

NHB Community Grants Scheme 2017/18

APPLICATION SUMMARY – Grant HIGHER

Ref: H18

PROJECT NAME:	Expanding Community Tennis throughout the whole year.
Organisation:	Wythall Tennis Club
Amount of Funding Requested:	£17,970
Total Cost of Project:	£17,970
Location of Project:	Wythall
Aim of Project:	To expand use of the facility throughout the year necessary to keep pace with the expanding population of the area.

Category	Comments
1. Signed by Ward Councillor and supporting comments.	Yes – Cllr Sue Baxter
2. Evidence of how the impact of growth on the community will be met by the project.	Wythall has accommodated over 250 new homes since 2011, the latest development of 178 at Bleak House Farm is almost complete. Copice Scholl has increased its yearly intake from two classes to three. We need to ensure that our local sport and leisure facilities have the capacity to accommodate this growth.
3. Evidence that the Project is sustainable (if applicable)?	Included within the application
4. Evidence that the Project has other funding streams in place (if applicable)?	Without the full grant the third court would remain laid with its existing tarmac, which would not enable expanded use of the facilities through the year necessary to keep pace with the expanding population.
5. Which Council Strategic Purpose does it meet?	Sport is widely recognised as a good thing and expanding the usability of our facilities will enable more people to access this particular sport. As a community based club we also facilitate community spirit and interaction of people across ages and backgrounds.

	An additional all weather court will make a lasting difference to the community and improve quality of life in Bromsgrove District.
Help me to live my life independently	
Help me to be financially independent	
Keep my place safe and looking good	
Help me run a successful business	
Provide good things for me to see, do and visit	Yes
Help me find somewhere to live in my locality	
6. Details of any Additional Information Provided	Full details and costings for the project were included within the application.
