

APPENDIX 2

27/6/11

23rd June 2011

Bamsgrove  
B60 2AX

Dear Sirs

I am writing with regard to the temporary tree preservation order (N.03) 2011 relating to a tree at 53 Wellington Road Bamsgrove B60 2AX, which we received on 16th May 2011

The tree is positioned in our garden and we would like to support the order of preservation due to the trees age and presence within Wellington Road. We feel that the tree forms part of the history of the road and our house in particular and therefore the trees preservation is important to us.

I hope this helps to ensure the continuation of the order past the 6 month temporary period

Yours Sincerely
