

NHB Community Grants Scheme 2017/18

APPLICATION SUMMARY – Grant HIGHER

Ref: H3

PROJECT NAME:	Romsley Defibrillator
Organisation:	Romsley Parish Council
Amount of Funding Requested:	£3,750
Total Cost of Project:	£4,750
Location of Project:	St Kenelms Road
Aim of Project:	Currently the Romsley community has no access to this type of equipment and the Parish Council started a project in 2016 to one fitted inside the dilapidated telephone kiosk in the heart of the village. The project not only brings life saving equipment into the parish but also saves a much loved landmark and returns it to good use.

Category	Comments
1. Signed by Ward Councillor and supporting comments.	Yes – Cllr Margaret Sherrey
2. Evidence of how the impact of growth on the community will be met by the project.	There have been significant developments in surrounding parishes of Romsley, especially Hagley. This has had a massive impact on the number of cars which use the Parish as a cut through to avoid traffic on the A491. We are also over-subscribed at our local primary school.
3. Evidence that the Project is sustainable (if applicable)?	It is assumed that the Parish Council will cover the maintenance and running costs.
4. Evidence that the Project has other funding streams in place (if applicable)?	£1,000 grant from Severn Trent. Fund raising will continue to reach the target of the cost.
5. Which Council Strategic Purpose does it meet?	Yes Enable a safe environment for our community, keeping residents safe and we hope we never have to use it.
