1. SUMMARY OF PROPOSALS

- 1.1 The Overview and Scrutiny Board are requested to investigate the business plan in respect of the Council's move to Parkside School. This follows a notice of motion put forward by Councillor B. Lewis at the Council meeting held on 26th February 2014 as follows:

"That the financial business plan relating to the proposed move of BDC Council House to the former Parkside School be scrutinised by Members of the Council".

2. RECOMMENDATIONS

- 2.1 That the Board considers the request and agrees to one of the following:
- (a) that the request is included on the work programme and the Board undertakes the investigation, discuss broad terms of reference and sets a time scale for completion of the investigation; OR
 - (b) that the request is included on the work programme and a Task Group is established to undertake a more in-depth investigation, appoint a Chairman for the Task Group and set a time scale for completion of the investigation; OR
 - (c) that further information be requested from a relevant source before deciding whether or not further investigation is required; OR
 - (d) decide to take no further action.

3. KEY ISSUES

Financial Implications

- 3.1 There are no financial implications directly relating to this report, however, if the proposal is accepted, any implications would be considered as part of the subsequent investigation undertaken.

Legal Implications

- 3.2 There are no legal implications directly relating to this report, however, if the proposal is accepted, any implications would be considered as part of the subsequent investigation undertaken. In this instance there is an accreditation process for becoming recognised as honouring the living wage and this could be used as a framework for the Board's investigation and for confirming the legal aspects.

Service/Operation Implications

- 3.3 A request from full Council has been made to investigate the business plan in respect of the Council's move to Parkside School.
- 3.4 If the Board decides that it does wish to investigate this topic further, it then needs to decide whether it is appropriate for the Board itself to undertake the investigation or whether a more in-depth investigation is required and a task group established.
- 3.5 Another option is for the Board to request further information on the topic from a relevant source to assist Members to decide whether an investigation is required.
- 3.6 Alternatively, the Board could decide that it is not a topic it wishes to investigate, in which case no further action would be required.
