

NOTICE OF MOTION – TOWN CENTRE PARTNERSHIP

The following Notice of Motion has been submitted in accordance with Procedure Rule 11 by Councillor C. J. Bloore:

“ Council recognises that the future of the town centre and its regeneration is one of the most important challenges facing this Council.

Council recognises the important role of local small and medium sized businesses play in the future of our town centre and the economic development of Bromsgrove.

Council believes that a successful town centre and improved local economic activity can only be achieved by working together with local businesses and the public.

Council resolves to establish a Town Centre Partnership with immediate effect including a voting membership made up of elected members, the relevant Portfolio Holder and at least four representatives from local business and community organisations. The Council members forming part of the Town Centre Partnership will be representative of the political balance of the Council.

Council further resolves that the remit of the Town Centre Partnership will be to recommend, consider and monitor the strategy, plans and progress of the Council in respect of all matters relating to the Town Centre economy and regeneration.

Council agrees to make the necessary delegations to the Monitoring Officer in consultation with the Group Leaders and Portfolio Holder to implement the required constitutional and/or democratic changes to bring about the Town Centre Partnership as set out.”
