

## FORWARD PLAN OF KEY DECISIONS

OCTOBER 2008 TO JANUARY 2009

This Forward Plan lists the **Key Decisions** which it is proposed to take during the period 1 October 2009 to 31 January 2009. **Key Decisions** are executive decisions which must be taken or delegated by the Council's Cabinet and relate to matters which fall within the Council's agreed Budget and Policy Framework.

**Key Decisions** are those executive decisions which are likely to:

- (i) result in the Council incurring expenditure, foregoing income or the making of savings in excess of £50,000 or which are otherwise significant having regard to the Council's budget for the service or function to which the decision relates; or
- (ii) be significant in terms of its effect on communities living or working in an area comprising two or more wards in the district;

**Key Decisions** will include:

1. A decision which would result in any expenditure or saving by way of a reduction in expenditure of £50,000 provided the expenditure or saving is specifically approved in the Medium Term Financial Plan.
2. A virement of any amount exceeding £50,000 provided it is within any virement limits approved by the Council;
3. Any proposal to dispose of any Council asset with a value of £50,000 or more or which is otherwise considered significant by the Corporate Property Officer;
4. Any proposal to cease to provide a Council service (other than a temporary cessation of service of not more than 6 months).
5. Any proposal which would discriminate for or against any minority group.

**Further details of each Key Decision are appended to the Forward Plan.** To assist with internal forward planning, this Plan also lists other non-key decisions which the Cabinet is expected to make during the specified four month period. The Forward Plan is updated and published on the Council's website on a monthly basis.

<p><b>LEAD MEMBER/ PORTFOLIO HOLDER</b></p> <p>Councillor Roger Smith</p>	<p><b>ITEM</b></p> <p><b><u>CONSIDERING A WAY FORWARD FOR IMPLEMENTATION OF SINGLE STATUS/JOB EVALUATION</u></b></p>	<p><b>WARDS AFFECTED</b></p> <p>All</p>
<p><b>DOCUMENTS TO BE CONSIDERED BY THE DECISION TAKER</b></p> <p>Report of the Head of Human Resources and Organisational Development</p> <p><b>REPORT AUTHOR</b></p> <p>Jo Pitman Head of Human Resources and Organisational Development</p> <p>01527 881479</p>	<p><b>SUMMARY</b></p> <p>The purpose of this report is to update Cabinet on progress in relation to implementation of Single Status/Job Evaluation*, and specifically to ask Cabinet to consider three options to enable Officers' to move implementation of Single Status forward.</p> <p>The report reflects the fact that the original date in which it was hoped that a recommendation to implement Single Status would be made to Cabinet was April 2008. However, negotiations with the trade unions have taken longer than anticipated, and this has been further exacerbated by the effects of a recent key Court of Appeal judgment. These factors combined have led to a growing sense that planned timescales for implementation have been drifting, which is in turn having a further detrimental effect upon the morale of the workforce.</p> <p>Whilst not a report recommending implementation of Single Status, the report is considered necessary as a way of obtaining a sense of political direction with regards to the best way forward in order to remove the ongoing uncertainty for staff. It is also intended to make Cabinet aware of the effect that the delays are having upon the workforce, and consequently consider how best to remedy this.</p> <p>The report will outline the background to and purpose of Single Status, it will consider the progress made towards Single Status by Bromsgrove District Council to date and explain why the</p>	<p><b>REASONS FOR BEING ON THE FORWARD PLAN</b></p> <p>Ultimately, implementation of the proposed new pay and grading structure will result in expenditure in excess of £50,000.</p>

original planned date of implementation; April 2008 has not been achieved.

The report will outline the proposals in respect of a new pay structure for Council employees, and will address the question of pay protection for those employees whose pay it is recommended will drop if the proposals are subsequently implemented. The report will also address limited changes to terms and conditions of employment and will outline the response of the trade unions to the proposals, whilst also detailing the extent to which they have been involved in the development of the proposals.

\*Single Status/Job Evaluation represents the development of a new pay and grading structure for all workers employed under National Joint Council (NJC) for Local Government Services terms and conditions of employment, as required by the nationally negotiated pay award April 2004-7.

Trade Unions – Unison, UCATT and GMB.</li> </ol>	<p>The 3 recognised trade unions have been consulted as key members of the Single Status Steering Group since the inception of the project in 2006. The consultation and negotiations with them have taken the form of regular meetings of the joint steering group, in which they have been recognised as key partners. In accordance with the principle of openness and transparency, the trade unions have been heavily involved in the development of the pay model in order to understand the extent of the council's financial limitations and to ensure their buy-in. As the project has developed, the consultation meetings have increased in frequency.</p> <p>The Corporate Management Team has been consulted collectively through Corporate Management Team meetings, and individually as Heads of Service in order to consider the overall effect upon the workforce; specifically in relation to degrees of acceptance in relation to the proposals and how they may impact upon organisation performance, and the Council's reputation as an Employer.</p> <p>Staff who are members of UCATT and GMB have been balloted on the proposals. However, it is necessary for the Council to produce an Area Action Plan (AAP) that will provide a vision for the town centre, a context for its development and describe the various areas to be developed and what is being proposed within the town centre. The process of preparing an AAP requires thorough and on going consultation with the community and stakeholders. The first stage of an AAP is evidence gathering and the second stage is the preparation and delivery of a consultation process that puts forward a number of options for the redevelopment of the town centre. Consultees are asked for which of the options they prefer and based on the responses a preferred option is devised. The consultation process provides an evidence trail for seeking approval for the AAP.</p>	<p><b>REASONS FOR BEING ON THE FORWARD PLAN</b></p> <p>Significant in terms of its effects on communities living or working in an area comprising two or more wards in the district</p>

<p><b>LEAD MEMBER/ PORTFOLIO HOLDER</b></p> <p>Councillor Peter Whittaker</p>	<p><b>ITEM</b></p> <p>COUNTYWIDE AIR QUALITY STRATEGY</p>	<p><b>WARDS AFFECTED</b></p> <p>District Wide</p>
<p><b>DOCUMENTS TO BE CONSIDERED BY THE DECISION TAKER</b></p> <p>Report of the Team Leader ( Pollution &amp; General)</p> <p><b>REPORT AUTHOR</b></p> <p>Robin Goundry Team Leader ( Pollution &amp; General) 01527 881435</p>	<p><b>SUMMARY</b></p> <p>The Local Authorities of Worcestershire and Herefordshire Council, whilst fulfilling their statutory responsibilities and obligations to identify air quality hot spots, have recognised a need to develop a more holistic and unified approach to managing local air quality across the two Counties. Herefordshire and Worcestershire County Pollution Group in 2007 initiated the preparation of a cross-County Herefordshire and Worcestershire Air Quality Strategy (AQS). The improvement of air quality requires input from a wide range of planning and other professions. Therefore this AQS identifies broad actions, particularly for communication and co-operation within and between local authorities and wider bodies and the community.</p> <p>The key advantages of developing and implementing an AQS at County-wide level can be summarised as follows:</p>	<p><b>REASONS FOR BEING ON THE FORWARD PLAN</b></p> <p>This has affects and implications District wide by its nature.</p>

- It provides greater consistency across a range of policy areas for the achievement of improved local air quality, including local planning, transport planning, health, industry, housing and environmental protection, and ensures air quality is addressed in a multi-disciplinary way within the different departments of a local authority and across Herefordshire and Worcestershire;
- It provides the framework for a consistent approach to addressing local air quality considerations in development control processes;
- It is a vehicle for developing a coherent air quality policy across Herefordshire and Worcestershire for local planning processes;
- It provides a link to wider initiatives across both the one and two-tier authorities (for example Local Transport Plans, Climate Change programmes, Community Plans and energy efficiency programmes), and
- It provides the platform for local air quality considerations in future rounds of Local Transport Plans.

The cost of the project has been co - funded by the authorities. It will be launched in autumn 2008.
