Title of Proposed Topic (including specific subject areas to be investigate)	Review of the Council's use of Social Media
Background to the Proposal (Including reasons why this topic should be investigated and evidence to support the need for the investigation.)	<p>During the course of the recent Preventing Homelessness Review it has come to my attention that social media is an increasingly important form of communication with the public.</p> <p>The Council already uses various forms of social media to engage with residents, but I feel that this could be enhanced to the benefit of Council Services and residents.</p> <p>At present I feel that it is often used mainly by the Council to let residents know what is happening rather than as tool for engagement with them.</p>
Links to national, regional and local priorities (including the Council's strategic purposes)	Enabling services to meet the needs of residents. Whilst this task group would not link directly to any specific strategic purpose, enabling itself, if conducted appropriately can enhance the Council's ability to achieve these purposes.
