B4 Why you think the building or land is of community value

Note that the following are not able to be assets of community value:-

- *A building wholly used as a residence, together with land "connected with" that residence. This means adjoining land in the same ownership. Land is treated as adjoining if it is separated only by a road, railway, river or canal.*
- *A caravan site.*
- *Operational land. This is generally land belonging to the former utilities and other statutory operators.*

Does it currently further the social wellbeing or social interests* of the local community, or has it done so in the recent past? If so, how?

The pub was very popular and famous for serving good quality beer; the Redditch & Bromsgrove CAMRA Branch presented the pub with an award for its good quality beer in 2013. The pub upgraded its kitchen then introduced an affordable food menu, at this time the pub was popular it was difficult to get a table most evenings. However, in the last two years the pub has not been supported well and has been allowed to deteriorate under a succession of tenants. This resulting in the pub closing on 13th April 2016; it is not under threat of demolition.

When open, and within the last 6 months, the pub provided the following services which further the social wellbeing and interests of the local community:

- The pub enabled local people to enjoy a range of drinks (and food) in a pleasant, convivial atmosphere, which furthers their individual well-being
- The pub enabled local people to enjoy a range of drinks (and food) in a pleasant, convivial atmosphere, which furthers their individual well-being
- The pub enabled local people to meet and socialise in a welcoming environment which, individually, they find rewarding and enjoyable. Such social interaction is also in the interests of the locality as a whole as it encourages community cohesion and a collective sense of well-being.
- New research from Oxford University shows that people who have a 'local' pub are happier, are more satisfied with their life and have a wider network of friends. The research is available at: <http://www.camra.org.uk/pubs-wellbeing>
- The pub hosted advertising for local events
- There is a beer garden attached to the pub which was used and enjoyed by local people
- The pub had a great food menu enjoyed by the local community
- The pub hosted regular quiz nights which brought the community together
- There was free parking available which was accessed by the wider community
- The Pub has been included in a tourist or local pub guide
- There is good access for disabled people at the pub
- The pub offers: A Dart Board; Pool Tables; Board Games.
- When open the pub hosted local darts and pool teams as well as being a venue for the local Samba Band and Morris dancing.

Could it in future further the social wellbeing or social interests* of the local community? If so, how? (This could be different from its current or past use.)

With its upgraded kitchen facilities, its excellent reputation and the fact that the pub serves a large community and is one of very few pubs in the area means that the pub has great prospects if reopened. The amount of new housing being built in the local area will also mean that the need for a local pub will only increase further in future years.

As a result of this, when reopened, the pub can further the social wellbeing and interests of the local community in the future by once again providing the above mentioned services.

**These could be cultural, recreational and/or sporting interests, so please say which one(s) apply.*

25. At any General Meeting a Resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded,
 - (a) by the Chairman; or
 - (b) by not less than 5 members present in person and having the right to vote at the meeting.

Unless a poll be so demanded, a declaration by the Chairman that a Resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of proceedings of CAMRA shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such Resolution. The demand for a poll may be withdrawn.

26. Except as provided in article 25, if a poll is duly demanded it shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the Resolution of the meeting at which the poll was demanded.
27. A poll demanded on the election of a Chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman directs and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of a poll.
28. In case of an equality of votes, whether on a show of hands, or on a poll, the Chairman on the meeting shall be entitled to a second or casting vote.

VOTES OF MEMBERS

29. Every member shall have one vote.
30. A member of unsound mind or in respect of whom an Order has been made by a Court having jurisdiction in lunacy, may vote, by his Committee, receiver or curator bonis or other person in the nature of a Committee, receiver or curator bonis appointed by the Court.
31. No member shall be entitled to vote at any General Meeting unless all monies presently payable by him to CAMRA have been paid.

NATIONAL EXECUTIVE

32. Unless a greater or lesser number is specified by an Ordinary Resolution carried at a General Meeting, there shall be 12 places on the National Executive.
33. The remuneration (if any) to be paid to any member of the National Executive shall be determined by the members in a General Meeting. The members of the National Executive shall be entitled to be repaid all travelling, hotel and other expenses properly incurred by them in or about the business of CAMRA including their expenses of travelling to and from the National Executive or committee meetings.
34. No person shall, at the same time, be a member of the National Executive and an employee of CAMRA; provided that a General Meeting of CAMRA may authorise a member of the National Executive to be or become an employee of CAMRA; and an employee of CAMRA may continue in his employment if elected a member of the National Executive in accordance with these Articles. A member of the National Executive who is an employee of CAMRA shall retire as a member of the National Executive and may submit himself for re-election at every Annual General Meeting, but shall not be taken into account in determining the members of the National Executive who are to retire by rotation at such meetings.

BORROWING POWERS

35. The National Executive may exercise all the powers of CAMRA to borrow money, and to mortgage or charge its undertaking and property, or any part thereof, and to issue debentures, debenture stock and other securities whether outright or as security for any debt liability or obligation of CAMRA or of any third party.

POWER AND DUTIES OF THE NATIONAL EXECUTIVE

36. The business of CAMRA shall be managed by the National Executive who may pay all expenses incurred in promoting and registering CAMRA and may exercise all such powers of CAMRA as are not, by the Act or by these Articles, required to be exercised by CAMRA at a General Meeting, subject nevertheless to the provisions of the Act or those Articles and to such regulations, being not inconsistent with the aforesaid provisions, as may be prescribed by CAMRA in General Meetings; but no regulation made by CAMRA in General Meetings shall invalidate any prior act of the National Executive which would have been valid if that regulation had not been made.
37. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments, and all receipts for money paid to CAMRA shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, in such manner as the National Executive shall from time to time by resolution determine.
38. The National Executive shall be empowered to form Committees or appoint Officers for any special purpose and may co-opt any member of CAMRA to undertake these tasks and these members shall be entitled to travelling and hotel expenses etcetera, as allowed to members of the National Executive under article 33.
39. The Chairman and any other 3 members of the National Executive shall be empowered to make emergency decisions in the interest of CAMRA without reference to a full meeting to the National Executive and such decisions shall be binding pending the next full meeting of the National Executive. Any such decision shall have to be ratified at the next properly convened meeting of the National Executive but the presumption shall exist that the decision is acceptable unless the circumstances are exceptional.

40. The National Executive shall cause Minutes to be made in books providing for the purpose:-
- (a) of all appointments of Officers made by the National Executive;
 - (b) of names of the members of the National Executive present at each meeting of the National Executive and of any Committee of the National Executive;
 - (c) of all resolutions and proceedings at all meetings of CAMRA and of the National Executive, and of Committees of the National Executive.
41. The National Executive shall be empowered to make rules and regulations which they consider to be in the interest of CAMRA which shall be binding on all members until revoked or countermanded by the members in General Meeting. Such rules and regulations shall not conflict with the Act or with the Articles.

DISQUALIFICATION OF MEMBERS OF THE NATIONAL EXECUTIVE

42. The Office of members of the National Executive shall be vacated if the member of the National Executive:-
- (a) becomes an employee of CAMRA other than in accordance with article 34 hereof; or
 - (b) becomes bankrupt or makes any arrangements or composition with his creditors generally; or
 - (c) becomes prohibited by law from being a member of the National Executive; or
 - (d) becomes of unsound mind; or
 - (e) resigns his office by notice in writing to CAMRA; or
 - (f) ceases to be a member of CAMRA; or
 - (g) is removed by resolution in General Meeting pursuant to section 168 of the Act or according to article 49 hereunder; or
 - (h) is directly or indirectly interested in any contract with CAMRA and fails to declare the nature of his interest in a manner required by section 177 of the Act.

A member of the National Executive shall not vote in respect of any contract in which he is interested or any matter arising there out after declaring his interest and if he does so vote his vote shall not be counted.

ROTATION OF THE MEMBERS OF THE NATIONAL EXECUTIVE

43. The election for membership of the National Executive shall take place at each Annual General Meeting of CAMRA. For each resolution to fill a place on the National Executive, each member shall have one vote; thus each member is entitled to as many votes as there are vacant places on the National Executive but is not required to exercise all or any such votes. The ballot shall be declared by simple majority, with the candidate polling the highest number of votes being declared elected to the vacant places in descending order of number of votes. No member of the National Executive elected at a General Meeting shall hold office for more than three years without retiring. In each year, one-third of the members of the National Executive (or if their number is not three or a multiple of three, then the number nearest one-third) shall retire from office. The members of the National Executive to retire in any one year shall be those who will have held office for three years since their last election, then, to make up the one-third or number nearest one-third, those who have been in office longest since their last election. As between members of the National Executive elected as such on the same day,

those to retire shall be determined by agreement between such members, or, if there is no such agreement, shall be those who received the least number of the votes cast for any candidate elected at the election. The computation of the members of the National Executive to retire at any Annual General Meeting follows this formula:

- a) Any member of the National Executive who is also an employee of CAMRA must retire at each Annual General Meeting.
 - b) Any member co-opted by the National Executive must retire at the Annual General Meeting following his/her co-option.
 - c) Take one third of the remaining number of members, or the number nearest one third (e.g. 4 of 11; 3 of 10; 3 of 8; 2 of 7 etc.).
 - d) Any member who will have been in Office for three years since his/her last election must retire.
 - e) The number to retire is then made up to the one-third or number nearest one-third by the length of service agreement/least votes formula e.g. if the three next longest serving members of the National Executive have all held office for two years, and two must retire, the three may agree unanimously among themselves which two shall retire, but failing this agreement, the two polling the least votes when elected shall retire.
44. Any retiring member of the National Executive whether elected at an Annual General Meeting or co-opted shall be eligible for re-election.
 45. The members of CAMRA at the meeting at which a member of the National Executive retires in accordance with articles 43 or 34 may fill the vacated office by electing a person thereto, and in default, the retiring member of the National Executive shall, if offering himself for re-election, be deemed to have been re-elected, unless at such meeting it is expressly resolved not to fill such vacated office or unless a resolution for the re-election of such member of the National Executive shall have been put to the meeting and lost.
 46. No person shall be eligible for election to the office of Member of the National Executive at any General Meeting unless not less than 42 or more than 60 days before the date appointed for the meeting, there shall have been left at the Registered Office of CAMRA notice in writing, signed by a member duly qualified to attend and vote at the meeting for which such notice is given, of his intention to propose such person for election, and also notice in writing signed by that person of his willingness to be elected.
 47. CAMRA may from time to time by ordinary resolution increase or reduce the number of members of the National Executive and may also determine in which rotation the increased or reduced number is to go out of office.
 48. The National Executive shall have power at any time to co-opt any person to be a member of the National Executive so long as the number of members of the National Executive shall not thereby come to exceed the number fixed in accordance with article 32 above. Any member of the National Executive so appointed shall hold office only until the next following Annual General Meeting, and shall then retire and be eligible for re-election, but shall not be taken into account in determining the number of members of the National Executive who are due to retire by rotation in accordance with article 43 above.
 49. By ordinary resolution at a General Meeting, of which notice has been given according to section 168 of the Act, CAMRA may remove any member of the National Executive from that office. This removal from office shall take effect

immediately, notwithstanding anything in these Articles, or in any agreement or contract between CAMRA and the member of the National Executive so removed from office, but shall be without prejudice to any rights that member may have either under any agreement or contract with CAMRA or generally at law.

50. If the removal from office of a member of the National Executive by resolution according to article 49 above occurs at an Annual General Meeting, the vacancy so created shall be filled in the normal course of election of members of the National Executive under article 43 above. If the removal from office occurs at any General Meeting, the meeting may by ordinary resolution (of which due notice has been given under articles 14 and 21 above) appoint a person to fill any vacancy so created, and that person's term of office as a member of the National Executive shall be as stated under article 43 above. If no appointment to any vacancy so created is made at a General Meeting, the National Executive shall have power according to article 48 above to co-opt a person to fill the vacancy, except that it may not co-opt the person dismissed from office under article 49 above.

PROCEEDINGS OF THE NATIONAL EXECUTIVE

51. The National Executive may meet together for the despatch of business, adjourn and otherwise regulate their meeting as they think fit. Questions arising at any meetings shall be decided by a majority of votes. In the case of an equality of votes the Chairman shall have a second or casting vote. The Secretary shall on the requisition of the Chairman or four other members of the National Executive at any time summon a meeting of the National Executive. At least six days' clear notice shall be given of such a meeting. It shall not be necessary to give notice of a meeting of the National Executive to any member of the National Executive for the time being absent from the United Kingdom.
52. The Chairman of any meeting of the National Executive shall be the Chairman presiding at the previous meeting of the National Executive or such other person as the National Executive may appoint by a majority vote at any meeting from time to time. Any member of the National Executive who ceases to be a member of the National Executive shall automatically cease to be Chairman.
53. The quorum necessary for the transaction of the business of the National Executive shall be fixed by the National Executive at a figure being not less than four.
54. The continuing members of the National Executive may act notwithstanding any vacancy in their body, but, if and so long as their number is reduced below the number fixed by or pursuant to the Articles of CAMRA as the necessary quorum of members of the National Executive, the continuing members of the National Executive or member of the National Executive may act for the purpose of increasing the number of members the National Executive to that number, or of summoning a General Meeting of CAMRA, but for no other purpose.
55. If the Chairman is not present within 15 minutes after the time appointed for holding a meeting of the National Executive, the members of the National Executive present may choose one of their number to be Chairman of that meeting.
56. The National Executive may delegate any of its powers to Committees consisting of such member or members of CAMRA as they think fit, and any Committee so formed shall in the exercise of the powers so delegated conform to any regulations that may be imposed on it by the National Executive.

57. Any member of CAMRA may be invited by the Chairman to attend a meeting of the National Executive subject to the approval of the members of the National Executive at that meeting.
58. A Committee may elect a Chairman of its meeting. If no such Chairman is elected or if at any meeting the Chairman is not present within 15 minutes after the time appointed for holding the same, the members present may choose one of their number to be Chairman of the meeting.
59. A Committee may meet and adjourn as it thinks proper. Questions arising at any meeting shall be determined by a majority of votes of the members present, and in the case of an equality of votes the Chairman shall have a second or casting vote.
60. All acts done by any meeting of the National Executive or of a Committee of the National Executive or any Committee of the National Executive and ordinary members of CAMRA or by any person acting as a member of the National Executive shall notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such member of the National Executive or person acting as aforesaid or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a member of the National Executive.
61. A Resolution in writing signed by all the members of the National Executive for the time being entitled to receive notice of a meeting of the National Executive shall be as valid and effectual as if it had been passed at a meeting of the National Executive duly convened and held.
62. No decision at a meeting of the National Executive shall be rescinded at any future meeting of the National Executive unless notice of the intention to rescind the same shall have been given in the notice convening such meeting or unless two-thirds of those present being in number not less than four shall agree to waive the need for such notice.
63. Business to be conducted at each meeting of the National Executive shall, whenever practicable, be stated on the notice convening the meeting. Business of which notice has not been given on the convening notice shall not be transacted at the meeting except with the consent of at least three-fourths of those persons present, being in number not less than four.

SECRETARY

64. The Secretary, who shall not be also a member of the National Executive, shall be appointed by the National Executive for such term, at such remuneration and upon such conditions as they may think fit; and any Secretary so appointed may be removed by them.
65. A provision of the Act or these Articles requiring or authorising a thing to be done by or to a member of the National Executive and the Secretary shall not be satisfied by its being done by or to the same person acting both as a member of the National Executive and as, or in place of, the Secretary.

THE SEAL

66. The National Executive shall provide for the safe custody of the Seal, which shall only be used by the authority of the National Executive or of a Committee of the National Executive authorised by the National Executive in that behalf, and every instrument to which the Seal shall be affixed, shall be countersigned by the Secretary or by a second member of the National Executive or by some other person appointed by the National Executive for that purpose.

ACCOUNTS

67. The National Executive shall cause proper books of accounts to be kept with respect to:-
- (a) All sums of money received and expended by CAMRA and the matters in respect of which the receipt and expenditure takes place;
 - (b) All sales and purchases of goods by CAMRA; and
 - (c) The assets and liabilities of CAMRA.

Proper books shall not be deemed to be kept if there are not kept such books of accounts as are necessary to give a true and fair view of the state of CAMRA's affairs and to explain its transactions.

68. The books of account shall be kept at the Registered Office of CAMRA or subject to Section 388 of the Act at such other place or places as the National Executive think fit, and shall always be open to inspection of the National Executive.
69. The National Executive shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of CAMRA or any of them shall be open to the inspection of members not being members of the National Executive, and no member, not being a member of the National Executive, shall have any right of inspecting any account or book or document of CAMRA except as conferred by statute or authorised by the National Executive or by CAMRA in General Meeting.
70. The National Executive shall from time to time in accordance with Sections 394, 398 and 415 of the Act cause to be prepared and to be laid down before CAMRA in General Meetings such profit and loss accounts, balance sheets, group accounts (if any) and reports as referred to in those sections.
71. A copy of every Balance Sheet (including every document required by law to be annexed thereto) which is to be laid before CAMRA in General Meeting together with a copy of the Auditors' Report, shall not less than 14 days before the date of the meeting be sent to every member of, and every holder of debenture of, CAMRA. Provided that this Article shall not require a copy of those documents to be sent to any person of whose address CAMRA is not aware or more than one of the joint holders of any debentures.

AUDIT

72. Auditors shall be appointed and their duties regulated in accordance with sections 475 to 479 of the Act.

NOTICES

73. A notice may be given by CAMRA to any member either personally or by sending it by post to him or to his registered address, if any, within the United Kingdom supplied by him to CAMRA for the giving of notice to him. Where a notice is sent by post, service of the notice shall be deemed to be effected by properly addressing pre-paying and posting a letter containing the notice, and to have been effected in the case of notice of a meeting posted by first or second class post at the expiration of 72 hours after the letter containing the same is posted and in any other case at the time at which the letter would be delivered in the ordinary course of post. Notices of General Meetings shall be deemed to be sufficiently served if incorporated in, included with or annexed to any magazine circulated by CAMRA to the whole of its membership.

74. Notice of any General Meeting shall be given in any manner hereinbefore authorised to:-
- (a) Every member except those members who (having no registered address within the United Kingdom) have not supplied to CAMRA an address within the United Kingdom for the giving of notice to them.
 - (b) Every person being a legal personal representative or a trustee in bankruptcy of a member where the member but for his death or bankruptcy would be entitled to receive notice of the meeting; and

76. First-Tier Tribunal General Regulatory Chamber Community Right to Bid

Available: <http://se1.camra.org.uk/wp-content/uploads/2015-01-Windmill-Tribunal-ruling.pdf>

Summary of findings:

On 30 October 2013 CAMRA South East London Branch nominated the Windmill public house for inclusion on Lewisham Council's list of 'Assets of Community Value'. The pub was then accepted onto the register on 20 December 2013.

Within a month the owners applied for a review of the listing which took place on 11 December 2014. The request for review challenged CAMRA's eligibility to nominate properties to be included on the Council's register of Assets of Community Value.

The review concluded that the CAMRA Branch is an eligible nominating body and that the pub should remain on the Councils list of 'Assets of Community Value'.

Summary of findings:

- CAMRA is a company limited by guarantee. Article 5 of its Articles of Association prohibits distribution of its income or property to members.
- Although community nominations cannot come from a national organisation which relies solely on its national activities – the case is different where a national charity or national company limited by guarantee has a network of branches. From the Memorandum and Articles of Association of the Campaign, it follows that CAMRA is not a loosely affiliated grouping or federation of individual branches but rather one large organisation whose members choose to organise the Campaign's activities through a network of branches.
- Judge Warren concluded that applications from organisations with a branch structure should be treated in a hybrid way and that branches are entitled to rely on CAMRA's status as a company limited by guarantee which does not distribute any surplus it makes to its members in order to satisfy Regulation 5(1)(e). The individual CAMRA branch is then entitled to rely on its own activities in order to satisfy Regulations 4(1)(a) and (b).
