NOTICE OF MOTION – URGENT MANAGEMENT RESTRUCTURE AND SAVINGS

The following Notice of Motion has been submitted in accordance with Procedure Rule 10 by Councillor L. C. R. Mallett:

“Council notes the perilous financial position of the Council imposed by cuts from central Government and past decisions to spend vital financial reserves. It is vital that change is implemented now to protect vital front line Council services.

Council calls on the Leader and cabinet to work with unions and senior management to commence a review of senior management (Heads of Service and Directors) at the Council with a view to save up to £200,000 of current management costs in future years against the current top management cost of over £1.1m annually across the two Councils.

Council further calls on the Leader and cabinet to review external consultancy, legal, agency and IT costs to identify at least a further minimum of £200,000 of annual savings.”
