Category	Comments
1. Signed by Ward Councillor and supporting comments.	P Whittaker
2. Evidence of how the impact of growth on the community will be met by the project.	Increasing the size and renovating the kitchen will allow the club to cope with the added demand from both internal and external organisations. It will also allow the club to host more events and festivals which will help the club to generate revenue.
3. Evidence that the Project is sustainable (if applicable)?	Since the housing developments at The Oak and Breem Park the club has seen major growth in both the mini and junior section of the club. The club had also seen increased usage when holding major events such as bonfire night and numerous summer events with the number of people accessing the site growing significantly.
4. Evidence that the Project has other funding streams in place (if applicable)?	See application for full details.
5. Which Council Strategic Purpose does it meet?	Sporting details provided.
