1. SUMMARY OF PROPOSALS

- 1.1 To enable Members to consider a revised New Homes Bonus (NHB) Community Grants Scheme to enable community groups to apply for funding from the New Homes Bonus grant received by the Council.

2. RECOMMENDATIONS

2.1 Cabinet are to recommend;

- 2.1.1 The approval of the revised New Homes Bonus Community Grants Scheme as attached at Appendix 1;**
- 2.1.2 The approval of 25% of the additional New Homes Bonus grant received in 2016/17 to be used to calculate the amount of £101k to be allocated to the scheme; and**
- 2.1.3 An additional amount of £23,840 to be added to the total allocation in respect of funds carried forward from the previous year's scheme.**

3. KEY ISSUES

Financial Implications

- 3.1 As Members are aware the government introduced the NHB in April 2011. The bonus was designed to ensure that the economic benefits of housing growth are returned to the councils where that growth takes place. The NHB is a grant paid by central government to local councils for increasing the number of homes in their area and their use. In two tier areas, like Worcestershire, the bonus is shared between the district council and county council (80% District: 20% County). At present NHB is not ring-fenced and councils can decide how they use the New Homes Bonus, however, there is an expectation that Councils will consult communities about how we will spend the money. The scheme is intended to be permanent however as with all financial funding this can change in the future.

- 3.2 As part of the Financial Settlement Announcement in December 2016 the Government proposed a number of changes to the NHB Scheme which would reduce the allocation granted to Councils. The proposals are included in a consultation document that closes in mid-March and the Council will be formulating a comprehensive response in relation to the significant reductions in funding that are proposed and the impact these will have on the Council over the next few years.
- 3.3 The proposals to change the NHB Scheme include changing the payments from 6 to 4 years, reduce NHB where there is no local plan, where homes have been allowed on appeal or where the growth would have occurred anyway. It is worth noting that the payment of £1.7m may reduce by the following over the next 4 years:

£000's	2017/18	2018/19	2019/20	2020/21	Total
Bromsgrove	542	531	523	663	2,259

- 3.4 Following the petition to Council in April 2014 in relation to the use of NHB, Members agreed that a scheme for allocating funds to communities affected by growth would be available for 2015/16. A fund of £87k was allocated based on 25% of new grant received during the year and a number of groups secured £63k of funding through this framework. Details of those grants received are set out below:

Installation of 5 Painted Steel Benches	Cofton Hackett Parish Council	£2,000
New chairs	Cofton Village Hall	£2,000
4 New Planters	Cofton Hackett Parish Council	£1,100

Club House Enhancement	Hagley Cricket Club	£10,000
Improvements to Club Facilities (Phase 1)	Hagley Lawn Tennis Club	£15,000
Alterations to new venue for youth activities.	Alvechurch Communities Together	£12,500
Refurbishment of Two Rooms to Provide Further Patient Access	Hollyoaks Medical Centre	£5,000

- 3.5 It was agreed that the underspend of £24k would be carried forward to increase the available funding for 2016/17. Using the NHB for 2016/17 of £101k this would result in a total available funding of £124k for bids to be considered by the NHB Panel.
- 3.6 As part of the review of the scheme officers have assessed how other Councils allocate funding and it is proposed that funding is allocated on the basis of the homes that have been completed in a particular area during 2014/15, as this is the most recent complete year of data being available. It is appreciated that this would not take into account homes that have been brought back into use nor would it reduce allocations for empty/ void properties. It is considered that this allocation basis, as used by other Councils, would be the fairest way to ensure a consistent framework for all communities who have been affected by growth.
- 3.7 Appendix 2 details the breakdown from the planning system of properties and it is proposed that this is used for the allocations of the £124k during 2016/17. The bidding process remains similar to 2015/16 in that there are different levels of form required to be completed by the groups for consideration.
- 3.8 Appendix 1 reflects the revised policy to include allocation of funds on the basis of growth in an area for Members' consideration.
- 3.9 Should the new allocation policy be approved the bidding process will commence in the new financial year.
- 3.10 Members will be kept updated as to any changes in funding for NHB following the consultation feedback.

Service / Operational Implications

- 3.11 The allocation of funding will support the provision of projects within local communities and do not impact on the operational services provided by the Council.

Customer / Equalities and Diversity Implications

3.12 The scheme will support all communities that are affected by growth.

4. RISK MANAGEMENT

4.1 An annual scheme based on the additional funding received from NHB for each financial year will mitigate the impact on the Medium Term Financial Plan and ensure that should NHB be revised in the future there is no future commitment from the Council.
