The Chairman welcomed Mr. P. Jones (Engagement Lead), Ms. Z. Thomas (Manager) and Ms. M. Wren, Grant Thornton to the meeting.

The Board was asked to consider and note the Grant Thornton Grant Certification Letter for 2013/2014. Members were informed that as detailed in the certification letter the indicative scale fee set by the Audit Commission for the Council for 2013/2014 was £3,872. Grant Thornton considered that there was an error in the indicative fee stated by the Audit Commission as it was out of line with the fees set by the Audit Commission in both 2012/2013 and 2014/2015, as detailed in Appendix B to the report. Grant Thornton had highlighted this with the Audit Commission.

The key messages from the Audits were:

- Benefit subsidy was a relatively complex area and the amount of testing that Grant Thornton was required to undertake was extensive.
- A number of errors were identified and training plans had been put in place.
- Supporting working papers required further improvement.
- The claim was amended by £9,580 and therefore qualified.

RESOLVED that the Grant Thornton Grant certification letter 2013/2014 be noted.

GRANT THORNTON - INFORMING THE AUDIT RISK ASSESSMENT 2014/2015

The Board was asked to consider a report from Grant Thornton which detailed the Audit Risk Assessment for 2014/2015 and the management responses in relation to the controls that were in place within Bromsgrove District Council.

Members were informed that no specific concerns had been highlighted by Grant Thornton. The purpose of the report was to contribute towards the effective two-way communication between, the Council's external auditors, Grant Thornton and the Council's Audit Board. This two-way communication assisted both the auditor and the Audit Board in understanding matters relating to the audit and develop a constructive working relationship.

As part of their risk assessment procedures they are required to obtain an understanding of management processes of the following areas:-

- Fraud
- Laws and regulations
- Going concern
- Related Parties
- Accounting estimates

A series of questions on each of the above areas and the management responses were detailed in the report. As detailed in the report, the Council's Section 151 officer had agreed that a report would be provided with regard to Bromsgrove District Council being a 'Going Concern'. Further discussion followed on the management responses.

RESOLVED that the Grant Thornton, Informing the Audit Risk Assessment 2014/2015 report be noted.

45/14

GRANT THORNTON AUDIT PLAN 2014/2015

The Board were asked to consider a report that provided details of the Grant Thornton Audit Plan 2014/2015. The Audit Plan sets out the work that Grant Thornton proposed to undertake in relation to the Audit of financial accounts for 2014/2015.

Members were informed that a number of recommendations had been proposed by Grant Thornton and that the recommendations and management responses would be presented to a future meeting of the Board.

Members discussed and raised questions on risks identified with regard to the valuation of the Council House and the payroll manager, as the report highlighted that currently there was no payroll manager in post. Grant Thornton had undertaken an initial assessment to identify areas of risk to their Value for Money (VFM) conclusion. These would be considered further as part of their detailed risk assessment with the findings being report in the Audit Findings Report in September 2015. As detailed on page 54 in the report, the assessment work had identified VFM risks which would be investigated further with a review of the Medium Term Financial Plan (MTFP), discussion with officers and a review of relevant documentation.

Interim audit work was started in January 2015. Grant Thornton planned to complete that interim visit in April 2015. The findings of their first interim audit work, and the impact of their findings on the accounts audit approach were summarised on pages 56 to 58 in the report.

Councillor M. T. Buxton questioned if the staff survey results would be shared with Grant Thornton, as Audit Board Members had expressed some concerns with regard to some of the results in the staff survey.

RESOLVED:

- (a) that the Grant Thornton Audit Plan 2014/2015 be noted;
- (b) that the Audit Opinion Plan 2014/2015 be agreed.

46/14

GRANT THORNTON PROGRESS UPDATE REPORT - MARCH 2015

The Board was asked to note the Grant Thornton Progress Report Update to March 2015.

The report outlined that as of March 2015 the 2014/2015 Accounts Audit Plan would be completed in line with the agreed timetable. The report also included a summary of emerging national issues and developments that may be relevant and a number of challenge questions in respect of these emerging issues that Members may want to consider:-

- Independent Commission into Local Government Finance
- Inspection into the Governance of Rotherham Council Department for Communities and Local Governments (DCLG) Build to rent scheme
- Local Government Governance Review 2015
- Stronger futures: developing of the Local Government Pension Scheme (LGPS)

Members were informed that with regard to the emerging issues, officers would ensure Parish Councils were made aware of the new arrangements due to be in place in 2017.

The report highlighted other activity undertaken by Grant Thornton which included providing Council officers with technical training in conjunction with

Chartered Institute of Public Finance and Accountancy (CIPFA), Finance Advisory Network (FAN) and adhoc technical support to the Council's finance team.

Further discussion followed with regard to the Local Government Review 2015, Governance in working with others, in respect of Worcestershire Regulatory Services (WRS). Councillor R. J. Laight requested that the Board had sight of the accounts for WRS for transparency purposes. Several questions were raised with Members debating if the WRS accounts should be presented to the Overview and Scrutiny Board, as highlighted in Grant Thornton's report; there was an urgent need for scrutiny to exercise good governance over the complex array of partnerships in which local authorities were now involved. Scrutiny committees could bring a new level of transparency and accountability to areas of contracted out activities and joint operations or ventures.

RESOLVED that the Grant Thornton Progress Report Update to March 2015, be noted.

As the project was a joint project with Redditch Borough Council this had enabled savings to be made for both authorities in software costs and staff requirements. The project was split into several sections with the main ledger. The Accounts Payable and Debtors ledger were now live were successfully migrated to the new software and balanced back to the Agresso system.

The next phase of the project had commenced and had involved a stakeholder group of managers designing a budget monitoring system to assist with the financial planning of the authority. This was due to go live at the end of April 2015.

The Finance Services Manager introduced the report and informed the Board that as recommended by the Council's External Auditors, Grant Thornton, the delivery of the savings were being monitored more closely to ensure the Council was meeting savings in the way that was expected when the budget had been set.

Appendix 1 to the report showed that for the period April to December 2014 there were no concerns in the delivery of the savings to budget. A number of the projections were based on reductions in cost following service reviews and due to the timing of the restructures a number of savings had been realised

from vacant posts and other service savings to ensure the level of cost reduction was still achieved.

Mr. A. Bromage, Service Manager, Worcestershire Internal Audit Shared Service introduced the report and in doing reminded Members that a provisional plan of work was presented to the Board in December 2014. Mr. Bromage highlighted that with the resource allocation of 250 chargeable days for 2015/2016, as agreed with the Council's s151 officer; he was confident that he could provide management, external audit and those charged with governance with the assurances and coverage that they required over the system of internal control, annual governance statement and statement of accounts.

The 250 day allocation was based on transactional type system audits and had been reduced from the 300 days delivered during 2014/2015, providing a saving of 50 days.
