

NOTICE OF MOTION – FREE EVENING CAR PARKING TRIAL

The following Notice of Motion has been submitted in accordance with Procedure Rule 11 by Councillor R. J. Laight:

I am aware that this Council has “led the way” in cost savings over recent years and unlike many Councils around the U. K. we do continue to have funds available to improve both services and support for our residents and local businesses.

I would like to put forward the Motion that Cabinet investigates further, as part of the on going budget process, the use of some of the saved funds from projects successfully delivered, such as the Shared Management Team, to be used to support the town centre evening economy by running a trial on free car parking during the evening in our pay and display car parks for a 12 month period.
