CCTV Operation Code of Practice

1. Introduction

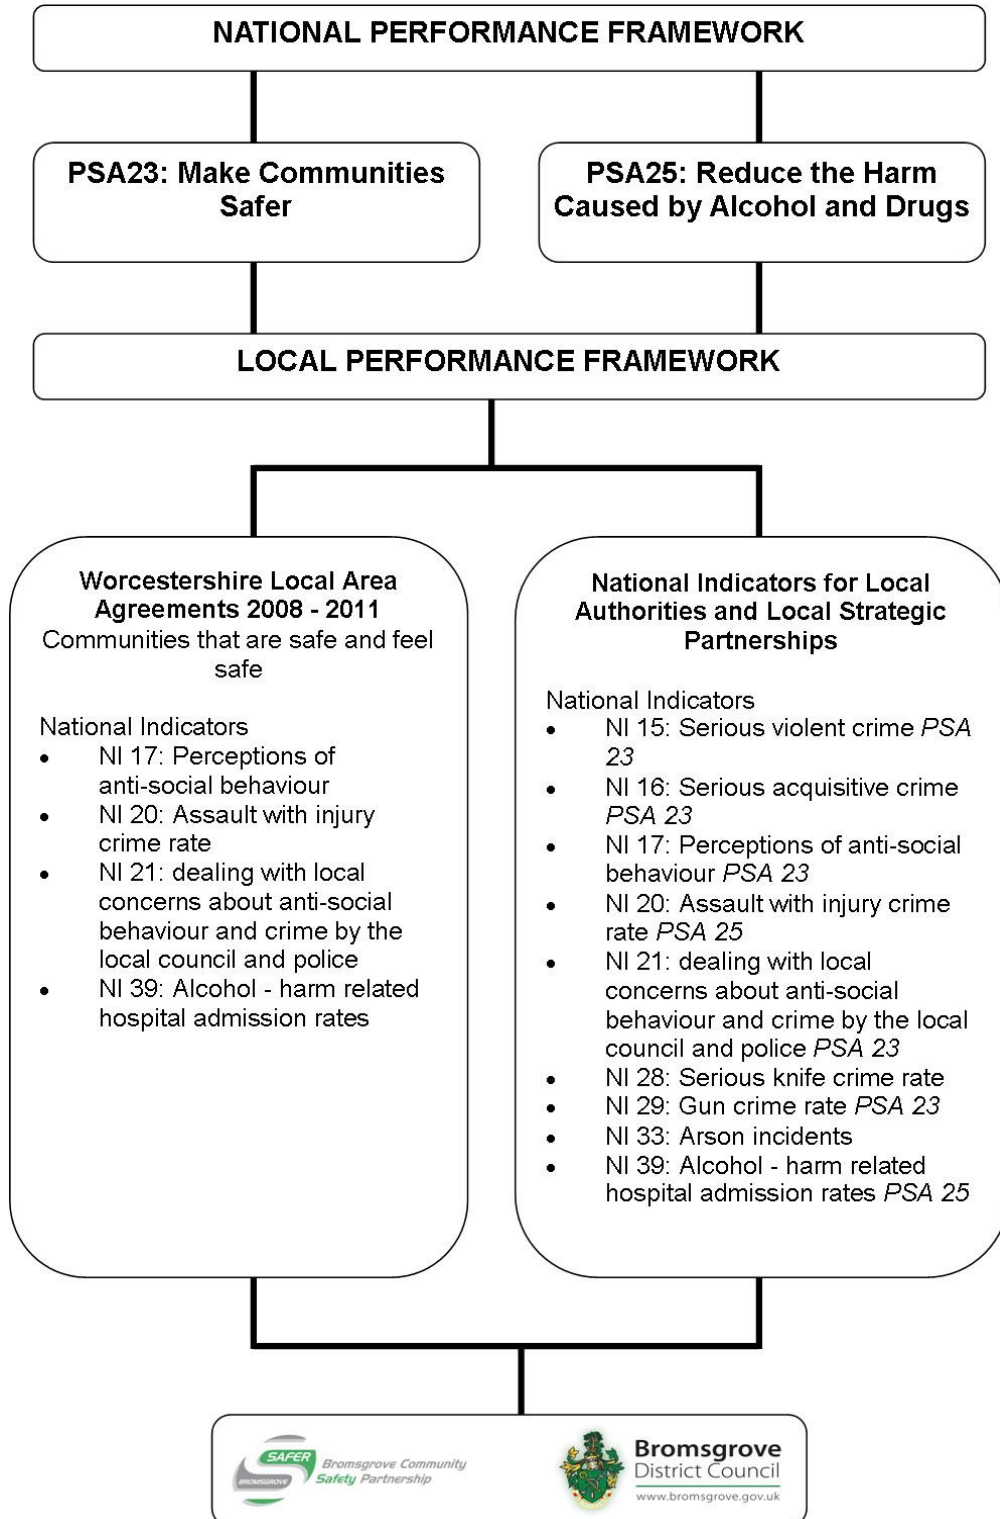

1.1 Objectives of the Bromsgrove District Council CCTV Code of Practice

- 1.1.1 The objective of this Code of Practice is to provide guidance on the correct deployment of Closed Circuit Television (CCTV) within the Bromsgrove District.
- 1.1.2 When new camera locations are considered, this document will be used as a guide for risk assessment, process, decision making, and to ensure that The Council remains within the law, best practice is followed and the best results are achieved.
This Code of Practice has been developed to ensure the best use of resources, ensure the images produced are fit for purpose (see Objectives) and that they are used appropriately in accordance with the Data Protection Act.
- 1.1.3 This document has been written following Consultation with The Community Safety Partnership and Members of Bromsgrove District Council. It is supplemented by a separate procedure manual which offers instructions on all operational aspects of the System. To ensure the purpose and principles of the CCTV system are realised, the manual is based upon the contents of this Code of Practice. The Manual is amended and updated on a regular basis as new Control Room Procedures come in to practice.
- 1.1.4 This Code of Practice will be reviewed every 3 years, or sooner, following a significant occurrence, change to the CCTV scheme, a change in legislation or a change in industry best practice.
- 1.1.5 This document will be available to member of the public on request and via the Bromsgrove District Council website. This will also include a summary version.
- 1.1.6 Bromsgrove District Council may from time to time enter into agreement to monitor CCTV cameras owned by other organisations. This will only be undertaken following a complete operational and business risk assessment. Monitoring of those cameras will follow guidance from the respective Authority's Code of Practice. However their operational principals must match those set in this document.

1.2 Objectives and benefits of the CCTV System

- 1.2.1 The Bromsgrove District Council CCTV System followed the formation of a partnership between Bromsgrove District Council, the Police, Neighbourhood Watch, the local Residents Associations, Parish Councils and Chamber of Commerce and the original scheme was funded by a government grant.
- 1.2.2 CCTV priorities are derived from the specific local needs of Bromsgrove District Council and Bromsgrove Community Safety Partnership through its

CDRP tasking group. Moreover, the operations of CCTV do help address the local and national performance frameworks. The diagram below show how CCTV is influenced by and contributes towards addressing national and local performance frameworks such as Worcestershire’s Local Area Agreements.

1.2.3 The System and its objectives are registered at the Information Commissioners Office.

- to help reduce the fear of crime;
- to help deter crime, detect crime and prevent crime;
- to assist in the apprehension and identification of offenders;
- to produce evidence relevant to the prosecution of offenders;
- to enhance community safety, boost the economy and encourage greater use of the town centre / shopping centre, etc;
- to assist the Local Authority in its enforcement and regulatory functions.
- for the maintenance of Public Order
- to provide information for traffic management
