A5 Local connection

Your organisation must have a local connection, which means that its activities are wholly or partly concerned with the administrative area of Bromsgrove District Council or a neighbouring local authority. In some cases this will be obvious, eg. a parish council in Bromsgrove, or an organisation whose activities are confined to the district. If your connection may not be obvious to us please explain what your organisation's local connection is.

The Museum Collection was donated by the collector, Dennis Norton, in 1992 for the benefit of the Bromsgrove people and education. At the time it was a very successful local attraction for the general public and schools and has won several awards. It is now housed in the museum building at 26 Birmingham Road.

A6 Distribution of surplus funds (certain types of organisation only)

If your organisation is an unincorporated body, a company limited by guarantee, or an industrial and provident society, its rules must provide that surplus funds are not distributed to members, but are applied wholly or partly for the benefit of the local area (ie. within the administrative area of Bromsgrove or a neighbouring local authority). If relevant, please confirm that this is the case, and specifically which area this applies to.

The Trust hope to re-open the museum and enable people of all ages to visit and learn more about Bromsgrove's heritage and the many trades that the town was famous for such as The Bromsgrove Guild, Fairfield glass, Nail making and the Salt works. Part B: About the land or building(s) you are nominating

B1 Description and address

What it is (eg. pub, local shop) Museum building
Name of premises (eg. Post office , Community Centre) Bromsgrove Museum
Address including postcode (if known) 26 Birmingham Road Bromsgrove B61 0DD

B2 Sketch plan

Please include (here or on a separate sheet) a sketch plan of the land. This should show:-

- The boundaries of the land that you are nominating
- The approximate size and position of any building(s) on the land.
- Any roads bordering the site.

B3 Owners and others with an interest in the building or land

You should supply the following information, if possible. If any information is not known to you, please say so.

	Name(s)	Address(es)
Names of all current occupants of the land	Owners Bromsgrove District Council	Same as B1. Yes
Names and current or last known addresses of all those owning the freehold of the land (ie. owner, head landlord, head lessor)		
Names and current or last known addresses of all those having a leasehold interest in the land (ie. tenant, intermediate landlord, intermediate lessor)		

B4 Why you think the building or land is of community value

Note that the following are not able to be assets of community value:-

- *A building wholly used as a residence, together with land "connected with" that residence. This means adjoining land in the same ownership. Land is treated as adjoining if it is separated only by a road, railway, river or canal.*
- *A caravan site.*
- *Operational land. This is generally land belonging to the former utilities and other statutory operators.*

Does it currently further the social wellbeing or social interests* of the local community, or has it done so in the recent past? If so, how?

The council closed the museum in 2008 but we know there is interest in the Museum as, on a miserable weekend in January this year, we opened it to the public and attracted nearly 1000 visitors who gave us some very good feedback.

Could it in future further the social wellbeing or social interests* of the local community? If so, how? (This could be different from its current or past use.)

With our enthusiastic team of volunteers and improved opening hours the Museum would offer a cultural and recreational experience and attract visitors to Bromsgrove who then may spend money in the town and thus boost the local economy.

**These could be cultural, recreational and/or sporting interests, so please say which one(s) apply.*
