Subject: Objection to application 16/00403/PREMLI

Formal Objection to license application Reference 16/00403/PREMLI

Bayley's Of Bromsgrove, 6 Worcester Road, Bromsgrove, Worcestershire,
B61 7AE

Whilst I do not object to the idea of a bar opening at 6 Worcester Rd (it may well even help my business) I am concerned about a couple of aspects of the application, and therefore wish to object to the proposed opening hours and the type of films that may be shown.

The reasons I am objecting is:

1. This section of Worcester Road is used by a large number of children going to and from school as well as the numbers of children taking lessons the music school opposite.
2. The narrowness of the pavement would mean that children would pass in very close proximity to any smokers from the proposed bar as the building has no rear yard that smokers could use.

Kind Regards,

Maekong Thai

Subject: Re; Licensing Application Ref: 16/00403/PREMLI

May I refer to the above Application.

We have a Music School directly opposite the above building, teaching a large range of disciplines.

We have approximately 180 students a week of which the majority are of school age, ranging from 6 years old. A number of students walk to our premises straight from the local schools and then walk home.

The majority of our tutors are female, and the last to leave has to lock up and set the alarms, then walk to the public car parks.

Granting a License as per the Application would allow the showing of films, playing of music and the consumption of alcohol from 08.00 to 00.00. This would result in a continuous stream of customers, who may have been drinking all

day, on the opposite footpath as there is no rear access to the property for those wishing to smoke. This would lead to an intimidating presence for the youngsters, parents and staff when entering or leaving the building.

It could also impact on the teaching aspect of the school as all the teaching rooms have windows overlooking the street. Any loud or raucous behaviour would also be intimidating to the children. "We have had previous experiences with disruption and intimidation of this type when unsociable elements were housed in the adjacent property with resultant police raids, anti-social behaviour outside the front door etc. It is very worrying and concerning to both the students and staff.

We, therefore, respectfully ask that his Application be declined.

Subject: Appeal reference 16/00403/PREMLI.

Dear Whom it may concern,

We are the next door shop adjoining No: 6 Worcester Rd, Bromsgrove B61 7AE

Our shop is No: 4A Worcester Road: We are a Photography studio open from the hours of 9:00am till 9:00pm Sometimes longer dependent upon assignment.

Regarding 6 Worcester Road, Bromsgrove B61 7AE.

Bayley's of Bromsgrove

1. Playing of recorded music between 8:00am and 12:00am

This will affect our business in a drastic way due to any noise from live or recorded music will affect our video work. Our time photo editing and retouching could be disrupted as a high level of concentration is needed,

The noise could affect giving customers directions while working with them.

2. showing of films between 8:00am and 12:00am

Why and what films will be shown and what is the need for this style of pub in bromsgrove ?

3. sale of alcohol for consumption on and off the premises between the hours of 8:00am and 12:00am

With the sale of alcohol and pubs comes people smoking, people wonder and stray from the front of the pub and will cause issues with our business as we have children and families coming to our studio,

They will not want to pass customers from the pub who maybe smoking (and possibly drunk) outside, The pavement here is very narrow and i don't believe there would be enough room to accommodate any customers wanting to smoke! A lot of pubs in bromsgrove are not open from 8:00am so this will attract the wrong sort of customers who just want to drink alcohol very early on in the day!

I would like to arrange a meeting regarding the opening of this venue asap

I think a lot of small business will be affected in a drastic way if these plans go ahead, i say what i see, and i see a lot of trouble arising!
