

Appendix 1 - Process for listing community assets

Note 1
 A building or other land should be considered an asset of community value if:
 its actual current use furthers the social wellbeing and interests of the local community, or a use in the recent past has done so; and
 that the use is not an ancillary one; and
 for land in current community use it is realistic to think that there will continue to be a use which furthers the social wellbeing and interests, or
 whether or not that use is exactly the same as the present or past); and
 it does not fall within one of the exemptions e.g. residential premises and land held with them.
 'Social interests' includes cultural, recreational and sporting interests.
