<b>Location of Project:</b>	Barnt Green
<b>Aim of Project:</b>	For the unit to be able to offer the guides aged 10-14 and senior section aged 14-17 the opportunity to take part in a camp on Brownsea island next year, 2018.

<b>Category</b>	<b>Comments</b>
<b>1. Signed by Ward Councillor and supporting comments.</b>	Yes – Cllr Charlie Hotham
<b>2. Evidence of how the impact of growth on the community will be met by the project.</b>	Barnt Green Guides draw girls from the eastern portion of the Bromsgrove District and have seen a steady increase in applications from the area as new housing has been completed. In particular as larger housing developments in Barnt Green, Alvechurch and the Oakalls have been completed we have seen increases in number as girls get to guiding ages which has seen a steady increase in numbers on waiting lists. Smaller developments have also contributed to this.
<b>3. Evidence that the Project is sustainable (if applicable)?</b>	N/A
<b>4. Evidence that the Project has other funding streams in place (if applicable)?</b>	N/A

<b>5. Which Council Strategic Purpose does it meet?</b>	Yes – We encourage our unit to become independent by helping them to develop this skill in meetings every week. They work in small groups (patrols) and plan independent activities with us as leaders helping them to work better themselves. We help them to become independent by taking them on challenges, whether it be walking using a map from the Lickey Hills and finding things on a scavenger hunt, working in small teams in the woods to make a shelter, getting ready for big camps and knowing how to survive when they are tired, too hot or not getting on with others and most of all giving them experiences of going away to different places. We try to instil in them the importance of looking after our world, both in Barnt Green, and when we go away for our camps. All we leave behind is our footprints.
