

New Homes Bonus Cross Party Working Group

Chance to feedback on New Homes Bonus proposals

Residents can give their feedback on New Homes Bonus proposals at a working group meeting in December.

Bromsgrove District Council set up a New Homes Bonus Working Group earlier this year, in response to a petition, to review the funding received from central government and consider how this is used within the council.

Another forum meeting is being held on 1st December from 6.30pm in the Council Chamber giving residents the opportunity to hear first hand the option that the Group is proposing.
