- (b) to enable officers to be proactive in supporting the Committee and for the Committee to be equally proactive in introducing change to ensure the Council is an ethical organisation, which promotes and maintains high standards of conduct of elected Members, and is an organisation which relates to the community and improves the service it provides; and
- (c) the rising profile of standards committees and, in particular, the changes brought about by the introduction of the local assessment of complaints of alleged breaches by councillors of the Code of Conduct under the Local Government and Public Involvement in Health Act 2007.

- 3.3 The Work Programme will appear as a regular item on all future Standard Committee agendas, save for those meetings which are dedicated to Member investigations.
- 3.4 Officers will update the Work Programme, as appropriate, in between meetings. Any amendments to the Work Programme will be referred to the next relevant meeting of the Committee for approval. Members of the Committee are welcome to contact officers, at any time, with suggested changes.
