Category	Comments
1. Signed by Ward Councillor and supporting comments.	M Buxton
2. Evidence of how the impact of growth on the community will be met by the project.	The construction of retirement and care homes in the centre of Bromsgrove had brought a significant number of people into the area. St John's Church is attracting families with young children.
3. Evidence that the Project is sustainable (if applicable)?	<p>The cost of running and maintaining St John's Church is high and limits the service to the community and prevents making a full contribution to the Diocese.</p> <p>Members of the congregation work very hard in delivering the services to the community.</p>
4. Evidence that the Project has other funding streams in place (if applicable)?	See application for full details.
5. Which Council Strategic Purpose does it meet?	See supporting details provided.
