

NHB Community Grants Scheme 2017/18

APPLICATION SUMMARY – Grant HIGHER

Ref: H7

PROJECT NAME:	Replacement boiler and shower pump
Organisation:	Kings Norton Rugby Football Club
Amount of Funding Requested:	£7,200
Total Cost of Project:	£9,220
Location of Project:	Hopwood Park
Aim of Project:	Replacement of boiler and shower pump and installation of new thermostatic valves in order to ensure that we can provide the facilities required as a rugby club which also hosts other sports.

Category	Comments
1. Signed by Ward Councillor and supporting comments.	Yes – Cllr Charlie Hotham
2. Evidence of how the impact of growth on the community will be met by the project.	The club draws from the wider Bromsgrove area and members live close to or in recent housing developments across the district. Within the ward significant development has occurred in Barnt Green, just outside the ward Alvechurch has also seen extensive new development.
3. Evidence that the Project is sustainable (if applicable)?	In undertaking the boiler replacement scheme our club will be able to function more efficiently.
4. Evidence that the Project has other funding streams in place (if applicable)?	£2,020 would be available from the Rugby Club funds. We would prioritise the boiler work being the most critical but the most cost effective solution is to deliver the works as a package.
5. Which Council Strategic Purpose does it meet?	Yes – improving our facilities in this way will encourage those that use the club to return and also showcase our facilities as a leading community club within the district.
Help me to live my life independently	

Help me to be financially independent	
Keep my place safe and looking good	
Help me run a successful business	Yes
Provide good things for me to see, do and visit	Yes
