Category	Comments
1. Signed by Ward Councillor and supporting comments.	P Whittaker
2. Evidence of how the impact of growth on the community will be met by the project.	There has been a number of new developments in the surrounding area. The continued growth of the local community indicates that the number of referrals to the services will potentially increase.
3. Evidence that the Project is sustainable (if applicable)?	<p>The wellbeing project would take place predominantly at Primrose Hospice between the two buildings, Day Hospice and the Coppice Centre but outreach activities will be delivered where appropriate association with partners and organisations.</p> <p>The Wellbeing Service will offer patients the opportunity to access various activities.</p>
4. Evidence that the Project has other funding streams	See application for full details.

in place (if applicable)?	
5. Which Council Strategic Purpose does it meet?	Supporting details provided.
Help me to live my life independently	Yes
Help me to be financially independent	
Keep my place safe and looking good	
Help me run a successful business	
Provide good things for me to see, do and visit	Yes
Help me find somewhere to live in my locality	
6. Details of any Additional Information Provided	<p>The hospice provides free, expert care and support to adults living with life limiting illnesses and their families. It endeavours to improve patients' quality of life and wellbeing.</p> <p>By enhancing the exiting services and introducing new services in response to specific care needs being identified, ensures that the services that are available through Primrose are a great asset to the local community.</p>
