

Ref	Name	Address	Reasons
S1	[REDACTED]	Fairways Drive, Blackwell, Bromsgrove, Worcestershire, B60 1BB	<ul style="list-style-type: none"> Loss of wildlife habitat Loss of green land Trees help block noise from the M42
S2	[REDACTED]	Gleneagles Drive, Blackwell, Bromsgrove, Worcestershire, B60 1BD	<ul style="list-style-type: none"> Natural habitat for animals and birds A safe harbour away from the noise of the M42 Helps prevent flooding to properties The roadway is narrow, more people will cause more traffic
S3	[REDACTED]	Linthurst Newtown, Blackwell, Bromsgrove, Worcestershire, B60 1BS	<ul style="list-style-type: none"> Land helps to cut out noise from the M42 Natural habitat for wildlife Helps with possible flooding
S4	[REDACTED]	Linthurst Newtown, Blackwell, Bromsgrove, Worcestershire, B60 1BS	<ul style="list-style-type: none"> Access to and from Linthurst Newtown is already a busy and dangerous route Trees provide an effective screen from traffic pollution and noise from the M42 Helps with possible flooding There may be problems with schooling, social and medical services due to more people
S5	[REDACTED]	Linthurst Newtown, Blackwell, B60 1BS	<ul style="list-style-type: none"> The woodland is a vital amenity to the local community; it enhances the quality of life and provides a natural habitat for the wildlife that has inhabited this area for hundreds of years.
S6	[REDACTED]	Fairways Drive, Blackwell, Bromsgrove, B60 1BB	<ul style="list-style-type: none"> Natural habitat for wild animals including a small population of deer Extra vehicles will make the road a daily hazard for residents
S7	[REDACTED]	Linthurst Newtown, Blackwell, Bromsgrove, B60 1BS	<ul style="list-style-type: none"> Natural habitat for wildlife Noise is masked by the trees from the M42 Extra people would mean extra cars and the road is terrible for parking. The road is too narrow. Insect life and shelter they provide is hugely important Environmental asset
S8	[REDACTED]	Tanglewood Close, Blackwell, Bromsgrove, Worcs, B60 1BU	<ul style="list-style-type: none"> The road is obscured, congested and narrow enough already with the possible additional vehicles Masks the noise from the M42 The woodland is a natural habitat for nature
S9	[REDACTED]	Wentworth Drive, Blackwell, B60 1BE	<ul style="list-style-type: none"> Valuable wildlife habitat Noise shelter from the M42 Can prevent flooding
S10	[REDACTED]	Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> Roads are not wide enough for more vehicles
S11	[REDACTED]	Fairways Drive, Blackwell, Bromsgrove, Worcs, B60 1BB	<ul style="list-style-type: none"> Provide a wildlife habitat Noise shelter from the M42 Soak up excess water Improve air quality in the environment Road safety in jeopardy
S12	[REDACTED]	Badger Way, Blackwell, Bromsgrove, Worcs, B60 1EX	<ul style="list-style-type: none"> Home to wildlife Noise shelter from the M42 Pollution shelter from M42
S13	[REDACTED]	Linthurst Newtown, Blackwell, Bromsgrove, B60	<ul style="list-style-type: none"> Natural habitat for wildlife Noise and pollution shelter from the motorway

		1BS	<ul style="list-style-type: none"> • Can prevent flooding
S14		Tanglewood Close, Blackwell, Bromsgrove, B60 1BU	<ul style="list-style-type: none"> • Habitat for wildlife • Reduce noise pollution from the motorway
S15		Linthurst Newtown, Blackwell, worcs, B60 1BP	<ul style="list-style-type: none"> • Hedgehogs hibernate in the woodland • Noise and pollution shelter from the M42 • Help reduce flooding
S16		Linthurst Newtown, Blackwell, B60 1BS	<ul style="list-style-type: none"> • Wildlife habitat • The woodland is visible from a local footpath and local householders value it. • Reduce noise and air pollution caused by the M42. • Mitigation of potential flooding • The woodland is a landscape feature which forms a boundary to the village of Blackwell, which is defensible in planning terms.
S17		Linthurst Newton, Blackwell, B60 1BS	<ul style="list-style-type: none"> • Natural barrier to north winds and noise pollution from the M42 • Barrier to flooding
S18		Badger Way, Blackwell, Bromsgrove, B60 1EX	<ul style="list-style-type: none"> • Vital local habitat for birds and other native animals • Provide a natural defence against flooding for the village • Noise and pollution shelter
S19			<ul style="list-style-type: none"> • Natural habitat for deer
S20			<ul style="list-style-type: none"> • Not enough space in the schools • Too many patients at the doctors already • Too much traffic already and the roads are narrow • Noise and pollution from the motorway will be awful • Barrier to flooding
S21		, Blackwell, B60 1EX	<ul style="list-style-type: none"> • Trees provide a massive insulation against the motorway noise
S22		Foxes Close, Blackwell,	<ul style="list-style-type: none"> • Provides a noise shelter from the M42 • Home to wildlife habitat • If development went ahead there would be an increase in accidents, noise and pollution • Prevents flooding
S23		Linthurst Newtown, Blackwell, b60 1BS	<ul style="list-style-type: none"> • Negative effects on the residents and local environment if the trees were felled
S24		Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> • Full of wildlife • Mask noise from the M42 • Lots of traffic problems already • More development would ruin the feel of the village which is small and friendly • Reduces the risk of flooding
S25		Birkdale Avenue, Blackwell, B60 1BY	<ul style="list-style-type: none"> • Noise barrier for the M42 • Home for the wildlife • Barrier to flooding
S26		Fairways Drive, Blackwell, Bromsgrove, Worcs, B60 1BB	<ul style="list-style-type: none"> • Development planning is proposed on a very dangerous bend on Linthurst Newtown which has had several accidents over the years • The schools are both full to capacity already as is the doctors surgery • Home to the wildlife • Barrier to flooding
S27		Linthurst Newtown, Blackwell, Bromsgrove, B60	<ul style="list-style-type: none"> • I believe the trees contribute significantly to the established aesthetic of the area; they provide a

		1BS	barrier to the pollution from the M42, provide some protection from flooding and provide a habitat for local wildlife.
S28		Foxes Close, Blackwell	<ul style="list-style-type: none"> • Provide a buffer from the noise of motorway traffic • Give habitat to wildlife
S29		Foxes Close, Blackwell	<ul style="list-style-type: none"> • Trees at the site can be seen and enjoyed surrounding areas. • Removal of trees would change the character of Linthurst Newtown and the surround area. • Home to wildlife
S30		Birkdale Avenue, Blackwell	<ul style="list-style-type: none"> • Habitat for wildlife • Visible from the public footpath • Woods play a significant role in the carbon cycle particularly with the M42 close by.
S31		Linthurst Newtown, Blackwell, Bromsgrove	<ul style="list-style-type: none"> • Area is highly visible from the areas of Blackwell • The woodland gives a clear boundary to the village • Aids with noise pollution reduction from the M42 • Aid to flood prevention/reduction to the village • Habitat for wildlife • Has mature traditional trees
S32		Foxes Close, Blackwell	<ul style="list-style-type: none"> • Huge number of beautiful trees • Visual, noise and air pollution barrier to the motorway • Home to wildlife
S33			<ul style="list-style-type: none"> • Barrier to flooding • Barrier to noise and air pollution • Home to wildlife
S34		Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> • Habitat for wildlife • Barrier to pollution and carbon from the M42
S35		Gleneagles Drive, Blackwell, B60 1BD	<ul style="list-style-type: none"> • Regular dog walking route • Many varieties of wildlife
S36			<ul style="list-style-type: none"> • The road fronting this property is too narrow with no pavement and parked cars on bends obscuring vision. • Habitat for wildlife
S37		Linthurst Newtown	<ul style="list-style-type: none"> • We are residents on Linthurst Newtown and would like to give our full support to a tree preservation order in respect of the above.
S38		Tanglewood Close, Blackwell	<ul style="list-style-type: none"> • It will create a considerable increase in traffic volume • Natural wildlife habitat • Noise shelter from the M42 • Flood deterrent
S39		Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> • Habitat for wildlife • Barrier to noise and air pollution
S40			<ul style="list-style-type: none"> • Provide a wildlife habitat • Flooding deterrent
S41			<ul style="list-style-type: none"> • Access to Linthurst Newtown is on a bend which is already dangerous and would only become worse. • Habitat for wildlife • Barrier to noise and air pollution
S42		The Glen, Linthurst Newtown	<ul style="list-style-type: none"> • Traffic at present causes disruption and poses danger threats • Habitat for wildlife

S43		Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> Habitat for wildlife
S44		Foxes Close, Blackwell, B60 1EY	<ul style="list-style-type: none"> Act as a buffer to the traffic noise from the M42
S45		Badger Way, Blackwell	<ul style="list-style-type: none"> Habitat to wildlife Noise barrier for the M42
S46		Badger Way, Blackwell	<ul style="list-style-type: none"> Noise barrier for the M42
S47		Gleneagles Drive, Blackwell	<ul style="list-style-type: none"> Home to wildlife Noise barrier for the motorway Prevent flooding
S48			<ul style="list-style-type: none"> Habitat for wildlife Noise barrier to the M42
S49		Blythe Valley, Solihull, B90	<ul style="list-style-type: none"> With regards to the tree preservation order, I am totally against the proposed developments of 45 houses. I fully support you proposal for a tree preservation order.
S50		Gleneagles Drive	<ul style="list-style-type: none"> The section of Linthurst Road is simply too narrow for such a development and I realise the desirability of living in Blackwell.
S51			<ul style="list-style-type: none"> Will cause traffic together with more strain on schooling and parking. Barrier to noise and air pollution from the M42
S52		Blackwell	<ul style="list-style-type: none"> Home to wildlife
S53		Wentworth Drive, Blackwell, B60 1BE	<ul style="list-style-type: none"> Home to wildlife Reduce the risk of flooding Sound deadening effect from the noise of the M42
S54		Gleneagles Drive, Blackwell, B60 1BD	<ul style="list-style-type: none"> Road is too narrow
S55			<ul style="list-style-type: none"> Home to wildlife Barrier to noise and air pollution from the M42
S56		Linthurst Newton	<ul style="list-style-type: none"> A visible well established woodland Flooding Wildlife habitat Noise shielding from M42
S57		Linthurst Newtown, Blackwell	<ul style="list-style-type: none"> Area contains a great deal of mature trees Trees visible from the woodland area Wooded area forms a continuous boundary with the oak trees Change to climate Increased risk of flooding Impact to wildlife Increased noise pollution from the M42
S58			<ul style="list-style-type: none"> The trees impart character to the environment – they influence the overall appearance The woodland effectively represents a boundary to the village Effective barrier to the sound of the M42 The woodland creates a very necessary wildlife corridor between the M42 and the railway line. Home to wildlife
S59		Badger Way, Blackwell, B60 1EX	<ul style="list-style-type: none"> Home to wildlife Barrier to flooding Reduce the noise levels from the M42

S60	[REDACTED]	[REDACTED]	<ul style="list-style-type: none">• Felling trees will result in the loss or deterioration of irreplaceable habitats including ancient woodland and the loss of ages veteran trees
S61	[REDACTED]	[REDACTED]	<ul style="list-style-type: none">• Home to wildlife• Protection from the M42• Noise, pollution and drainage reduction
