Yours Sincerely,

I do hope that you can see the disadvantage of having another off license sited at 61 May Lane, and reject the application.

There are already three off licenses within walking distance of May Lane. One in Spar Drakes Cross. One in Simon's Store in Hollywood Lane, and Victoria Wines at Grimes Hill.

I would also like to add that we have a fish and chip shop next to the proposed siting of the off- license, so you can imagine the mix of cans, bottles and fish and chip containers which we could have strewn on the pavement and roads especially with the long summer nights ahead of us.

This involved a large amount of people causing a great deal of noise and a disruption to the people who lived nearby, as well as a large amount of rubbish which they inevitably left behind.

When we had an off license before, this was a meeting point for youths with motor-bikes and cars.

The grounds of this site are grassland and open to all. To the rear of this is a small park boarded up.

Opposite the proposed site for the off license, is the old Health Centre, which is now concern, with late night noise, rubbish and drunken behavior.

Having had a business at 65 May Lane for more than 40 Years, we have had to put up with a disruption of an off license before. This was at 67 May Lane, It caused not only to myself, but other occupants of the flats above the shops and local residents a great deal of

I would like to voice my objections to the proposed off license in the Co- op Shop 61 May Lane, Hollywood trading as Star News.
