Hi Sayful

I am satisfied with the response from the applicant/agent to change the hours of alcohol sales and to add the condition below to the licence and therefore withdraw my representation.

"The licence holder will monitor the primary use of the premises and if transaction data demonstrates that the premises are excluded premises pursuant to S.176 of the Licensing Act 2003 the sale of alcohol will cease until such time as the data demonstrates that the premises are not so excluded. Such data will be available on request to the police and the licensing authority"

Kind regards

Sue
