## 3. KEY ISSUES

#### **Financial Implications**

3.1 There are no financial implications in relation to the development of the register or the associated Governance updates.

#### Legal Implications

3.2 The Council operates within a number of statutory Governance regulations and the Corporate Risk Register demonstrates how the Council will address and mitigate risks associated with the delivery of the Councils Strategic Purposes. The Annual Governance Statement details the ways that the Council operates within both the statutory and general good governance framework.

#### Service / Operational Implications

#### **Corporate Risk Register**

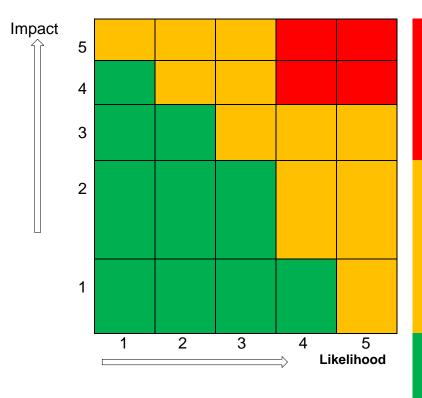

3.3 The Corporate Risk Register has been developed by the management team to address issues that are of a strategic nature and are seen as areas that have potential to impact on the delivery of the Strategic Purposes. The register attached at Appendix 1 is the draft 2017/18 register to enable members to be aware of corporate risks within the Council and uses the Red/ Amber / Green Scoring Mechanism to assess the risk associated with the issue and details both the controls and mitigating actions that are in place to reduce the risk to the organisation.

3.4 The scoring mechanism is shown in the table below and the Impact Scoring Criteria is attached at Appendix 2:

#### Risk scoring matrix

The risk scoring matrix reflects the Councils' current appetite / tolerance to risk. This risk tolerance should be reviewed at least annually as part of the formal refresh of risk management. There are three risk classification (low, medium and high) and these are based on the impact and likelihood values that are given to each risk. The risk matrix below illustrates how risks are classified. Officers are currently reviewing the risk appetitie / tolerance and the outcome of any revised proposals will be presented to this Committee later in the year.

## High

High risks require immediate attention. They should be regularly monitored for change and also to ensure agreed actions are being completed.

### Medium

Medium risks should be monitored and, if deemed necessary, further action taken to reduce the impact and/or likelihood of the risk **Low** 

Activity should concentrate on obtaining assurance on those controls in place that are reducing the risk. No additional action is necessary.

3.5 Members are asked to consider the draft register and make any proposed changes or additions to be monitored on a 6 monthly basis by this Committee.

#### **Customer / Equalities and Diversity Implications**

3.6 By promoting good governance the Council ensures that all of its residents and communities have a consistent standard of service and opportunities.
