

Appendix 1 - Process for listing community assets

**Note 1**  
 A building or other land should be considered an asset of community value if:  
 its actual current use furthers the social wellbeing and interests of the local community, or a use in the recent past has done so; and  
 that the use is not an ancillary one; and  
 for land in current community use it is realistic to think that there will continue to be a use which furthers the social wellbeing and interests, or  
 for land in community use in the recent past it is realistic to think that there will be community use within the next 5 years (in either case,  
 whether or not that use is exactly the same as the present or past); and  
 it does not fall within one of the exemptions e.g. residential premises and land held with them.  
 'Social interests' includes cultural, recreational and sporting interests.
