Dear Sir,

**Re: Application by Malthurst Ltd  
for a twenty-four hour licence to sell alcohol  
from premises at 88 Birmingham Road, Bromsgrove.**

I am writing, as Chairman of Brook Court Retirement Home, to express my concern and the concern of many of the Court residents for the granting of the above license, and to register our objection to it.

This is a quiet residential area with great number of elderly people living in retirement homes close to these premises. We already have two public houses in close proximity and experience some degree of rowdy behaviour from time to time. It is our opinion that this license, if granted, making alcohol available every hour of the day and night would generate more anti-social behaviour, vandalism and night-time disturbance.

Yours faithfully

Brook Court Residents Committee*

Good afternoon

**88 Birmingham Road, Bromsgrove – Application for Premises License Ref: CVE/28715/68/RPB**

With reference to the above application, as an immediate neighbour of the site I **strongly** object to the application to sell alcohol 24-hours a day 7-days a week from the proposed petrol station. Not only do I have to put up with the existing noise from the 2 a.m. “revellers” making their way out of town at the weekend; this application will now give them an additional excuse to buy more alcohol and loiter on street around the site. I can put up with the adjacent Hop Pole PH as that is closed by midnight and causes no problems.

There is no need for a petrol station to be selling alcohol AT ALL, never mind 24-hours a day – what kind of drink/drive message does that send out?

Furthermore, please explain exactly what “the provision of late-night refreshment daily between the hours of 00:00 and 05:00 and 23:00 to 24:00” actually means; apart from it being a long-winded way of saying 23:00 to 05:00!

yours sincerely
