PROJECT NAME:	Resurfacing the road entrance to the Community Hall
Organisation:	Tutnall & Cobley Parish Council
Amount of Funding Requested: Total Cost of Project:	£4,870 £4,870
Location of Project:	Tardebigge Community Hall
Aim of Project:	To renew the car park drive at the Community Hall in order to make it low maintenance, more cost effective and safer for users..

Category	Comments
1. Which Council Strategic Purpose does it meet?	<ul style="list-style-type: none"> Keep my place safe and looking good.
2. Aims and objectives of the project?	The funding applied for will allow the access to the Community Hall to be graded and tarmacadam which will replace the pot holes that occur on the driveway at present and particularly during winter time. A tarmacadam surface will give a safer surface for walkers and motorist to travel on. It will also be much more cost effective in the long term as it is of low maintenance.
3. Evidence Project meets local need and has local support?	The Community Hall is used by a large number of local community groups and provides activities for all ages.
4. Evidence that the Project is sustainable and has other funding streams?	If the full amount applied for is not forthcoming the Parish Council will lobby others for funds or consider increasing the precept paid by local ratepayers.

5. Signed by Ward Councillor and supporting comments.	Cllr Peter Whittaker as Ward Councillor supports the application.
6. Details of any Additional Information Provided	A quotation for the work to be undertaken was included with the application, together with details of the balances held by the Parish Council.
