Dear Sirs

RE. APPLICATION FOR A LIQUOR LICENSE
 FOR 61. MAY LANE B.47.5PA. ("STARS" SHOP)

PLANNING & ENVIRONMENT
 SERVICES
 24 APR 2008

LEE ROAD
 HOLLYWOOD

I wish to oppose the above.

My reasons are:-

- a) The area has quite enough vandalism as it is:-
- i) The chemists shop (adjacent to 61) sees it to have a street roller shutter door secured by 4 huge padlocks (they've had break ins)
 - ii) The telephone box is vandalised; (it has marked windows as I wrote.
 - iii) The Library opposite is a haunt for yobs. (they gather in front of the library). Last night I attended a "Forum" meeting there and it was disturbed by yobs

opening and closing the automatic door, and finally throwing something at the window to cause a big "bang". They ran off eventually. The police were phoned but did not respond, (no comment!)

b) Recently this estate peaceful shopping centre has been greeted with:-

- i) A chip shop
- ii) A Chinese take-away
- iii) An India take-away / restaurant.

This has resulted in increased smell, noise traffic and litter. This application will cause more vandalism and drunken behaviour.

c) There are plenty of liquor outlets

locally.

Granting a license from 7.00 AM to

11.00 pm is most undesirable - because

the shop gets hordes of school children

(some of whom are accomplished thieves -

my late wife worked in "Stars" for some time.

- she had to try and stop them)

your faithfully
