Dear Miss Smith,

Re: Licensing Application – 61 May Lane Hollywood

Having seen the Press Notice my Council have instructed me to write and object in the strongest possible terms to this Application bearing in mind that, when there was an Off-Licence in this block of retail outlets, the problems emanating there from were totally unacceptable, particularly as this is very much a residential area.

If this Application is allowed then we feel sure that the problems will re-occur coupled with the fact that there are empty premises opposite (formerly Doctors Surgery) where young people gather in the evenings in a covered area of the building fronting May Lane.

We trust the above comments will be borne in mind when this Application comes before the Licensing Committee.

Yours sincerely,

Miss P. Harrison
