 - cannot in law be the responsibility of the Cabinet

then the Council or its other Committees cannot take a decision about that matter (or overturn a decision of Cabinet). That responsibility rests with the Cabinet. Similarly, the Cabinet cannot take a decision which the responsibility of the Council or its Committees.

3.2 Meetings of the Council

3.2.1 Meetings of the Council are relatively formal. The Council's Procedure Rules (Part 8 of the Constitution) govern how a meeting of the Council is conducted. The same rules also apply to certain committee meetings; other committees have their own procedure rules including Cabinet, Overview and Scrutiny Board, Planning Committee and Audit Board.

3.2.2 At Council Meetings the agenda will include presentation of recommendations from Cabinet to Council and reports on any issues to be decided by the Council. Individual Members can ask questions of the Leader or propose motions for debate.

4. THE CABINET

4.1 Composition and Role

4.1.1 The Council is required by law to have an 'Executive', and has chosen the "Leader and Cabinet" model. The Leader is responsible for making arrangements to discharge functions which fall to the executive, whether through the leader personally, individual Cabinet members, or officers.

4.1.2 The Cabinet is not a Committee and is not required to be politically balanced. Meetings are held in public but the Cabinet must comply with the Access to Information Rules as set out in Part 9.

4.1.3 The Council appoints (and can subsequently remove) the Leader at the first Annual Meeting of the Council after elections for the life of the Council. All members of the Council are re-elected every 4 years.

4.1.4 The Cabinet comprises the Leader of the Council and a minimum of 2 and maximum of 8 Members of the Council.

4.1.5 The Leader presides at meetings of the Cabinet. A Deputy Leader presides in the Leader's absence. In the absence of both, a member nominated by those present at the meeting will preside.

4.1.6 The Leader determines the number of areas of political responsibility or "portfolios" and their allocation to members of the Cabinet (Portfolio Holders).

4.1.7 The Leader has determined that Cabinet will take decisions collectively. No individual members of the Cabinet have delegated powers to take decisions on behalf of the Cabinet.

4.1.8 The Cabinet takes decisions on all matters relating to the functions of the Council except those which –

- are reserved to the full Council (e.g. Budget and Policy Framework, Members' Allowances and Code of Conduct)
- are ones which by law the Cabinet cannot take (e.g. deciding Planning applications and Standards matters)
- by choice may not and have not been allocated to the Cabinet.

4.1.9 In general terms, it is therefore the Cabinet who will take the main political decisions in relation to services.

4.1.10 Many decision-making powers continue to be delegated to officers to allow the day to day operation of services to continue. Officers will not be taking 'Key Decisions' (see below). Part 6 contains the scheme of delegation to committees and officers.

4.1.11 Collectively and individually the Cabinet are subject to the overview and scrutiny arrangements which the Council has established (Section 5 below).

4.2 Key Decisions

4.2.1 Certain types of decision which are the responsibility of the Leader and Cabinet are called 'Key Decisions'. It is important to know what they are because only the Cabinet will be taking Key Decisions; and (generally) advance notice has to be given of Key Decisions to be taken through the procedure known as the Forward Plan (4.3 below).

4.2.2 Key Decisions are ones which are likely:-

- (i) To result in the Council incurring expenditure, foregoing income or the making of savings in excess of £50,000 or which are otherwise significant having regard to the Council's budget for the service or function to which the decision relates; or
- (ii) be significant in terms of its effect on communities living or working in an area comprising two or more wards in the district.

4.3 The Cabinet Work Programme

4.3.1 The Leader of the Council has to publish the Cabinet Work Programme each month, which contains a list of what Key Decisions the Cabinet are likely to take in the following months; when the decision is likely to be taken by the Cabinet; a list of the documents which the Cabinet will consider including any background documents; and the steps to be taken by any person who wants to make representations to the Cabinet about the matter. For transparency, the Cabinet Work Programme also includes non-Key Decisions going to Cabinet.

- 4.3.2 The purpose of the Cabinet Work Programme is to alert the public and members to when Key Decisions are to be taken by the Cabinet so that they can raise matters of concern with the local Councillor or members of the Cabinet or attend.
- 4.3.3 The Cabinet Work Programme has to be updated monthly so that as more details become available, more information can be included in it.
- 4.3.4 The detailed requirements in relation to the Cabinet Work Programme are set out in Part 9 (Access to Information Rules).
- 4.3.5 There are detailed procedures in Part 9 of the Constitution about taking Key Decisions which for some reason have not been included in a Cabinet Work Programme or which are very urgent. The Overview and Scrutiny Board also has a right to require the Cabinet to report to the Council on Key Decisions which they believe to have been taken otherwise than in accordance with the required procedures – and the Leader has to report to the full Council quarterly on all special urgency decisions.

4.4 Meetings of the Cabinet

- 4.4.1 The Cabinet will normally meet monthly in public, unless the matter to be discussed is confidential or exempt.
- 4.4.2 The Cabinet may also meet privately (with no public or local members present) when the business will only be the discussion of matters with officers and not the taking of decisions. They may also meet for informal briefings.
- 4.4.3 The Constitution allows Members to speak at Cabinet meetings, but not to vote.
- 4.4.4 The Cabinet will consider reports from Cabinet Members or more usually from Chief Officers, making recommendations for Cabinet to consider.
- 4.4.5 Decisions taken by the Cabinet are subject to the call-in procedures referred to in Section 5 below. Save in the limited circumstances referred to, they will not take effect until the fifth working day after publication of the Minutes of the relevant meeting of the Cabinet to members of the Council. Due allowance must be made for this in the preparation of any reports to the Cabinet which require a prompt decision as the minutes must say whether implementation is so urgent that it cannot await the outcome of possible call-in – and why (see paragraph 4.4.8 below). Urgency of implementation may need to be specifically addressed in reports.
- 4.4.6 The Chief Officers (or their representatives) will be entitled to be present at all meetings of the Cabinet.

- 4.4.7 All meetings of the Cabinet will be minuted and every member will receive a copy. These Minutes are the formal record of decisions and also the “trigger” for the call-in procedure. They will also indicate which items (if any) are urgent so that they are not subject to ‘call-in’ but fall to be dealt with under the urgency procedures in the Access to Information procedure rules of the Constitution, summarised in 4.4.8 below.
- 4.4.8 Urgent cases will be those where delay likely to be caused by the call-in process could seriously prejudice either the interest of the Council or the public, and the Chairman (or in his absence Vice-Chairman) of the Overview and Scrutiny Board agrees that the decision is urgent and cannot reasonably be deferred. If those members referred to are unable to act, then the agreement of the Chief Executive or his/her nominee will suffice. These provisions allow a 'check and balance' allowing a person outside the Cabinet to decide whether or not there should be implementation without the risk of call-in suspending the decision.
- 4.4.9 The Cabinet’s own procedures are governed by Part 11 of the Constitution. The Cabinet is not a Committee of the Council and can largely govern its own procedure.

5. OVERVIEW AND SCRUTINY ARRANGEMENTS

5.1 Composition and Role

- 5.1.1 The Council is required by law to have arrangements for Overview and Scrutiny by which recommendations on the development of policies can be made and the Cabinet be held to account for their actions.
- 5.1.2 Any bodies established to carry out Overview and Scrutiny have no delegated powers to take decisions on behalf of the Council.
- 5.1.3 The Council operates a single Overview and Scrutiny Board. From time to time the Board will establish Scrutiny Task Groups to carry out scrutiny exercises.
- 5.1.4 The Overview and Scrutiny Board comprises a Chairman and such other members as the Council appoints. The Board is politically balanced.
- 5.1.5 The size of any Scrutiny Task Group will vary according to the purpose for which it is established. The places on each Task Group need not be allocated strictly in accordance with the political balance of the Council so as to allow Members with a particular knowledge or interest or commitment to take part.
- 5.1.6 Cabinet Members cannot serve on the Overview and Scrutiny Board, or any Scrutiny Task Group.

- 5.1.7 The general terms of reference of the Overview and Scrutiny Board are to perform all overview and scrutiny functions on behalf of the Council in relation to any matter affecting the District and its inhabitants

The specific terms of reference include:-

- a. To receive and consider Councillor Calls for Action
- b. To perform the functions relating to Crime and Disorder Scrutiny (in accordance with the Police and Justice Act 2006)
- c. To receive and consider Petitions
- d. To monitor performance improvement
- e. To scrutinise the Budget
- f. To identify unsatisfactory progress or performance and make recommendations on remedial action to the Cabinet;
- g. To monitor the following Council documents/strategies
- h. Council Plan
- i. Council Annual Report
- j. Performance Management Strategy/Data Quality Strategy
- k. Quarterly Finance & Performance Monitoring report

- 5.1.8 The Overview and Scrutiny Bodies have extensive powers to conduct research, carry out consultations, hold investigations, undertake visits, encourage community participation, liaise with other organisations, gather evidence, invite advisers and experts to assist them and question members of the Cabinet and (in some circumstances) Chief and senior officers about their decisions and performance.

- 5.1.9 Particular action taken by a Chief or senior officer under delegated powers, which is taken in furtherance of the day to day administration of the service for which the officer is responsible, cannot be called-in or scrutinised. This does not however prevent a questioning of a Chief or senior officer as part of a wider scrutiny exercise.

- 5.1.10 Scrutiny arrangements are governed by the Overview and Scrutiny Procedure Rules in Part 12 of the Constitution. These include an obligation to declare any party whipping arrangements.

5.2 Call-in

- 5.2.1 The Council recognises that the right of call-in should only be used in exceptional circumstances when there is evidence to suggest that the Cabinet has departed from the principles for decision-making. It is not there to be used just because members do not agree with the decision of Cabinet. .

- 5.2.2 There is a right to call-in decisions taken by the Cabinet before they are implemented. Within three working days of a meeting of the Cabinet the

Agenda Item 1

PART 1

minutes of that meeting will be circulated to all members of the Council and will be available for inspection at the Council House. Unless it is identified as urgent in the Minutes, the decision which the Cabinet has taken will not take effect until five working days have expired after the circulation of the minutes. During the intervening period:-

- not less than three members of the Overview and Scrutiny Board; or
- The Chairman of the Overview and Scrutiny Board; or
- five members of the Council who are not members of the Cabinet;

may “call-in” (with reasons) the decision. It will then be referred to a meeting of the Overview and Scrutiny Board which will decide on the most appropriate way of dealing with the call-in.

5.2.3 The called-in Cabinet decision is then not implemented until either

- the Overview and Scrutiny Board has accepted the decision (with or without comment) or
- the Overview and Scrutiny Board has considered the matter, has proposed modifications and/or referred it back to the Cabinet for reconsideration (or in certain circumstances referred it to the full Council), and the matter has been reconsidered by Cabinet.

5.2.4 The right of call-in is important in enabling members who are not Cabinet members to challenge Cabinet decisions before they are implemented.

5.2.5 The time for call-in is very important, as any Cabinet decision can be implemented on the expiry of the fifth working day after circulation of the Cabinet’s Minutes, if it is not called-in before then. However, restrictions on call-in apply in cases of urgency which are set out in Section 4.4.8 above.

5.2.6 Reference to the full Council would only be appropriate if the decision called-in is one which the Overview and Scrutiny Board believes:-

- the Cabinet cannot in law take; or
- is reserved to the full Council; or
- is contrary or not wholly in accordance with the Budget and Policy Framework.

5.2.7 Details of the call-in procedure are included in the Overview and Scrutiny Procedure Rules (Part 12 of the Constitution).

5.2.8 The operation of call-in will be monitored annually by the Overview and Scrutiny Board.

6. OTHER BOARDS AND COMMITTEES

- 6.1.1 Certain matters cannot by law be dealt with by the Cabinet. Apart from those reserved to the full Council, these are in the main planning and regulatory functions, though there are some others.

6.2 Audit, Standards & Governance Committee

- 6.2.1 The Audit, Standards & Governance Committee's main role is to ensure good stewardship of the Council's resources and to assure the Council about the objectivity and fairness of the financial reporting and performance of the Council, the adequacy of the risk management framework and associated controls within the Council, and that any issues arising from the drawing up, auditing and certifying of the Council's accounts are properly dealt with. The Audit, Standards & Governance Committee meets at least four times a year, usually quarterly. The arrangements for the Audit, Standards & Governance Committee are set out in the Audit, Standards & Governance Committee Procedure Rules in Part 13 of the Constitution.

6.3 Planning Committee

- 6.3.1 The Planning Committee will carry out the planning functions which cannot be the responsibility of the Cabinet. The main function of the Committee is to decide applications relating to development control, trees and planning enforcement. Meetings will take place in accordance with the Planning Committee Procedure Rules in Part 14 of the Constitution.

6.4 Licensing Committee

- 6.4.1 The Licensing Committee and its sub committees carry out the Licensing functions on behalf of the Council including deciding Licensing policies and considering applications in relation to licensed premises, taxis, street trading and gambling.

6.5 Appeals Panel and Appointments Committee

- 6.5.1 The Council has an Appeals Panel to determine appeals and an Appointments Committee to consider the appointment of Chief Officers and disciplinary matters involving any of the 3 statutory officers of the Council.

7. AREA ARRANGEMENTS

- 7.1 The Council participates in the Local Strategic Partnership for Bromsgrove. This involves working alongside professionals from the

8. MEMBERS

8.1 Service on the Cabinet

8.3 Substitution

- 8.3.1 There can be no substitution for members of the Cabinet.
- 8.3.2 There can be substitution on the Overview and Scrutiny Board, subject to certain conditions; substitution is not permitted for Task Groups.
- 8.3.3 Substitution may be allowed on any other Committee provided the substitute member is eligible to serve subject to requirements set out in the terms of reference at Part 5 of the Constitution.

8.4 Budget and Policy Framework Procedure Rules

- 8.6.1 The Budget and Policy Framework Procedure Rules are set out in Part 10. These set out the procedure by which the Cabinet will draw up proposals for the budget and policy framework of the Council.

8.7 Member Allowances

- 8.7.1 Members may receive the allowances contained in the Scheme of Members Allowances (Part 19 of the Constitution and on the Council's website). These are set by Council following recommendations made by an Independent Remuneration Panel.

8.8 Ethical Framework

- 8.8.1 Part 20 sets out the Members' Code of Conduct and Part 21 the Code of Conduct relating to the acceptance of gifts and hospitality by Members.

8.9 Access to Information

8.9.1 The Constitution sets out in Part 9 (Access to Information Procedure Rules) arrangements for public access to information and to which members are also entitled.

8.9.2 The Rules also prescribe other information available in connection with overview and scrutiny arrangements and additional rights of access for members.

8.10 Member - Member and Member - Officer Relations

810.1 The Council and the public are entitled to expect high standards of conduct from members. In addition to the Member's Code of Conduct, Members are subject to the Member- Officer Protocol in Part 22 of the Constitution and the Member- Member Protocol in Part 23 of the Constitution.

8.11 Member involvement in making regulatory decisions

8.11.1 Members need to ensure that they take particular care in their dealings with members of the public and businesses when they are members of either of the Council's regulatory committees, i.e. Planning Committee and Licensing Committee (and its sub committees). This is because Members of these committees will be called upon to make decisions on applications which may be made by people they know or with whom they have had contact either personally or in their role as a Councillor.

8.11.2 Additional guidance for Members relating to planning and Licensing is set out in the Code of Practice for Planning Services at Part 25 and the Code of Practice for Licensing Services at Part 26.

8.12 Member use of ICT

8.12.1 Members are encouraged to use ICT to access Council and Committee agendas and to enable them to carry out their duties effectively and efficiently. The rules around use of ICT by Members are set out in the Policy on Members ICT Facilities at Part 27 of the Constitution.

8.13 Outside Bodies

8.13.1 The Council appoints or nominates Members to sit on a wide range of outside bodies and organisations. Further information and guidance to Members in relation to their role on any Outside Bodies is set out in the Protocol on Members Representation on Outside Bodies in Part 29 of the Constitution.

8.13 Members Roles and Responsibilities

8.13.1 A number of role descriptions have been produced setting out the duties and responsibilities of a councillor and various other positions held (such

as the Leader, Chairman of Committees etc). These are included in Part 30 of the Constitution.

9. OFFICERS

9.1 Designations

9.1.1 By law the Council must designate officers to hold three statutory offices. These are –

- Head of Paid Service
- Monitoring Officer
- Section 151 Officer

9.1.2 Under the arrangements for the shared management team with Redditch Borough Council it has been agreed that the persons appointed to the posts of Monitoring Officer and Section 151 Officer will carry out that function for both authorities.

9.1.3 The Council has appointed the Chief Officers set out in the management structure at part 18 of the constitution. Details are also available on the Council's website.

Each Chief Officer has staff to undertake the tasks of delivering the Council's services and supporting the corporate management of the Council.

9.1.4 To enable the professional and operational work of the Council to be undertaken, Chief Officers have delegated powers to take a range of decisions on behalf of the Cabinet and the other Committees etc. with decision making powers. In turn Chief Officers can empower certain of their staff to exercise delegated powers on their behalf in respect of particular kinds of decisions.

ALLOCATION OF RESPONSIBILITY FOR FUNCTIONS: INTRODUCTION

1. Introduction
 - 1.1 Part 3 of this Constitution deals with the allocation of responsibility for undertaking functions. The Council consists of a number of distinct parts, the key ones being the Executive (Leader and Cabinet) and the Council. Between them these two parts bear the primary responsibility for the function and powers of the Council. In order to operate effectively powers are delegated from the Executive and Council to Committees and officers.
 - 1.2 The Council has adopted the “new-style” Leader and Cabinet executive (England) governance model from after its elections in May 2011. The Executive therefore consists of the Leader of the Council (who is appointed by full Council and may be removed by it) and 2 or more councilors appointed to the Cabinet from time to time by that Leader. The executive of Bromsgrove District Council is described as 'the Cabinet'.
 - 1.3 In accordance with the law, any function of the Council which is not otherwise specified in legislation is an executive function and is the responsibility of the Leader and the Cabinet. The Leader may personally discharge functions which are the responsibility of the executive or arrange for their discharge by the Cabinet, another member of the Cabinet, a committee of the Cabinet or by an officer. The Leader may change these arrangements from time to time. Unless the Leader otherwise directs the Cabinet itself may arrange for the discharge of any of its functions by a committee of itself, a joint committee or by an officer.
 - 1.4 The Leader has decided that all Executive functions will be carried out by the Cabinet collectively.
 - 1.5 Parts 3 - 7 set out the way the functions and powers are distributed at Bromsgrove District Council. They are divided into a number of sections each of which deals with different elements of the distribution of functions and exercise of powers.
 - 1.6 Parts 3 – 7 of the Constitution should be read in conjunction with the rest of the Constitution, in particular Part 2 Articles of the Constitution.
 - 1.7 Parts 3 - 7 of this Constitution shall be interpreted in accordance with the relevant provisions of the Local Government Act 2000, in particular Section 13 (Functions which are the responsibility of an executive) and the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended).
2. Functions

2.1 The Council's functions may be lawfully exercised by:-

- Full Council
- The Leader
- The Cabinet
- Cabinet Members
- Committees and sub-committees of the Council and Cabinet
- Joint Committees
- Officers of the Council
- Others persons so authorised where the law permits

3. Categories

The Councils function fall into four categories:-

1. those functions that are by law the responsibility of Full Council unless delegated (sole Council responsibility);
2. those functions that are by law partly the responsibility of Full Council and partly the responsibility of the Council's Executive (shared responsibility);
3. those functions where there is a local choice whether they are the responsibility of the Councils Executive (local choice functions);
4. all other functions, being by law the responsibility of the Council's Executive (default Executive functions).

Non - Executive functions include all those functions that are the responsibility of the Council under paragraphs 1, 2 and 3 above.

Executive functions include all those functions that are the responsibility of the Executive under paragraphs 2, 3 and 4 above.

4. Sole Responsibility of Full Council

- 4.1 Decisions about the Council's policy framework and budget, and other constitutional matters may only be taken by Full Council. A list of these matters is shown in Part 2 Article 4 of the Constitution. Article 4.1 lists the policies which make up the "policy framework"; Article 4.2 lists the functions which may only be exercised by Full Council. The exercise of these functions may not be delegated to a committee or officer.
- 4.2 In most cases Full Council is also responsible for the regulatory functions. Full Council has established regulatory committees such as Planning and Licensing to discharge these Full Council only functions.
- 4.3 The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) gives effect to section 13 of the Local Government Act 2000 by specifying in Schedule 1 to the regulations which functions are not to be the responsibility of the Executive. In other

words the Executive cannot by law make the decision. For reference these functions fall under the following headings:-

A	Functions relating to town and country planning and development control
B	Functions relation to Licensing and Registration
C	Functions relating to health and safety at work
D	Functions relating to elections
E	Functions relating to name and status of areas and individuals
F	Power to make, amend, re-enact or enforce byelaws
G	Power to promote or oppose local or personal Bills
H	Functions relating to pensions
I	Miscellaneous functions

5. Shared Responsibility

5.1 Some functions are partly the responsibility of the Full Council and partly the responsibility of the Executive. These are:

- (a) the budget and any plan or strategy for the control of the borrowing or capital expenditure (capital plan);
- (b) the policy framework, that is the plans and strategies which the Council approves and adopts.

5.2 The Executive will be responsible for preparing the draft budget, draft plans and strategies and proposing them to Full Council.

5.3 Full Council will be responsible for:-

- (a) adopting or approving the draft budget, plan or strategy:
- (b) asking the Executive to reconsider it: or
- (c) amending the budget, plan or strategy.

5.4 The Executive will be responsible for implementing the Councils policies and spending the budget in accordance with the Council's financial rules and regulations.

5.5 Some plans and strategies require ministerial approval after the Council has approved them. If the minister requires any amendments to those plans and/or strategies, the Executive will be responsible for making those arrangements.

6. Local Choice Functions

6.1 In some cases there is a local choice as to whether the function is to be the responsibility of the Council or the Executive and Table 1 sets out whether the function is to be the responsibility of the Council or the Executive.

7. Default Executive Functions

- 7.1 All other functions not so specified are to be the responsibility of the Executive.
- 7.2 If a decision is the responsibility of the Executive, Council cannot overrule the Executive or give instructions on how the decision should be made. However, in certain circumstances, Council can ask the Executive to reconsider decisions.

Scheme of Delegation: Introduction

1. This Scheme of Delegation will be updated regularly. However:
 - a) any reference to specific legislation or to statutory provisions shall be deemed to refer to any relevant aspects of any successive legislation or statutory provisions;
 - b) reference to post holder shall be deemed to refer to any successor post holder(s) who is/are charged with the same responsibilities following any reorganisation or reallocation of functions, save that where there is any ambiguity as to who shall exercise a particular delegation of authority, the delegation shall refer to the higher-ranking officer(s). For the avoidance of doubt, successor post holder(s) include officers placed at the disposal of the Council under secondment arrangements pursuant to s113 of the Local Government Act 1972 or any other enactment or power.

Delegations to Committees and Sub-Committees

2. This Scheme of Delegation is not an exhaustive list of matters delegated to Committees and Sub-Committees. The Scheme of Delegation must be read in conjunction with the Terms of Reference for each Committee and Sub-Committee.

Delegations to Officers

3. All powers, duties and responsibilities appropriate and necessary for day to day operational activities shall be deemed to be delegated to the relevant Head of Service with the responsibility for the discharge of that function or the exercise of that power unless otherwise specifically prescribed and shall include authority to incur normal revenue expenditure in the discharge of day to-day operational activities in accordance with Financial Regulations and where budgetary provision has been made unless the Cabinet or Section 151 Officer has placed a conditional approval on any such item. The Scheme of Delegations is not intended to be an exhaustive and complete list of delegations to officers.
4. Notwithstanding that functions are delegated to an officer, the relevant parent committee or other member body with decision-making powers will retain concurrent powers. An officer may decide not to exercise any function in relation to a particular matter and invite the relevant committee or member body with decision-making powers to do so instead.
5. Where an officer whose post is named under this Scheme is unable to act or is absent the powers delegated to him/her may be exercised by any officer authorised by him in writing or by any more senior officer in that officer's hierarchical line of management up to and including the Chief Executive except where this is not permitted in law or is subject to other qualification. Any delegation to the Chief Executive may in his/her absence be exercised by the Executive Directors, Deputy Chief Executive, Monitoring Officer or Section 151 Officer as may be appropriate.

6. There are further delegations of powers which can be exercised by officers under Contract Procedure Rules.

Calling-In Procedure for Ward Members for Planning Committee

7. When a ward member wishes to call in an application to Planning Committee for consideration, they will, within 21 days of receipt of the notification of that application, contact the case officer and set out their reasons for wanting the application to be considered at committee rather than by officer delegation. The case officer will, in writing, record the request and reasons and send a written record to the Portfolio Holder, Chairman of the Planning Committee and any other ward member(s) for the area in which the application site is situated, of the request and reasons.
8. If a request is made after the deadline set out in paragraph 7 above, the Chairman of the Planning Committee shall make the final decision, taking into account all relevant matters, as to whether the application is considered by the Planning Committee, and will inform the case officer of his decision within 2 working days of receiving the request from the case officer. The ward member who made the request will also be informed of the Chairman's decision.

Interpretation of the Scheme of Delegations

9. The Monitoring Officer shall be the final arbiter in relation to the interpretation and application of the Scheme.

- Other arrangements

1. Joint Committees

a. Worcestershire Regulatory Joint Committee

A joint committee has been established of the executives of this Council, Malvern Hills District Council, Redditch Borough Council, Worcester City Council, Wychavon District Council, and Wyre Forest District Council.

The joint committee has provision to operate and manage Worcestershire Regulatory Services. The Council has delegated to the Joint Committee the functions set out in Table 1 below.

b. Greater Birmingham and Solihull Local Enterprise Partnership (GBSLEP) – Joint Scrutiny Committee

The Council appoints one member to a Joint Scrutiny Committee which reviews and/or scrutinises decisions made by the GBSLEP Supervisory Board. The Joint Committee is administered by Solihull Metropolitan Borough Council.

2. Shared Services with Redditch Borough Council

In 2009 the Council agreed to the appointment of a shared Chief Executive with Redditch Borough Council. In 2010 a shared management team for both Councils was appointed. The two councils have agreed to work together to deliver services jointly across both Councils. The co-operation between the two Councils on sharing services is reflected by a legal agreement referred to as the Overarching Framework Agreement.

As each Council continues to be independent politically, the Scheme of Delegations for Bromsgrove District Council, delegates the responsibility for making decisions from the Bromsgrove Executive and Council to the relevant Committees and officers. Under the terms of the Overarching Framework Agreement, the officers may be employed by either BDC or RBC, but this does not affect their ability to carry out functions delegated to them under the BDC Constitution.

The specific legislation which underpins these arrangements is set out in the Local Government Act 1972 and the Local Government Act 2000.

Under section 113 of the Local Government Act 2000, a local authority may enter into an agreement with another local authority for the placing at the disposal of the latter authority the services of staff employed by the former authority. Under section 101 of the Local Government Act 2000 a local authority may arrange for the discharge of its functions by any other local authority. This principle is further expanded in sections 19 and 20 of the Local Government Act 2000 and the Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2000.

The staffing arrangements for the shared management team have been established under section 113 of the Local Government Act with each authority placing its employees at the disposal of the other. As shared services are introduced across the Council department by department, a host authority for each department will be identified. Staff will be transferred under TUPE to the host or receiving authority, and will carry out the functions of the delegating authority in accordance with section 101 of the Local Government Act.

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. Definitions

In these Rules:

"Cabinet" and "Leader" have the same meaning as "executive" and "executive leader" in Part II of the Local Government Act 2000; and "plan or strategy" and "working day" have the same meaning as in the Local Authorities (Standing Orders) (England) Regulations 2001.

2. The framework for Cabinet decisions

The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Cabinet to implement it.

3. Process for developing the Framework

The process by which the Budget and Policy Framework shall be developed is:

- (a) The Cabinet will publicise, by including in the Work Programme, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms or will form part of the Budget and Policy Framework, and its arrangements for consultation after publication of those initial proposals. The Chairman of the Overview and Scrutiny Board will also be notified. The consultation period shall in each instance be not less than 4 weeks.
- (b) At the end of that period, the Cabinet will then draw up a draft plan or strategy having regard to the responses to that consultation. If the Overview and Scrutiny Board wishes to respond to the Cabinet in that consultation process then it may do so. As the Board has responsibility for fixing its own work programme, it is open to the Board to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Board into account in drawing up the draft plan or strategy for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
- (c) Once the Cabinet has approved the draft plan or strategy, the proper officer will refer them at the earliest opportunity to the Council for decision.
- (d) In reaching a decision, the Council may:
 - (i) adopt the Cabinet's draft plan or strategy, in which case, the Council may make a decision which has immediate effect; or

- (ii) agree minor amendments to the Cabinet's draft plan or strategy, and in which case the Council may make a decision which has immediate effect.

 - (iii) adopts (with or without modification) the plan or strategy,

it must inform the Leader of any objections which it has to the draft plan or strategy and must give to him/her instructions requiring the Cabinet to reconsider, in the light of those objections, the draft plan or strategy submitted to it.
- (g) Where the Council gives instructions in accordance with paragraph (f), it must specify a period of at least 5 working days, beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet, within which the Leader may
 - (i) submit a revision of the draft plan or strategy as amended by the Cabinet (the "revised draft plan or strategy"), with the Cabinet's reasons for any amendments made to the draft plan or strategy, to the Council for the Council's consideration; or
 - (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet's reasons for those amendments, any disagreement that the Cabinet has with any of the authority's objections and the Cabinet's reasons for that disagreement, which the Leader has submitted to the Council, or informed the Council of, within the period specified.

- (i) Subject to Paragraph (m) below, where, before 8th February in any financial year, the Cabinet submits to the Council for consideration in relation to the following financial year:

 - (ii) estimates of other amounts to be used for the purposes of such a calculation;
 - (iii) estimates of such a calculation; or
 - (iv) amounts required to be stated in a precept under Chapter IV of Part I of the Local Government Finance Act 1992,

and following consideration of those estimates or amounts the Council has any objections to them, it must take the action set out in paragraph (j).

- (j) Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in paragraph (i) (i), or issues a precept under Chapter IV of Part I of the Local Government Finance Act 1992, it must inform the Leader of any objections which it has to the Cabinet's estimates or amounts and must give to him instructions requiring the Cabinet to reconsider, in the light of those objections, those estimates and amounts in accordance with the authority's requirements.

- (m) Paragraphs (i) to (l) shall not apply in relation to -

 - (ii) amounts stated in a precept issued to give effect to calculations or substitute calculations made in accordance with section 52J or 52U of that Act.
- (n) In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the Budget and degree of in-year changes to the Policy Framework which may be undertaken by the Cabinet, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the Budget and Policy and Framework are reserved to the Council.

4. Decisions outside the Budget or Policy Framework

- (a) Subject to the provisions of paragraph 6 (virement) the Cabinet, committees of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging Cabinet functions may only take decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget approved by full Council, then that decision may only be taken by the Council, subject to paragraph 5 below.

- (b) If the Cabinet, committees of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging Cabinet functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Section 151 Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 5 (urgent decisions outside the Budget and Policy Framework) shall apply.

5. **Urgent decisions outside the Budget or Policy Framework**

- (a) The Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging Cabinet functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the Budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - i) if it is not practical to convene a quorate meeting of the full Council; and
 - ii) if the Chairman of the Overview and Scrutiny Board agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chairman of the Overview and Scrutiny Board's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of the Overview and Scrutiny Board, the consent of the Chairman of the Council, and in the absence of both the Vice-Chairman of the Council, will be sufficient.

- (b) Following the decision, the decision-taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

6. **Virement**

- (a) In approving its revenue budget each year, the Council will decide the headings (services) into which the Budget is to be divided, and will allocate an amount for expenditure under each heading.

However, the Cabinet shall be entitled to vire across budget

7. **In-year changes to Policy Framework**

The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by the Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging Cabinet functions must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a Budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

8. **Call-in of decisions outside the Budget or Policy Framework**

- (a) Where the Overview and Scrutiny Board is of the opinion that a Cabinet decision is, or if made would be, contrary to the Policy Framework, or contrary to or not wholly in accordance with the Council's Budget, then it shall seek advice from the Monitoring Officer and/or Section 151 Officer.
- (b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Section 151 Officer's report shall be to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Section 151 Officer conclude that the decision was a departure, and to the Overview and Scrutiny Board if the Monitoring Officer or the Section 151 Officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Section 151 Officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, the Overview and Scrutiny Board may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The

Council shall meet within 10 working days of the request by the Overview and Scrutiny Board. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Section 151 Officer. The Council may either:

- i) endorse a decision or proposal of the Cabinet decision-taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- ii) amend the Council's Financial Regulations or policy concerned to encompass the decision or proposal of the body or individual responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- iii) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, and does not amend the existing Framework or Budget to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/Section 151 Officer.

Introduction

You have been selected to participate in the Government Procurement Card scheme (GPC). This scheme is designed to make it easier and more cost effective for employees to make low value purchases of goods and services for Council use. A low value purchase is not likely to exceed £250 and is likely to be substantially less. Using GPC you can purchase goods and services from suppliers who accept Mastercard.

We are implementing this new purchasing concept for lower value purchases because we feel it will help you to more quickly and easily obtain the goods and services you need to get your job done. It will reduce paperwork associated with the traditional purchase order process resulting in cost savings for the Council and a saving in time for you.

Your feedback will help us to fine-tune the scheme as we integrate it into our purchasing processes. If you have any comments or questions about the GPC scheme, please contact your Administrator who is:

What is a Purchasing card?

GPC cards is an alternative method to the current buying process of paying for low value, high volume goods or services. By simplifying transaction processing it assists purchasing efficiency and will save RBC time and money. The current indicated savings from the Audit Office equate to £28 per transaction however this does not include the paper and other associated print/environmental savings when the need not to produce orders, delivery note and invoices is taken into account.

The Purchasing card looks like any normal debit/credit card, but is a procurement card, which means your total balance on your monthly statement must be settled in full.

It also means that the supplier is paid much more quickly (typically 3 to 5 days) rather than waiting for us to settle their invoice.

The card can be used at any establishment displaying the Mastercard symbol, in the UK. But we are looking for you to use suppliers who are capable of providing VAT reporting to level 3, this to facilitate further efficiency savings as the banks monthly returns of purchases made can be used to reclaim VAT from HMC&R. We are currently working with the Bank and the Suppliers we most commonly use to increase their VAT reporting capabilities to level 3. Embossed on the card is the following:

Bromsgrove District Council

Your Name

Expiry Date

Card Number

Your Purchasing card offers the opportunity to improve both the focus and flexibility of purchasing procedures whilst reducing the volume of purchase orders, invoices and associated paperwork for small value purchases, improving the cost effectiveness of processing these types of transactions.

Your card is to be used for business expenditure only.

Controls

Each card has a maximum monthly expenditure limit and individual transaction limit.

Monthly Expenditure limit

The total amount you can spend on your card each month.

Transaction Limit

The total amount you can spend on any single purchase.

Both of these limits are inclusive of VAT and any carriage.

The limits were set on your card application form based upon your estimated spend pattern.

Merchant Category Group code blocking

A further control has been applied to your Purchasing card.

Each supplier capable of accepting your GPC card will be classified by a certain Merchant Category Group code. By the way of an additional control, any number of these codes can be blocked or left unblocked to ensure compliance with business policies and to mirror each cardholder's buying profile.

Please make a note of these limits/controls.

If you try to purchase goods and services that are outside of these limits, your transaction will be declined and could lead to embarrassment. If you can prove that your limits are unrealistic to your work or the purchases you have to regularly make using the card please discuss with your line manager prior to requesting any increase in same

As detailed above, if you try to use your card with a supplier whose Merchant Category Group code has been blocked on your Purchasing card, this will also lead to your card being declined.

If this occurs, please contact the Administrator immediately to discuss how your card can be updated to reflect your requirements.

Queries on Goods

Faulty or damaged goods supplied

If the cardholder rejects the goods purchased as unsatisfactory he/she should inform the supplier immediately, and try to reach an agreement to return the goods and obtain a refund. The Royal Bank of Scotland is unable to become involved in any disputes between purchaser and supplier over the quality or suitability of goods purchased.

The supplier should arrange for a credit (refund) to be made to The Royal Bank of Scotland Purchasing Card Account which will then appear on a subsequent statement. To aid reconciliation, we suggest the cardholder retains a record of the credit at the time the goods are returned, rather than waiting for the statement to arrive.

Please note that refunds from abroad may vary from the original transaction amount due to exchange rates.

Goods not supplied/wrong goods supplied

If an item is charged to the cardholder's account but the goods or services ordered have not been received or are incorrect, the cardholder should contact the supplier to confirm that the goods have been supplied or the correct goods are being despatched.

A refund can be claimed from the supplier only after allowing 60 days from the transaction date for delivery of the correct goods.

INTRODUCTION AND SUMMARY OF ESSENTIAL REQUIREMENTS

A. Introduction

In this document, any words in *italics* are explained in the Definitions Appendix. References to “the Council” includes the Council’s Cabinet and any other Committee or persons acting in accordance with delegated authority on behalf of the Council, as set out in the Council’s Constitution.

These Contract Procedure Rules exist to ensure that the Council lets contracts in a fair, consistent, honest, legal and transparent manner. There is a statutory basis for the rules which promote good purchasing practice and public accountability. Following the rules is also the best defence against potential allegations that a purchase has been made incorrectly or fraudulently.

All Council staff with financial responsibilities, especially for purchasing, must comply with these Contract Procedure Rules. This includes purchasing on behalf of other organisations and purchasing using external funding e.g. grants. The Contract Procedure Rules lay down the minimum requirements and more rigorous procedures may be appropriate for specific contracts. Exemptions are only to be used in exceptional circumstances as detailed in Section 3. Failure to comply with these Contract Procedure Rules could result in disciplinary action.

This edition of the Procedure Rules will apply from 23rd November 2017 and supersedes all previous editions. The Rules are reviewed from time to time and are available on the Council’s Intranet and Website.

B. Summary of essential requirements

- Follow the rules if you have a delegated responsibility to purchase goods or services or order building work.
- Always check with your line manager about your responsibilities and take all necessary legal, financial and professional advice.
- Declare any personal interest in a contract and withdraw from taking part in it. Corruption and or Bribery is a criminal offence.
- Conduct an appraisal of the purchasing need and the requirement to obtain best value for money.
- Check whether there is an existing *corporate or national* contract you can make use of before undergoing a competitive process.
- Allow at least four weeks for submission of bids for high value contracts (not to be submitted by fax or e-mail).

- Keep bids confidential.
- Complete a written contract or Council order before the supply or works begin.
- Identify a *contract manager* (on both sides) with responsibility for ensuring the contract delivers as intended.
- Keep records of all dealings with suppliers.
- Ensure that where there is a requirement for communication to be in writing, this includes e-mail and fax transmissions as well as hard copy.
- Assess each contract afterwards to see how well it met the purchasing need and *value for money* requirements.

C. Summary of values and thresholds determining competition requirements

Total value	Award procedure
£0- £3,000	There must be evidence of competitive enquiries being undertaken with details of final selection criteria recorded and retained for one year from date of purchase (this can be in electronic form e.g. email)
£3,001 - £25,000	At least 3 written quotations
£25,001- £50,000	<i>Invitation to quote</i> by advertisement
£50,001 – EU threshold*	<i>Invitation to tender</i> by advertisement
Above EU threshold*	<i>EU procedure</i> or where this does not apply, <i>invitation to tender</i> by advertisement

See CPR 11 for further information.

Values exclude VAT, staff costs and fees.

*EU Threshold as at 1.1.16 (updated every 2 years):

£4,104,394 (works contracts)

£164,176 (supplies and services contracts)

SCOPE OF CONTRACT PROCEDURE RULES

1. BASIC PRINCIPLES

All purchasing and disposal procedures must:

- achieve *best value* for public money spent;
- be consistent with the highest standards of integrity;
- ensure fairness in allocating public contracts;
- comply with all legal requirements;
- ensure that where *non commercial* considerations are discussed in every contracting decision and that these are linked to and support the Councils 'social value' aims as set out in our corporate strategy. No other *non-commercial* considerations should influence any contracting decision;
- support the Council's corporate vision, aims, values and policies;
- comply with the Council's corporate *procurement strategy*.

2. OFFICER RESPONSIBILITIES

2.1 *Service Unit Managers* will ensure that:

- *Authorised Officers* comply with these procedure rules;
- registers are securely maintained of:
 - contracts completed by signature, rather than by the Council's seal (see Rule 16.3)
 - exemptions recorded under Rule 3.1;
- appropriate training is provided to staff involved in procurement.

2.2 All *Authorised Officers* responsible for purchasing or disposal must comply with these procedure rules, the Council's *Financial Regulations*, and codes of conduct and with all UK and European Union binding legal requirements. *Authorised Officers* must ensure that any agents, consultants and contractual partners acting on their behalf also comply, as if they were an officer of the Council.

2.3 Where the Council is acting jointly with other organisations it shall be a condition of any contribution by the Council that these procedure rules are followed where applicable.

2.4 *Authorised Officers* must:

- have regard to any Council guidance on best practice in purchasing;
- check whether a suitable *corporate or national contract* exists before seeking to let another contract; where a suitable *corporate or national contract* exists, this must be used unless there is an auditable reason not to;
- where appropriate ensure the providers of Council services will comply with the 7 Nolan principles
- comply with the requirements of Government transparency code 2015
- take all necessary legal, financial, audit, procurement and other professional advice.

2.5 When any employee (either of the Council or of a service provider) may be affected by any transfer arrangement, *Authorised Officers* must ensure that the Transfer of Undertakings (Protection of Employment) (*TUPE*) *regulations* are considered and obtain legal advice before proceeding with inviting Tenders or Quotations.

2.6 Any doubts as to the interpretation of these procedure rules should be referred to the relevant Service Unit Manager in the first instance and if necessary to the Procurement Officer or the Director of Finance & Resources.

2.7 Failure to comply with these procedure rules may leave the Council, or individual officers or members, open to the risk of legal challenge. Breaches will be regarded as a serious matter. Any officer becoming aware of any compliance failure should inform the Director of Finance & Resources who will, if necessary, investigate the matter and report to the Cabinet. Alternatively, matters can be raised through the Council's whistleblowing policy.

3. EXEMPTIONS, COLLABORATIVE AND E-PROCUREMENT ARRANGEMENTS

3.1 Exemptions

3.1.1 In exceptional circumstances, these Contract Procedure Rules will not apply if:

- (i) the appropriate *Service Unit Manager*, in consultation with the Director of Finance & Resources, is satisfied that there is no genuine competition, for example where:
 - (a) the goods or materials are proprietary articles or are sold only at a fixed price and no satisfactory alternative is available;
 - (b) the price of goods, materials or services are wholly controlled by trade organisations or government order;

-
- (c) the goods, materials or services are required for repairing or servicing existing specialist plant or equipment;
 - (d) the work is required to be carried out by public service providers.

Where there is no genuine competition, the *Service Unit Manager*, in consultation with the Director of Finance & Resources, will obtain written quotations from the contractor, and where appropriate, will negotiate to obtain best value for money for the Council prior to awarding any contract;

- (ii) the proposed contract for the execution of work forms part of a serial programme, the terms having been negotiated with the contractor on the basis of the rates and prices contained in an initial contract awarded competitively following an invitation to provide a written quotation or tender;
- (iv) the goods, materials or services are required due to an emergency involving immediate risk to persons, property or serious disruption to Council services;
- (v) the appropriate *Service Unit Manager* and the *Head of Service* agree that significant financial loss may be incurred if the letting of the contract is delayed;
- (vi) external/partner funding arrangements require other procedures to be followed;

3.1.2 In cases (iv) and (v) above the appropriate *Service Unit Manager* may obtain verbal quotations provided they are subsequently confirmed in writing.

3.1.3 If the Director of Finance & Resources, appropriate *Service Unit Manager* or *Authorised Officer* with appropriate authority to deal with a particular contract is of the opinion that any of these procedure rules should not apply to a contract, an appropriate report will be submitted to the Cabinet at the earliest opportunity. Where the contract is likely to exceed £50,000, the relevant *portfolio holder* must be consulted.

3.1.4 Where a proposed contract is likely to exceed the *EU threshold*, a *Service Unit Manager* has no delegated powers and the matter has to be determined by the Cabinet.

3.1.5 Where an exemption is necessary because of an unforeseeable emergency the *Authorised Officer* in conjunction with the Director of Finance & Resources and/or *Head of Service* may jointly approve the exemption but they must prepare a report for the next Cabinet to support the action taken.

3.1.6 All exemptions, and the reasons for them, must be recorded and signed by the *Authorised Officer* and countersigned by the *Service Unit Manager* using a form of waiver then signed by the Head of Service.

3.1.7 Where the Council carries out work using a recognised standard form of contract from a professional institution, procedural requirements may differ slightly to those laid down in these Contract Procedure Rules.

3.1.8 *Service Unit Managers* will monitor the use of all exemptions.

3.2 Collaborative and E-procurement arrangements

3.2.1 In order to secure value for money, the Council may enter into collaborative procurement arrangements, including initiatives such as E-auctions with other Councils. *Authorised Officers* wishing to do this must consult the *Head of Service* and the *Director* of Finance & Resources where the purchase is to be made using collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium.

3.2.2 All purchases made via a local authority purchasing and distribution consortium (e.g. ESPO, YPO and CCS) are deemed to comply with these contract procedure rules and no exemption is required. However, purchases above the *EU threshold* must be let under the EU procedure, unless the consortium has satisfied this requirement already by letting their contract in accordance with the EU procedures on behalf of the authority and other consortium members.

3.2.3 Any contracts entered into through collaboration with other local authorities or other public bodies, where a competitive process has been followed that complies with the contract procedure rules of the leading organisation, will be deemed to comply with these contract procedure rules and no exemption is required. However, advice must be sought from the *Head of Service* and *Director* of Finance & Resources.

3.2.4 The use of e-procurement technology does not negate the requirement to comply with all elements of these contract procedure rules, particularly those relating to competition and value for money.

4. RELEVANT CONTRACTS

4.1 All relevant contracts must comply with these contract procedure rules. A relevant contract is any arrangement made by, or on behalf of the Council for the carrying out of works, or for the supply (or disposal) of goods and materials or the carrying out of services. These include arrangements for:

- the supply or disposal of goods;
- delivery of services, including (but not limited to) those related to:
 - the recruitment of staff;
 - land and property transactions;
 - financial and consultancy services.

4.2 *Relevant contracts* do not include:

- contracts of employment which make an individual a direct employee of the authority, or;
- agreements regarding the acquisition, disposal or transfer of land (for which Financial Regulations shall apply).

COMMON REQUIREMENTS

5. STEPS PRIOR TO PURCHASE

5.1 Pre-commitment appraisal

5.1.1 *Authorised Officers* must carry out an appraisal of the proposed purchase, in a manner appropriate to its complexity and value, taking into account any advice and guidance available within the Council. The appraisal should where relevant:

- take into account the requirements from any relevant review;
- appraise the need for the expenditure and its priority;
- define the objectives of the purchase;
- assess the risks associated with the purchase and how to manage them;
- consider the procurement method most likely to achieve the purchasing objectives, including internal or external sourcing, partnering, packaging strategy and collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium;
- consult users as appropriate about the proposed procurement method, contract standards and performance and user satisfaction monitoring;
- draft the terms and conditions that are to apply to the proposed contract;
- set out these matters in writing if the *total value* of the purchase is High Value i.e. exceeds £50,000.

5.1.2 The appraisal must confirm that there is member or delegated approval for the expenditure and the purchase accords with the approved policy framework and scheme of delegation as set out in the *Constitution*. The proposed contract must be provided for in an appropriate budget and a proper financial and technical appraisal must be carried out.

5.2 Preparation of tender documents

5.2.1 Where written quotations or tenders are required, the tender documentation will normally consist of some or all of the following documents:

- (i) instructions to tenderers;
- (ii) specification;
- (iii) drawings;
- (iv) pricing schedule;
- (v) conditions of contract;
- (vi) form of tender.

5.2.2 Other information may need to be made available to ensure that tenderers' bids reflect service requirements and are competitively priced. This may include the following:

- (i) an outline of the tender evaluation criteria;
- (ii) the terms and conditions under which any assets will be made available;
- (iii) workforce information required for assessing any prospective liability in relation to *TUPE legislation*. To ensure consistency of provision of information, this may be provided by the Council's *Authorised Officer* and not by an existing contractor;
- (iv) the amount of work likely to be available under the contract.

5.2.3 The *Authorised Officer* will ensure that:

- (i) ambiguities and contradictions do not occur between documents and information provided;
- (ii) any locally prepared variations to standard documentation are clear and use generally accepted terms;
- (iii) contract conditions and specifications are in the best interests of the Council in respect of quality, cost and performance;
- (iv) independent scrutiny of tender documentation occurs at this stage, as errors may eventually prove costly;
- (v) contracts are sufficiently clear and robust to enable the Council to enforce their fulfilment;

-
- (vi) potential tenderers understand the implications of the Freedom of Information legislation, in particular that commercial confidentiality cannot be guaranteed.

5.2.4 To ensure consistency and to aid understanding by the tenderer, tender documentation will be collated by an experienced officer who will obtain the advice and approval of the *Director of Finance and Resources*.

5.2.5 For all contracts, sufficient time must be made available at each of the key stages, for example to allow potential contractors to provide a considered response and answer any supplementary questions.

6. RECORDS

6.1 Where the total value is less than £50,000, the following records must be kept:

- invitations to quote and quotations received;
- a record:
 - of any exemptions and the reasons for them;
 - of the reason if the lowest price is not accepted;
- written records of communications with the successful contractor or an electronic record if a written record of the transaction would normally not be produced.

6.2 Where the total value exceeds £50,000 the *Authorised Officer* must record:

- the method for obtaining bids (see Rule 11.1.1);
- any contracting decision and the reasons for it;
- any exemption under Rule 3 together with the reasons for it;
- the award criteria in descending order of importance;
- tender documents sent to and received from tenderers;
- pre-tender market research;
- clarification and post-tender negotiation (to include minutes of meetings)
- the contract documents;
- post-contract evaluation and monitoring;

-
- formal communications with tenderers and with the successful contractor throughout the period of the contract.
- 6.3 Records required by this rule must be kept for six years after the end of the contract. However, written documents which relate to unsuccessful tenderers may be scanned or stored by some other suitable method after 12 months from award of contract, provided there is no challenge to the award.
- 6.4 *Service Unit Managers* will maintain adequate records in order to produce a register or list of all current contracts, to include the name of the contractor, the work to be done/goods supplied, the contract value, expiry dates and timescales for renewal.
- 7. ADVERTISING, APPROVED LISTS AND FRAMEWORK AGREEMENTS**
- 7.1 Identifying and assessing potential tenderers**
- 7.1.1 *Authorised Officers* shall ensure that, where proposed contracts, irrespective of their total value, might be of interest to potential tenderers located in other member states of the EU, a sufficiently accessible advertisement is published. Generally, the greater the interest of the contract to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:
- the Council's website;
 - finditinworcestershire website
 - Contracts finder website
 - portal websites specifically created for contract advertisements;
 - national official journals, or;
 - the Official Journal of the European Union (OJEU)/Tenders Electronic Daily (TED) (even if there is no requirement within the *EU procedure*).
- 7.1.2 *Authorised Officers* are responsible for ensuring that all potential tenderers for a *relevant contract* are suitably assessed. The assessment process shall establish that *potential tenderers* have sound:
- economic and financial standing;
 - technical ability and capacity to fulfil the Council's requirements.
- 7.2 Framework Agreements**
- 7.2.1 *Authorised Officers* will check whether a suitable framework agreement exists before seeking to let another contract.

Framework Agreements

7.2.2 The term of a Framework Agreement must not exceed four years. An agreement may be entered into with one provider but where an agreement is concluded with several organisations, there must be at least three in number.

7.2.3 Contracts based on Framework Agreements may be awarded by either:-

- Applying the terms laid down in the Framework Agreement (where such terms are sufficiently precise to cover the particular call-off) without reopening competition; or
- Where terms laid down in the Framework Agreement are not precise enough or complete for the particular call-off, by holding a mini competition in accordance with the following procedure:
 - Inviting the organisations with the Framework Agreement that are capable of executing the subject of the contract to submit written tenders;
 - Fixing a time limit which is sufficiently long to allow tenders for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract;
 - Awarding each contract to the tenderer who has submitted the best tender on the basis of the evaluation criteria set out in the specifications of the Framework Agreement.

8. COMMUNITY RIGHT TO CHALLENGE

8.1 The Community Right to Challenge under Part 5 of the Localism Act allows certain *Relevant Bodies* to submit expressions of interest to deliver council services. The Act states that the Council must consider expressions of interest in respect of relevant services from relevant bodies which include:

- (i) voluntary/community bodies;
- (ii) charities;
- (iii) parish councils;
- (iv) two or more employees of the relevant authority.

8.2 Details of the Statutory Guidance on Community Right to Challenge along with other background information can be found at:
<http://www.communities.gov.uk/documents/localgovernment/pdf/2168126.pdf>

8.3 In order to meet our obligations under the Localism Act the Council will:

-
- accept informal approaches from all Relevant Bodies;
 - prepare and maintain an online 'Contracts Register'* detailing when the window of opportunity to bid for each contract will open and close and setting out the time frame within which:
 - (i) Expressions Of Interest (EOI) will be acknowledged;
 - (ii) a decision will be made;
 - (iii) how soon any procurement process *to include the EOI* will start.

* it will be the relevant *Service Unit Managers* responsibility to update and maintain the register in respect of contracts entered by their section – further information can be obtained from Legal and Support Services.

9. CONSTRUCTION, DESIGN AND MANAGEMENT REGULATIONS

Please see separate policy. It is a requirement that all contracts let by the Council comply with Construction, Design and Management (CDM) Regulations.

10. PUBLIC SERVICES (SOCIAL VALUE) ACT 2012

10.1 The Public Services (Social Value) Act 2012 requires contracting authorities to consider at the pre-procurement stage of **any** services contract and services framework agreement (including goods and works contracts procured in combination with services) to which the Public Contracts Regulations 2015) apply:

- how the proposed procurement may improve the economic, social and environmental well-being of their areas;
- how the contracting authority may act with a view to securing that improvement in conducting the process of procurement;
- in addition, the contracting authority is required to consider whether to undertake any community consultation on the above matters.

10.2 If you are undertaking a procurement exercise to which you think this Act applies please consult with the Procurement Officer before proceeding.

CONDUCTING PURCHASE AND DISPOSAL

11. COMPETITION REQUIREMENTS FOR PURCHASE, DISPOSAL AND PARTNERSHIP ARRANGEMENTS

The Authorised Officer must calculate the total value of any proposed purchase or disposal. The following procedures apply where there are no other procedures which take precedence. Other procedures may include agency agreements with

government. If in doubt, *Authorised Officers* must seek the advice of the *Procurement Officer and/or the Director of Finance and Resources*.

11.1 Purchasing: competition requirements

11.1.1 Where the total value for a purchase is within the values in the first column below, the *award procedure* in the second column must be followed.

***EU Threshold** as at 1.1.16 (updated every 2 years)

£4,104,394 (works contracts)

£164,176 (supplies and services contracts)

11.1.2 Where it can be demonstrated that there are insufficient suitably qualified *potential tenderers* to meet the competition requirement, all suitably qualified *potential tenderers* must be invited.

11.1.3 An *Authorised Officer* must not split orders, enter into separate contracts or select a method of calculating the total value in order to minimise the application of these contract procedure rules.

11.1.4 Where the *EU procedure* is required, the *Authorised Officer* shall consult the *Director of Finance and Resources* to determine the method of conducting the purchase.

11.2 **Assets for disposal**

11.2.1 For stocks and stores, *Service Unit Managers* will be responsible for the disposal of surplus assets subject to the agreement of the *Head of Service*. This will be by public auction, competitive tender or by other manner most beneficial to the Council. Any disposal of a single asset valued in excess of £5,000 will be reported to the Cabinet.

11.2.2 For land and property assets, the *Head of Service* in conjunction with the appropriate *Portfolio Holder in accordance with Financial Regulations* will exercise a delegation to deal with disposals up to £50,000. Disposals over £50,000 will require the prior approval of the Cabinet who will consider a report by the *Head of Service*, which will include the financial, legal and other consequences of the proposed disposal. Disposals over £500,000 also require the approval of full Council.

11.2.3 The Localism Act requires the Council to maintain a register of Community assets. The register is maintained and kept by *The Director of Finance & Resources*. If there is interest in the disposal of any asset listed on the Register a set procedure needs to be followed and a full consultation needs to be undertaken. Any approach made to the Council with regards disposal of an asset listed on the register must go to the *Director of Finance & Resources* in the first instance.

11.3 Providing services to external purchasers

11.3.1 The *Head of Service* and the *Director of Finance and Resources* must be consulted where it is proposed to do work for organisations other than Bromsgrove District Council.

11.4 Collaborative and partnership arrangements

11.4.1 Collaborative and partnership arrangements are subject to all UK and EU procurement legislation and must follow these Contract Procedure Rules. If in doubt, *Authorised Officers* must seek the advice of the *Procurement Officer*.

11.5 Appointment of consultants

11.5.1 *Consultants* will only be used if in the opinion of the appropriate *Service Unit Manager* in consultation with the *Head of Service* the work cannot be handled by Council employees.

11.5.2 If the consultant is to be appointed, a note should be placed on the file stating:

- (i) why it was necessary to use an external consultant;
- (ii) the brief for the project;
- (iii) the brief for selecting the consultant and how this was met;
- (iv) the names of the members and Officers involved in the selection process.
- (vi) Officers should consider any other options for savings before any appointment.

11.5.3 Consultants shall be selected in accordance with table C.

11.5.4 The engagement of a *consultant* shall follow the agreement of a brief that adequately describes the scope of the services to be provided and shall be subject to completion of a formal letter or contract of appointment. The appropriate *Service Unit Manager* will ensure that the requirements of 11.5.5 below are written into the contract and are verified.

11.5.5 Any *consultant* working on behalf of the Council will:

- (i) comply in all respects with the Council's Contract Procedure Rules and Financial Regulations;
- (ii) hold, where appropriate, an adequate level of professional indemnity insurance to cover any loss that may arise;

-
- (iii) produce all records relating to the contract on request during the currency of the contract;
 - (iv) pass all relevant records to the *Service Unit Manager* on completion of the contract, to be maintained in accordance with Rule 6.

11.5.6 There may be instances when the use of these Contract Procedure Rules to appoint a consultant would be inappropriate, for example when engaging a barrister or other consultant where quality of performance is more important than the lowest tender.

11.5.7 For all types of *consultants*, the appropriate *Service Unit Manager* will:

- (i) ensure that consultancies can be properly funded, within an approved budget and expenditure code;
- (ii) consider the type of contract and how payments will be made;
- (iii) draw up a written contract with any *consultants* engaged;
- (iv) appoint a project manager to manage and monitor each consultancy project;
- (v) ensure that all documentation relating to a proposed consultancy is collated by an experienced officer in consultation with the *Director of Finance and Resources* if appropriate.

11.5.8 When grants are awarded to outside bodies to fund *consultants* (for example to carry out feasibility studies) the organisation concerned will be responsible for appointing and monitoring the *consultants*.

11.6 Information Technology

11.6.1 The procurement of information technology should follow all other rules but in addition the following requirements apply.

11.6.2 For all information technology purchases, approval must be sought from the IT Services.

11.6.3 Any extension or additional modules to software may be procured without a Tendering process if:

- (i) the original system was procured through a full Tendering exercise;
- (ii) the contracts for the system and any support and maintenance contracts are still in term;
- (iii) the cost of additional modules does not exceed 25% of the original purchase price;

-
- (iv) the total cumulative price does not exceed the OJEU Threshold; and
 - (v) the proposed purchase has had a technical sign off by the IT Services and the Procurement Officer .

12. PRE-TENDER MARKET RESEARCH AND CONSULTATION

12.1 The *Authorised Officer* responsible for the purchase:

- may consult potential suppliers prior to the issue of the *invitation to tender* in general terms about the nature, level and standard of the supply,
- contract packaging and other relevant matters, provided this does not prejudice any potential supplier or tenderer, but
- must not seek or accept technical advice on the preparation of an *invitation to tender or quotation* from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential suppliers/tenderers or distort competition, and
- should seek advice as appropriate, for example from the Procurement Officer and the Director of Finance and Resources.

13. STANDARDS AND AWARD CRITERIA

13.1 The *Authorised Officer* must ascertain whether there are any relevant British, European or international standards which apply to the subject matter of the contract. The officer must include those standards which are necessary to properly describe the required quality. *The Director of Finance and Resources* must be consulted if it is proposed to use standards other than European standards.

13.2 The *Authorised Officer* must define award criteria that are appropriate to the purchase and designed to secure an outcome giving value for money for the Council. The basic criteria are:

- 'lowest price' where payment is to be made by the Council;
- 'highest price' if payment is to be received; or
- 'most economically advantageous', where considerations other than price also apply.
- local training and employment opportunities

If the last criterion is adopted, it must be further defined by reference to subcriteria which may refer only to relevant considerations. These may include price, service, quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, relevant environmental considerations, aesthetic and functional

characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters.

13.3 *Award criteria* must not include:

- *Non-commercial* considerations: (fully explained in definitions appendix);
- matters which discriminate against suppliers from the *European Economic Area* or signatories to the *Government Procurement Agreement*.

14. INVITATIONS TO TENDER/QUOTATIONS

*** please use standard documentation when possible**

14.1 All *invitations to tender* must state that no tender will be considered unless it is received by the date, place and time stipulated. Tenders delivered in contravention of this clause will not be considered.

14.2 All *invitations to tender* shall include the following:

- (i) specification that describes the Council's requirements in sufficient detail to enable the submission of competitive offers;
- (ii) requirement for tenderers to declare that the *tender* content, price or any other figure or particulars concerning the *tender* have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence for a necessary purpose);
- (iii) requirement for tenderers to complete fully and sign all *tender* documents including a form of *tender* and certificates relating to canvassing and non-collusion;
- (iv) notification that tenders are submitted to the Council on the basis that they are compiled at the tenderer's expense;
- (v) a description of the *award procedure* and, unless defined in a prior advertisement, a definition of the award criteria in objective terms and if possible in descending order of importance;
- (vi) notification that no tender will be considered unless it is enclosed in a sealed envelope or container which bears the word '*Tender*' followed by the subject to which it relates, but no other name or mark indicating the sender;
- (vii) a stipulation that any *tenders* submitted by fax or other electronic means (excluding any formal electronic tendering arrangements) shall not be considered;

-
- (viii) the method by which any arithmetical errors discovered in the submitted *tenders* will be dealt with, in particular, whether the overall price prevails over the rates in the tender or vice versa.
- 14.3 All invitations to *tender* or quotations must specify the goods, service or works that are required, together with the terms and conditions of contract that will apply (see Rule 16).
- 14.4 The invitation to *tender* or *quotation* must state that the Council is not bound to accept any *tender* or *quotation*.
- 14.5 All potential suppliers invited to tender or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.
- 15. SHORTLISTING**
- 15.1 Any *shortlisting* must have regard to the financial and technical standards relevant to the contract and the *award criteria*. Special rules apply in respect of the *EU Procedure*.
- 16. SUBMISSION, RECEIPT AND OPENING OF TENDERS/QUOTATIONS**
- 16.1 Potential suppliers must be given an adequate period in which to prepare and submit a proper *quotation* or *tender*, consistent with the complexity of the contract requirement. Normally at least four weeks should be allowed for submission of tenders. *The EU procedure* lays down specific time periods.
- 16.2 Receipt and safe custody of tenders**
- The Council's electronic tendering system will receive, receipt and store (via a secure online portal) all the Council's tenders.
- Receipt of tenders will be logged electronically on the system and a full audit trail evidenced, including dates and times of receipt and opening.
- 16.3 Opening tenders and Register of tenders**
- (i) The e-tendering system shall be maintained by the Procurement Department to show for each set of competitive tender invitations despatched:
- The name of all firms' individuals invited;
 - The names of firms individuals from which tenders have been received;
 - The date the tenders were received and opened;

- The person(s) opening the 'Tender Box';
- The price shown on each tender.

17. CLARIFICATION PROCEDURES AND POST-TENDER NEGOTIATION

- 17.1 Providing clarification of an *invitation to tender* to potential or actual tenderers, or seeking clarification of a *tender*, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a *tender* and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post-*tender* negotiations) must be the exception rather than the rule. In particular, they must not be conducted in an *EU procedure* where this might distort competition, especially with regard to price.
- 17.2 If post-tender negotiations are necessary, then such negotiations shall only be undertaken with tenderer(s) identified as having submitted the best *tender(s)*. During negotiations tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the tender documents. *Authorised Officers* appointed to carry out post-tender negotiations should ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions in writing.
- 17.3 Whenever it is proposed to enter into post-tender negotiation, the *Director of Finance and Resources* must be consulted for advice. Negotiations must be conducted by a team of at least two Officers.
- 17.4 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but retendered.

18. TENDER EVALUATION, AWARD OF CONTRACT, AND DE-BRIEFING TENDERERS

- 18.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of quotations, *tenders* and the identity of tenderers must be preserved at all times and information about one tenderer's response must not be given to another tenderer.
- 18.2 Tenderers must complete all tender documentation. Any omissions may render a tender null and void, with no further consideration given.
- 18.3 *Tenders* must be evaluated impartially in accordance with the award criteria. At least the most competitive tender received will be evaluated. Particular attention will be given to rates and prices, percentage adjustments, balancing items, ambiguities, qualifications and alternative offers. The following must also be included in the evaluation:
- comparison of submitted *tender* prices with pre-tender estimates, and resolution of any discrepancies;

-
- overall *value for money* assessment;
 - quality of performance on any previous Council contracts;
 - previous experience;
 - views of referees;
 - financial standing;
 - capability of EU compliance, where appropriate;
 - proposals for health and safety, equality and diversity, and dealing with complaints;
 - any significant environmental features of goods and services such as life expectancy, energy efficiency, recyclability.
 - Contribution to delivering the priorities and goals in our corporate strategy.
- 18.4 Compliant *tenders* must be checked for arithmetic accuracy, including the correct extension and summation of rates tendered in the bill of quantities. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their *tender*. Alternatively, if the rates in the tender, rather than the overall price, were stated within the *tender* invitation as being dominant, an amended tender price may be requested to accord with the rates given by the tenderer.
- 18.5 No amendments to *tender* rates after submission of tenders will be permitted. If a tenderer withdraws or the revised tender is no longer the most competitive, the next most competitive will be examined and dealt with in the same way.
- 18.6 *Authorised Officers* may accept quotations and tenders received in respect of proposed contracts, provided they are within the approved estimate and have been sought and evaluated fully in accordance with these contract procedure rules. In respect of proposed High Value and EU contracts, the approval of the relevant *Head of Service* will be obtained, and the awarding of the contract will be reported to the next Cabinet and minuted.
- 18.7 For EU contracts, the *Authorised Officer* must notify all tenderers simultaneously and as soon as possible of the intention to award the contract to the successful tenderer. The *Authorised Officer* must provide unsuccessful tenderers with a period of at least ten calendar days (Standstill Period) in which to challenge the decision before awarding the contract. If the decision is challenged by an unsuccessful tenderer then the *Authorised Officer* shall not award the contract and shall immediately seek the advice of the *Director of Finance and Resources*.

-
- 18.8 Once the contract has been let, all unsuccessful tenderers will be notified of the results, and may be informed of the successful price on request. The letter of acceptance will not seek to qualify the terms and amounts previously tendered by the contractor.
- 18.9 If a tenderer requests in writing the reasons for a contracting decision, the *Authorised Officer* must give the reasons in writing within reasonable time frame of the request.

CONTRACT AND OTHER FORMALITIES

19. CONTRACT DOCUMENTS

19.1 Relevant contracts

19.1.1 All *relevant contracts* that exceed the High Value threshold shall be in writing.

19.1.2 All *relevant contracts*, irrespective of value, shall clearly specify:

- what is to be supplied (i.e. the work, goods, materials or services to be delivered or undertaken);
- a defined quality of provision, requiring where appropriate that all works carried out or goods supplied will conform to current British Standards or Codes of Practice;
- the provisions for payment (i.e. the price to be paid and when, including details of any discounts or deductions, and where appropriate a means of defining price adjustments for any subsequent amendment of requirements);
- the time, or times, within which the contract is to be performed, and any other conditions and terms as may be agreed between the parties;
- the provisions for the Council to terminate the contract.

19.1.3 The Council's ordering procedures, as laid down in Financial Regulations, must be used wherever possible.

19.1.4 The formal advice of the *Director of Finance and Resources* must be sought in the following instances:

- where the *total value* exceeds £50,000;
- those involving leasing arrangements;
- where it is proposed to use a supplier's own terms;
- those that are complex in any way.

19.1.5 Every relevant contract over the High Value threshold must, where applicable, also state clearly:

- any insurance requirements. This will include, where appropriate, Professional Indemnity insurance, which will protect the Council's interests and cover any potential losses. An adequate level of insurance will be determined in consultation with the Council's insurers;
- health and safety requirements;
- performance and complaints monitoring requirements;
- data protection requirements, if relevant;
- any professional, quality or EU standards that must be met;
- any Council expectations regarding environmentally sustainable working practices;

- that when *agents* are used to let contracts, they must comply with the Council's contract procedure rules;
- a right of access to relevant documentation and records of the contractor for monitoring and audit purposes;
- that the contractor may not assign or sub-contract without prior written consent from the Council's *Authorised Officer*.

19.2 Contract formalities

19.2.1 Agreements shall be completed by the following as a minimum:

Total Value (Rule 11.1.1)	Method of Completion	By
Low value	Signature	Authorised Officer
Medium value	Signature	Service Unit Manager
High value	Signature/Sealing	See Rule 19.3.1

19.2.2 The contract letting process must allow sufficient time for the legal documentation to be completed prior to the start of the contract. All contracts should be concluded in writing before the supply, service or construction work begins, except in exceptional circumstances where it is essential that the contract starts before formal contract signing. In such cases reasons will be clearly noted on the contract file.

19.2.3 The *Authorised Officer* responsible for securing signature of the contract must ensure that the person signing for the other contracting party has authority to bind it.

19.3 Sealing

19.3.1 Where it is appropriate for contract documents to be sealed by the Council, this will be done in accordance with the Council's constitution.

19.3.2 Copies all contracts entered should be stored with the Legal Section.

19.3.3 Details of all contracts should be added to and maintained on the Contracts Register maintained by the Legal Section.

20. BONDS, PARENT COMPANY GUARANTEES AND LIQUIDATED DAMAGES

20.1 *Authorised Officers* must consult the *Head of Service* about whether a parent company guarantee is necessary when it is proposed to appoint a contractor who is a subsidiary of a parent company and:

- the *total value* of the proposed contract exceeds £1 million; or
- award is based on evaluation of the parent company; or
- there is concern about the stability of the contractor.

20.2 *Authorised Officers* must consult the *Head of Service* about whether a bond is needed:

- where the total value of the proposed contract exceeds £1 million; or
- where it is proposed to make stage or other payments in advance of receiving the whole of the subject matter of the contract and there is concern about the stability of the contractor.

20.3 If a *bond* is deemed necessary, the amount will be at least 10% of the contract sum (or its annual value where the contract relates to continuing service). Any decision not to require a bond will be recorded on the appropriate file.

20.4 Provision should be made for liquidated damages to be paid by the contractor if the contract is not completed within the time specified. This will normally be the case for contracts over £500,000 but may also be appropriate for lesser value contracts. The amount of liquidated damages will be determined by the appropriate *Service Unit Manager* in consultation with the *Head of Service*.

20.5 In certain circumstances, both a *parent company guarantee* and a *bond* may be required.

21. PREVENTION OF CORRUPTION

21.1 Officers and Members must not invite or accept any gift or reward in respect of the award or performance of any contract. High standards of conduct are obligatory. Corrupt behaviour will lead to dismissal in the case of Officers and a reference to the Standards Committee in the case of Members. Where appropriate a matter may be referred to the Police.

21.2 The following clause must be put in every written Council contract:

“The Council may terminate this contract and recover all its loss if the Contractor, its employees or anyone acting on the Contractor’s behalf do any of the following things:

- (i) offers, gives or agrees to give to anyone any inducement or reward in respect of this or any other Council contract (even if the Contractor does not know what has been done); or
- (ii) commits an offence under the Prevention of Corruption Acts 1889 to 1916 or Section 117(2) of the Local Government Act 1972; or
- (iii) commits any fraud in connection with this or any other Council contract whether alone or in conjunction with Council members, contractors or employees.

Any clause limiting the Contractor’s liability shall not apply to this clause.”

22. BRIBERY ACT 2010

22.1 The Bribery Act 2010 sets out a number of prohibited acts which, if committed, carry criminal sanctions. Specifically the Council is covered by the offences in the following sections of the Act:

- Section 1: the offence of bribing another person;
- Section 2: the offences relating to being bribed;
- Section 6: the offence of bribing a foreign public official.

22.2 Government guidance highlights as the main example of how an employee of a public authority may commit an offence under the Act is if they accept a payment in return for manipulating the process or outcome of a public procurement in favour of a particular bidder.

22.3 The Council has an overriding duty to prevent and eliminate bribery not only in the way that it affects employees but also by ensuring that no contractors have been involved in any bribery offences. The Government has confirmed that a conviction for an offence under the Act will trigger discretionary not mandatory exclusion from

competing for public contracts under regulation 23 of the Public Contracts Regulation 2015.

- 22.4 If you have any concerns in respect of bribery by another *officer* and/or a contractor/tenderer then please inform *Head of Service* or the *Director of Finance and Resources* immediately. Failure to do so could result in criminal proceedings against you personally.

23. DECLARATION OF INTERESTS

- 23.1 Officers and Members must have regard to their relevant codes of conduct.
- 23.2 Officers must declare to their *Service Unit Manager* any interests which could bring about conflict with the Council's interests.
- 23.3 Members must disclose all relevant interests on their register of interest forms, and at any meetings they attend.

CONTRACT MANAGEMENT

24. MANAGING CONTRACTS

- 24.1 All contracts must have a named Council *contract manager* for the entirety of the contract. This will normally be the appropriate *Service Unit Manager* or a named deputy.
- 24.2 All contract managers will comply with these *Contract Procedure Rules* and any associated Council guidance.

25. RISK ASSESSMENT AND CONTINGENCY PLANNING

- 25.1 A business case must be prepared for all procurements with a potential value over the *EU threshold*. Provision for resources for the management of the contract, for its entirety, must be identified in the business case.
- 25.2 For all High Value contracts, contract managers must:
- maintain a risk register during the contract period;
 - undertake appropriate risk assessments;
 - for identified risks, ensure contingency measures are in place;
 - undertake and record such checks as are necessary to ensure that the contractor's insurance policies remain in force for the duration of the contract.

26. CONTRACT MONITORING, EVALUATION AND REVIEW

26.1 During the life of a contract, the *contract manager* must monitor the contractor in respect of:

- performance;
- risk management;
- compliance with specification and contract;
- cost;
- any value for money requirements;
- user satisfaction.

26.2 In the case of High Value contracts, the *Head of Service* will be responsible for budget monitoring and reporting any particular areas of concern to the Senior Management Team and the appropriate Cabinet member.

Broadly, TUPE regulations ensure that the rights of employees are transferred along with the business.

Value for Money

Value for money is not just the lowest possible price: it combines goods or services that fully meet your needs, with the level of quality required, delivery at the required time, and at an appropriate price.

Where Special Responsibility Allowance is payable to a Chairman on an annual basis there are no formal arrangements for payment of Special Responsibility Allowance to a Vice-Chairman for chairing a committee meeting in the absence of the Chairman. Any such payments shall be determined on an informal basis. Where Special Responsibility Allowance is payable per meeting, this will be payable to the person chairing that meeting.

In addition to the allowances set out above, an allowance of £4110 is payable to the Chairman of the Council. This allowance is permitted in the Local Government Act 1972 and is separate to those which are reviewed by the Independent Remuneration Panel.

Childcare and Dependant Care Allowances

Childcare and dependent care allowances are payable to cover reasonable and legitimate costs incurred as a result of attendance at Approved Duties, **as defined in Appendix 1**. Evidence of costs incurred should be submitted with any claim.

CODE OF CONDUCT

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of Councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Ten Principles of Public Life](#), also known as the Nolan Principles. See Appendix A

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Where you act as a representative of the Council:

- (a) on another relevant authority, you must, when acting for that other authority, comply with that other authority's code of conduct; or
- (b) on any other body, you must, when acting for that other body, comply with the authority's code of conduct, except and insofar as it conflicts with any other lawful obligations to which that other body may be subject.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of Councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor engaging in a political debate with other Councillors you can express, challenge, criticise and disagree with views, ideas, opinions, and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations, to personal attack.

The robust manner in which councillors engage with each other during political debate is not appropriate when engaging with local authority employees, employees and representatives of partner organisations and those volunteering for the local authority. As strategic leaders and employers, it is expected that councillors will set a positive example to staff by treating them with politeness and courtesy at all times.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a Councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in

emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services. Councillors must not do anything that is likely to cause the Council to breach its public commitment to equality and fostering good relations with all communities.

Appendix D sets out additional guidance that Councillors must read alongside this Code of Conduct.

3. Impartiality of officers of the Council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

You must:

- (a) when reaching decisions on any matter have regard to any relevant advice provided to you by the Council's officers and in particular by the Monitoring Officer and Section 151 Officer; and
- (b) give reasons for all decisions in accordance with any statutory requirement and any reasonable additional requirements imposed by the Council.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third

party agrees not to disclose the information to any other person; or

iv. the disclosure is:

1. reasonable and in the public interest; and
2. made in good faith and in compliance with the reasonable requirements of the local authority; and
3. I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include information relating to ongoing negotiations or personal data relating to individuals.

With regards to personal data relating to individuals, you must not do anything that is likely to cause your authority to breach Data Protection law. You must seek to ensure you are familiar with how the Data Protection Act applies to your role in handling personal data through training, and if you are not sure you should seek advice from the Monitoring Officer.

5. Disrepute

As a Councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a Councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a Councillor:

7.1 I do not misuse Council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- (a) act in accordance with the local authority's requirements.**
- (b) ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed; and**
- (c) have regard to any applicable Local Authority Code of Publicity during elections.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a Councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £15 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendix A – The Ten Principles of Public Life

The principles are:

Selflessness – Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

Honesty and Integrity – Members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly, and should, on all occasions, avoid the appearance of such behaviour.

Objectivity – Members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

Accountability – Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.

Openness – Members should be as open as possible about their actions and those of their Authority and should be prepared to give reasons for those actions.

Personal judgement – Members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

Respect for others – Members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority's statutory officers and its other employees.

Duty to uphold the Law – Members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

Stewardship – Members should do whatever they are able to do to ensure that their authorities use their resources prudently and in accordance with the law.

Leadership – Members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the Councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register. The Monitoring Officer may state on the register that the councillor has an interest the details of which are withheld.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If the interest has not already been recorded, notify the Monitoring Officer of the interest within 28 days beginning with the date of the meeting. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest.
Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose

the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which **affects** –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a relative or close associate; or
- c. a financial interest or wellbeing of a body included under Other Registerable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Appendix C – the Committee on Standards in Public Life and Best Practice Recommendations

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

Best Practice Recommendations

As included in The Local Government Ethical Standards report. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behavior covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both Councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish Councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

A full impact assessment has not been produced for these Regulations as no impact on the private or voluntary sectors is foreseen.

GIFTS AND HOSPITALITY

A CODE OF CONDUCT FOR COUNCILLORS

The acceptance of gifts and hospitality by Councillors is not merely an administrative issue. It reflects directly upon the perception of Councillors and of the authority as acting in the public interest or as acting for the personal advantage of friends and for what personal benefit Councillors can get out of their position.

The law on the acceptance of gifts and hospitality is set out in the Bribery Act 2010. These legal requirements are supplemented by the procedures which have been adopted by this authority, to provide a clear set of rules for the protection of both Councillors and the authority. This Code is to be read in conjunction with the Council's Code of Conduct for Members and the Council's Corporate Anti-Bribery Policy.

This Code of Conduct sets out:

- (a) the principles which you should apply whenever you have to decide whether it would be proper to accept any gift or hospitality
- (b) a procedure for obtaining consent to accept a gift or hospitality, when you consider that it would be proper to accept it
- (c) a procedure for declaring any gift or hospitality which you receive and for accounting for any gift to the authority

This Code does not apply to the acceptance of any facilities or hospitality which may be provided to you by this authority.

1 General Principles

In deciding whether it is proper to accept any gift or hospitality, you should apply the following principles. Even if the gift or hospitality comes within one of the general consents set out in Section 2, you should not accept it if to do so would be in breach of one or more of these principles:

- (a) Never accept a gift or hospitality as an inducement or reward for anything you do as a Councillor**

As a Councillor, you must act in the public interest and must not be swayed in the discharge of your duties by the offer, prospect of an offer, or the non-offer of any inducement or reward for discharging those duties in a particular manner.

The Bribery Act 2010 makes it an offence for an individual to bribe another person or to accept a bribe. The maximum penalty

for a conviction for one of these offences is up to 10 years imprisonment. There is an additional offence which applies to organisations of failing to prevent bribery. On a conviction for this offence the organisation could face an unlimited fine.

Further, the authority's Code of Conduct for Members provides that you must act in the public interest, serving the authority and the whole community, rather than acting in the interests of any particular individual or section of the community, and that you must not place yourself under any financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties.

(b) You should only accept a gift or hospitality if there is a benefit to the authority

The only proper reason for accepting any gift or hospitality is that there is a benefit for the authority which would not have been available but for the acceptance of that gift or hospitality.

Acceptance of hospitality can confer an advantage on the authority, such as an opportunity to progress the business of the authority expeditiously through working lunch, or to canvass the interests of the authority and its area at a meeting. Acceptance of a gift is much less likely to confer such an advantage. But unless the benefit to the authority is clear, and is commensurate with the value of the gift or hospitality, the presumption must be that the gift or hospitality is purely for your personal benefit.

As set out above, the authority's code provides that you must not improperly confer any advantage on anyone, including yourself. Acceptance as a Councillor of a gift or hospitality for your own benefit or advantage, rather than for the benefit to the authority, would be a breach of the Code.

(c) Never accept a gift or hospitality if acceptance might be open to misinterpretation

The appearance of impropriety can be just as damaging to the authority and to you as a Councillor as actual impropriety. The authority's ability to govern rests upon its reputation for acting fairly and in the public interest. You must therefore consider whether the acceptance of the gift or hospitality is capable of being interpreted as a sign that you or the authority favours any particular person, company or section of the community or as placing you under any improper obligation to any person or organisation. If there is any possibility that it might be so interpreted, you must either refuse the gift or hospitality or take

appropriate steps to ensure that such a misunderstanding cannot arise.

Certain occasions are particularly sensitive and require the avoidance of any opportunity for such misunderstanding. These include:

- (i) occasions when the authority is going through a competitive procurement process, in respect of any indication of favour for a particular tenderer.
- (ii) determinations of planning applications or planning policy, in respect of any person or organisation which stands to gain or lose from the determination.
- (iii) funding decisions, when the authority is determining a grant application by any person or organisation.

(d) Never accept a gift or hospitality which puts you under an improper obligation

Recognise that some commercial organisations and private individuals see the provision of gifts and hospitality as a means of buying influence. If you accept a gift or hospitality improperly, it is possible that they may seek to use this fact to persuade you to determine an issue in their favour. Equally, if others note that you have been prepared to accept a gift or hospitality improperly, they may feel that they will no longer be able to secure impartial consideration from the authority.

(e) Never solicit a gift or hospitality

You must never solicit or invite an offer of a gift or hospitality in connection with your position as a Councillor unless the acceptance of that gift or hospitality would be permitted under this Code. You should also take care to avoid giving any indication that you might be open to such any improper offer.

2 Consent Regimes

(a) General consent provisions

For clarity, the authority has agreed that, provided the General Principles set out in Section 1 are not breached, you may accept gifts and hospitality in the following circumstances:

- (i) civic hospitality provided by another public authority

Agenda Item 21

PART 21

- (ii) modest refreshment in connection with any meeting in the ordinary course of your work, such as tea, coffee, soft drinks and biscuits
- (iii) tickets for sporting, cultural and entertainment events which are sponsored by the authority
- (iv) small gifts of low intrinsic value, branded with the name of the company or organisation making the gift, such as pens, pencils, mouse pads, calendars and diaries. However, you should take care not to display any such branded items when this might be taken as an indication of favour to a particular supplier or contractor, for example in the course of a procurement exercise
- (v) a modest alcoholic or soft drink on the occasion of an accidental social meeting, such as a pint of beer from an employee of a contractor or party with whom you have done business on behalf of the authority if you meet accidentally in a public house, cafe or bar. In such cases, you should make reasonable efforts to return the offer where this is practicable
- (vi) a modest working lunch in the course of a meeting in the offices of a party with whom the authority has an existing business connection where this is required in order to facilitate the conduct of that business.
- (vii) modest souvenir gifts with a value from another public authority given on the occasion of a visit by or to the authority
- (viii) Hospitality received in the course of an external visit or meeting which has been duly authorised by the authority. Councillors should not make such arrangements themselves, and officers are under instruction to make it clear that any such hospitality for Councillors and officers is to be no more than commensurate with the nature of the visit
- (ix) other unsolicited gifts, where it is impracticable to return them to the person or organisation making the gift, provided that the Councillor deals with the gift strictly in accordance with the following procedure: The Councillor must, as soon as practicable after the receipt of the gift, pass it to the Secretary to the Chairman of the Council together with a written statement identifying the information set out in Paragraphs 2(b) below. The Secretary will then write to the person or organisation making the gift thanking them on your behalf for the gift

and informing them that you have donated the gift to the Chairman's charity Fund, on whose behalf it will be raffled or otherwise disposed of in due course, the proceeds being devoted to a charitable cause chosen by the Chairman.

(b) Special consent provisions

If you wish to accept any gift or hospitality which is in accordance with the General Principles set out in Paragraph 1, but is not within any of the general consents set out in Paragraph 2(a), you may only do so if you have previously obtained specific consent in accordance with the following procedure:

You must make an application in writing to the Monitoring Officer, setting out:

- (i) the nature and your estimate of the market value of the gift or hospitality
- (ii) who the invitation or offer has been made by or on behalf of
- (iii) the connection which you have with the person or organisation making the offer or invitation, such as any work which you have undertaken for the authority in which they have been involved
- (iv) any work, permission, concession or facility which you are aware that the person or organisation making the offer or invitation may seek from the authority
- (v) any special circumstances which lead you to believe that acceptance of the gift or hospitality will not be improper

You must not accept the gift or hospitality until you have received the appropriate consent.

The Monitoring Officer will enter details of any approval in a register which will be available for public inspection on the occasion of the public inspection of the authority's accounts for the relevant year. But note that this does not relieve you of the obligation to register the receipt of gifts and hospitality in accordance with Paragraph 3, below.

3. Reporting

Where you accept any gift or hospitality, you must, as soon as possible after receipt of the gift or hospitality, make a declaration in writing to the Monitoring Officer, setting out the information set out in Paragraphs 2(b) above. A form for this purpose is attached to this Code, but you can send the same information by any convenient means. The Monitoring Officer will retain a copy of any such declaration in a register which will be available for public inspection until the approval of the authority's accounts for the year in question.

4 Gifts to the authority

Gifts to the authority may take the form of the provision of land, goods or services, either to keep or to test with a view to future acquisition, an offer to carry out works or sponsorship of a function which is organised or supported by the authority. You should not solicit any such gift on behalf of the authority except where the authority has formally identified the opportunity for participation by an external party and how that participation is to be secured, for example in relation to sponsorship of public musical and theatrical performances and developers' contributions under Section 106 Agreements. If you receive such an offer on behalf of the authority, you must first consider whether it is appropriate for the authority to accept the offer (in terms of whether the acceptance of the gift might be seen as putting the authority under any improper obligation, whether there is a real benefit to the authority which would outweigh any disbenefits). If you do not have delegated authority to accept the gift, you should report the offer directly to the Monitoring Officer who has such delegated authority, together with your recommendation. The Monitoring Officer will then write back to the person or organisation making the offer, to record the acceptance or non-acceptance of the gift, record the gift for audit purposes and ensure that the gift is properly applied for the benefit of the authority. If you have any concerns about the motives of the person or organisation making the offer, or whether it would be proper for the authority to accept the gift, you should consult the Monitoring Officer directly.

5 Definitions

MEMBER - OFFICER PROTOCOL

Introduction and Principles

- 1.1 The purpose of this Protocol is to guide Members and Officers of the Council in their relations with one another in such a way as to ensure the smooth running of the Council.
- 1.2 Given the variety and complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. Its objectives are
- To promote trust, openness, fairness and honesty by establishing some ground rules
 - To define roles so as to clarify responsibilities (i.e. who does what), avoid conflict and prevent duplication or omission
 - To secure compliance with the law, codes of conduct and the Council's own practices
 - To lay down procedures for dealing with concerns by members or officers.

Although the protocol offers guidance on some of the issues which most commonly arise, it forms part of the Council's Constitution and as such must be followed by Members and Officers. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other circumstances. Except as specifically set out in this Protocol, questions of interpretation will be determined by the Monitoring Officer unless the particular provision requiring interpretation relates to a matter to be determined by the Chief Executive.

- 1.3 This Protocol is to a large extent a written statement of current practice and convention. It seeks to promote greater clarity and certainty. If the Protocol is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and any undue influence from Members.
- 1.4 It also seeks to reflect the principles underlying the Code of Conduct which applies to Members. These are:
- Selflessness – serving only the public interest
 - Honesty and integrity – not allowing these to be questioned
 - Not behaving improperly
 - Objectivity – taking decisions on merit
 - Accountability – to the public; being open to scrutiny
 - Openness – giving reasons for decisions
 - Personal judgement – reaching one's own conclusions and acting accordingly
 - Respect for others – promoting equality; avoiding discrimination; respecting others (member/member as well as member/officer)
 - Duty to uphold the law – not acting unlawfully

- Stewardship – ensuring the prudent use of the Council's resources
- Leadership – acting in a way which has public confidence

These principles underpin this protocol. Officers are bound by the Council's own code of conduct for staff and, in some cases, by their professional associations. The purpose of this code is to enhance and maintain the integrity (real and perceived) of local government and the Code, therefore, demands very high standards of personal conduct.

- 1.5 This Protocol should be read in conjunction with the Members' Code of Local Government Conduct, the Council's Constitution and any guidance issued by the Audit, Governance and Standards and/or Monitoring Officer. The protocol has been approved by the Council's Standards Committee (now the Audit, Standards & Governance Committee), which will monitor its operation and which is responsible for reviewing the practical application of the Protocol, and making suggestions for its improvement and development. Breaches of the protocol by a member may result in a complaint to the Standards Board for England if it appears the Members' Code of Conduct has also been breached. Breaches by an officer may lead to disciplinary action.

The Role of Members

- 2.1 Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, Members may wish to seek the advice of senior colleagues, the relevant senior officer(s), and/or the Monitoring Officer.
- 2.2 Collectively, Members are the ultimate policy-makers determining the core values and priorities of the Council and approving the authority's policy framework, strategic plans and budget.
- 2.3 Members represent the community, act as community leaders, and promote the social, economic and environmental well-being of the community, often in partnership with other agencies.
- 2.4 Every elected Member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local outside bodies.
- 2.5 Some Members have roles relating to their position as members of the Executive, overview and scrutiny committees, or other committees of the Council.
- 2.6 Members of the Executive may have individual delegated powers, but will often work closely with officers in relevant departments in preparing policies and decisions which are subsequently approved by the Executive. Although Executive members may, to a significant extent, determine matters within their portfolios, the implementation of their decisions is the responsibility of officers.

- 2.7 Members serving on overview and scrutiny committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor service provision by other bodies insofar as it affects the District, e.g. local health service provision.
- 2.8 Members who serve on other committees and sub-committees collectively have delegated responsibilities, e.g. deciding planning applications, licensing applications and other quasi-judicial matters, which by law are excluded from the remit of the Executive.
- 2.9 Some Members may be appointed to represent the Council on local, regional or national bodies. Guidance for Members on their participation with external bodies is contained within the protocol "Guidance for Members on Outside Bodies".
- 2.10 As politicians, Members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as members they have a duty always to act in the public interest.
- 2.11 Members are not authorised to instruct officers other than in the circumstances set out below, and should take care to ensure that their conduct is not open to misinterpretation in this regard. Instructions may legitimately be given:-
- Through the formal decision-making process;
 - To request the provision of consumable resources provided by the Council for members' use
 - Where an Executive Member is indicating to a Senior Officer the way in which policies and decisions might be prepared, but any such instruction given must not compromise an officer's professional judgement and must not be inconsistent with the Council's established policies and procedures
 - Where staff have been specifically allocated to give support to a member or group of members; and
 - In the case of political assistants
- 2.12 Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.
- 2.13 Members must avoid taking actions which are unlawful, financially improper, or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the Chief Financial Officer.
- 2.14 Members must respect the impartiality of officers and do nothing to compromise it, e.g. by insisting that an officer change his/her professional advice.

The Role of Officers

- 3.1 Officers are responsible for giving advice to Members to enable them to fulfil their roles. In doing so, officers will take into account all available relevant factors.
- 3.2 Under the direction and control of the Council (including, as appropriate, the Executive and committees), officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.
- 3.3 Officers have a duty to implement decisions of the Council, the Executive and committees which are lawful and which have been properly approved in accordance with the requirements of the law and the Council's constitution, and duly minuted.
- 3.4 Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.
- 3.5 Officers must assist and advise all parts of the Council. They serve the Council as a whole. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.
- 3.6 Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public.
- 3.7 Officers have the right not to support Members in any role other than that of member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on senior officers' involvement in political activities.

The Relationship: General Points

- 4.1 Both Councillors and Officers are servants of the public and they are indispensable to one another, but their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council's work under the direction and control of the Council, the Executive, their committees, and subcommittees.
- 4.2 At the heart of the Code, and this Protocol is the importance of mutual respect, confidence, and trust. Member/Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.
- 4.3 A key element in the relationship is a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and

attitude of each to the other, both publicly and privately. Informal and collaborative two-way contact between Members and officers is encouraged, but personal familiarity can damage the relationship, as might a family or business connection. Members and officers should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles. Inappropriate relationships can be inferred from language/style. When attending formal meetings, officers and Members should use formal forms of address to each other – e.g. Members should be addressed as “Councillor XX” or “Chairman”, while Officers should generally be addressed as “Mr. XX” or “Mrs. XX”. A greater level of informality may be appropriate in other circumstances, e.g. a one to one between a Head of Service and their respective Cabinet Member but it is safer to err on the side of formality.

- 4.4 It is not enough to avoid actual impropriety. Members and officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, an officer should not sit on a body or participate in any decision which directly affects the officer on a personal basis. Members are bound by the Code of Conduct which contains a similar restriction.
- 4.5 A Member should not raise matters relating to the conduct or capability of an Officer in a manner that is incompatible with the objectives of this Protocol. This is a long-standing tradition in public service because an Officer has no means of responding to such criticisms in public. If a Member feels he/she has not been treated with proper respect or, courtesy or has any concern about the conduct or capability of an Officer, and fails to resolve it through direct discussion with the Officer, he/she should raise the matter with the respective senior officer. The senior officer will then look into the facts and report back to the Member. If the Member continues to feel concern, then he/she should raise the issue with the Chief Executive who will look into the matter afresh. Any action taken against an Officer in respect of a complaint will be in accordance with the provisions of the Council's Disciplinary Rules and Procedures.
- 4.6 An Officer shall not discuss with a Member personal matters affecting himself/herself or matters relating to the conduct or capability of another Officer or to the internal management of a Section/Division. This does not prevent an officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.
- 4.7 Where an Officer feels that s/he has not been properly treated with respect and courtesy by a Member, he/she should raise the matter with his/her senior officer or the Chief Executive as appropriate, especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances the senior officer or Chief Executive will take appropriate action either by approaching the individual Member and/or group leader or by referring the matter to the Monitoring Officer in the context of the Council's Code of Conduct.
- 4.8 With the exception of political assistants, officers work to the instructions of their senior officers, not individual Members. It follows that whilst such officers will

always seek to assist a Member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, Members should normally direct their requests and concerns to a senior officer, at least in the first instance.

- 4.9 Officers will do their best to give timely responses to Members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities. Members will endeavour to give timely responses to enquiries from officers.
- 4.10 Members and officers should respect each other's free (i.e. non-Council) time.
- 4.11 Members seeking advice, information, or support from officers should as a normal rule make contact firstly with the Head of Service for the department in question, and although the Head of Service may refer the matter to another officer care should be taken to ensure that the other officer is supported in whatever manner may be required. In the event that officers receive direct contact from Members and are uncertain how to respond, they should immediately seek advice from their own Manager or Head of Paid Service. It is acceptable for a custom-and-practice arrangement to develop whereby Members approach other officers direct, but all parties should take care to ensure that the Member, the Officer, and the Head of Service are content with the arrangement.

The Relationship: Officer Support to Members: General Points

- 5.1 Certain statutory officers – the Chief Executive, the Monitoring Officer and the Chief Financial Officer – have specific roles and these are addressed in the Constitution. Their roles need to be understood and respected by all Members.
- 5.2 The following key principles reflect the way in which the Council's staffing body generally relates to Members:
- all officers are employed by and accountable to the authority as a whole;
 - support from officers is needed for all the authority's functions including Full Council, Overview and Scrutiny, the Executive, individual Members representing their constituents etc;
 - the authority will seek to avoid potential conflicts of interest for officers arising from the separation of the Executive and Overview and Scrutiny role; and
 - all officers will be provided with training and development to help them support the various Member roles effectively and to understand the Council's structures.
- 5.3 On occasion, a decision may be reached which authorises named Officers to take action between meetings following consultation with a Member or Members. It must be recognised that it is the Officer, rather than the Member or Members, who takes the action and it is the Officer who is accountable for it.

The Relationship: The Council as Employer

- 6.1 Officers are employed by the Council as a whole
- 6.2 Members' roles in employment matters are limited to
- The appointment of specified posts as defined in the Council's Officer Employment Procedure Rules and Scheme of Delegation
 - Approving human resources policies and conditions of employment; and
 - Hearing and determining appeals

Members should not act outside these roles.

- 6.3 If participating in the appointment of officers, members should
- Remember that the sole criterion is merit (other than in the case of political assistants, where political considerations may apply)
 - Never canvass support for a particular candidate
 - Not take part where one of the candidates is a close friend or relative
 - Not be influenced by personal preferences, and
 - Not favour a candidate by giving him/her information which is not available to other candidates
- 6.4 A member should not sit on an appeal hearing if the appellant is a friend, a relative or an officer with whom the Member has had a working relationship.

The Relationship: Officer Support to Members and Party Groups

- 7.1 It must be recognised by all Officers and Members that in discharging their duties and responsibilities Officers serve the Council as a whole and not any political group, combination of groups, or any individual Member of the Council.
- 7.2 There is now statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision-making body. Officers may properly be called upon to support and contribute to such deliberations by party groups but must at all times maintain political neutrality. All Officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 7.3 The support provided by Officers can take many forms. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.
- 7.4. Certain points, must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- Officer support must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted

if Officers are not present at meetings or parts of meetings, when matters of party business are to be discussed;

- Party group meetings, whilst they form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and
- similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice when the matter in question is formally considered by the relevant part of the Council.

- 7.5 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not Members of the Council. Such persons are not bound by the Council's Code of Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons, Officers must not attend and/or give advice to such meetings and Members should not ask officers to do so.
- 7.6 Officers must respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, should not relay the content of any such discussion to another party group or to any other members. This must not prevent an officer providing feedback to other senior officers on a need-to-know basis.
- 7.7 Members must not do anything which compromises or is likely to compromise an officer's impartiality. The duration of an officer's attendance at a party group meeting will be at the discretion of the group, but an officer may leave at any time if he/she feels it is no longer appropriate to be there.
- 7.8 An officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each. An officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting. No Member will refer in public or at meetings of the Council to advice or information given by officers to a party group meeting.
- 7.9 An officer who is not a senior officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf. It is recommended that a Group wishing to invite any officer to address it must seek the approval of the relevant Corporate Director before approaching the officer.
- 7.10 In relation to budget proposals:
- the Executive Cabinet shall be entitled to confidential discussions with Officers regarding options and proposals. These will remain confidential until determined by the Executive Cabinet or until published in advance of Committee/Council meetings, whichever is the earlier; and

- the opposition groups shall also be entitled to confidential discussions with Officers to enable them to formulate alternative budget proposals. These will remain confidential until determined by the respective opposition groups or until published in advance of Committee/Council meetings, whichever is the earlier.

7.11 It must not be assumed by any party group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of the policy or strategy.

7.12 Any particular cases of difficulty or uncertainty in this area of Officer advice to party groups should be raised with the Chief Executive who will discuss them with the relevant group leader(s).

The Relationship: Officer Support: The Executive

8.1 It is clearly important that there should be a close working relationship between Executive Members and the Officers who support and/or interact with them. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members and other party groups.

8.2 Executive Members will take collective decisions in accordance with the constitution and will not otherwise direct staff except in such circumstances as may be permitted by the Scheme of Delegations. Senior officers will be responsible for instructing staff to implement the Executive's decisions.

8.3 In addition to individual members of the Executive, senior officers have the right to submit papers to the Executive as a whole or to individual Executive members for consideration. Whilst Executive Members will routinely be consulted as part of the process of drawing up proposals for consideration or the agenda for a forthcoming meeting, it must be recognised that in some situations an officer will be under a professional duty to submit a report. Similarly, a senior officer will always be fully responsible for the contents of any report submitted in his/her name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. This is to be distinguished from a situation where there is a value judgement to be made. Any issues arising between an Executive Member and a senior officer in this area should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

8.4 Senior officers and Executive members shall agree mutually convenient methods of regular contact. Before taking any formal decisions, the Executive will seek appropriate professional advice including that of the Monitoring Officer and Chief Financial Officer, and will not direct officers in the framing of recommendations.

8.5 Before any formal decisions with a financial implication are taken by the Executive, the Chief Financial Officer and the senior officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:

- are aware of the proposed decision
 - have had the opportunity to offer advice, and
 - are subsequently able properly to authorise the financial transactions needed to implement decisions.
- 8.6 An individual Executive member who is minded to write or commission a report about a matter within his/her portfolio must ensure that those other members and officers who need to know of the matter are so informed. There is a particular requirement to involve other Executive members on cross-cutting issues.
- 8.7 When making decisions, Executive members must state the reasons for those decisions. The written record of the decisions must include the reasons.
- 8.8 Where functions which are the responsibility of the Executive are delegated to Officers or other structures outside the Executive, the Executive will nevertheless remain accountable to the Council, through Overview and Scrutiny Committees, for the discharge of those functions. That is to say, the Executive will be held to account for both its decision to delegate a function and the way that the function is being carried out. Officers taking decisions under delegated powers must consider the advisability of informing the relevant Executive member(s) of their intentions in advance when the matter to which the decisions relate is likely to be sensitive or contentious, or has wider policy implications.
- 8.9 Officers will continue to work for and serve the local authority as a whole. Nevertheless, as the majority of functions will be the responsibility of the Executive, it is likely that in practice many Officers will be working to the Executive for most of their time. The Executive must respect the political neutrality of the Officers. Officers must ensure that, even when they are predominantly supporting the Executive, their political neutrality is not compromised.
- 8.10 In organising support for the Executive, there is a potential for tension between senior officers and Cabinet Members with portfolios. All Members and Officers need to be constantly aware of the possibility of such tensions arising and Officers and Members need to work together to avoid such tensions and conflicts existing or being perceived.

The Relationship: Officer Support: Overview and Scrutiny

- 9.1 Chairmen and other leading overview and scrutiny members shall maintain regular contact with the officer(s) providing the principal support to the overview and scrutiny function. In consultation with chairmen, it shall be the responsibility of those officers to ensure that those who need to know of matters being considered or for possible future consideration are so informed.
- 9.2 An overview and scrutiny committee or its chairman acting on its behalf may require officers to attend overview and scrutiny meetings. Regard must be had to the provisions of the Council's Overview and Scrutiny Procedure Rules in respect of the periods of notice which must be given about such attendance. Members should not normally expect junior officers to give evidence. All requests should be made to senior officers in the first instance.
- 9.3 It is recognised that officers required to appear before an overview and scrutiny committee may often be those who have advised the Executive or another part of the Council on the matter under investigation. In these circumstances, the officer may have a conflict of interest. Both members and officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought from external sources.
- 9.4 Subject to 9.3 above, officers should be prepared to justify advice given to the Council, the Executive, or other committees, even when the advice was not accepted. Officers must also be prepared to justify decisions they have taken under delegated powers.
- 9.5 In giving evidence, officers must not be asked to give political views.
- 9.6 Officers should respect Members in the way in which they respond to Members' questions.
- 9.7 Members should not ask questions of officers or other witnesses in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature. It is not overview and scrutiny's role to act as a disciplinary tribunal in relation to the actions of Members or officers. Neither is it the role of officers to become involved in what would amount to disciplinary investigations on a Panel's behalf. This is the Chief Executive's function alone in relation to staff, the Monitoring Officer's and the Audit, Governance and Standards as regards the conduct of Members. This means:
- Whilst overview and scrutiny may seek to establish the facts about what occurred in the making of decisions or implementing of Council policies, their questioning should not be directed to the conduct of individuals in such a way that there is the implication of allocating criticism or blame;
 - In these circumstances, it is for the Chief Executive to institute a formal enquiry, and overview and scrutiny may ask (but not require) him/her to do so.
- 9.8 Overview and scrutiny proceedings must not be used to question the capability or competence of officers. Chairmen and Members need to make a distinction

between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not an overview and scrutiny function.

- 9.9 Overview and scrutiny should not act as a 'court of appeal' against decisions or to pursue complaints by individuals (Councillors, Officers, or members of the public) as other procedures exist for this. Some of these are internal, e.g. the Corporate Complaints Procedure, and others are external/statutory, e.g. Commissioner for Local Administration or appeal to the Courts. That said,
- Overview and scrutiny may investigate the manner in which decisions are made
 - They can comment on the merits of a particular policy affecting individuals.
- 9.10 It would be unfair to invite someone to appear before a Panel without telling them in general terms what they will be asked, or not giving them adequate time to prepare. Overview and scrutiny Members ought to provide written questions ('Indicative Topics') beforehand, so that the answers can form the basis of the questioning and discussion. In addition, speakers ought to be told the general line that further questioning is likely to take. Questioning should not stray outside the subject area that the Panel had previously indicated.

The Relationship: Officer Support: Regulatory Committees

- 10.1 The appropriate senior officers will offer to arrange regular informal meetings with chairmen, vice-chairmen, and spokesmen of regulatory committees and sub-committees.
- 10.2 Senior officers have the right to present reports and give advice to regulatory committees.
- 10.3 Members of a regulatory committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct officers to act.
- 10.4 At some regulatory committee or sub-committee meetings, a resolution may be passed which authorises a named officer to take action between meetings in consultation with the chairman. In these circumstances it is the officer, not the chairman, who takes the action and is responsible for it. A chairman has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

Local Members and Officers

- 11.1 To enable them to carry out their ward role effectively, Members need to be fully informed about matters affecting their ward. Senior officers must ensure that all relevant staff are aware of the requirement to keep local Members informed, thus allowing Members to contribute to the decision-making process and develop their representative role.

11.2 This requirement is particularly important:

- During the formative stages of policy development, where practicable
- In relation to significant or sensitive operational matters
- Whenever any form of public consultation exercise is undertaken, and
- During an overview and scrutiny investigation

Issues may affect a single ward but where they have a wider impact, officers should ensure that all relevant Ward Members are informed.

11.3 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the wards affected should be invited to attend the meeting as a matter of course.

11.4 If a local Member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant officer. Provided that the meeting has not been arranged on a party political basis:

- An officer may attend and
- The meeting may be held in Council-owned premises

No such meetings should be arranged or held in the immediate run-up to Council elections (i.e. from the date on which Notice of Election is issued).

11.5 Whilst support for Members' ward work is legitimate, care should be taken if staff are asked to accompany Members to ward surgeries. In such circumstances:

- The surgeries must be open to the general public, and
- Officers should not be requested to accompany Members to surgeries held in the offices or premises of political parties.

11.6 Officers must never be asked to attend ward or constituency political party meetings.

11.7 It is acknowledged that some Council staff (e.g. those providing dedicated support to Executive members) may receive and handle messages for Members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party political purposes.

11.8 In seeking to deal with constituents' queries or concerns, Members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by Members in the requested timescale, and may need to seek instructions from their managers.

Members' Access to Information and to Council Documents

- 12.1 This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's constitution. Regard should also be had to the provisions of the Freedom of Information Act, and the rights of Members described in this section of the protocol are supplementary to their rights as members of the public under that Act.
- 12.2 Members have the ability to ask for such information explanation and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent. Where information is requested on behalf of a third party, it will only be provided if:
- It is in the public domain, and
 - the Data Protection Act does not prevent disclosure
- 12.3 Every member of the Executive, an overview and scrutiny committee, and/or any other committee or sub-committee, has a right to inspect documents about the business of that overview and scrutiny committee, other committee or sub-committee or the Executive. In relation to business of the Executive, by virtue of Regulation 17 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000:
- where there is a meeting (e.g. Cabinet) and there is a document which is in the possession/under the control of the Executive relating to the business to be conducted at that meeting, that document shall be available for inspection;
 - there are exceptions for exempt and confidential material and any document that contains advice provided by a political advisor or assistant.
- 12.4 A Member who is not a member of a specific overview and scrutiny committee, other committee or sub-committee, or the Executive may have access to any document of that specific part of the Council provided:
- He/she can demonstrate a reasonable need to see the documents in order to carry out his/her role as a member (the "need to know" principle), and
 - The documents do not contain "confidential" or "exempt" information as defined by law.
- 12.5 The exercise of the "need to know" principle depends upon an individual Member being able to demonstrate that he/she has the necessary 'need to know'. In this respect a Member has no right to 'a roving commission' to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the 'need to know'. This question must initially be determined by the particular senior officer whose Division holds the document in question (with advice from the Head of Legal & Democratic Services). In the event of dispute, the question falls to be determined by the Head of Paid Service

- 12.6 A member should obtain advice from the Monitoring Officer and/or Head of Legal & Democratic Services in circumstances where he/she wishes to have access to documents or information:
- Where to do so is likely to be in breach of the Data Protection Act, or
 - Where the subject matter is one in which he/she has a disclosable pecuniary or other disclosable interest as defined in the Members' Code of Conduct.
- 12.7 Any Council information given to a Member must only be used by the Member for the purpose for which it was requested, i.e. in connection with the proper performance
- 12.8 Whilst the term 'Council document' is very broad and includes for example, any document produced with Council resources, it is accepted by convention that a Member of one party group will not have a 'need to know' and therefore a right to inspect a document which forms part of the internal workings of another party group.
- 12.9 Members and officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so. When requested to do so, officers will keep confidential from other Members advice requested by a Member.
- 12.10 Further and more detailed advice regarding Members' rights to inspect Council documents may be obtained from the Head of Legal & Democratic Services.

Media Relations

- 13.1 Local authorities are accountable to their electorate. Accountability requires local understanding. This will be promoted by the Authority, explaining its objectives and policies to the electors and rate-payers. In recent years, all local authorities have increasingly used publicity to keep the public informed and to encourage public participation. Every Council needs to tell the public about the services it provides. Increasingly, local authorities see this task as an essential part of providing services. Good effective publicity aimed to improve public awareness of a Council's activities is, in the words of the Government, to be welcomed.
- 13.2 Publicity is, however, a sensitive matter in any political environment because of the impact it can have. Expenditure on publicity can be significant. It is essential, therefore, to ensure that local authority decisions on publicity are properly made in accordance with clear principles of good practice. The Government has issued a Code of Recommended Practice on Local Authority Publicity. The purpose of the Code is to set out such principles. The Code affects the conventions that should apply to all publicity at public expense and which traditionally have applied in both central and local government. The Code is issued under the provisions of the Local Government Act 1986 as amended by the Local Government Act 1988 which provides for the Secretary of State to issue Codes of Recommended Practice as regards the content, style, distribution and cost of local authority publicity, and such other matters as he/she thinks appropriate.

That section requires that all local authorities shall have regard to the provisions of any such Code in coming to any decision on publicity. The following is extracted from the Code:-

“The period between the notice of election and the election itself should preclude proactive publicity in all its forms of candidates and other politicians involved directly in the election. Publicity should not deal with controversial issues or report views, proposals or recommendations in such a way that identifies them with individual members or groups of members. However, it is acceptable for the authority to respond in appropriate circumstances to events and legitimate service enquiries provided that their answers are factual and not party political. Members holding key political or civic positions should be able to comment in an emergency or where there is a genuine need for a member level response to an important event outside the authority’s control. Proactive events arranged in this period should not involve members likely to be standing for election.”

- 13.3 All formal relations with the media therefore must be conducted in accordance with the Council’s agreed procedures, with the law on local authority publicity, and with the Government’s Code of Recommended Practice on Local Authority Publicity.
- 13.4 Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They must not be used to promote a party group.
- 13.5 Officers will keep relevant Members informed of media interest in the Council’s activities, especially regarding strategic or contentious matters. Likewise officers will inform the Council’s Press Officer of issues likely to be of media interest, since that unit is often the media’s first point of contact.
- 13.6 If any Member is contacted by, or contacts the media, on an issue, he/she should
- Indicate in what capacity he/she is speaking (e.g. as Portfolio Holder, as Ward Member, on behalf of the Council, or on behalf of a party group)
 - If necessary (and always when he/she would like a press release to be issued), seek assistance from the Council’s Press Officer and/or relevant senior officer, except in relation to a statement which is party political in nature, in which case the statement should not be issued under the Council’s name
 - Consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions or pre-determining a decision)
 - Never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter
 - Consider whether to consult other relevant Members
 - Take particular care in what he/she says in the run up to local or national elections (i.e. from the date on which Notice of Election is issued) to avoid

giving the impression of electioneering, unless he/she has been contacted as an election candidate or as a political party activist

Correspondence

- 14.1 Correspondence between an individual Member and an Officer should not normally be copied (by the Officer) to any other Member. Where exceptionally it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of 'silent copies' should not be employed.
- 14.2 Official letters on behalf of the Council should normally be sent in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain limited circumstances (e.g. representations to a Government Minister) for a letter to appear in the name of a Cabinet Member or the Leader, but this should be the exception rather than the norm. Letters which, for example, create legal obligations or give instructions on behalf of the Council should never be sent out in the name of a Member, Executive or otherwise. The Chairman of the Council may initiate correspondence in his/her own name.
- 14.3 When writing in an individual capacity as a ward Member, a Member must make clear that fact.

Access to Premises

- 15.1 Officers have the right to enter Council land and premises to carry out their work. Some officers have the legal power to enter property in the ownership of others.
- 15.2 Members have a right of access to Council land and premises to fulfil their duties. When making visits as individual Members, Members should
- Except in the case of visiting The Council House, and wherever practicable, notify and make advance arrangements with the appropriate manager or officer in charge;
 - Comply with health and safety, security and other workplace rules;
 - Not interfere with the services or activities being provided at the time of the visit.

Use of Council Resources

- 16.1 The Council provides all Members with services such as IT, printing and photocopying, and goods such as stationery and computer equipment, to assist them in discharging their roles as Members of the Council. These goods and services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.
- 16.2 Members should ensure that they understand and comply with the Council's own rules about the use of such resources, particularly
- Where facilities are provided in Members' homes at the Council's expense
 - In relation to locally-agreed arrangements, e.g. payment for private photocopying; and

- Regarding ICT security

16.3 Members should not put pressure on staff to provide resources or support which officers are not permitted to give. Examples include:

- Business which is solely to do with a political party
- Work in connection with a ward or constituency party political meeting
- Electioneering
- Work associated with an event attended by a Member in a capacity other than as a member of the Council
- Work in connection with another body or organisation where a Member's involvement is other than as a Member of the Council
- Support to a Member in his her capacity as a councillor of another authority

Interpretation, complaints and allegations of breaches

17.1 This part of the protocol should be read in conjunction with the Council's Confidential Reporting Code.

17.2 Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.

17.3 A Member who is unhappy about the actions taken by or conduct of an officer should:

- Avoid personal attacks on or abuse of the officer at all times
- Ensure that any criticism is well-founded and constructive
- Never make a criticism in public, and
- Take up the concern with the officer privately.

17.4 If direct discussion with the officer is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the Member should raise the issue with the officer's manager or the relevant senior officer.

17.5 A serious breach of this protocol by an officer may lead to an investigation under the Council's disciplinary procedure. Members may not themselves undertake investigations under the Council's disciplinary procedure and such investigations must be undertaken solely by the Head of Paid Service or other officer acting under his/her direction.

17.6 An officer who believes a Member may have acted other than in accordance with this protocol or the Members' Code of Conduct should raise his/her concerns with the Monitoring Officer, who will consider how the complaint or allegation should be handled. At a minor level, this may be no more than informally referring the matter to the leader of the relevant party group, but more serious complaints may be referred to the Standards Board for England.

Conclusion

LOCAL PROTOCOL ON RELATIONS BETWEEN MEMBERS

1. INTRODUCTION

- 1.1 The Council will best serve the interests of local people if there are clear arrangements between the Members and Political Groups represented on the Council. The interests of local people will also be best served if the working relationship between Members of all Political Groups is characterized by mutual respect, informality and trust, whilst recognizing the need for healthy and constructive political debate within a vibrant democratic process. Such a relationship will mean that Members will speak to one another openly and honestly whilst political differences will be aired in an appropriate manner and not personalised.
- 1.2 This Protocol is intended to facilitate such a working relationship and to help Members to perform effectively. This Protocol gives guidance on Members' roles and on what to do on the occasions when things go wrong.
- 1.3 This Protocol must be read in the context of the Council's Constitution, the Members' Code of Conduct and the Officer-Member Protocol.
- 1.4 The Council will formally adopt this Protocol and a copy will be issued to all Members and Senior Officers.

2. INTERPRETATION

- 2.1 In this Protocol "Member" includes all elected Members of the Council and all non-elected Members of any Committee (including the Audit, Standards and Governance Committee and any Overview and Scrutiny Task Group) (or any Sub-Committee) irrespective of whether or not they have any voting rights.

3. GUIDING PRINCIPLES

- 3.1 In their dealings with one another, Members will:
 - (a) serve only the public interest;
 - (b) behave properly and not place themselves in situations where their honesty and integrity may be questioned;
 - (c) make decisions on merit;

- (d) be open about (and be prepared to give reasons for) their actions;
 - (e) promote equality by not discriminating against any person;
 - (f) treat each other with dignity and respect, accepting a strong presumption that everyone is acting in good faith, and show courtesy in all meetings and contacts, both formal and informal;
 - (g) uphold the law;
 - (h) seek to ensure that the Council uses its resources prudently;
 - (i) promote and support all these general principles by example, and act in a way that secures or preserves public confidence in local government; and
 - (j) respect the decisions and authority of the Chair and Vice-Chair of the Council.
- 3.2 In their dealings with one another, Members will also uphold the Members' Code of Conduct. The following provisions of the Code are particularly relevant to relations between Members:
- (a) paragraph 3(1) of the Code:
"You must treat others with respect"
 - (b) paragraph 5 of the Code:
"You must not conduct yourself in a manner which could reasonably be regarded as bringing your office or authority into disrepute."

4. POLITICAL DIFFERENCES AND PERSONAL CRITICISM

- 4.1 This Protocol is not intended to restrict or discourage legitimate, political debate. However, it is also in the interests of local people that there is a working relationship between Political Groups. That working relationship will be assisted if it is supported by a clear set of guidelines and it is these that this Protocol is intended to provide. The relationship between the Political Groups will also be supported if all Members adhere to high standards of courtesy and mutual respect in their dealings with one another.
- 4.2 As with their relations with officers in their dealings with fellow Members, it is important that robust debate of the issues at stake does not deteriorate

into personal criticism of another person who holds a different point of view. Courtesy and civility must be maintained at all times.

- 4.3 Members' integrity should not be questioned in public in any media nor should they be subject to any name-calling or abuse. Questioning a fellow Member's integrity is a particularly serious matter and must never occur unless there is very clear documentary evidence to substantiate any allegation made, and even in these circumstances it will rarely be appropriate to question a Member's integrity publicly without first pursuing other established procedures which are available for the investigation of allegations of ethical misconduct. The principles contained in this paragraph must be adhered to in meetings of the Council, the Cabinet and any Committee meeting, or any other meeting at which members of the public or third parties are present. This principle must also be observed in all dealings with the press and other media which should not under any circumstances be used to undermine or personally criticize fellow Members whether or not those Members are named or identified in any press or other media article or briefing.

5. RELATIONSHIPS BETWEEN NEIGHBOURING WARD MEMBERS

- 5.1 Members contacted by a constituent of a Fellow Member's ward should refer the constituent to the appropriate Ward Member unless:
- (a) the Ward Member is absent or otherwise unable to deal with the query. In such cases the Members should ensure that the matter is referred to the Ward Member as soon as possible; or
 - (b) the Ward Member has expressly consented.
- 5.2 Members should not hold surgeries or open sessions within the ward of a Fellow Member unless that Member has given prior express consent to the proposal. This provision shall not apply in the six weeks before a District Council election.

6. MEETINGS BETWEEN GROUP LEADERS

- 6.1 The Leader of any Group may request a meeting with the other Group Leader(s) (or Deputy Group Leader(s) in cases where the issue relates to a complaint/concern about a Group Leader) at any reasonable time to discuss issues relating to current and/or forthcoming Council business. The Group Leaders will use all reasonable endeavours to meet as soon as is reasonably practicable thereafter.

- 6.2 Group Leaders may invite a fellow Member to be present at these meetings. Actions agreed at these meetings will be minuted or otherwise recorded (unless the Group Leaders agree otherwise). The record of the meetings may be made by an officer appointed by the Monitoring Officer who, if not present for the whole meeting, will be invited in to record the agreed outcomes and actions.
- 6.3 These provisions may all be varied by agreement between the Group Leaders.

7. MEMBERS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

- 7.1 This is covered in the Council's Constitution in the Access to Information Procedure Rules and in the Member- Officer Protocol.
- 7.2 Members may share with other Members of the Council (but not third parties) exempt information unless expressly prohibited from doing so by the person or body providing the information, but must ensure that any recipient Member is aware that the information may not be disclosed to any party outside the Council (see paragraph 8.3 below).

8. WHEN THINGS GO WRONG

- 8.1 From time to time the relationship between Members may break down or become strained. Whilst it will always be preferable to resolve matters informally through conciliation, if necessary by the Group Leaders, this is not always possible. Where this is the case, and a Member considers that another Member has acted in breach of this Protocol, the following procedure will be followed.
- 8.2 If attempts at resolving matters informally have not been successful where a Member considers that another Member has acted in breach of this Protocol, the following procedure will be followed:-
 - (a) the Member must make a written complaint to the other Member and copy that complaint to Group Leaders. This must specify all incidents that the complainant intends to raise and set out the alleged breach of this Protocol;
 - (b) the Member who has been complained about shall (within 10 working days) respond in writing to the complainant and copy that response to Group Leaders;

Agenda Item 23

PART 23

- (c) Group Leaders shall (within 10 working days (or as soon thereafter as is reasonably practicable)) meet to discuss the complaint. If they both consider that the complaint is unreasonable, frivolous, or vexatious, that shall be the end of the matter. If they both consider that the complaint is of a purely technical or minor nature, they may invite the Member who has been complained against to make a written apology, in a form (and within a timescale) agreed between the Group Leaders. Once that apology has been made that shall be the end of the matter unless the Member subsequently acts in a manner at variance with that apology;
 - (d) if either Group Leader considers the complaint is of a more serious nature than mentioned in the previous paragraph, or if the Member complained against fails to give the requisite apology, the Group Leaders shall agree a suitable course of action;
 - (e) both the Complainant and the Member complained about shall be advised in writing by the Group Leaders of their decision;
 - (f) a Complainant may at any time withdraw a complaint by notice in writing to the other Member and copy that notice to Group Leaders.
- 8.3 Exceptions may be made to the procedures outlined in paragraphs 7.2 above if to do otherwise would conflict with the Council's policy on "Whistle blowing" or potentially prejudice a criminal investigation (whether in progress or reasonably contemplated in the future).

CODE OF PRACTICE - PLANNING SERVICES

1. **INTRODUCTION**

- 1.1 The role of a Member serving on the Planning Committee involves balancing the representation of the needs and interests of individual constituents and the community, with the need to maintain an ethic of impartial decision-making on what can be highly controversial proposals.
- 1.2 This document has been prepared to guide Members and Officers in dealing with planning matters in a manner consistent with good practice, including the conduct of Members in its processes and procedures and should be read alongside the Councillors' Code of Conduct.
- 1.3 Failure to follow the recommendations set out in this Code of Practice, without good reason, may be regarded as being incompatible with good administration by the Local Government Ombudsman and affect how the Council, its Officers or Members may be perceived by others.
- 1.4 By setting out clearly what is expected of both Members and Officers, it is anticipated that this Code will engender greater mutual understanding and support between all those involved in the planning process. The Code has been produced in the spirit of looking for continuous improvements in the delivery of services, discharging duties responsibly in an open, professional and consistent way compatible with the Councillors' Code of Conduct and its Protocol for Members/Officer relations.
- 1.5 Both Members and Officers dealing with planning matters and advising Committees will be required to observe all the provisions of this Code.
- 1.6 The Code is set out in the form of a series of headings followed by a brief discussion of the issues involved and best practice advice.

2. **THE ROLE OF COUNCILLORS**

- 2.1 The role of Members is central to the planning system, which operates within a political arena. It is well recognised that planning is not an exact science and, provided that Members are properly briefed by Officers, they are well placed to make decisions.

Ward Interests

- 2.2 Members have a special duty to their ward constituents but their overriding responsibility is to the whole community. In terms of the planning process, this can produce a conflict of interest between Members legitimately and effectively giving vent to local, sometimes

individual, concerns and the need to reflect the interests of the wider community in decisions reached on planning merits alone. Much is often at stake in this process, and opposing views are often strongly held by those involved. Whilst Members should take account of these views, they should not favour any person, company, group or locality above the wider community interest, nor put themselves in a position where they appear to do so. Members should be mindful of the need to carefully weigh up all of the arguments before deciding what view to take. Where a Member of Planning Committee takes the view that they would wish to speak in relation to an application affecting their ward they may do so as Ward Councillor under the procedure for Public Speaking at Planning Committee. However, they will have to leave the room after they have spoken and take no part in the debate or vote on the application (this applies whether the Member is also a member of Planning Committee or not).

- 2.3 Members should also be very cautious about accepting gifts and hospitality. Members should abide by the Council's Code of Conduct for Gifts and Hospitality, including recording offers and/or acceptance of these in the register as required.

Interests arising from the Code of Conduct

- 2.4 Under the Council's Member Code of Conduct, Members will need to make sure they are clear whether they have a discloseable pecuniary interest or other discloseable interest when involving themselves in planning matters.
- 2.5 Members who are unsure as to whether an interest should be declared should seek the advice of the Council's Monitoring Officer **at an early stage**.

Lobbying

- 2.6 It is a fact of public life that Members will be subject to varying degrees of lobbying. This is part of the democratic process. However, when individuals or groups seek to influence the outcome of a planning decision, which should be treated upon its individual planning merits in the wider public interest, the impartiality of the decision may be questioned. Such problems might arise if Members indicate their voting intention or support for a particular cause in advance of all the relevant information and Officer advice. However, section 25 the Localism Act states that a member is not to be regarded as having a closed mind about a decision simply because they have previously expressed a view on it.
- 2.7 When being lobbied, Members should take care about expressing an opinion that may be taken as indicating that they have already made up their mind on the likely outcome of a planning application before they have heard all the evidence and arguments. If they do express an opinion, they should make it clear that they will only be in a position to make a final decision when all the facts are known and they have heard

both sides of the argument at Committee. On occasion, the Member may respond to lobbying by deciding to go public in support of a particular outcome, or even campaigning actively for it.

- 2.8 However, Members must not have a closed mind when they make a decision. Decisions taken by those with pre-determined views are vulnerable to successful legal challenge. At the point of making a decision, members must carefully consider all the evidence that is put before them and be prepared to modify or change their initial view in the light of the arguments and evidence presented. Then they must make their final decision at the meeting with an open mind based on all the evidence.
- 2.9 Where a Member has campaigned for or come to a final view prior to a meeting, the member should not take part in the decision making process. The member should also withdraw from the public gallery, after making his or her representations to the planning committee (this applies whether the Member is also a member of Planning Committee or not)..
- 2.8 Members should not represent an applicant or individual objector and should not organise support or opposition for a planning application or other planning decision. In particular, they should avoid representing applicants or objectors in discussions with Planning Officers which may take place before an application is considered by the Planning Committee. Instead they should suggest to those who are lobbying, that they should speak or write to the relevant Planning Officer, in order that their opinions can be included in the officer's report to committee. Any letters referred to and relied upon by Councillors in speaking on an application should be given to the Head of Planning and Regeneration to be placed on the respective planning file immediately after the meeting.
- 2.9 Members should not lobby other Members or put pressure on Officers to make a particular recommendation. Therefore no political group meeting must take place prior to the committee meeting to discuss the planning applications.
- 2.10 Members of the Planning Committee need to take account of the general public's expectation that a planning application will be processed and determined in an open and fair manner. There is the possibility that an aggrieved party may seek judicial review on the way in which a decision has been arrived at, or complain to the Local Government Ombudsman on the grounds of maladministration.

3. MEMBERSHIP OF PARISH COUNCILS

- 3.1 Parish Councils are consulted and asked to comment on planning applications prior to their being considered by the District Council's

Planning Committee. Sometimes, a member of the Planning Committee will also be a member of a Parish Council and such a situation could give rise to a perception that there is a conflict between these two roles.

- 3.2 Members of the Planning Committee may participate in the formulation of their Parish Council's comments on a planning application and may vote on motions put forward in connection with the making of such comments. However, in doing so, they must recognise that they have not yet received full information about the application e.g. the planning history, comments by other consultees and officer recommendation. They should therefore declare, at the Parish Council's meeting, that in assisting in the formulation of the Parish Council's comments, that they are only forming a preliminary view on the application, that they recognise that there is further information about the application which they have not yet received, and that they reserve the right to change their preliminary view, in the light of such further information, when the application is considered by the District Council's Planning Committee.
- 3.3 In this way, members of the Planning Committee, who are also members of Parish Councils, will avoid any perception that they have fettered their judgment on an application before knowing the full facts about it.
- 3.4 Members are advised to let the planning committee know any ward interest, participation in parish council responses to applications or any significant lobbying at the meeting, whether or not they decide that it is appropriate to participate in the debate and determination regarding an application.

4. PLANNING SITE VISITS PROCEDURE

- 4.1 Members of Planning Committee will have the opportunity to attend site visits for some of the planning applications which are decided by the Planning Committee.
- 4.2 The purpose of site visits is to allow Members to consider the general setting of the application site so that they will be in the best position to decide whether or not planning permission should be granted. In particular Members will be able to:-
 - Observe the geography of the site including the boundaries and its relationship to adjoining properties;
 - Consider the scale and impact of the proposed development in relation to the site;
 - Use the visit to assess whether any planning conditions might need to be considered.
- 4.3 Site visits will not be arranged for sites that have been the subject of a site visit within the preceding 6 months.

- 4.4 The site visit does not constitute a meeting of the Planning Committee. Accordingly, Members should not form a collective view on the issue.
- 4.5 Since Members are attending a site merely to “see what is to be seen”; it is inappropriate to hear from either the applicant or his representative during the site visit. Similarly, it is inappropriate to hear from anybody else who wishes to make representations. This includes the Ward councillor for the area in which the site is located. The occasion is not a local hearing. Members should leave each site with no collective view – the occasion is simply to assist them individually to form a view.
- 4.6 When the application is next considered by the Planning Committee, the Chairman of the Committee should remind Members that the application was the subject of a site visit, and then let the debate proceed normally.

5. THE ROLE OF OFFICERS

- 5.1 Officers, as the paid employees of the Council, have the principal responsibility for carrying out the Council’s work. They should provide professional and impartial advice to Members to assist them in reaching their decisions and to the public at large on all planning matters. It is very important that such advice is consistent with the provisions of the prevailing planning policies and guidance so that the planning system is seen to be fair whatever the outcome.
- 5.2 The Planning Committee has given delegated authority to the Head of Planning and Regeneration to approve certain categories of planning application as set out in the Council’s Scheme of Delegation.
- 5.3 Any decisions delegated to Officers should be clearly minuted.

6. OFFICER REPORTS TO COMMITTEE

- 6.1 All reports shall provide a clear technical appraisal of the application including site location and description, planning history, consultations received and the policy contents for the recommendation, which should be justified in the Officers’ written comments.
- 6.2 Reports should have a written recommendation of action; oral reporting (except to update a report) should be avoided and carefully minuted.
- 6.3 Reports should contain technical appraisals, which clearly justify a recommendation.
- 6.4 If the report’s recommendation is contrary to the provisions of the development plan or Local Development Framework, the material considerations, which justify the departure, must be clearly stated.
- 6.5 Terms for Planning Obligations (Section 106 Agreements) must be clearly set out, discussed openly and recorded in the minutes.

- 6.6 The Monitoring Officer or his or her representative shall attend all Planning Committee meetings and provide advice, together with legal advice as required.

7. PRE-APPLICATION DISCUSSIONS

- 7.1 Officers are often asked informally during meetings whether planning permission is required for changes of use and/or for new development.
- 7.2 Officers will always endeavour to be as helpful as they can in this matter but can only offer an informal opinion as to whether or not planning permission is required for the development someone wishes to undertake, whether it is a new building, an extension to a home, or a change of use of land or building. Any advice that they offer in this respect is an individual opinion based on the information the enquirer has provided at the time. It is not binding on the Council.
- 7.3 For an official decision, enquirers should be invited to apply for a Certificate of Lawfulness of Proposed Use or Development, under Section 192 of the Town and Country Planning Act 1990. A fee is payable for the processing of such an application but the enquirer will be presented with a legally binding determination, in other words, an official decision of the Council telling him/her whether or not planning permission is required.
- 7.4 The fee varies according to the type of development proposed and staff will be able to advise on the amount payable. It is in the interests of the enquirer to have an official written determination relating to development should he/she want to sell his/her land/property or should any legal challenge arise relating to the work which has been undertaken.
- 7.5 The following guidelines have been adopted to ensure that all parties involved are treated fairly and that the Planning Officers' role is clearly understood:
- Planning Officers will give informal advice in the spirit of helpfulness. It is however only informal advice which is not binding on the Local Planning Authority;
 - Planning Officers will negotiate and offer advice to overcome problems at application stage where a solution is apparent and the proposal can be determined within the statutory time limit as a consequence;
 - The onus to negotiate falls upon the applicant/agent to offer alternatives to the original submission;
 - Planning Officers cannot advise what a potential recommendation will be should an application be made.

8. DECISIONS CONTRARY TO THE DEVELOPMENT PLAN/ LOCAL DEVELOPMENT FRAMEWORK

- 8.1 The law requires that where the development plan/Local Development Framework is relevant, decisions should be taken in accordance with it, unless material planning considerations indicate otherwise. Members will receive training and guidance from officers as to what constitutes material planning considerations. In certain situations, legislation requires the Council to notify the relevant Secretary of State before granting permission contrary to the development plan. Officers will advise members if this process is necessary and will carry out the process.

9. DECISIONS CONTRARY TO OFFICER RECOMMENDATION

- 9.1 Members are perfectly entitled to reach different decisions to those recommended to them by Officers by attaching different weight to the various relevant planning criteria. That this happens from time to time is inevitable but it is essential that the public be left in no doubt as to how the decision was reached. Officer reports must be well structured and the public should not be given the impression that decisions reached contrary to advice are made hastily or new conditions imposed on the spur of the moment. A full detailed minute of the Committee's reasons should be made. The Officer should also be given an opportunity to explain the implications of the contrary decision.
- 9.2 Where a Member is minded to raise new issues, information or questions, they are advised to contact the respective Planning Officer or Head of Planning and Regeneration before the meeting wherever possible.
- 9.3 Where a Member is minded to make a recommendation, which is contrary to the Officer recommendation, then the reasons should be clearly set out, particularly in the case of a refusal and in the case of an approval, the type of conditions proposed should be indicated.
- 9.4 If an imminent decision is thought to be perverse, the Head of Planning and Regeneration or the Monitoring Officer should so advise the Committee, but it remains the role of the Chairman to decide whether or not it would be preferable to defer consideration to allow for a period of reflection on the advice given before proceeding.
- 9.5 Where an application is refused or conditions imposed contrary to an officer recommendation, it may not be in the Council's best interests for the Case Officer to give evidence at any subsequent public inquiry or hearing resulting from an appeal. In such circumstances it will be a matter for the Head of Planning and Regeneration in consultation with the Head of Legal, Equalities and Democratic Services to establish

whether a suitably experienced and qualified Officer exists within his establishment who is able to concur professionally with the decision taken. If so, then they will act as the Council's professional witness. If not, then the use of planning consultants will be explored. It is rarely in the Council's best interests for individual Members to represent the Council but this may be appropriate where factual evidence is in dispute particularly in enforcement appeals.

- 9.6 All planning approvals and refusals shall be fully minuted. Unless otherwise stated, these should accord with those set out in the Agenda subject to the incorporation of any further conditions or reasons (or variations) thought to be necessary by the Head of Planning & Regeneration to give full effect to the Council's wishes about any particular application.

10. DEALING WITH APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS AND COUNCIL SERVICE AREAS

- 10.1 The submission of planning applications and/or development plan proposals by serving Members, Officers, or their close friends and relatives can easily give rise to suspicions of impropriety, including proposals for the Council's own development. The following points should be taken into account:

Members

- 10.2 Serving Members of the Council who act as agents for people pursuing planning matters shall not be Members of the Planning Committee.
- 10.3 Members should take no part in the processing of their own applications or those of their immediate family or close friends or anyone with whom the Member has a close personal association.
- 10.4 As soon as a planning application is received from a Member, the Head of Planning and Regeneration must inform the Council's Monitoring Officer, who will take such steps as are necessary to ensure that applications for dispensations from other Members of the Planning Committee are considered as soon as possible.
- 10.5 Members who are members of the Planning Committee should declare an interest in respect of applications prepared by them or on their behalf and leave the meeting while such applications are under consideration.
- 10.6 Applications of currently serving Members should not be dealt with under delegated powers and should be decided by the Planning Committee.

Officers

- 10.7 Serving Officers in the planning department should never act as agents for people pursuing a planning matter. If an officer in another department acts as such agent for people pursuing a planning matter, the matter

should not be dealt with under delegated powers and should be decided by the Planning Committee.

- 10.8 Officers should take no part in the processing of their own planning applications or those of their immediate family or close friends.
- 10.9 Applications for Planning Consents made to Bromsgrove District Council by Officers currently working for either Bromsgrove District Council or Redditch Borough Council or their family members, whether or not directly employed by them, should not be dealt with under delegated powers and should be decided by the Planning Committee.

Developments by the Council

- 10.10 Planning applications made by Council Service Areas must be processed in accordance with existing policy and treated in the same way as a private application except that all such applications shall be considered by the Planning Committee and not determined under delegated powers.

Applications submitted by former Members and former employees

- 10.11 There has been some considerable concern about former employees setting up their own consultancies and providing planning advice in the Bromsgrove District area and about the consideration of applications by or on behalf of former Members. Both circumstances occur from time to time and the guiding principles should be that:-
- (i) applications by former Members will be treated in the same way as any other application;
 - (ii) applications by former employees whether they are acting for themselves or an agent for others will be treated in exactly the same way as any other application.

Applications by Members of Political Associations

- 10.12 Where a planning application is made by someone who is not a Member, but is known to be a member of the same Political Association as some of the members of the Planning Committee, those Members will need to give consideration as to whether they should declare an interest when the application is considered.
- 10.13 In some cases, no declaration will be necessary, but in other cases the relationship between the parties may be close enough to warrant a declaration of interest. Councillors should have regard to the Councillors' Code of Conduct and should err on the side of safety.

Member Protocol for Involvement in Pre-Application Discussions for Proposed Developments

Contents:

1. Criteria for Member involvement in pre-application discussions.
2. Protocol for Member engagement in pre-application discussions.
3. Guidance to Members on conduct.
4. List of references.

1. Criteria For Member Involvement In Pre-Application Planning Discussions

On sites where the following criteria apply, Members of Bromsgrove District Council will be invited to be involved in pre-application discussions with Planning Officers:

Criteria for the site:

- 1) Major application;
RESIDENTIAL (i.e. 10 dwellings or more, or ½ a hectare or more)
or
NON RESIDENTIAL DEVELOPMENT (i.e. 1000 square metres or more of new floor space, or 1 hectare or more) or
- 2) Site allocated within adopted Local Plan as an ADR
- 3) Site allocated in emerging Core Strategy as a Development Site
- 4) Site known to be controversial (to Head of Planning & Regeneration or Development Control Manager) by virtue of its planning history or the nature of the development now proposed,
or
- 5) As directed by Chairman of Planning Committee or Planning Portfolio Holder, or
- 6) As directed by Head of Planning & Regeneration or Development Control Manager; or
- 7) At the request of a Member, such request to be made in writing to Head of Planning & Regeneration or Development Control Manager, and to include reasons.

In general, where proposals fall below the thresholds noted above, Members will not be invited to participate in pre-application discussions.

Criteria for Members

Members will be notified by email with an associated link to the relevant documentation and invited to participate in discussions:

- Where any of the criteria above apply, all of the ward Members for the ward in which the site lies will be notified.
- Where criteria 1, 2 or 3 apply, the Leader of the Council and the Portfolio Holder for Planning, Core Strategy and Regulatory Services will also be notified.
- Where criteria 7 applies, the Members' request should include any specific Members who they would like to be involved in discussions.

The aim is for the pre-application process is to be inclusive and encourage participation by members from wards that are affected. If the site abuts a ward boundary, or if the site encompasses more than one ward, all ward Members for the adjacent ward/s shall also be notified and invited to participate in discussions. Abuts is defined as where the red line of the application site, as drawn on the submission, touches another ward boundary.

2. Protocol For Member Engagement In Pre-Application Discussions

Either:

Officers receive pre-application enquiry and identify need for Member involvement (using criteria in Section One)

Or:

Members are approached and pass on enquiry to Development Control Manager. If they specifically wish to be involved in discussions, or wish other Members to be involved, this should be raised with the DC Manager at this stage

Then:

1. Development Control Manager allocates enquiry to an appropriate Case Officer (CO).
2. CO validates pre-application submission and identifies and notifies all those who need to be involved in the discussion, having regard to criteria set out in section 1 above.
3. CO carries out site visit (it is recommended that Members to be involved in discussions also carry out a site visit. This should be co-coordinated with the case officer where ever possible).
4. CO arranges meeting between all relevant parties and invites the ward member(s) and the Leader/ Portfolio Holder for Planning (if applicable).
5. CO chairs and records meeting, as well as coordinating relevant correspondence, responses, consultations etc.

6. Discussions continue, possibly supported by additional meetings, until the developer is advised that it seems appropriate for a planning application to be submitted

3. Guidance To Members On Conduct

Transparency and clarity in terms of process

1.1. It is important that if Members are to become more involved in the pre-application process, there is a clear framework for such involvement, so that there is accountability and fairness built in. This is necessary for all parties involved in the process, be they professionals, Officers, Members or other interested parties. The conduct of all those involved must also adhere to appropriate guidelines in order that the later stages of the process are not prejudiced.

1.2. It is intended that any protocol that is adopted would be for use by all Members, regardless of which ward they represent or on which committees they sit. It is also recommended that if a protocol is adopted, the Development Control Manager and Head of Planning and Regeneration arrange for suitable training for Members and Officers to ensure that the process is clearly understood and to answer any Member queries.

1.3. Guidance for Members engaging in pre-application discussions is available in a number of sources, and the documents noted at section 5 are useful to refer to. In particular, reference could be made to 'Positive Engagement', which includes some handy hints and tips for Councillors.

Member participation and conduct

Always have an Officer present

1.4. In terms of Member involvement, guidance is required in terms of how they may participate in the process, and what they may make comments upon. It is generally acceptable that they be party to pre-application discussions, providing that they ensure that an appropriate Planning Officer accompanies them, and that notes of the meeting are retained on the correct file. It is advisable for the Case Officer involved to chair meetings and lead discussions, allowing all parties, including Members, to participate as appropriate to the discussion.

Only make relevant, appropriate comments

1.5. When attending such discussions, Members should be careful to comment only on procedural matters, and general principles of acceptable or unacceptable development types and styles. Members should be fully acquainted with the contents of the Development Plan, in order that comments relating to broad principles of development are in accordance with the aims and objectives of the plan. It is also helpful for Members to be aware of any specific local issues and/or concerns, in order that they can be fed into the process early on. These matters can then be taken into

consideration by developers when designing development schemes, as well as all relevant policy issues raised by Members and/or Officers.

Avoid pre-disposition

1.6. Members should be careful to avoid comments relating to specific elements of a proposal, or to pass opinions on such things, especially if they are or could be Members of the Planning Committee that may subsequently determine a planning application for the proposed development.

Declare any prejudicial interests and do not participate

1.7. Members should be careful to declare at the outset of such discussions any interests that they may have, be it in relation to their capacity as ward member, or as a neighbour, or for other reasons. These should be documented on the file for future reference. Members should also be aware and take care of their comments in relation to both predisposition and pre-determination so as not to prejudice their position for the future.

Treat all discussions as confidential

1.8. Members should also have regard to the fact that pre-application planning discussions are always confidential (in order to preserve commercial confidentiality) and that information relating to proposed developments does not reach the public arena until either a planning application is submitted or the developers choose to engage the community in a consultation exercise. Therefore such matters should not be discussed openly or in public, and Officers will always take care to ensure that such records are kept in appropriate secure conditions.

Seek support from Officers if required

1.9. If in any doubt at any time regarding planning matters, Members should always contact the Head of Planning & Regeneration or the Development Control Manager to seek further advice and assistance. It is always recommended that Members enquire first, in order that constituents, developers or other parties are not misled at any stage in relation to the adopted processes and procedures adhered to by this Council. Members should also be aware that failure to comply with adopted procedures could leave them open to scrutiny if it becomes apparent later.

APPENDIX 2

10. DEALING WITH APPLICATIONS SUBMITTED BY MEMBERS AND OFFICERS AND COUNCIL SERVICE AREAS

10.1 The submission of planning applications and/or development plan proposals by serving Members, Officers, or their close friends and relatives can easily give rise to suspicions of impropriety, including proposals for the Council's own development. The following points should be taken into account:

Members

10.2 Serving Members of the Council who act as agents for people pursuing planning matters shall not be Members of the Planning Committee.

10.3 Members should take no part in the processing of their own applications or those of their immediate family or close friends or anyone with whom the Member has a close personal association.

10.4 As soon as a planning application is received from a Member, the Head of Planning and Regeneration must inform the Council's Monitoring Officer, who will take such steps as are necessary to ensure that applications for dispensations from other Members of the Planning Committee are considered as soon as possible.

10.5 Members who are members of the Planning Committee should declare an interest in respect of applications prepared by them or on their behalf and leave the meeting while such applications are under consideration.

10.6 Applications of currently serving Members should not be dealt with under delegated powers and should be decided by the Planning Committee.

Officers

10.7 Serving Officers should never act as agents for people pursuing a planning matter.

10.8 Officers should take no part in the processing of their own planning applications or those of their immediate family or close friends.

10.9 Applications for Planning Consents made to Bromsgrove District Council by Officers currently working for either Bromsgrove District Council or Bromsgrove District Council, or employed by other local authorities who provide services for or on behalf of Bromsgrove District Council under shared service arrangements should not be dealt with under delegated powers and should be decided by the Planning Committee.

Developments by the Council

10.10 Planning applications made by Council Service Areas must be processed in accordance with existing policy and treated in the same

way as a private application except that all such applications shall be considered by the Planning Committee and not determined under delegated powers.

Applications submitted by former Members and former employees

10.11 There has been some considerable concern about former employees setting up their own consultancies and providing planning advice in the Bromsgrove District Council area and about the consideration of applications by or on behalf of former Members. Both circumstances occur from time to time and the guiding principles should be that:-

- (i) applications by former Members will be treated in the same way as any other application;
- (ii) applications by former employees whether they are acting for themselves or an agent for others will be treated in exactly the same way as any other application.

Applications by Members of Political Associations

10.12 Where a planning application is made by someone who is not a Member, but is known to be a member of the same Political Association as some of the members of the Planning Committee, those Members will need to give consideration as to whether they should declare an interest when the application is considered.

10.13 In some cases, no declaration will be necessary, but in other cases the relationship between the parties may be close enough to warrant a declaration of interest. Councillors should have regard to the Council's Code of Conduct and should err on the side of safety.

CODE OF PRACTICE IN RELATION TO LICENSING MATTERS UNDER THE LICENSING ACT 2003 AND THE GAMBLING ACT 2005

1. Introduction

- 1.1 The Licensing Act 2003 and the Gambling Act 2005 gave local authorities responsibility for deciding on licences for regulated entertainment, and the use of premises for gambling activities.
- 1.2 Elected Members fulfil different roles: being a Ward councillor representing their communities, is one of them.
- 1.3 Members of the Licensing Committee constitute the Local Licensing Authority and are charged with discharging the licensing functions of the Council. This is a broad and strategic role, discharged within the statutory licensing framework.
- 1.4 When sitting on a Licensing Sub-Committee the role of the elected member is to balance the multiple needs and interests of the community, while prioritising the licensing objectives of the relevant Act, as a member of the Local Licensing Authority.
- 1.5 Good decision making relies on ensuring that councillors act in a way that is lawful and is clearly seen to be fair, open and impartial.
- 1.6 This guidance should be read in conjunction with other parts of the Constitution, including the Member Code of Conduct and the procedure rules for meetings. It is intended to assist councillors to participate in any of these roles at Licensing Committee, without:
 - a) opening up the local authority to accusations of pre-determination, bias or maladministration; or
 - b) leaving themselves open to allegations under the Members' Code of Conduct.

2. Declaration of Interests

- 2.1 Members must always declare their interests in accordance with the Council's Code of Conduct. Whether they can participate and to what extent will depend on the nature of any interest, which will ideally need to be considered prior to a meeting or raised at the time with the Legal Advisor.
- 2.2 Each Councillor is personally responsible for deciding whether s/he has an interest that should be declared, although advice should be sought in advance from the Monitoring Officer, rather than having to have a discussion in the open forum at the meeting

3. Improper Influence

- 3.1 Members are also reminded of their obligation under the Code of Conduct not to use their positions as members to confer on or secure for themselves any advantage or disadvantage. This means that Members should not use anything which is available to them as Members (but which is not available to members of the public) e.g. access to officers or other Council members, or access to papers, to influence the outcome of a licensing application. Should a Councillor have an interest in respect of an item before the Committee, they must observe the provisions of the Code of Conduct regarding their declaration of any such interest/s.

4. Bias

- 4.1 Bias has been defined as “an attitude of mind which prevents the [decision-maker] from making an objective determination of the issues that he has to resolve”. The test for bias is “whether a fair-minded and informed observer, having considered the facts would conclude that there was a real possibility of bias”. The appearance of bias is sufficient to result in ‘procedural impropriety’

4.2 Predisposition and Predetermination: Localism Act 2011

The law on bias and predetermination (which is a particular form of bias) is part of the general legal obligation to act fairly. The Localism Act 2011 codified the case law on predisposition and predetermination that had developed in the preceding years. Decision makers are entitled to be **predisposed** to particular views as it is acknowledged that it is almost inevitable that councillors may form some kind of prior view about the merits of a particular proposal. However, **predetermination** occurs where someone closes their mind to any other possibility beyond that predisposition, with the effect that they are unable to apply their judgment fully and properly to the issue requiring a decision.

- 4.3 Even where a councillor may have expressed a view about a matter, provided they demonstrate that they have come to the Committee “with an open mind”, and will listen to all the material presented at the meeting before deciding on how to exercise their vote, this is acceptable. ‘Predetermination’ however, is not acceptable and would leave the decision open to challenge by Judicial Review.

- 4.4 It is each individual councillor’s responsibility to consider whether their involvement with a particular matter / people / group, or their past comments or conduct before the decision-making stage, is such that it could give rise to a public perception that the councillor might not have an open mind. A councillor in this position will be judged on the objective test referred to above – that is, whether the reasonable onlooker with

knowledge of the facts, would consider that s/he was biased. If in any doubt, early advice should be sought as to whether or not the councillor should be part of the decision-making process.

- 4.5 There will also be occasions when a Licensing Sub-Committee considers an application made by the Council itself, in respect of one of its buildings or a piece of its land. In such a situation, Members would not normally be excluded from the Sub-Committee in these circumstances, as it would render the decision-making process unworkable, but any Member who has been a leading advocate for or against the application, or who is the Portfolio Holder responsible for the building or land concerned, should not sit on the Sub-Committee when such an application is considered. Applications made by the Council itself will always be referred to the Sub-Committee even where there are no representations, to minimise any potential appearance of bias on the part of the Council.

5. Lobbying of or by Councillors

- 5.1 The Licensing Act 2003 and the Gambling Act 2005 set out the grounds for making representations on licence applications and limits the parties which may make such representations. It should be borne in mind that one of the key aims of both pieces of legislation is to localise decision-making or 'democratise' the process and Members are therefore legitimately concerned with their locality and the needs/wishes of its constituents, including both the needs for entertainment facilities and employment, as well as the undesirability of crime and public nuisance.
- 5.2 Once a proposal is in the public domain, interested parties may seek to persuade Committee members, to either approve or refuse an application. Lobbying is a normal and perfectly acceptable part of the political process, but unless care and common sense is exercised by all parties, lobbying can lead to the impartiality and integrity of a member of the Committee being called into question and this could put the decision at risk of challenge.

5.3 GUIDANCE

To avoid an appearance of bias the following rules should be adhered to:

- No Member sitting on the Licensing Sub-Committee can represent an applicant or another party. If s/he wishes to do so s/he must excuse him/herself from membership of the Sub-Committee which is considering the application and address the Sub-Committee as an Interested Party.
- If a Member who sits on the Licensing Sub-Committee is approached by persons wishing to lobby him/her as regards the

licence application then that Member must politely explain that they cannot discuss the matter and refer the lobbyist to his/her Ward Member or the Licensing Officer who can explain the process of decision making. If the Member who sits on the Licensing Sub-Committee wishes to represent them then s/he will need to excuse him/herself from the Licensing Sub-Committee.

- Members who are part of the Licensing Sub-Committee must avoid expressing personal opinions prior to Licensing Sub-Committee decision. To do so will indicate that the Member has made up his/her mind before hearing all the evidence and that their decision may not be based upon the licensing objectives relating to each piece of legislation, nor the Licensing Authority's policy statements.
- Political group meetings should never be used to decide how any Members on the Licensing Sub-Committee should vote. The view of the Ombudsman is that using political whips in this manner may well amount to findings of maladministration.
- Councillors must not be members of the Licensing Sub-Committee if they are involved in campaigning on the particular application.
- Other Members (i.e. those which do not sit on the Licensing Sub-Committee) need to be careful when discussing issues relating to matters which may come before the Licensing Sub-Committee Members as this can easily be viewed as bias or pressure and may well open that Sub-Committee Member to accusations of such. There is no prohibition on discussing such issues with Committee Members but members should avoid taking measures which might be viewed as excessive e.g. attempting to obtain a commitment as to how the Member might vote.

6. Pre-application / pre-decision discussions

- 6.1 Although all applicants will be advised that all pre-decision discussions should be addressed to the officers in the Council's Licensing Section, Members of the Licensing Committee or Sub-Committee may also be approached by applicants before the meeting at which the application is to be decided. In such circumstances, a member should inform the person making the approach that they are unable to discuss the matter with him/her prior to the meeting at which the application will be decided and that he/she should address any enquiries to the relevant officer.

7. Role of the Licensing Officer

- 7.1 Licensing Officers have no ability under the Licensing Act 2003 to make representations or to be a party to the hearing of an application by the

Sub-Committee. In presenting applications to the Licensing Committee or Sub-Committee, the Licensing Officer will provide a summary report of the application, the representations, and his/her comments as to how these relate to the Licensing Act 2003, the Guidance and the local Statement of Licensing Policy.

- 7.2 Decisions taken by officers, e.g. as to whether an application is vexatious or frivolous, will be fully recorded, together with the reasons for them.

8. Decision making

- 8.1 Reasons for decisions made by a Licensing Sub-Committee must be fully documented in the Decision Notice, setting out clearly the rationale for the decision and also to ensure that any subsequent accusations of bias or predetermination can be defended.

9. Site visits

- 9.1 A site visit will not normally be undertaken by members of a Licensing Sub-Committee in respect of premises licence applications unless for some particular reason members consider that it would be helpful to their consideration of the application.
- 9.2 A site visit does not constitute a meeting of the Licensing Sub-Committee and members of a Sub-Committee must not discuss the merits of the application during the site visit, before or after the site visit or at any time until the Sub-Committee meets to consider the application. Members should leave each site with no 'collective' view.
- 9.3 Since Members are attending a site merely to "see what is to be seen"; it is inappropriate to hear either the applicant or his representative. Similarly, it is inappropriate to hear anybody else who wishes to make representations such as the Ward Member or a Parish Councillor.
- 9.4 The Democratic Services Officer will report the site visit to the meeting of the Licensing Sub-Committee which considers the application.

1 Policy Statement

Bromsgrove District Council Members require access to information that enables them to perform their duties as a councillor. Much of this information can be provided electronically via email, word processing and spread sheet files. The Council's general presumption is for electronic provision of information / transaction of business.

2 Purpose

The purpose of this policy is to ensure that Bromsgrove District Councillors can access Information and Communication Technology (ICT) facilities whilst maintaining compliance with Central Government's Public Service Network (PSN) and other related policies.

The Council holds large amounts of personal and restricted information. Information security is very important to help protect the interests and confidentiality of the Council and its customers. Information security cannot be achieved by technical means alone. Information security must also be enforced and applied by the people who use it and those who provide support for it.

3 Scope

This policy applies to any Councillor that requires access to Council information systems such as email or other documents, whether it is a temporary or permanent arrangement.

4 Definition

The Council understands that to reduce the risk of theft, fraud or inappropriate use of its information systems, anyone that is given access to Council information systems **must**:

- Be suitable for their roles.
- Fully understand their responsibilities for ensuring the security of the information.
- Only have access to the information they need.
- Request that this access be removed as soon as it is no longer required.
- Complete Data Protection training to ensure Members are clear on how information can be used when they are working on behalf of the council and when they are working on behalf of constituents, and how it should be stored.
- Ensure that no personal information that could be in breach of the Data Protection Act, is stored on their laptop or other unencrypted device.

This policy must therefore be applied prior, during and after any user's access to information or information systems used to deliver Council business.

5 Provision for ICT equipment.

The Council recognises that individual Councillors have a requirement to access electronic information.

Due to a zero tolerance approach to the PSN code of connection, this has led to implementing innovative methods of accessing ICT, whilst remaining within the budget and work with the resource limitations of the Authority. Should the limits of the budget be reached, the Leader of the Council will revisit current ICT needs for the future.

The council will not automatically forward Council emails to personal email accounts such as Hotmail, Google mail etc. This is to ensure the authority complies with the Government's code of connection.

Option1

The Authority will provide an Apple iPad that is technically secure, to enable the Councillor to access corporate email, corporate calendars, Modern.Gov, Office suite and necessary documents. Additional security may be added at a future date to keep in line with new PSN policy requirements.

Broadband services are to be provided by the Councillor and expenses for these claimed through the normal expenditure claim process at £100 per year (maximum 1 per household).

Support for this Apple iPad will be provided by the authority's ICT department by telephoning 01527 881766 Mon-Fri 8:30 to 17:00.

All internet usage and emails sent and received via the corporate device, will be subject to automated scanning, monitoring and filtering to assist with ICT security and adherence to additional policies as described in section 9.

It is the Councillor's responsibility to ensure their password for accessing any Corporate Information service is not shared with any other person and that connection to such services is ended by logging off the system, as soon as work is completed or the connection is left unattended. This is to prevent unauthorised access to information.

If it suspected that someone else may know their password, or any security problem has occurred, Councillors must report this to the helpdesk immediately so it can be rectified.

The Councillor shall make reasonable arrangements for the safe-keeping of the iPad.

Insurance for the iPad is provided by the council but a £100 excess is payable for loss, theft or damage.

The Council provides the Apple iPad together with ancillary equipment and materials required, for the Councillor's functions as a Councillor. Use of this equipment for any other reason, including personal use or use by anyone other than a Councillor is not permitted.

All ICT equipment provided by the authority remains the property of the Council and must be returned at the end of the election term.

Option 2

The Authority will provide a Windows based Laptop/Tablet that is technically secure, to enable the Councillor to access corporate email, corporate calendars, Modern.Gov, Office suite and necessary documents. Additional security may be added at a future date to keep in line with new PSN policy requirements.

Broadband services are to be provided by the Councillor and expenses for these claimed through the normal expenditure claim process at £100 per year (maximum 1 per household).

Support for the Windows based Laptop/Tablet will be provided by the authority's ICT department by telephoning 01527 881766 Mon-Fri 8:30 to 17:00.

All internet usage and emails sent and received via the corporate device, will be subject to automated scanning, monitoring and filtering to assist with ICT security and adherence to additional policies as described in section 9.

It is the Councillor's responsibility to ensure their password for accessing any Corporate Information service is not shared with any other person and that connection to such services is ended by logging off the system, as soon as work is completed or the connection is left unattended. This is to prevent unauthorised access to information.

If it suspected that someone else may know their password, or any security problem has occurred, Councillors must report this to the helpdesk immediately so it can be rectified.

The Councillor shall make reasonable arrangements for the safe-keeping of the Laptop/Tablet.

Insurance for the Windows based Laptop/Tablet is provided by the council but a £100 excess is payable for loss, theft or damage.

The Council provides the Windows based Laptop/Tablet together with ancillary equipment and materials required, for the Councillor's functions as a Councillor. Use of this equipment for any other reason, including personal use or use by anyone other than a Councillor is not permitted.

All ICT equipment provided by the authority remains the property of the Council and must be returned at the end of the election term.

Option 3 (can be in addition to Option 1 or 2)

The Authority will provide the Blackberry Software that is technically secure, to enable the Councillor to access Corporate email, Corporate calendars and necessary documents stored on the network, to be accessed from an Android or Apple device not owned by the council.

Additional security may be added at a future date to keep in line with new PSN policy requirements.

Broadband services are to be provided by the Councillor and expenses for these claimed through the normal expenditure claim process at £100 per year (maximum 1 per household).

Support for the Blackberry Software, but not the device it is installed on, will be provided by the authority's ICT department by telephoning 01527 881766 Mon-Fri 8:30 to 17:00.

All internet usage and emails sent and received via the Blackberry Software, will be subject to automated scanning, monitoring and filtering to assist with ICT security and adherence to additional policies as described in section 9.

No scanning, monitoring and filtering of any activity outside of the Blackberry Software will take place.

It is the Councillor's responsibility to ensure their password for accessing any Corporate Information service is not shared with any other person and that connection to such services is ended by logging off the system, as soon as work is completed or the connection is left unattended. This is to prevent unauthorised access to information.

If it suspected that someone else may know their password, or any security problem has occurred, Councillors must report this to the helpdesk immediately so it can be rectified.

All ICT equipment (including software licenses) provided by the authority remains the property of the Council and must be returned at the end of the election term.

6 Policy Compliance

If any Member is found to have breached this policy, IT provision will be withdrawn. If a criminal offence is considered to have been committed further action may be taken to assist in the prosecution of the offender(s).

PROCEDURES FOR AUDITING OF THE COUNCIL

1. Local Authorities are subject to both internal and external audit.
- 2. Internal Audit**
 - 2.1 The requirement for an Internal Audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs”.
 - 2.2 Regulation 6 of the Accounts and Audit Regulations 2006 more specifically requires that “a relevant body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control”.
 - 2.3 Internal audit can be defined as an “independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes”.
 - 2.4 In 2010 the Council agreed to enter into arrangements with Malvern Hills District Council, Redditch Borough Council, Worcester City Council and Wychavon District Council for the authorities to collaborate and provide one shared Internal Audit Service for all the authorities. The service is hosted by Worcester City Council and is regulated by a formal agreement. The shared service is known as Worcestershire Internal Audit Shared Service. The Council retains a team of auditors based at Bromsgrove who are managed centrally by the Service Manager of the shared service.
 - 2.5 Under the current arrangements the Service Manager for Worcestershire Internal Audit Shared Service reports direct to the Council’s Section 151 Officer, the Executive Director (Finance & Corporate Resources). However, the Service Manager can also report direct to the Chief Executive, if required.
- 3. External Audit**
 - 3.1 The Audit Commission is a government body, which has the right to approve and select providers of the external audit function. Government legislation

Agenda Item 27

- shall be audited in accordance with this Act by an auditor or auditors appointed by the Commission.

3.2 Section 4 of the Act (Code of audit practice) details that:

3.3 The Commission shall prepare, and keep under review, a code of audit practice prescribing the way in which auditors are to carry out their functions under this Act.

3.4 Section 5 of the Act (General duties of auditors) states that:

3.5 In auditing accounts required to be audited in accordance with this Act, an auditor shall by examination of the accounts and otherwise satisfy himself:

- that they are prepared in accordance with regulations under section 27;
- that they comply with the requirements of all other statutory provisions applicable to the accounts;
- that proper practices have been observed in the compilation of the accounts;
- that the body whose accounts are being audited has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources; and
- that that body, if required to publish information in pursuance of a direction under section 44 (performance information), has made such arrangements for collecting and recording the information and for publishing it as are required for the performance of its duties under that section.

3.6 The auditor shall comply with the code of audit practice applicable to the accounts being audited as that code is for the time being in force.

3.7 The auditor shall consider whether, in the public interest, he should make a report on any matter coming to his notice. An audit management letter summarising the outcome of the annual audit is submitted to the Council for consideration.

PROTOCOL ON MEMBER REPRESENTATION ON OUTSIDE BODIES

1. Introduction – Two Categories of Organisation

1.1. As Members will be aware, the Council appoints or nominates Members to sit on a wide range of outside bodies and organisations. These appointments broadly fall into two categories:

(a) those where the Councillor is appointed to represent the views of this Authority and to speak on our behalf

e.g. The Local Government Association
Joint Local Authority Committees

(b) those where he/she is appointed because they are a Councillor but once appointed, their duty is as a member of that outside organisation rather than as a representative of the Council

e.g. The Artrix

1.2 As a general rule, an appointment is likely fall into the second of the above categories if the organisation concerned is a distinct legal entity (i.e. if it can sue and be sued in its own name). Such an entity can take many forms e.g.

- Company
- Industrial & Provident Society
- Public Authority

This second category would also include charitable trusts

2. Category (a) – the Representative Role

2.1 Very little needs to be said about appointments to bodies within category (a). The Councillor is there to represent the views of the District Council, to speak up for the Council's interests, and those of the District as a whole.

2.2 As a general rule, it is unlikely that Councillors will be at risk of personal liability as a result of being appointed to any of the category (a) organisations. The nature of those organisations is not such as to be likely to give rise to additional liabilities.

2.3 However, Councillors should bear in mind to take care how they approach conflicts of interest and declarations of those interests, and if in doubt to seek guidance.

3. Category (b) – The Director/Trustee/Board Member role

3.1 It is the appointment of Councillors to positions within Category (b) organisations which potentially cause most difficulty. The most important point to bear in mind is that although the Council makes the initial nomination/appointment, after appointment the Councillor holds office according to the constitution of that other organisation. Appendix A sets out some further guidance notes for Members acting as Directors. In practice, various issues arise of which the following are the most common:

3.1.1 Period of appointment and removal

- a) Once appointed, the Council can only remove a person from office if the constitution of the particular organisation gives the Council that power. The situation differs from organisation to organisation and it is therefore necessary for the Councillor to check the particular constitution, (or articles of association of a company, etc) of the organisation concerned.

3.1.2 To whom is the Councillor Responsible?

- a) In the case of category (b) organisations, once a Councillor accepts an appointment as a director, board member, trustee etc of that organisation then they take on all the responsibilities of that position and their duty *when acting as a director or trustee etc* is to that organisation, not to the Council. They must act in accordance with what they consider to be the best interests of that organisation and are not there as a representative on behalf of the Council.
- b) It would, for example, be a breach of their duty to an outside organisation to disclose confidential information about that organisation to the Council, even if it were relevant to something that the Council was discussing. This point about confidentiality applies both ways and it would be equally wrong to disclose confidential information belonging to the Council to an outside body.
- c) The duty towards the outside organisation only applies when the Councillor is acting in their capacity as a director/trustee/board member of that organisation. When at Council meetings or acting in a Councillor role, he/she must act in the best interests of the Council (subject to the above point about confidentiality). It is therefore very important that Members have a clear understanding of “which hat they are wearing” at any time.
- d) It may often be the case that a Councillor has been appointed to an outside body because he/she has a particular interest in the subject matter e.g. housing. In those circumstances it would not be unusual if the Councillor’s own views and those of the particular organisation

were closely aligned. Alternatively, a Councillor may have gained particular knowledge about a subject because of their involvement on another body. It is perfectly proper that the Councillor should express those views/use that special knowledge during Council debates *because they are his/her own views*. However, a Councillor should never be seen to use their position on the Council to act as an advocate on behalf of an outside organisation during Council debates, because that would be putting the other organisations interests ahead of the Council's. This applies regardless of whether or not they were appointed by the Council.

3.1.3 Conflicts of Interest

- a) Where a director, trustee or member of an outside body has a conflict of interest because they are also a Councillor, then that interest must always be disclosed at any meeting of that outside organisation (this also applies where the person has an interest because of their personal circumstances). Whether or not he/she should continue to participate in that meeting will depend on the rules of that organisation: as a general guide, if there are no rules or procedures specified then he/she should abide by the same rules as apply at Council meetings.
- b) Where a matter under discussion at a Council meeting concerns another local authority or an outside organisation to which a Councillor has been appointed as the Council's representative, the Council's Code of Conduct says that this does not have to be declared as a *Disclosable* interest unless a Member of the Public, knowing the circumstances, would reasonably regard membership of the body concerned as being likely to prejudice the Councillor's judgment of what is in the public interest.

However, there may be circumstances where the conflict of interest would be so great as to make it impossible for the person to act both as a Councillor and a member of the other organisation – for example, in the case of negotiations involving confidential information on both sides. In that situation the person should declare an interest and take no part in the matter in one or other forum i.e. decide whether to act as a Councillor or as a director/trustee in relation to the particular matter but not both. Equally, it could never be right for a Councillor to participate in the determination of a planning application made by an outside organisation of which s/he was a director or board member, even though nominated by the Council.

- c) This advice in relation to potential conflicts of interest applies to both category (a) and (b) organisations.

3.2 Personal Liability

3.2.1 A Councillor who accepts appointment to a Category (b) outside body takes on a responsibility to act in accordance with the particular obligations and requirements applicable to that type of organisation, and so should ensure that they are fully understood. The Council's Legal Section will provide general guidance on these matters, but the outside organisation itself (or their advisors) is likely to be better placed to advise on the specific issues concerning that organisation. Appendix A contains some notes exploring the rights, duties and responsibilities of company directors.

3.2.2 Assuming that Councillor nominees to outside organisations understand and comply with the relevant legal obligations applicable to that type of organisation, Councillors are unlikely to incur personal liability as a result of their appointment.

3.2.3 In order to guard against personal liability, Councillors should:

- Make sure they understand the obligations and responsibilities they have taken on (see above);
- Ensure that the organisation concerned is properly advised and managed;
- Ensure that the organisation has appropriate insurance cover, including Directors' Liability insurance;
- Make sure that the legal framework of the organisation is appropriate to the activities that it conducts e.g. it would be inadvisable for bare trustees to be undertaking significant trading activities;
- Be diligent – attend Board meetings and make sure they know what is happening, and do not assume that legal formalities are being attended to by other people.

3.3 Indemnity

3.3.1 The question is sometimes raised as to whether the Council should indemnify Councillors against any personal liability as a result of being appointed as a member of an outside organisation. Whilst it is theoretically possible to give an indemnity to Councillors who are acting on the Council's behalf, the law is not ideally clear and a blanket approach is not appropriate

- a) In the majority of instances, the Council's involvement ends once the nomination has been made. Although appointed by the Council, the Councillor is not acting as the Council's representative because the Councillor's responsibility is to act in the best interests of the Company rather than the Council.
- b) The Council cannot regulate how Councillors behave on outside bodies or what decisions are made by those bodies. Therefore the Council cannot accept responsibility for matters over which it has no control.
- c) There is still some uncertainty as to the extent of any indemnities which could be given. The Council could not, for example, indemnify Councillors

against their own fraud or wilful misconduct. It could potentially cause greater problems and create a false sense of security to give indemnities which later proved to be invalid.

- d) In many instances the nature of the organisation's activities are low risk and an indemnity ought not to be necessary.
- e) Many of these issues are better addressed by the organisations themselves taking out appropriate insurance cover and ensuring they have proper management procedures in place.

APPENDIX A

Guidance Notes for Members acting as Directors of Outside Bodies

Duties

1. Members who are appointed as directors of outside bodies should note that when acting as a director, their prime duty is to that outside body. Members should therefore take careful note of which capacity they are acting in, at any given time.
2. A Director owes a fiduciary duty to the body to act honestly, in good faith, and in the best interests of the body as a whole. Directors are in the position of quasi-trustees who must take proper care of the assets of the body. The fiduciary duty of a director towards a body is very similar in nature to the fiduciary duty of a Councillor to Council Tax payers.
3. A Director owes a general duty of care and skill to the body, but no more than might reasonably be expected of someone of that person's particular knowledge and experience. A Director is not deemed to be an expert but is expected to use due diligence and to obtain expert advice if necessary.
4. In the same way as a Councillor in respect of Council decisions, a Director is under a duty to exercise independent judgment, although they may take account of third party interests which they represent. In such cases, a Director must disclose that position to the body and must strike a fine balance between the interests of the body and the interests of the third party (e.g. the Council). The Director cannot simply vote in accordance with a Council mandate since to do so would be a breach of duty.
5. The Director may encounter actual or potential situations where there is a conflict between the interests of the Council on the one hand, and those of the body on the other. In such circumstances the only proper manner to resolve the conflict is for the Member to resign from either the body or the Council.
6. Directors must not make a private profit from their position. They must disclose any interests they or their family have in relation to contracts entered into by the body. Whether they may vote on such matters will depend on the Articles or Constitution of that body.
7. Directors must ensure that they comply with the Companies Act in relation to keeping accounts, and making relevant returns to the Registrar of Companies. Failure to do so may incur fines and persistent default may lead to disqualification as a director.

Introduction

The Bribery Act 2010 came into force on 01 July 2011. The act makes it an offence for a United Kingdom citizen or resident to pay or receive a bribe, either directly or indirectly. The act applies to transactions that take place in the UK and abroad, and both in the public and private sectors.

Bromsgrove District Council through myself and the Senior Management Team is determined to maintain its reputation as an authority which will not tolerate fraud, bribery, corruption or abuse of position for personal gain, wherever it may be found in any area of Council activity.

To achieve this goal the Council will work to identify and eliminate any form of bribery through the introduction of this anti-bribery policy and through a risk assessment process and ongoing monitoring and review.

Elected Members and employees should play a key role in counter-fraud initiatives. This includes providing a corporate framework within which counter-fraud arrangements can flourish, and the promotion of an anti-fraud culture across the whole Council. This should provide a sound defence against internal and external abuse of public funds.

Under the terms of this policy all employees and elected Members are prohibited from soliciting, arranging or accepting bribes intended for the benefit of the Council, or for their personal benefit, or for the benefit of the employee's family, associates or acquaintances. This Policy extends to all the Council's business dealings, transactions and decisions.

Through the 'Whistle Blowing Policy' employees are encouraged to report any suspicion of bribery, safe in the knowledge that they are able to report concerns in confidence and without risk of reprisal

Bromsgrove District Council

Policy Statement

Bribery is a criminal offence. The Council through its employees and elected Members does not, and will not, pay bribes or offer improper inducements to anyone for any purpose or, accept bribes or improper inducements. It is the Council's policy to conduct all business in an honest and ethical manner. The Council takes a zero-tolerance approach to bribery and corruption and is committed to acting professionally, fairly and with integrity in all business dealings and relationships. The Council will operate and enforce effective systems to counter bribery.

To use a third party as a conduit to channel bribes to others is a criminal offence. The Council does not, and will not, engage indirectly in or otherwise encourage bribery.

In this policy, **third party** means any individual or organisation we come into contact with during the course of our work. This includes actual and potential customers, suppliers, advisers, contractors, government and public bodies (including their advisers, representatives and officials), politicians and political parties. This list is not exhaustive.

This policy applies to all individuals, working at all levels and grades, including senior managers, officers, employees (whether permanent, fixed term or temporary), elected members (including independent Members), consultants, contractors, agents, trainees, seconded staff, casual and agency staff, volunteers, or any other person associated with the Council, wherever located.

This policy also applies to all of the Council's activities. For partners, joint ventures and suppliers, we will seek to promote the adoption of policies consistent with the principles set out in this document.

What is Bribery?

Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

It is unacceptable to:

- give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given
- give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to "facilitate" or expedite a routine procedure

Agenda Item 30

PART 31

- accept payment from a third party that you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by the Council in return
- retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy
- engage in activity in breach of this policy

Objective of the Policy

This policy provides a coherent and consistent framework to enable Bromsgrove Council employees and elected Members to understand and implement arrangements enabling compliance. In conjunction with related policies and key documents it will also enable employees to identify and effectively report a potential breach.

Role of Employees

Employees are governed in their work by the various policies, protocols, codes, rules and procedures, particularly regarding conduct issues and are responsible for ensuring that they follow any instructions given to them by management, particularly in relation to the safekeeping of assets.

The Council requires that all staff, including those permanently employed, temporary agency staff and contractors:

- act honestly with integrity, at all times, and to safeguard the organisations resources for which they are responsible
- comply with the spirit, as well as the letter, of the laws and regulations of all jurisdictions in which the Council operates, in respect of the lawful and responsible conduct of activities
- read, understand and comply with this policy
- avoid any activity that may lead to, or suggest, a breach of this policy

Staff must notify the Corporate Anti-Fraud Team as soon as possible if they believe or suspect that a conflict with this policy has occurred, or may occur in the future.

Any employee who breaches this policy will face disciplinary action, which could result in summary dismissal for gross misconduct. Disciplinary action will be taken in addition to, or instead of, criminal proceedings, depending on the circumstances of each individual case. The Council reserves the right to terminate it's contractual relationship with other workers if they breach this policy.

Role of Elected Members

As elected representatives, all Members of the Council have a duty to the citizens of the District to protect the Council from any acts of fraud and bribery and ensure that resources are used prudently and within the law to safeguard public money, including ensuring they do not procure an advantage improperly. Elected Members are required to operate and adhere to the Council's Constitution, which incorporates a Code of Conduct for Members (Part 16 of the Constitution).

The Code includes rules regarding:

- The disclosure of relationships
- The declaration of gifts and hospitality
- Registering personal interests

Elected Members are also referred to the Code of Conduct for Councilors in relation to Gifts and Hospitality set out at Part 21 of the Constitution. This sets out the process that should be followed by elected Members when declaring gifts. See further below under "Record Keeping".

The Council's commitment to action

The Council commits to:

- setting out a clear anti-bribery policy and keeping it up to date
- making all employees aware of their responsibilities under the terms of this policy
- training all employees so that they can recognise and avoid the use of the bribery by themselves or others
- encouraging employees to be vigilant and to report any suspicions of bribery, providing suitable lines of communication with the Corporate Anti-Fraud Team
- ensuring that sensitive information is treated appropriately
- rigorously investigating allegations of bribery, taking such cases to prosecution where relevant
- assisting the Police or other authorities in more complex cases
- taking action against any individual found to be involved in bribery
- provide information to all employees to report breaches and suspected breaches of this policy
- include appropriate clauses in contracts to prevent bribery

Facilitation Payments

These are illegal, and will not be tolerated. Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions.

Gifts and Hospitality

The Council's policy on gifts and hospitality for staff has been updated and is now found within the Officers' Code of Conduct. A copy is included in the Council's Constitution and can be found on the Orb at [insert link](#) (Corporate/Policies/BDC Policies/HR).

The Officer's Code of Conduct makes it clear that:

You should not accept significant personal gifts from contractors and service providers such as food, drink, cars, clothes and jewellery.

Inexpensive calendars, diaries, blotting pads, pens etc (perhaps marked with the donor's name) are acceptable. If in any doubt about whether you should accept a gift, it is best to refuse it.

However, you are prohibited from accepting a gift, or giving a gift to a third party if the following requirements are met:

- it is made with the intention of influencing a third party to obtain or retain business or a business advantage, or to reward the provision or retention of business or a business advantage, or in explicit or implicit exchange for favours or benefits;
- it is given in the Council's name, not in your name
- it includes cash or a cash equivalent (such as gift certificates or vouchers)
- if it is inappropriate for the circumstances
- if the gift received is an inappropriate type and value, and given at an inappropriate time;
- it is given secretly and not openly
- gifts should not be offered to, or accepted from, government officials or representatives, or politicians or political parties, without the prior approval of your Head of Service.

Public Contracts and failure to prevent bribery

Under the Public Contract Regulations 2006 (which gives effect to EU law in the UK) a company is automatically and perpetually debarred from competing for public contracts where it is convicted of a corruption offence. There are no plans to amend the 2006 Regulations for this to include the crime of failure to prevent bribery. Organisations that are convicted of failing to prevent bribery are not automatically barred from participating in tenders for public contracts.

Agenda Item 30

PART 31

However, the Council has the discretion to exclude organisations convicted of this offence.

Record Keeping

We must keep records and have appropriate internal controls in place which will evidence the business reasons for:-

- Receiving or declining gifts and hospitality which are offered to staff or elected Members
- Providing gifts or hospitality on behalf of the Council to third parties

Staff must ensure that any gift or hospitality for employees that is accepted, offered or refused, should be recorded in the Corporate Gift and Hospitality Register. The Register is held centrally by the Information Management Team.

Any gifts or hospitality received by elected Members must be reported to the Council's Monitoring Officer in accordance with Part 21 of the Constitution (Gifts and Hospitality – Code of Conduct for Councillors).

How to raise a concern

All elected Members and employees have a responsibility to help detect, prevent and report instances of bribery. If you have a concern, **please speak up** – your information and assistance will help. The sooner you act, the sooner it can be resolved.

Please refer to the Whistle-blowing (Confidential Reporting Code) Policy for the procedure of how to make your concerns known. It can be found on the Orb at [insert link](#) - (Director of Finance and Corporate Resources/Head of Resources/Corporate Fraud/Team Documents/Corporate Fraud).

Staff who do not have access to the intranet can contact the Corporate Anti-Fraud team directly on:

Email fraud@bromsgrove.gov.uk
Telephone 01527 881221
Web www.bromsgrove.gov.uk/fraud

Preferably your disclosure will be made and resolved internally. However where this proves inappropriate and you are not happy to speak with the Corporate Anti-Fraud Team, your concerns can be raised externally. Raising concerns in these ways may be more likely to be considered reasonable than making disclosures publicly (e.g. to the media),

Agenda Item 30

PART 31

Concerns can be anonymous. We will act as soon as possible to evaluate the situation. We have a clearly defined Corporate Anti-Fraud and Corruption Strategy which sets out procedures for investigating fraud, bribery and corruption. It is however, easier and quicker to evaluate allegations, if they are not anonymous, as your assistance may be well be needed to clarify elements of the allegation made.

Bribery Act Offences

There are four key offences under the Act:

- bribing of another person (Section 1)
- accepting a bribe (Section 2)
- bribing a foreign official (Section 6)
- failing to prevent bribery (Section 7)

Section 7 is a corporate offence but an organisation will have a defence to this offence if it can show that it had in place 'adequate procedures' designed to prevent bribery by or of persons associated with the organisation.

Bribery Act Penalties

An individual guilty of an offence under sections 1, 2 or 6 is liable:

- on conviction in a magistrates court, to imprisonment for a maximum term of 12 months, or to a fine not exceeding £5000, or to both
- on conviction in a crown court, to imprisonment for a maximum term of ten years, or to an unlimited fine, or both.

Organisations, if found guilty of an offence under section 7 are liable to an unlimited fine.
