<b>EVENING &amp; WEEKEND CAR PARKING TASK GROUP</b>										
21 <sup>st</sup> March 2016	<u>Recommendation 1</u> The Council needs to formulate a clear Economic Development strategy that includes car parking as soon as possible, whilst considering the following key features of any such strategy: a) Ensuring that car parking arrangements are managed in accordance with the interests of the local economy. b) Working with partners in business and retail to develop the Economic Development Strategy that includes car parking options and tariffs that encourage customers to visit Bromsgrove. c) Ensure car parking arrangements support the Council's Economic Development Strategy.	6 <sup>th</sup> April 2016	Jan (2017)		April	√	Aug (2016)		Oct	
			<u>Cabinet Response</u>  In relation to recommendation 1 the Cabinet agreed that car parking was vital to the economic development of the Town and accepted the principles behind the recommendation. It was felt however that the existing Economic Development Priorities should be reviewed in order to assess the impact of car parking charges, rather than produce a new Economic Development Strategy which may need to alter in 6 months' time. It was fully accepted that the needs and views of businesses in the Town needed to be taken into account and the new Centre Manager would be fully involved in this review process and in working with local businesses. The process should be undertaken prior to the consideration of the next round of changes to fees and charges. The existing Economic Priorities needed to focus more strongly on car parking. Officers and Members from Economic Development, Car Parking and Planning would need to work very closely together on the further regeneration of the Town Centre.
