2/09 MINUTES

The minutes of the meeting of the Parish Councils' Forum held on 24th March 2009 were submitted.

RESOLVED that the minutes be approved as a correct record.

3/09 MATTERS ARISING FROM THE LAST MEETING

In respect of the proposed Training Programme on Ethical Governance issues, the Forum noted the information included on the Agenda concerning the anticipated publication of the new Code of Conduct in July / August 2009.

4/09 CONSULTATION ON THE PARISH COUNCIL CHARTER / CONCORDAT

At the invitation of the Chairman, the Executive Director - Services addressed the Forum and outlined the responses to the consultation on the draft Parish Council Charter document. He drew attention to the recommendation on page 8 of the report and stated that he considered the most efficient and measured approach to the adoption of the parish charter document would be to establish a working group comprised of parish council representatives, together with the Leader of the Council and two officers. By taking this approach, it was anticipated that the issues raised as a result of the consultation could be considered in detail and reported back to the next meeting of the Forum.

During the discussion on the proposals contained in the report, members of the Forum believed that by limiting the parish council representation on the working group to three would not be sufficiently representative of the 20 parishes within the District. However, views were expressed that too many members on the working group would hinder its progress in reaching agreement on a final document for approval by the Forum.

The Forum also considered that the working group should include (where possible) those clerks who work for more than one parish council, so as to maximise representation of the parishes, together with a representative from the Worcestershire County Association of Local Councils.

RESOLVED:

- (a) that a working group be established to consider in detail the responses received in respect of the draft Parish Council Charter document that had previously been distributed to parish councils;
- (b) that the composition of the working group be as follows:-
 - Councillor R. Hollingworth, Leader of the Council
 - Mr. T. Beirne, Executive Director Services
 - Mrs. D. Warren, Senior Solicitor
 - Mrs. R. Levett (Acting Executive Officer, Worcestershire CALC)

Parish Councils' Forum 23rd June 2009

- Miss P. Harrison (Clerk to Beoley Parish Council and Wythall Parish Council)
- Mrs. R. Mullett (Clerk to Clent Parish Council, Hunnington Parish Council and Romslev Parish Council)
- Mr. S. R. Colella (Chairman of Hagley Parish Council) [or, in his absence, an appointed representative]
- Mrs. C. Limm (Clerk to Belbroughton Parish Council and Dodford with Grafton Parish Council [or, in her absence, James Bradley (Chairman of Belbroughton Parish Council)]
- A representative from Barnt Green Parish Council [either Mrs. J. Jagger (Chairman), Mrs. S. Whitehand or Mr. R. Westbury (Executive Officer)]
- Mr. J. Cypher (Chairman of Alvechurch Parish Council)
- (c) that the working group report back to the Forum at its next meeting to be held on Tuesday, 22nd September 2009.

(Note: Mr. J. Cypher questioned whether the working group could also give consideration to possible development initiatives in relation to the provision of ICT equipment and facilities to parish councils in order to enhance communication, and to maximise the electronic services provided by the Council. However, Mr. Beirne stated that he considered the working group should strictly focus on the proposed Parish Council Charter, bearing in mind the limited timescale available, but he stated that he would endeavour to investigate the matter separately and to explore issues concerning the provision of ICT equipment.)

5/09 **PROGRESS REPORT ON DRAFT CORE STRATEGY**

The Chairman informed the Forum that the Strategic Planning Manager had prepared a written response:-

"The draft Core Strategy was published for consultation on the 31st October 2008 until 16th February 3009. Around 130 responses were received. The responses are currently being evaluated and, where necessary, changes made to the strategy to take into account the comments submitted. The Strategic Housing Land Availability Assessment (SHLAA) has also been produced as one of the key pieces of evidence that underpins the housing distribution within the Core Strategy.

Ongoing work on the evidence base will be taking place although further production and publication of the Core Strategy is significantly affected by the ongoing review of the Regional Spatial Strategy (RSS) and, until the outcome is known, it is impossible to produce a core strategy which would be judged sound by the Secretary of State. Once the outcome of the RSS is known, it will be easier to predict an accurate timescale for the production although, if the RSS directs significant growth to the district in the form of extensions into the green belt at Redditch and South Birmingham, further delays could be necessary."

Parish Councils' Forum 23rd June 2009

Members of the Forum voiced their concerns in respect of the use of land for other authorities' housing allocations, together with the size of likely housing developments and the associated infrastructure provision. Several speakers also outlined their impressions of the presentations which had been made earlier in the day relating to Bromsgrove, Redditch and Birmingham at the WMRSS Examination in Public in Wolverhampton. However, it was understood that their was still a considerable amount of time to go before any definitive details could be known.

6/09 **ELECTORAL SERVICES - UPDATES**

The Chairman referred members of the Forum to the information enclosed with the Agenda for the meeting relating to both the casual membership vacancies in respect of the parish councils within the district, and the County Council election results. This was noted.

7/09 JOINT COUNTYWIDE SCRUTINY REPORT ON FLOODING

At the invitation of the Chairman, Mr. P. Street, the Council's Executive Director - Partnerships and Projects, addressed the meeting and gave a presentation about the effects of the July 2007 flooding problems and the related Joint Countywide Scrutiny exercise which had been undertaken subsequently.

Mr. Street explained the Council's duties and responsibilities in connection with the clearance of privately owned watercourses and highlighted the recommendations arising from the scrutiny exercise which related specifically to parish councils; in particular, how parish councils may be able to help in terms of making the most of the local knowledge at a parish level, as well as assisting with communications in the event of similar flooding events in the future. He also outlined details relating to the Council's emergency plan to deal with future flooding issues and drew attention to the problems which had to be identified with planning for such unforeseen occurrences.

Mr. Street then responded to a number of questions from members of the Forum. From the ensuing discussion, the main points of concern were the likely development of additional housing (following on from the earlier item in respect of the West Midlands Regional Spatial Strategy) and the related implications this would have in terms of drainage and soakaway land, the enforcement of riparian responsibilities and the resources available in terms of flooding alleviation and prevention.

In conclusion, the Forum expressed its appreciation to Mr. J. Bailey, the Council's Drainage Engineer, for his continuing assistance in relation to flooding and drainage issues, as well as his reassuring advice and wealth of knowledge. The Chairman also thanked Mr. Street for his interesting and informative presentation.

RESOLVED:

(a) that the recommendations made by the County Joint Scrutiny exercise into the July 2007 flooding be commended to the parish councils; and

Introduction 1.

- Bromsgrove District Council and the Parish Councils located in its area have 1.1 agreed to publish a charter which sets out how they aim to work together for the benefit of local people. This Charter is the result of discussions locally to establish a new way of working and to confirm existing good practice.
- 1.2 Bromsgrove District Council acknowledges that Parish Councils are the grass-roots level of local government. By working with them and the Area Committee of the Association of Local Councils, Bromsgrove District Council aims to act in partnership with local communities, while balancing the needs of the wider community.
- 1.3 In their role as democratically accountable bodies, Parish Councils offer a means of shaping the decisions that affect their communities. They offer a means of decentralising the provision of certain services and maintain the vitality of Jocal communities. In turn, the Parish Councils recognise the strategic role of Bromsgrove District Council and the equitable distribution of services which it has to achieve.
- 1.4 This Charter reflects the increasing importance attached by Central Government to partnership working and the development of Quality status for Parish Councils.

Core Statement of Agreement

- 2.1 By signing up to this document, Bromsgrove District Council and Parish Councils collectively agree
 - 2.1.1 to recognise Local Councils alongside Bromsgrove District Council Ward Councillors as the grass roots level of local democracy and community leadership (See Note: Parish Governance)
 - **2.1.2** to recognise Bromsgrove District Council's lead role in developing strategic services and working partnerships with other service providers and units of local governance for the benefit of all communities, and further to acknowledge the active participation of Bromsgrove District Council and Parish Councils' representatives in the Local Strategic Partnership for the area
 - 2.1.3 to acknowledge that Bromsgrove District Council will work in partnership with all Parish Councils to promote sustainable social, economic and environmental developments for the benefit of local communities
 - **2.1.4** to raise awareness among their staffs of the respective roles of all the Parish Councils and the District Council

6 Local Neighbourhood Partnerships

6.1 Bromsgrove District Council has introduced the concept of Local Neighbourhood Partnerships. The partnerships are designed to provide a setting, where the three tiers of local government, local strategic partners and residents can work together on tackling local issues and improve resident's satisfaction. The District Council held two stakeholder events in December 2008 and agreed that it will undertake further consultation with the Parish Councils on the sequencing of the proposed roll out of LNPs in future years. The District Council expects to roll out two LNPs per year, in consultation with Parish Councils. An annual consultation event will be held in December each year with representatives from each of the three tiers of local government to look at the specific issues of roll out in their areas and to learn lessons from the previous pilots.

The budget allocation will be £5,000 per District Councillor, making a total amount of £195,000 once the concept is rolled out completely.

APPENDIX 1

CALC CODE OF PRACTICE RE ATTENDANCE OF DISTRICT COUNCILLORS AT PARISH COUNCILS.

Formatted: Font: 11 pt

Introduction

Formatted: Font: 12 pt

 A good working relationship between Parish Councils and the Parish County and District (Principal) Councillors is essential if Parish service provision is to be delivered in an efficient and effective way.

2. The Parish Principal Councillors have a special and important role to play as links between Parish Councils and the other tiers of Parish government, and this should be recognised if the Parish Council is to obtain the maximum benefit from them. However, it is accepted that a balance needs to be struck which makes it clear that Parish Principal Councillors are not members of the Parish Council and that their participation at meetings is by invitation only.

Formatted: Font: 12 pt

The Legal Position

3. At meetings of Parish Councils, Principal Councillors have only the same legal rights as members of the public unless they are also members of the Parish Council. This means that although they have a right to attend meetings they have no right to speak or take part in meetings. Similarly, they can be excluded from a meeting if the Council has resolved to exclude the public because it is considered that publicity would prejudice the public interest by reason of the confidential nature of the business or for some other reason stated in the resolution and arising out of the business to be transacted.

Formatted: Font: 12 pt Formatted: Font: 12 pt

Guiding Principles

4. For a Parish Council and Principal Councillor relationship to develop in a mutually beneficial way the following guiding principles should be adopted.

Invitation to attend

5. The Clerk should invite the Parish Principal Councillor(s) to attend all meetings of the Parish Council and the Annual Parish/Town Meeting. This could be achieved by the Parish Council adopting NALC Model Standing Order No. 74 which states: "A Summons and Agenda for each meeting shall be sent, together with an invitation to attend, to Principal Councillors for the appropriate division or ward."

Deleted:

Formatted: Font: 12 pt

Opportunity to speak

6. The Parish Council agenda should provide an opportunity during the meeting for the Principal Councillors to present a report to the Parish Council and for the Council to question them. This can be achieved by including "County Councillor's Report and "District Councillor's Report" as items on the Agenda. The Principal Councillors will also be able to speak during any period set aside by the Parish Council for public participation. In addition, in view of their special role and depending on business being discussed, the Chairman of the Council may wish to invite the Principal Councillor(s) to speak during a meeting on a particular topic. This needs to be exercised carefully to avoid individual members of the public, who may also wish to speak on this topic, feeling they are being discriminated against unfairly.

Principal Councillor who is also a Parish Councillor:

7. If a Principal Councillor is also a member of the Parish Council (s)he is entitled to speak and vote on any business in the same way as any other member of the Council, However, it is good practice for them to remember that, because of their membership of a Principal Council, they are in fact in a different position from the rest of the Parish Council and should bear this in mind when debating issues.

Seating Arrangements

8. Seating arrangements for the Principal Councillors should be chosen carefully to avoid the impression being given that the Principal Councillors are members of the Parish Council, A position apart from the Parish Council and other members of the public is probably advisable; there is no necessity for the Principal Councillors to have to sit with other members of the public.

Formatted: Font: 12 pt

Correspondence:

9. The Clerk should send the Parish Principal Councillors copies of correspondence between the Parish Council and the Principal Councils. This could be achieved by the Parish Council adopting NALC Model Standing Order No. 71 (check) which states: "Unless the Council otherwise orders, a copy of each letter ordered to be sent to a Principal Council shall be transmitted to the Principal Councillor for the division or ward as the case may require."

Principal Councillors' Reports - This should be included in what the Parishes will do

10. Principal Councillors should, where possible:

- attend Parish Council meetings in their division/ward when time permits;
- prepare a brief report for each Parish Council meeting, to be made in person or relayed to the Clerk;
- provide the Clerk with a copy of relevant correspondence in the public domain to the Councillors on Parish Council business;
- advise the Parish Council when relevant Parish and strategic matters of interest are to be considered by the Principal Council in public session;
- · make an annual report to the Annual Parish Meeting.

Consultation and Collaboration

- 11. Principal Councillors should seek to ensure that the Council Charter is applied, and, in particular ensure that:
- liaison between the three tiers of Parish government is improved;
- Parish Councils are advised when opportunities occur for collaboration with the other tiers;
- Principal Councils consult Parish Councils on relevant Parish and strategic matters.

PLANNING ENFORCEMENT

Initial Investigation of Complaints

Many breaches of Planning Control are revealed by complaints, usually by local residents, elected Members, competitive traders, societies or Parish Councils and other Departments of the Council. Bromsgrove District Council recognises the assistance of Parish Councils in the planning enforcement process

Deleted: parish councils

On receipt of a complaint, the Enforcement Officers will raise a Complaint Form on the computerised system and research as much detail and history as possible before carrying out a site visit.

Procedure.

Where a breach of planning control has occurred, action will be taken depending upon the nature and seriousness of it. The majority of the work of the Planning Enforcement Team is generated via complaints and it is considered important to deal with complaints in a set manner to ensure fairness and consistency of approach. Complaints will therefore:

- a) be accepted in writing, by telephone or email; address and contact details, will be held in confidence. The Council will not accept anonymous complaints;
- b) be acknowledged within 5 working days of receipt of a written complaint;
- c) be treated in confidence. However, complainants should need to be aware that, should formal action be taken, it may require a commitment from them and, as such, they may be requested to give evidence in order to secure a successful outcome. In such circumstances, anonymity will not be possible.
- d) be prioritised.

Complaints will be prioritised as follows:

Priority 1

Activities or development, which could lead to immediate or irreparable, harm (i.e. demolition of Listed Buildings, felling of trees protected by a Tree Preservation Order, etc.)

Priority 2

Activities or development, causing serious harm to the amenities of a neighbourhood.

Priority 3

<u>Development in a designated area (for example, a Conservation Area) where it would have a significant impact on the designation.</u>

Priority 4

Other complaints. (Anonymous complaints will not be investigated.)

Once complaints have been received, investigations will begin which will include the initial checking of the planning history by the Enforcement Officers. In most cases, a site visit will be made by the officers concerned. The response times for visiting the sites will, when necessary, vary according to the type of breach and how the particular breach has been prioritised.

After the initial investigations have been undertaken, and a breach of planning control is confirmed, the investigating Enforcement Officer will, where appropriate advice has been sought, do the following:-

- 1) Advise the owner/occupier responsible for the alleged breach of the intended action, option to resolve the situation, or seek further information to determine whether a breach has occurred.
- 2) Advise complainant of findings and proposed action (if any), or that further information or monitoring is required.
- 3) Where appropriate, ask the complainant to keep a diary of events for use as evidence if the matter proceeds to formal Enforcement Action.
- 4) If an application for planning permission were requested, a time period of 28 days will normally be given for an application to be submitted. If it is not received within the designated period, a reminder will be sent giving a date for an application to be received. Failure to adhere to this would lead to further consideration and most probably Enforcement Action.

BROMSGROVE DISTRICT COUNCIL

PARISH COUNCILS' FORUM

22ND SEPTEMBER 2009

ELECTORAL SERVICES BRIEFING NOTE

1. Shared Services

Electoral Services became one of the first of the Council's services to become a shared service provision with Redditch Borough Council. In fact Bromsgrove and Redditch Council's are one of the first authorities in the country to have a shared electoral services provision. There is now a combined team of experienced electoral administrators in place to provide a more robust specialist service for the future.

This has been a large project involving the transfer of data from Redditch to a new software provision and the movement of staff and documents from Redditch to Bromsgrove. The restructured team is now situated in a new office off the Main Reception Area at the Council House, which will be more convenient when dealing with Councillors, candidates and electors.

Members of the team will be working from offices at the Town Hall, Redditch during the months covering the period of an election timetable to deal with candidates and electors, and the Count for those elections held in Redditch. The Returning Officer for Redditch is Sue Hanley, Deputy Chief Executive.

Future planned improvements in the project include access to electoral software screen for Customer Service Centre and Call Centre staff to respond to initial electoral enquiries at the Dolphin Centre, Bromsgrove, and at the four One Stop Shops in Redditch.

The new Electoral Services team:

Susan Mould Electoral Services Manager
Heather Hayes Senior Electoral Services Officer

Lizzie Tovey Electoral Services Officer

June Neal Electoral Services Assistant (Mon - Wed)
Julie Wheeler Electoral Services Assistant (Thurs - Fri)

Please take time to look at the Electoral Services area of the new revised websites that should be available from the end of September:

www.bromsgrove.gov.uk and www.redditchbc.gov.uk

2. Annual Canvass for the Register of Electors

As you may be aware, the annual canvass for the Register of Electors is currently taking place - a registration form is being sent to every household in Bromsgrove and Redditch with details of current information held.

Residents are asked to check this information and either confirm that it is correct or make any amendments required. There are four ways available to respond - free phone, internet, text and freepost. It is important that people are correctly registered to be able to vote at elections held during the following twelve months. Many people do not realise that the Register of Electors is also used as a check via credit reference agencies as part of financial arrangements.

3. Annual Review of Polling Stations

A General Election must be held before June 2010 and, in preparation for this event, we will be conducting the annual review of polling stations this Autumn - if you are aware of more suitable premises for a Polling District in your area please provide details to our office for further investigation by Monday 28th September (a list of existing polling stations is attached).

4. Parish Council Casual Vacancies

For information, the most up-to-date list of Parish Council Casual Vacancies is attached.

FORWARD PLAN OF KEY DECISIONS

1 SEPTEMBER 2009 TO 31 DECEMBER 2009

This Forward Plan lists the **Key Decisions** which it is proposed to take during the period 1 September 2009 to 31 December 2009. **Key Decisions** are executive decisions which must be taken or delegated by the Council's Cabinet and relate to matters which fall within the Council's agreed Budget and Policy Framework.

Key Decisions are those executive decisions which are likely to:

- (i) result in the Council incurring expenditure, foregoing income or the making of savings in excess of £50,000 or which are otherwise significant having regard to the Council's budget for the service or function to which the decision relates; or
- (ii) be significant in terms of its effect on communities living or working in an area comprising two or more wards in the district;

Key Decisions will include:

- 1. A decision which would result in any expenditure or saving by way of a reduction in expenditure of £50,000 provided the expenditure or saving is specifically approved in the Medium Term Financial Plan.
- 2. A virement of any amount exceeding £50,000 provided it is within any virement limits approved by the Council;
- 3. Any proposal to dispose of any Council asset with a value of £50,000 or more or which is otherwise considered significant by the Corporate Property Officer;
- 4. Any proposal to cease to provide a Council service (other than a temporary cessation of service of not more than 6 months).
- 5. Any proposal which would discriminate for or against any minority group.

Further details of each Key Decision are appended to the Forward Plan. To assist with internal forward planning, this Plan also lists other non-key decisions which the Cabinet is expected to make during the specified four month period. The Forward Plan is updated and published on the Council's website on a monthly basis.
