Category	Comments
1. Signed by Ward Councillor and supporting comments.	C Allen-Jones
2. Evidence of how the impact of growth on the community will be met by the project.	The project will give children between the ages of 1 and 14 somewhere to play. The existing playground is small and for very young children only. The new development will give more children the opportunity to play and explore outside.
3. Evidence that the Project is sustainable (if applicable)?	The Wychbury Fields development in Hagley continues to increase users of the village facilities including increased numbers into the school. The number of children attending the local primary school has also increased significantly in recent years which has increase the number f users of the village playground.
4. Evidence that the Project has other funding streams in place (if applicable)?	See application for full details.
5. Which Council Strategic Purpose does it meet?	See supporting details provided.

Help me to live my life independently	Yes
