

NHB Community Grants Scheme 2019/20

APPLICATION SUMMARY – Grant HIGHER

PROJECT NAME:	Belbroughton Playground Redevelopment
Organisation:	Belbroughton Recreation Centre
Amount of Funding Requested:	£14,800
Total Cost of Project:	£75,600
Location of Project:	Belbroughton
Aim of Project:	To develop an active play area for the whole community

Category	Comments
1. Signed by Ward Councillor and supporting comments.	Cllr Karen May
2. Evidence of how the impact of growth on the community will be met by the project.	This project will give children between the ages of 1 and 15 somewhere to play and develop with their friends which do not currently exist in our village. The existing playground is small and for very young children only so a new facility will give all children the opportunity to play and explore outside.
3. Evidence that the Project is sustainable (if applicable)?	See application form for full detail.
4. Evidence that the Project has other funding streams in place (if applicable)?	<p>£10,000 (secured) Donated from the Archie Fund which was set up in memory of a 5 year old boy who lived in the village until 2018 when he died in an accident. His parents have requested that the money be used to purchase a large piece of play equipment for his brothers (he was one of triplets), and their friends to play on as they grow up. More money is still coming in from this fund but £10,000 is secured.</p> <p>£2,000 (Secured) Donated by individuals in the community for the “bricks campaign”, The History Society and publications completed and sold on our behalf. More money is still coming in from this fund and this funding stream will continue to be pursued as a way of including the local community in the project.</p>

	<p>£20,000 (Secured pending matched funding) Donated by the Belbroughton & Fairfield Parish Council</p> <p>£28,200 Outstanding- This money will be raised through donations and support pledged from the local community and local businesses:</p> <ul style="list-style-type: none"> • Lex Allan Grove have pledged to donate 10% of their fee from all homes sold in Belbroughton to this project. • Other local businesses have also pledged to donate funding to the project once we begin the final stages of delivery. • St. Phillips Homes have pledged to donate expertise and physical building assistance to the project which will massively reduce the total required. This will likely bring the total amount required down closer to £55,000 <p>To be raised through further private and company donations and other grants. Additionally, the project will be scaled and staged according to funding available.</p>
5. Which Council Strategic Purpose does it meet?	See application form for full detail
Help me to live my life independently	Yes
Help me to be financially independent	
Keep my place safe and looking good	Yes
